
GenWare
Product Brochure 2025

GenWare

Established in ***1965***, the ***GenWare*** product range has offered the perfect balance of quality, fitness for purpose and value for money covering a comprehensive range of catering products.

With an extensive ***UK*** stockholding and availability, ***GenWare*** lines can be selected and ordered for immediate dispatch across the ***UK***, ***Ireland*** and ***Europe***. Products and services are developed to meet the evolving needs of the professional catering sector.

Ask our sales team; they will be happy to help you find the right product.

Mood Boards

Discover the latest inspirational trends; choose from various earthy, vibrant and unique colours, and visualise your space with ***GenWare's*** stunning photography.

Click Here

To view and download some of our most recent ***Mood Boards.***

Alternatively, for extensive projects, we produce ***Bespoke Mood Boards*** to suit your needs. Complete the ***Mood Board Request Form*** in the ***Mood Boards Section*** of our website with your requirements.

Show Rooms

Visit our showrooms and explore our ***GenWare*** range, including the latest product launches.

Based in the ***UK***, ***Spain*** and ***The Netherlands***, these showrooms serve our customers ***globally***.

The showrooms operate on an appointment only basis. Please contact us at ***customersupport@nevilleuk.com*** or contact your ***Sales Manager*** to book an appointment.

You can also scan the ***QR Code*** to book an appointment at our ***London*** showroom.

> ***Our showrooms are available for you to use and help you grow your business using the GenWare range!***

GenWare

NEW

Spring / Summer 2025

We're excited to introduce our biggest launch to-date, with over ***300*** new products of which many are brand new collections! Our newly introduced lines cater perfectly to the diverse needs of the hospitality and catering sectors.

Introducing the ***Incise©*** collection, a brand-new ***Vitrified Porcelain*** tableware category – comprising of ***Lucine***, ***Lustre***, ***Lavara*** and ***Solara***. All of which feature embossed designs, adding texture and sophistication to food presentation.

Sabrosa©, our new twice-fired ***Vitrified Terracotta*** collection of tapas plates, dishes and bowls will captivate any table setting with their vibrant colours.

Discover a new addition to our ***Terra© Vitrified Porcelain*** collection, that of ***Cinder Black Fluted***. A striking new range that redefines elegance with bold, architectural design.

Two new colours have been added to our ***Kava© Stoneware*** collection, boasting a harmonious fusion of a textured ***Black*** or smooth ***Dark Grey*** glaze with a tactile unglazed finish, forming a captivating contrast for culinary creations.

Be sure to check out the two new colours within ***Coloured Beverage***, ***Coral*** and ***Matt Teal***; as well as many new additions to our ***Table Presentation***, ***Table Service***, ***Drinkware***, ***Barware***, ***Buffet & Display*** and ***Trays*** categories.

VITRIFIED PORCELAIN

Truly Unique

A glaze formula combined with high-temperature firing makes no two pieces look exactly alike. Colour intensity varies from piece to piece, creating a truly distinctive look.

Fully Vitrified

Low water absorption, more hygienic protection against bacterial growth, and improved heat retention properties.

Conforms to BS4034 Quality Standard

Every piece is subject to rigorous quality checks to ensure product quality.

Polished Foot

Reduces damage when stacked and stored.

Microwave, Dishwasher, Oven & Freezer Safe

Perfect for heating and cleaning requirements and protection against damage caused by thermal shock and temperature fluctuations.

High Temperature Firing

The twice firing process, up to 1,320°C ensures each product is strong and durable.

Rolled Edge

More durable and functional for added chip-resistance in busy kitchen environments.

5 Year Chip Warranty

Extended warranty, on selected lines, is testament to the strength and durability of the collection.

