

Message from the Superintendent

Mr. Forrest Trisler  
Superintendent

As a school district, we are grateful and humbled by the strong support shown by the Wynford community with the November 5, 2024 renewal levy. The voters passed the 6.9 mill renewal levy by a margin of nearly 60% to 40%, which will provide \$1.113 million in continued operating money. We greatly appreciate the community's past support of both renewal levies and the community's caring for students and their futures. Thank you, Wynford community.

It's now time to focus on the current state of Wynford Local Schools. Your past support helps the district, but it is not enough to alleviate significant financial concerns throughout the entire board-approved 5-year forecast. To that end, on November 18, 2024, the Wynford Local Schools Board of Education voted to move \$1.5 million from the capital improvements fund to the general fund for the operations of your schools. With the passing of the 6.9 mills, \$1.113 million renewal levy and the transfer of \$1.5 million from the capital improvements fund to the general fund, Wynford will be in the black through FY2026. However, in FY 2027 the district moves into the red with a projected (\$1,460,000) deficit. This negative deficit is projected to compound to (\$4,440,000) in FY 2028 and further to (\$7,900,000) in FY 2029. In short, the district's annual operating budget is \$15.5 million, and there is no way to cut ourselves out of this situation and still provide the education, opportunities, and services to students that you expect as a community and are accustomed to having.

This winter, we will be hosting a few community forum meetings to explain the current state of Wynford Local Schools. Please keep an eye out for scheduled meetings that will be released soon. These meetings will be opportunities for the school board, Leesa, and me to listen to stakeholder feedback as we look at the financial outlook for the district over the next 5 years. Some key stakeholder questions we'd like you to keep in mind and hear from you on include:

1. What is most valuable or important to you educationally at Wynford?
2. Where do you want the district to go in the future?
  - Facilities?
  - Staffing?
  - Programming for Students?
3. What do you want for the district in the future in terms of the following?
  - Make reductions?
  - Maintain what we have?
  - Move forward with a sustainable future?

We plan to listen to the community for answers to these questions as well as cover all the factual information on the financial state of Wynford at the upcoming community forums.

We're looking forward to a great second semester of the 2024-2025 school year, and we hope you are as well! Have a great start to 2025!

Board of Education

As part of School Board Recognition Month, we are shining the spotlight on our school board members for their commitment to supporting Ohio's next generation. Thank you to the dedicated leaders who serve on our local school board for their commitment and hard work! They play a crucial role in the education of our children. Please join us in saying "thank you" this month to Scott Langenderfer, Mark Johnson, Levi Hartschuh, Brett Ridge, and Matt Stahl.

Left to Right: Levi Hartschuh, Matt Stahl, Scott Langenderfer, Julie Miller, Forrest Trisler, Mark Johnson, Brett Ridge, & Leesa Smith

LOCAL SCHOOL BOARD MEMBER HONORED BY STATE ASSOCIATION

Mr. Levi Hartschuh, a Wynford school board member, has been recognized for his service to a statewide association of school boards. Mr. Hartschuh received a plaque thanking him for his contributions as a member of the Ohio School Boards Association (OSBA) Board of Trustees, the association's governing body. OSBA Chief Executive Director Dr. Kathy McFarland presented the plaque at the October Wynford board meeting.

Mr. Levi Hartschuh & Dr. Kathy McFarland

Mr. Hartschuh also serves as the association's President-elect on the Central Region Executive Committee, Student Achievement Leadership Team, and the Capital Conference Planning Task Force. Additionally, he is a legislative liaison and Wynford's delegate to the OSBA Delegate Assembly. Founded in 1955, OSBA leads the way as the respected voice of Ohio public education.

VISIT BY OHIO SCHOOL BOARDS ASSOCIATION PRESIDENT

Wynford Local Schools hosted Mrs. Sally Green, President of the Ohio School Boards Association, on October 29. Mrs. Green toured our schools and spent time in second-grade music class with Mr. Groth, first grade with Mrs. Kimmel, their students, and Mrs. Taylor-Sheldon.

