Dear Industry Professionals,

I am pleased to inform you that, together with my esteemed industry colleagues – Mr Kristian Holm (Yinson Production), Mr Ganesh (EPOMS Sdn Bhd), Mr Ronald Chew (KBR, Inc), Mr Ben Ford (ABS), Mr Saifulbahari (Bureau Veritas M Sdn Bhd), Mr Kaspar Kvamme (Yinson Production), Mr Sunil Ratti (Boskalis Offshore Energy), Mr Stephen Siva (FPSO Ventures Sdn Bhd), Mr Nik Rashidan (Petronas), Mr Suresh Venkatesh (Yinson Production), Mr Sinha Satyaranjan (MISC), Mr Tang Tung Pin (SBM Offshore), Mr Rakesh Mishra (DNV) and Mr Kamal Karthik (Specialised Technologies Pte Ltd) – we are organising Offshore Energy Asia 2025, taking place on 13–14 August 2025 in Kuala Lumpur.

This year's conference will focus on Floating Production Systems under the theme:
"Floating Production Solutions for the Future".

We warmly invite you to contribute your technology insights, operational experiences, and thought leadership by submitting a technical presentation on one of the following key topics:

- Sustainability in Floater Design
- Decarbonising Floater Operations
- Low-Carbon Oil Production
- Power Generation for Onshore/Offshore Hybrid Utilization
- Floater integrated renewable energy systems – including solar, wave & nuclear)

In addition to technical presentations, the event will feature panel discussions with participation from regulators, oil companies, operators, and other key decision-makers.

Kindly submit your abstract using the attached Speaker Registration Form by **10 June 2025**.

We look forward to your participation in shaping the future of offshore energy.

Warm regards,

Dato' Mohamed Sabri Bin Mohamed Zain
Conference Chairman, Offshore Energy Asia 2025