GenWare

VITRIFIED PORCELAIN

BACK TO MAIN CONTENTS

The **GenWare Vitrified Porcelain** collection comprises not only of traditional classic white tableware, but those of **Roko© Sand** with its unique reactive glaze formula to create a truly distinctive look; as well as **Sereno©** and **Incise©** with their elegant designs and shapes.
Not forgetting our **Coloured Beverage** products if looking to ignite some colour and add character and sophistication to beverage service.

All conform to **BS4034** for vitrified hotelware quality standard for durability in use, and many of the plates within this category have rolled edges and rims to improve chip resistance whilst still including a **5 year edge-chip** guarantee. Be sure to look out for the icon throughout this brochure where applicable.

GenWare Vitrified Porcelain is the perfect canvas to get creative with when plating dishes involving vibrant colours or fresh and natural ingredients. Perfect for hotels, restaurants and other professional catering environments.

VITRIFIED PORCELAIN

The **Roko© Sand** collection combines an appealing design inspired by nature's raw elegance and rustic characteristics to create a versatile tableware collection. Every piece is crafted with attention to detail, blending organic textures, distinguished patterns, and dynamic shapes, offering an exclusive choice that suits varied interiors and architectures.

The irregular glaze of **Roko© Sand** is a poetic echo of the windswept waves and the sandy embrace of the beach along the Black Sea.

Ideal to serve entrées, mains, soups, salads or snacks.

- *Unique reactive glaze formula creates a truly distinctive look*
- *Rolled edge ensures durability and functional for added chip resistance suitable for hotel, restaurant and foodservice applications*
- *High temperature firing ensures strength and durability*
- *Polished foot reduces damage when stacked and stored*

Roko Vitrified Porcelain's unique glaze formula, combined with high-temperature firing, results in no two pieces looking exactly alike. Colour intensity varies from piece-to-piece. An example of colour variation is shown here.

sereno©

VITRIFIED PORCELAIN

Sereno© Alto has a cloud-inspired design reminiscent of the tranquil beauty of high-altitude skies. Each piece has a harmonious blend of matt and gloss which not only adds visual intrigue but also brings a tactile experience to the dining table. This collection will elevate any table setting with its distinctive charm and refined aesthetic.

Sereno© Cirrus is a range of matt white vitrified porcelain tableware, inspired by the delicate beauty of the dazzling clouds. Each piece features a soft grey rim, reminiscent of the sky, adding a touch of serene sophistication to the dining experience. This collection promises both durability and timeless appeal, in which the elegance of nature meets the artistry of tableware.

- *21-piece collections gives versatility for food presentation*
- *Showcases refined shapes in a textured matte white glaze, adding an elegant and contemporary touch to any setting*
- *Hand finished accent glaze makes every piece unique*

incise©

VITRIFIED PORCELAIN

The **Incise**© collection features an elegant series of gourmet plates and bowls, adorned with a sumptuous embossed design, adding texture and sophistication to food presentation. Ideal for upscale settings, this range combines aesthetic appeal with practical functionality, enhancing and elevating any culinary experience.

The centre of each **Lucine** & **Lustre** plate showcases a stunning reactive pearlescent glaze, creating a captivating focal point. The subtle difference being the embossed designs on each.

Lavara is adorned with a bold embossed design around the rim that adds texture and visual interest, beautifully complementing and accentuating the colours and textures of the food presented. Whereas **Solara** features a subtle intricate design around the rim, adding texture and sophistication to food presentation.

Every piece in the **Incise**© collection is perfect for upscale settings, allowing chefs to create visually stunning and memorable food presentation for any occasion.

white

VITRIFIED PORCELAIN

Bright White Finish For Professional Use

Compared to other porcelain alternatives, specially selected clays for a brighter white to give a good presentation.

Fully Vitrified

Low water absorption, more hygienic protection against bacterial growth, and improved heat retention properties.

Microwave, Dishwasher, Oven & Freezer Safe

Perfect for heating and cleaning requirements and protection against damage caused by thermal shock and temperature fluctuations.