District Information

Kindergarten Screening

Wynford residents who have a child that will be 5 years old on or before August 1, 2025, must attend kindergarten screening. The Wynford Local School policy states that there will be no admittance for students entering kindergarten if their birthday occurs after August 1, 2025. Kindergarten screening will be held on April 28 and 29, 2025, from 8:45 a.m. to 3:00 p.m. for Wynford resident students. Please register your child for kindergarten screening by scanning the QR Code below. We can't wait to meet the **Wynford Class of 2038!**

Requirements for kindergarten are as follows:

- **Immunizations:** 5 doses - DPT; 4 doses - polio; 2 doses - MMR; 3 doses hepatitis B; and 2 doses - chickenpox. All required immunizations must be on file before the first day of school.
- **Government Issued Birth Certificate** (not a mother's certificate or hospital certificate)
- **Custody Papers** (if applicable)
- **Proof of Residency** - Current utility bill

## KINDERGARTEN SCREENING

**8:45am - 3pm April 28th & 29th**  
Wynford Community Center  
*Please Bring: Birth Certificate, Vaccine Records & Proof Residency*

All registered future kindergarteners will receive a T-Shirt from Wynford PTO & a book from Crawford Reads 20. Students will have the opportunity to explore a School Bus.

*Screenings: Academics, Fine & Gross Motor, Hearing & Vision and Speech/Language*

**REGISTER YOUR FUTURE ROYAL!**

Free & Reduced Meals

Wynford Food Services would like to remind everyone that if you have had a change in your financial situation you can re-submit a new Free and Reduced Form for lunches. This can be done at any time of the year. For a Free and Reduced Form, please either stop by the school office to pick one up, fill out the electronic form on FinalForms at <https://wynford-oh.finalforms.com>, or print one from our website at <https://5il.co/1aabb> to complete and return to school. If you have any questions or need assistance with completing the form, please contact Mrs. Smock at 419-562-7828 x435 or [smock.kathy@wynfordroyals.org](mailto:smock.kathy@wynfordroyals.org).

Immunizations

Students entering **7<sup>th</sup> grade** for the 2025-2026 school year are required to have a Tetanus booster (Tdap) and Meningococcal vaccine before school starts in August.

Students entering **12<sup>th</sup> grade** for the 2025-2026 school year are required to have a Meningococcal vaccine before school starts in August. You must be over the age of 16 in order for this to count as your senior required immunization.

All required immunizations or an exemption form must be on file with our nurse before the first day of school. Immunization exemption forms can be found at <https://5il.co/h8jz> or on our website <https://www.wynfordroyals.org> under Menu—For Parents—Forms for Parents—Immunization Exemption Form. If you have any questions, please contact Michelle Johnston at [johnston.michelle@wynfordroyals.org](mailto:johnston.michelle@wynfordroyals.org).

School Delays and Closings

School delay and closing information is available on our website <https://www.wynfordroyals.org>, the Wynford App, our Facebook page "Wynford Royals," and X @WynfordRoyals. The following radio and TV stations are also notified when the Wynford Schools are delayed or closed because of the weather: **WQEL** (Bucyrus, Ohio) 92.7 FM, **ABC 6** (Columbus, Ohio) TV, and **NBC 4** (Columbus, Ohio) TV.

Our district also offers a notification service. Voice messages are sent for cancellations and delays, and text messages are sent for other school updates. To sign up for notifications or if you don't receive calls or text messages from Wynford, please contact the Wynford Board Office at (419) 562-7828 ext. 500.

FinalForms

**FINALFORMS** Parents, please remember that FinalForms needs to be completed each year for students at both the elementary school and middle school/high school. FinalForms allows you to complete and sign all school forms for your students electronically. If you have not completed and signed your student's forms for this school year, they need to be done ASAP. Also, if any information changes during the school year such as your phone number or address, you need to notify the school and **update FinalForms** accordingly. Please visit <https://wynford-oh.finalforms.com> to complete and update ALL forms if you have not done so already this school year.

Parent Notifications

The following items are posted on our website at <https://www.wynfordroyals.org>:

## Teacher Boot Camp

### Teacher Boot Camp Participants Receive 3D Printers From IST

Over the summer, educators from districts in Crawford County, Morrow County, and Richland County had the opportunity to participate in the Mid-Ohio ESC Business Advisory Council's Teacher Business & Manufacturing Boot Camps in the region. Participants gained firsthand experience with cutting-edge ways technology is used in the workplace and learned more about the rewarding careers available in manufacturing and the skills students need to obtain and retain these local positions. In addition, Integrated Systems Technologies (IST) in Richland County sponsored a free 3D printer for three Crawford County Boot Camp Teacher participants who designed a lesson, unit, or project that best exemplified the use of 3D printing in a manufacturing setting.

