# DE LE CUONA

## *Signature Accessories*

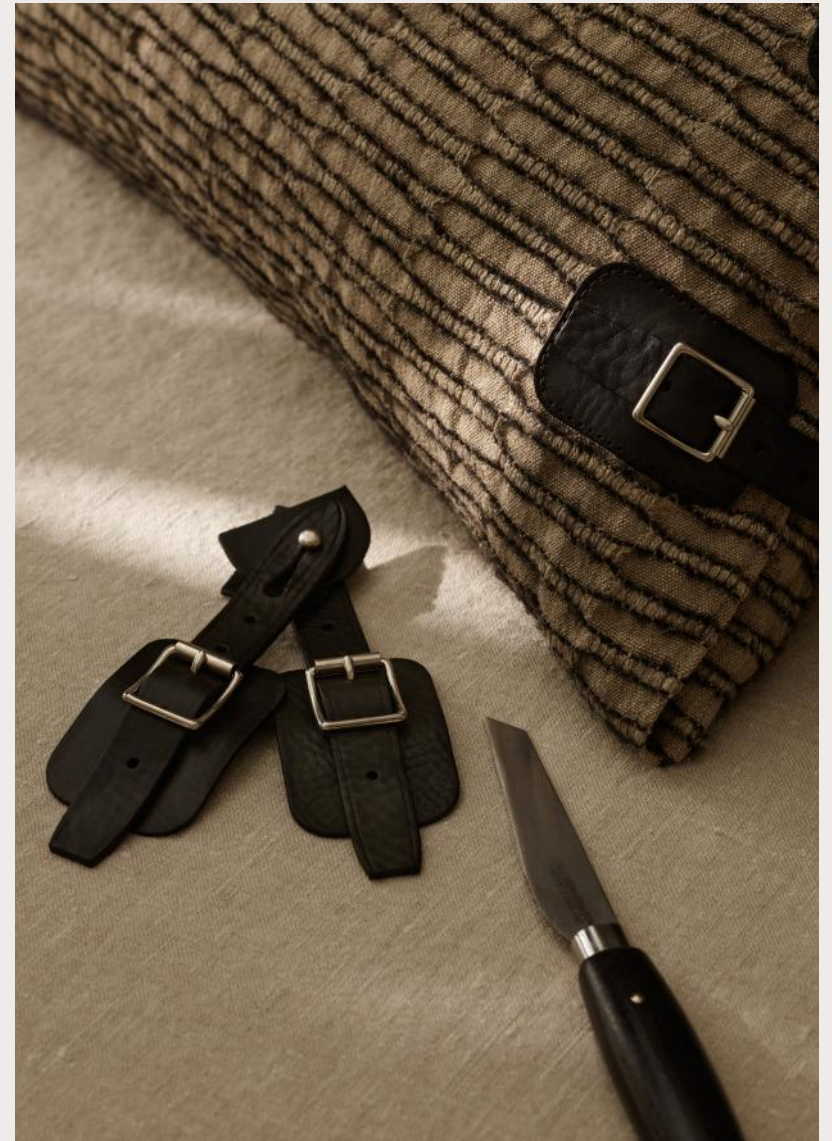

de Le Cuona | Signature Accessories

de Le Cuona's unique accessories explore the world of the senses. Textures are layered, colours combined, and intricate detailing applied to create cushions and throws that are distinctively de Le Cuona.

Each piece is hand crafted from exquisite, understated natural fabrics, woven in the best European mills using the world's finest natural fibres - flax, cashmere, wool, alpaca, and silk. Skilled craftspeople create inventive designs with real artistry using techniques from drawn thread-work and French seam details, to knotted tassels and frayed fringing, or waxed cord, leather embroidery, buckles and straps, all by hand in England.

All accessories are supplied with a dust bag made in GOTS certified cotton fabric with waxed cotton cord ties. All cushions pads are hypoallergenic and Oeko-Tex certified, filled with duck feather and down.

The new addition accessories for Summer 2024 work harmoniously across the full de Le Cuona collection in complementary colour palettes that allow you to layer texture and colour effortlessly. Each has a timeless luxury and simple modernity that will give any space a sense of understated glamour.

## SIGNATURE ACCESSORIES SUMMER 2024

Seven new cushions join the de Le Cuona Signature Accessory collection for Summer 2024.

These new additions feature four de Le Cuona favourite fabrics: Tatami, Kanoko, La Bohème, and Bison. These contrasting textures complement each other beautifully in two colour palettes, figgy pink and nettle green.

### TATAMI CUSHION WITH FRINGE **76% Linen, 20% Wool, 4% PES**

This classic square cushion is made in Tatami, a Masters of Linen certified, beautifully textured wool and linen mix fabric. Finished with a handmade fringe detail this cushion will add interest to both classic and contemporary schemes.

### KANOKO CUSHION **100% Linen**

This simple rectangular cushion is hand made in the linen fabric Kanoko. This Masters of Linen certified jacquard woven pocket cloth has an organic pattern evocative of the dappled spots on a fawn's coat perfect for adding a touch of pattern to your room.

### LA BOHÈME VELVET CUSHION **89% Linen, 6% Cotton, 5% PL**

Add a touch of vintage opulence to your scheme with the La Boheme Velvet cushion. The beautifully soft, long-pile linen velvet has an antiquated patina imbuing a feeling of comfort and relaxed glamour.

### BISON CUSHION WITH FRINGE DETAIL **97% Linen 3% PA**

A generously sized classic cushion made with the fabric Bison and featuring a 1.5cm hand-made ombre fringe on all sides. Bison is a tightly woven 100% linen with a robust ribbed texture. The expertly spun yarn, craft of weaving, and finishing process makes this a true artisan cloth.