Conforms to BS4034 Quality Standard Manufactured Under ISO9001

Every piece is subject to rigorous quality checks to ensure product quality.

5 Year Chip Warranty

Extended warranty, on selected lines, is testament to the strength and durability of the collection.

Durable Glaze

Glaze hardness lasts longer to prolong product lifetime whilst improving stain resistance to enhance appearance.

Rolled Edge

More durable and functional for added chip-resistance in busy kitchen environments.

coloured beverage

VITRIFIED PORCELAIN

Coloured Beverage provides a striking alternative to white porcelain beverages. The range includes cups, mugs, jugs and more.

Perfect for any hotel, restaurant, or cafe to make a colourful statement whilst serving tea and coffee to customers.

- *Provides a colourful alternative to white porcelain beverages*
- *Gloss and matt glazes available*
- *Rolled edge ensures durability and functional for added chip resistance suitable for hotel, restaurant and foodservice applications*
- *Conforms to BS4034 for vitrified hotelware quality standard for durability in use*
- *Temperature range: -40 to 250°C*

Edge Chip Warranty

The Bonna product range identified with the 'Edge Chip Warranty Logo' challenge the toughest standards and can be used for years by fulfilling the HoReCa industry requirements.

Thermal Shock Resistance

Bonna products are durable against sudden temperature changes and under extreme temperature conditions in the kitchen with hard glaze surface and premium raw materials.

Dishwasher Safe

The high-resistance glazing process protects all Bonna products in highly corrosive industrial dishwasher environments to meet the fast cycle needs.

Microwave & Oven Safe

Bonna products can be safely used in microwave and oven even for the high-temperature requirements of restaurants.

Glaze Damage Resistance

Extensive R & D efforts along with state-of-the-art glazing techniques, offers high-level scratch resistance in all Bonna products.

Stackable Design

The stackable design offers the best and the most practical solution even in the tightest storage areas.

STONEWARE

With its sleek and modern shapes, **Kava©** embodies style and functionality,

Kava© White showcases an off-white glaze complemented by an unglazed edge/base. Their elegant simplicity, unique design and organic feel makes them a standout choice for casual meals or upscale food presentation.

The textured black glaze and unglazed finish to the base of **Kava© Black** allows for Asian inspired cuisines to sit effortlessly, as well as being showcased in bistros and cafes. Versatility truly at its best!

Boasting a harmonious fusion of a dark grey glaze and a tactile unglazed finish, **Kava© Dark Grey** will complement the chic atmosphere of today's dynamic bistros, cafes and eateries.

antigo©
STONEWARE

Antigo© stoneware reflects the passage of time, which, combined with the beauty of craftsmanship, brings a one-of-a-kind collection of tableware.

Available in **2** colours; our rustic **Antigo©** and the sandy **Antigo© Barley** colours, it can perfectly enhance the dining experience.

Made from stoneware with stone-like qualities, the natural variations in the reactive glaze tell a tale of timeless elegance.

Antigo products will tend to show wear and tear to a greater degree than standard glazed white items.

rustic blue©

STONEWARE

Rustic Blue© stoneware range can easily impress through its elegant slight green undertone and predominant neutral blue colour. Perfect for serving entrée, mains, and sides inspired by popular cuisines of South America, Spain and the Mediterranean.

Stoneware boosts strength and durability, crafted to withstand the busy hospitality environment. Featuring a glossy finish with rolled edges that provide excellent chip resistance.

forge©
STONEWARE

Forge© stoneware combines the aesthetics of cast iron with the practicality and functionality of stoneware.

Forge© Graphite stoneware combines popular **Forge©** stoneware shapes in a new reactive colour.

The unique glaze features blends of greys and blues, with no two pieces looking exactly alike. Best used in dishes such as Spanish tapas, Mediterranean brunches, and Mexican cuisines, offering a truly unique tablescape inspiration.