Gabe McCready, President of Operations at IST, said, "In today's rapidly evolving technological landscape, having access to tools that foster creativity and innovation is essential. A 3D printer can serve as a powerful resource for students, allowing them to bring their ideas to life and engage in hands-on learning. Whether in

design, engineering, or art classes, the opportunities for interdisciplinary projects are endless. IST is excited to see each school and program leverage the newly donated 3D printers." McCready continued by expressing his enthusiasm for the boot camp: "We appreciate each teacher taking the time to participate in the teacher boot camp and learning more about the great careers that exist for students locally in manufacturing and engineering."

Linsey Phillips, a school psychologist at Colonel Crawford Local Schools, won the 3D Printer from IST for her district. "The Manufacturing Boot Camp for Educators revealed not only the pride that exists in our local industries but also the important role the workers have in driving innovation. Industry is alive and well in Crawford County," said Phillips. "As we toured these workplaces, it was clear that with commitment and skill, the path to career growth is as vibrant as the communities we serve. We are grateful to IST for donating a 3D printer to our district. By creating hands-on opportunities for our students, we will help them develop skills to equip them for tomorrow's jobs."

April Bond, Principal of Colonel Crawford Local Schools, said, "We feel so blessed to be the recipients of this award. Colonel Crawford is working hard to develop and grow a STEM program that will continue to keep students growing with our ever-changing technology while also helping to prepare students for whatever path they choose in life. The Teacher Boot Camp this summer was eye-opening as it highlighted not only the many awesome career opportunities in Crawford County but it showed us, as educators, how we can support students and businesses by helping to prepare students to hit the ground running toward a successful future."

Lesley Hayman, an elementary teacher at Wynford Local Schools, is excited about the opportunities the 3D printer donation will bring to elementary students. She said, "We ask even our youngest children, 'What do you want to be when you grow up?' It's incredibly important to introduce young children to careers where they can create, design and manufacture." Hayman continued, "Introducing a 3D printer to elementary students will get them excited at a very young age about careers that use hands-on skills to create, putting emphasis and value on manufacturing careers. This is a very unique and exciting opportunity for the elementary students at Wynford."

David Mason, business teacher at Wynford, also received a 3D Printer because of the career exploration lesson he created because of Teacher Boot Camp. Mason said, "I would like to thank IST for the generous donation of the two 3D printers to Wynford Local Schools. Technology is impacting industries everywhere, including Crawford County, and it is important that our students are up-to-date with new technologies in the workplace. The 3D printers will be used by all students grades K-12 throughout the Wynford district."

"Teacher Boot Camps are a valuable way for educators to gain the experience of understanding the occupations available in their communities and to integrate this knowledge into instruction in meaningful ways, helping students understand the skills needed to succeed locally," said Amy Wood, Director of Grants & Special Projects, who leads the Business Advisory Council. "We are grateful to IST for their sponsorship of our Business Advisory Council and the donation of 3D printers for this important program."

The Teacher Boot Camp is a college course worth three graduate-level credit hours taught by Amy Wood each summer. The coursework consists of readings, discussion board posts, and tours of local companies supported by local workforce development partners, which complement the course material. The cost is \$125, which may be reimbursed if teachers meet certain criteria. If you are interested in registering for the 2024 Richland, Crawford, or Morrow County Teacher Business Boot Camp, please email Amy Wood at [wood.amy@moesc.net](mailto:wood.amy@moesc.net).

# High School Happenings

From the desk of Mrs.  
Julie Miller, Principal, Grades 9-12

Mrs. Julie Miller

Welcome back to the second semester of the 2024-2025 school year! I hope each of you had a restful and enjoyable break, filled with time to recharge and reconnect with family and friends.

This semester, we will continue to focus on our commitment to academic, athletic, and extracurricular growth, and excellence. We have made significant strides this year, with exciting programs, innovative teaching strategies, and a spirit of collaboration that has strengthened our school community. Our dedicated teachers have been working hard to ensure that every student is engaged and challenged, and as always, I encourage students to take full advantage of the resources available to them.

Looking ahead, we have a multitude of exciting events planned in the areas of academics, athletics, FFA, and the arts. These events not only provide opportunities for our students and staff to shine but also foster a sense of belonging and teamwork within our school.

I want to take this opportunity to remind everyone about the importance of communication. Please do not hesitate to reach out to teachers, counselors, or myself if you have questions or need support. Together, we can help our students navigate the challenges and triumphs of this semester.

Lastly, with the winter season upon us, we invite and encourage each of you to attend one or more of the many games, meets, matches, concerts and other activities that are taking place at WHS. Go Royals!!

## National Honor Society

### NEW MEMBER INDUCTION

The Wynford National Honor Society held its induction ceremony for new members on October 21, 2024, at 7:00 p.m. in the high school auditorium. The second-year National Honor Society members led the ceremony and welcomed ten new members. There is a lengthy process and list of qualifications for students to be approved and invited to join the National Honor Society. Wynford is proud to have accepted the following new members into the National Honor Society: Cole Brown, Collin Hulsmeier, Ryan Wise, Mallorie Williams, Bayleigh Armstrong, Dana Hurst, Malia Roth, Brock Saam, Evan Wolfe, and Cade Farrell.

#### WYNFORD HIGH SCHOOL NATIONAL HONOR SOCIETY

Standing Left to Right: Cole Brown, Collin Hulsmeier, Ryan Wise, Mallorie Williams, Bayleigh Armstrong, Dana Hurst, Malia Roth, Brock Saam, Evan Wolfe, and Cade Farrell

### MORNING STAFF CHILDCARE

As a service project, National Honor Society members supervise the elementary-aged children of middle and high school staff members before school. The members organize activities and play games with the students, creating a fun and engaging environment. This program allows the members to earn community service hours while providing valuable support to the staff.

## Band

Reilly Teynor and Jamison Crall attended Drum Corp International's Bandtastic (an honor band for middle school students) on August 5, 2024. They practiced during the day and performed before the DCI competition on the Pro Football Hall of Fame Field. Way to represent the Wynford Band!!

The Wynford Marching Royals had a successful season this year. They performed a wide variety of music from such artists as Michael Jackson and John Denver. Students from grades eight through twelve enjoyed an amazing experience bonding together and also performing for the Wynford community.

## The Royal Follies

In November, the Wynford Drama Department presented The Royal Follies. The show featured our host, senior Conner Bloomfield, who guided the audience through the many talents of Wynford. The Royal Follies has been a cherished tradition at Wynford for many years, and the drama department was proud to bring it back to the Wynford stage.

The cast included Kolbie Allgyre, Lillian Beck, Adalee Butler, Justin Chandler, Mia Coons, Jamison Crall, Aaron Doezema, Samantha Dornbirer, Kira Gibson, Weston Gray, Dwight Hartschuh, Jordan Hartschuh, Addilyn Kennedy, Sophie McNutt, Jack Murrell, Andrew Neeld, Carter Neumann, Dariana Perry, Shelby Richards, Lily Shepherd, Olivia Stacklin, Clara Tomlin, and Wyatt Tomlin.

Crew members included Breylee Clark, Brielle Lloyd, Aria Sennet, and Jacob Wagner. Costumes and props were managed by Kathy Smock, technical direction was provided by Brandon Buck, and vocal/stage direction was led by Eden Spradlein.

# High School Happenings

## Wage Tour

For the first time since COVID, in-person WAGE (Workforce Awareness for Graduates and Educators) Tours were held on October 24. Conducted by the Crawford Partnership and led by Lisa Marcum, the WAGE Tours program offers invaluable, hands-on experiences for students in middle and high school throughout Crawford County.

WAGE Tours provide local students with the opportunity to visit and learn about various businesses and industry sectors within Crawford County. This in-person exposure complements their career exploration in school, giving them a fuller picture of the career paths and opportunities available right here at home. Since its inception in 2014, over 1,500+ Crawford County students have benefited from WAGE Tours, gaining insight into the businesses and career possibilities in our community.

The program is designed with several primary goals. The program strives to increase student awareness and interest in local career paths, enhance educators' understanding of employer needs and opportunities for students, foster communication about general career readiness and local workforce preparedness, and ensure inclusivity by involving all schools across Crawford County. The Crawford Partnership is thrilled to see this program back in action, inspiring our youth and connecting them with the many career possibilities Crawford County offers.