VITRIFIED TERRACOTTA

Sabrosa©, the next generation of classic terracotta is designed to meet the demands of todays hospitality professionals. While honouring the warmth and charm of traditional terracotta, **Sabrosa**© takes it further with superior durability and modern versatility.

Crafted from premium **Vitrified Terracotta** each piece is twice fired, up to **1,150°C**, making it significantly stronger, less porous, and more resistant to chips than standard terracotta.

Sabrosa© items are built for professional use, offering the elegant, rustic appeal of terracotta while withstanding the rigors of everyday kitchen use.

Perfect for oven to table dishes, **Sabrosa**© delivers performance and presentation, ensuring a vibrant and warm dining experience.

Every piece is unique due to the natural effects and spontaneous reactions which occur in the kiln. Whether selecting **Lila** with its purple hues, or **Luna** reminiscent of the moon; combining the different designs will be sure to make a statement!

Sabrosa is especially well suited for Spanish tapas, Mediterranean brunches and Mexican cuisines.

COOK & SERVE

Bright Finish For Professional Use

Compared to other porcelain alternatives, these specially selected clays give great presentation.

Fully Vitrified

Low water absorption, more hygienic protection against bacterial growth and improved heat retention properties.

Microwave, Dishwasher, Oven & Freezer Safe

Perfect for heating and cleaning requirements and protection against damage caused by thermal shock and temperature fluctuations. Temperature range from - 40 to 250°C

Heat Retention

The Cook & Serve products benefit from superior heat retention properties

Durable Glaze

Glaze hardness lasts longer to prolong product lifetime whilst improving stain resistance to enhance appearance.

Rolled Edge

More durable and functional for added chip resistance in busy kitchen environments.

Conforms to BS4034 Quality Standard Manufactured Under ISO9001

Every piece is subject to rigorous quality checks to ensure product quality.

The Copper Vintage Steel collection is well suited to upscale casual dining and pairs beautifully with white or reactive glazed ceramic options. Perfect to use for presenting premium dishes, adding a hint of colour to this industrial looking range. It is ideally suited for popular plates such as steaks, burgers, Mediterranean and Middle-Eastern cuisines.

Expertly crafted from Stainless Steel, it features an industrial vintage finish with a durable copper PVD coating, perfectly safe for direct food contact.

Full Product Care & Guidance is provided on product packaging.

Our range of classic Enamelware is a traditional yet retro english style. The vitreous, double-coated Enamel resists stains, scratches and improves product durability. Like any other ceramic, the outer porcelain layer can chip over time, especially if dropped, revealing the steel beneath it. When this happens, the steel below naturally oxidises, and the Enamelware remains safe to use and adds character.

GenWare
GLASSWARE

LAV

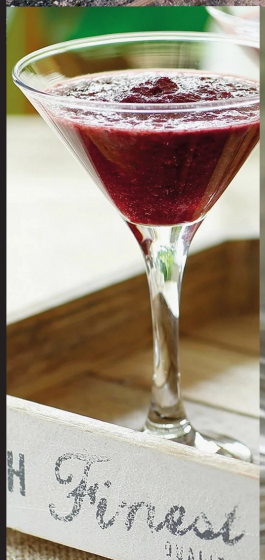

Nevilles has partnered with LAV to introduce a collection of high-quality products to its extensive GenWare range.

Since its establishment in 1994, **LAV** has taken a leading role in the glassware industry thanks to its focus on market, customer, technology and innovation. Its facilities located in Kütahya, **LAV** is the world's fifth largest glassware manufacturer, supplying two million items every day with a large range of tumblers, stemware, bowls and etc.

Today, **LAV** employs 2,000 people, with its sales and marketing office in Istanbul and two production plants built on a 300,000 square meter area in Kütahya. **LAV** exports its innovative and unique glassware products to 140 countries, including France, Spain and USA in particular, as well as Brazil, the Philippines and China.