## Choir

Wynford Choir had a great first semester. They started the year by reviewing the basics from choral singing to sight reading and started preparing music for their winter choral concert. They had their annual pumpkin fundraiser with The Pickwick Place and sold 513 pumpkins. Both the seventh and eighth-grade classes tied for first place by selling 166 each and were rewarded with a pizza and "Just Dance" party! The high school choir had opportunities to perform the National Anthem at volleyball and basketball games and attended Otterbein University's Honor Choir. The spring semester brings several activities to their schedule including The High School Choir Disney Trip, OMEA Solo and Ensemble and Large Group Contest, Cedar Point Festival of Music, and Spring Choral Concert. Follow the Wynford High School Choral Department Facebook Page to stay up-to-date on all their events!

## Sheldon Spotlight

Rob & Brenda Sheldon

Congratulations to Coach Rob Sheldon on having the W.R. Donnenwirth Gymnasium court named in his honor. The floor dedication took place during the Throwback Game against Colonel Crawford on Saturday, January 4, 2025. Rob's coaching career at Wynford began ahead of the 1979-1980 season. His impressive tenure included nine North Central Conference championships, 18 sectional titles, seven district championships, and two regional titles. Wynford was the state runner-up in 1987, losing to Fort Loramie in the championship game. Two years later, the Royals fell to Akron Hoban in the state semifinals.

Wynford was ranked in the Associated Press top 10 five times during Sheldon's career, and he coached 12 different players who earned All-Ohio honors a total of 16 times. Sheldon was once named Class A Coach of the Year and was repeatedly voted Crawford County and District 6 Coach of the Year. After stepping down following the 2002-2003 season, Rob finished his career with an impressive 401-156 record, a milestone many thought would never be surpassed!

Amy Taylor-Sheldon, Rob Sheldon's daughter-in-law, achieved her 400<sup>th</sup> career win on Saturday, December 21, 2024. She has since added more victories to surpass Rob's remarkable 401 career wins. There is no doubt that Amy will continue to make Wynford proud with her coaching accomplishments in the years to come. Congratulations, Amy!

## FFA BANQUET

The Wynford FFA Chapter's annual banquet occurred on April 11, 2024, in the Wynford High School Auditorium. The banquet started in the old gymnasium for dinner. Throughout dinner, guests received door prizes donated by local businesses. After dinner, members and guests moved to the auditorium to begin the banquet. The officer team was announced, and the banquet began with the opening ceremonies. President Elaina Korner welcomed everyone.

Thirty-nine freshmen enrolled in Ag 1 received their Greenhand awards. Cali Holbrook received the highest GPA award, and Josh Rindfuss and Alivia Ritzler received the Star Greenhand Award. Then, 28 sophomores in Ag 2 received their chapter awards. Collin Hulsmeier received the highest GPA award and the best record book award. Next, certain seniors received scholarships. The recipient of the Rising Sun Scholarship was Ivy Schifer. The recipient of the Bils-Frombaugh Scholarship was Addison Lust. The annual pie auction was held in the middle of the banquet raising \$3,000 with the help of our auctioneers Levi Hartschuh and Chad Gebhardt along with volunteers Connor Bloomfield and Seth Pope. Three pies from seniors were auctioned to benefit the Rising Sun Scholarship. Thank you to all of the pie buyers for supporting the Wynford FFA. Five FFA members also sold picnic baskets full of goodies in the pie auction. These five members were raising money for their trip to the Dominican Republic and raised \$3,800 towards their trip.

Next, awards for Ag 3 and Ag 4 were presented. Marty Schuster received the highest GPA award for the juniors, and Seth Pope received the best record book. For the seniors, James Rindfuss received the highest GPA award, and Ivy Schifer received the best record book award. Addison Lust, Nate Schiefer, Seth Pope, Marty Schuster, and Ivy Schifer were recognized for achieving their State Degrees and receiving their golden chains. Collin Langenderfer, Thomas Rindfuss, and Brandon Vent were recognized for achieving their American FFA Degree, the highest degree awarded. This year one member completed proficiencies. Marty Schuster placed fourth in Agricultural Services.

Fourth Place  
Marty Schuster

State Degree Recipients  
Left to Right: Addison Lust, Seth Pope, Nate Schiefer, Marty Schuster, & Ivy Schifer

This year, the top five fruit salesmen were Hayden Langenderfer (fifth place) selling \$1,289, Brock Saam (fourth place) selling \$1,374, Brooke Frombaugh (third place) selling \$1,624, Alex Rex (second place) selling \$1,979, and Ally Liming (first place) selling \$2,678. The top five strawberry salesmen were Addison Sebring (fifth place) selling \$444, Dana Hurst (fourth place) selling \$516, Summer Tuck (third place) selling \$600, Brock Saam (second place) selling \$652, and Conner Bloomfield (first place) selling \$702.

Three seniors received their graduation cords. Those students were Ivy Schifer, Addison Lust, and Elaina Korner. Two individuals from the community also received an honorary chapter degree. The recipients this year were Mike Rindfuss and Matthew Lust.

110% Award  
Elaina Korner and Addison Lust with Ag Credit Representatives

Addison Lust and Elaina Korner received the Ag-Credit 110% award. Marlie Hosey then showcased her talents, singing "Half of My Hometown" by Kelsea Ballerini. Addison Lust prepared and presented a slideshow of all of the events from the past year. Lastly, Elaina Korner and Addison Lust presented their retiring addresses. The banquet ended with the installation of the 2024-2025 officer team.

The 2024-2025 Wynford FFA officer team includes President Seth Pope, Vice President Marty Schuster, Secretary Keke Rothhaar, Treasurer Nate Schiefer, Reporter Mallorie Williams, Sentinel Emily Schuster, Student Advisor Brock Saam, Parliamentarian Addison Sebring, Chaplain Marlie Hosey, Historian Dana Hurst, Assistant Secretary Alivia Ritzler, Assistant Treasurer Cali Holbrook, and Assistant Reporter Brooke Frombaugh.

## STATE CONVENTION

On May 2-3, 2024, the Wynford FFA Chapter attended the 96<sup>th</sup> annual Ohio FFA Convention. On the first day, 12 members and two advisors traveled to the Ohio State Fairgrounds where the convention was held. This day was full of recognition, achievement, and fun. Members also got the opportunity to explore the Expo Center by talking with representatives from various businesses and meeting people from all across the state. Members visited the Ohio State football stadium and attended the opening session.

On the second day of the convention, members listened to a special public speaker, Morris Morrison, and attended the fourth session. Later, they went to Top Golf for lunch, showing off their impressive golfing abilities. That afternoon, the members saw two of their own, Elaina Korner and Nate Schiefer, participate in a musical presentation as part of the Ohio FFA Band. The most exciting part of the trip was seeing Nate Schiefer, Marty Schuster, Ivy Schifer, Addison Lust, and Seth Pope receive their Ohio FFA Degrees. Members eventually traveled home from an amazing experience with a lifetime of memories.

Elaina Korner & Nate Schiefer

## OFFICER RETREAT

On June 16-18, 2024, 14 officers and two advisors went to Loudonville, Ohio for an officer retreat. The first day the group traveled to the house, went grocery shopping for meals, and had their first meeting. After the meeting, members played orange ball.

On the second day, the group had a meeting and went to visit one of Marty Schuster's gypsy moth traps at Loudonville High School. After Marty's brief presentation about moth traps, the group went to an aerial ropes course. The officer team enjoyed trying different obstacles and courses throughout the ropes course. The team ate lunch and went swimming in the lake. Later, they ate dinner, had a final meeting, and had a movie night with desserts of dirt pudding, homemade ice cream, and cinnamon rolls.

On the last day, the group ate breakfast and packed their bags to leave. After leaving the house, the team did a putt-putt course, visited a local market, and had Culver's for lunch before heading home.

Wynford FFA Chapter at County Soils Contest

## SOIL JUDING

On Tuesday, September 17, 2024, the Wynford FFA chapter traveled to Fred and Carol Miller's farmland for the county soils contest. Nate Scheifer placed second in both the rural and urban contests. On Tuesday, September 24, the rural and urban teams traveled to Erie County to compete in the district competition. The urban team placed first, which advanced them to the state competition. Nate Scheifer won the contest, Marty Schuster (6<sup>th</sup>), Seth Pope (14<sup>th</sup>), Clay Lusk (16<sup>th</sup>), Brennen Westrick (18<sup>th</sup>), and Brooke Frombaugh (22<sup>nd</sup>). Our rural team placed ninth and was led by Jaron Vance with team members Jordan Shealy, Kayne Butler, Addison Sebring, and Kate McGuire. On October 12, the urban team competed in the state contest in Plain City. The urban team won the contest led by Nate Scheifer (3<sup>rd</sup>) along with Clay Lusk (7<sup>th</sup>), Marty Schuster (9<sup>th</sup>), and Seth Pope (22<sup>nd</sup>). They will compete in the national soils contest in Oklahoma City, Oklahoma at the end of April. Thank you to Crawford County Soil and Water for all the work they put into the county soils contest.