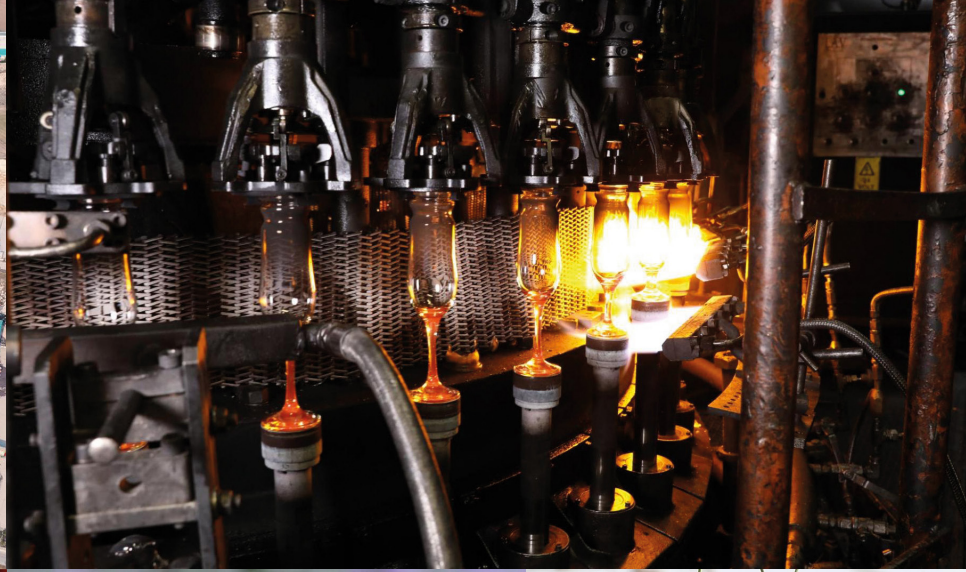

It does this thanks to its globally extensive distribution and sales network, which reaches different landmark based countries around the world such as Zanzibar, Mauritius Islands, Victoria Falls, Tokyo, Sydney, etc. **LAV** carries out its research and development activities on glassware production technologies at its Technopark facility, which is described as a "plant within a plant." Built in 2001, the innovation-focused Technopark is one of the three companies in the world which creates its own production technology.

Suitable for serving hot drinks up to a temperature of 65°C, the perfect temperature for serving coffees and hot chocolates.

To reduce the risk of thermal shock, ensure the glass is at room temperature prior to use. We do not recommend using boiling water for these glasses.

Our Polycarbonate Glasses are specifically crafted for the hospitality market, offering exceptional quality, durability and elegance. Manufactured from an advanced polycarbonate material, the drinkware offers a touch akin to crystal glass.

Designed to be virtually unbreakable, the glassware has been developed with safety in mind ensuring worry-free usage. The collection is suitable for various upscale environments including outdoor dining, events, poolside and spas; as well as bars, hotels and restaurants wanting an alternative to glassware.

Presentation Plate Stands

The latest trend for presenting food on natural materials. Great for buffet and displays or sharing platters at the table. Round platters work great in conjunction with our Glass Cake Stand Cover: **GCC30** or Clear Polycarbonate Covers: **52049A** & **52049B**

- All Marble & Terrazzo Platters have non-slip feet for greater stability on surfaces.
- Maximum temperature to be placed on platters is 70˚C

White Marble

Code	Description	Size (L x W)	MOQ	Pack	Each

- Virtually odourless.
- Non-toxic & non-explosive.

The Cast Aluminium Cookware range consists of a range of Casserole Dishes, Roasters and matching tempered Glass Lids. Made from die Cast Aluminium, they are lightweight yet strong and durable with excellent heat distribution properties, making them a great alternative to Cast Iron Cookware. Both Roasters and Casserole Dishes are suitable for oven and stove cooking, including induction.

They feature Greblon C3+ non-stick coating, making them very easy to clean.

Cast Aluminium Casserole Dishes