## FORESTRY

The Wynford forestry team had the forestry invite at Camp Michael on September 19. The team did an outstanding job placing first in the district. Members of the team included Evan Wolfe (1<sup>st</sup>), Seth Pope (2<sup>nd</sup>), Nate Schiefer (4<sup>th</sup>), Bentley Benedict, Erin Wolfe, Brody Enders, Ben Klamfoth, Pedro Arellano Cazares, Chloe Stone, and Chase Smith. Thank you to Diane Awbrey with the Crawford County Soil and Water Conservation District for putting on the contest and giving our members a fun learning experience.

## HERITAGE CO OP

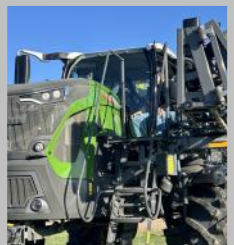

On September 27, junior and senior Ag classes attended the Heritage Co-op test plot event. Students rotated through four stations and learned about different types of drones, the new sprayer Heritage recently purchased, and checked corn yields from the corn field. Heritage provided lunch for our students as well.

## CHICKEN BBQ

On September 28, the Wynford FFA held their annual chicken BBQ. Members worked shifts throughout the day preparing the chicken and bags filled with chips, rolls, cookies, and coleslaw. Throughout the day, members prepared approximately 1,000 chicken dinner meals. The BBQ was extremely successful and all meals were sold.

Harvest Day 2024

## HARVEST DAY

On October 18, Wynford FFA members and Wynford FCCLA members hosted harvest day for the Wynford kindergarten students. The kindergarten students were split into groups and rotated through stations. The stations included pedal tractor races, straw bale mazes, tile slide, tractors, corn crafts, turkey crafts, bean crafts, and a small animal petting zoo. The kids ate lunch on the football field with the high school students and ended the day with a group picture.

## NATIONAL FFA CONVENTION

From October 23-26, Wynford FFA attended the 97<sup>th</sup> National FFA Convention in Indianapolis. Members first traveled to Kentucky where they toured Morehead State University, Kentucky Horse Park, Louisville Slugger Museum, and Muhammad Ali Center while also attending a dinner detective show. Then, students traveled to Indianapolis and attended the career show, FFA

shopping mall, and attended session six of the National FFA Convention. FFA alumni Collin Langenderfer, Thomas Rindfuss, and Brandon Vent received their American FFA degrees. Students attending included Chase Smith, Chloe Stone, Jordan Shealy, Mallory Brause, Cali Holbrook, Addie Dunford, Erin Wolfe, Noah Goldfuss, Josh Rindfuss, Hayden Langenderfer, Bradley Elmer, Dana Hurst, Emily Schuster, Brock Saam, and Conner Bloomfield.

## TRAP SHOOT

On Saturday, October 5, the FFA chapter competed at the Silver Dollar Sportsman's Club near Wooster, taking five talented shooters to the contest. The team emerged victorious, hitting an impressive 201 out of 250 clays. Leading the team were Seth and Drew Pope, who both scored 43/50, earning a tie for fifth place individually. Joining them were Logan Wright with a score of 41, Clay Lusk with 39, and Conner Bloomfield with 35. Congratulations to all the shooters for their outstanding performance, and a special thanks to Brad Pope and Ryan Bloomfield for driving the team to the event.

## PARLIAMENTARY PROCEDURE

On November 12, FFA members competed in the Parliamentary Procedure contest at Buckeye Central High School. The advanced teams placed second and fourth out of six teams, while the novice teams placed first and third out of six teams. On November 19, at the sub-district competition at Northmor High School, the advanced team placed third, and the novice team placed second. On November 25, the novice team that placed second at sub-districts competed at the district contest at Northwestern High School and placed fifth.

# Wynford FFA

## STAFF VS. SENIOR VOLLEYBALL GAME

Our annual staff vs. senior volleyball game was a success, raising approximately \$250 and collecting over 500 canned goods. This incredible achievement was made possible by the support of Wynford students and the student council's can drive. All proceeds and donations were delivered to the Salvation Army to support families in need during the holiday season. The seniors triumphed over the staff securing another victory!

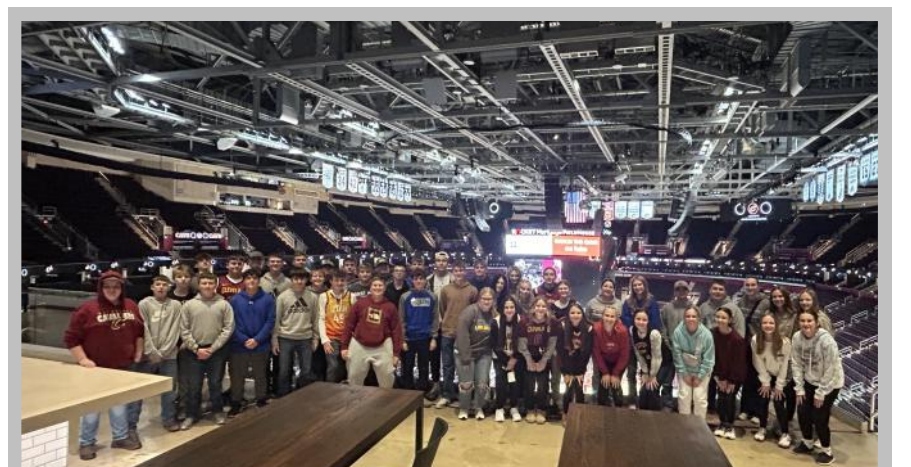

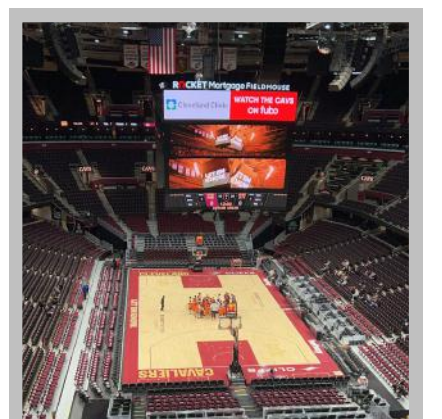

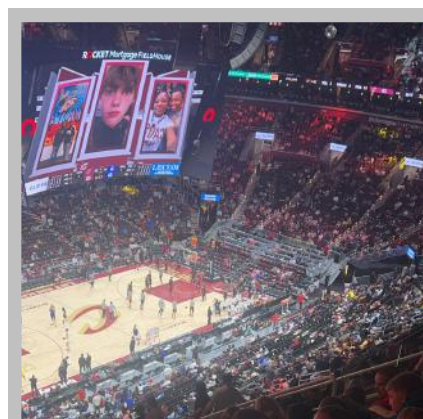

Staff and Senior Volleyball Participants

## CLEVELAND CAVALIERS BASKETBALL GAME

On November 8, Wynford FFA took a field trip to Rocket Mortgage FieldHouse for FFA Day. Around 40 Wynford students participated in the trip to Cleveland. While at the FieldHouse, students heard from a panel of employees, including members of HR, the youth program, the technology team, and the Vice President of Ticket Sales. They also received a tour of the facility, including offices, lounges, and other areas.

After the panel discussion and tour, students enjoyed dinner across the street before attending the Cleveland Cavaliers vs. Golden State Warriors game, which ended in a Cavs victory. This was the first time the Wynford FFA Chapter participated in this activity, and they look forward to attending again in the future.

## Seniors

Attention Students and Parents of the Class of 2025,

It's that time of year to start gathering photos for the senior pages of the 2024-2025 yearbook. This year we will be implementing a few new ideas for the senior section. We are asking for your participation to help create a fun section to show off this year's graduating class. Listed below are the items we are requesting in order to make sure that the pages are as uniform as possible. Signatures and quotes need to be turned in by **March 28, 2025**. They will be submitted via a Google form sent to each student's Wynford email. All photos need to be turned in by **April 25, 2025**.

If pictures, quotes, or signatures are not turned in on time, they will not be entered into the yearbook. The yearbook staff will NOT be chasing you down for any information. It is your responsibility to turn in the information on time. Reminders will be posted on the announcements at WHS and Pioneer as well as numerous school communication outlets.

Please include:

- 4 Total Pictures
  - One baby picture
  - One black and white full body photo - portrait style (vertical), no close ups
  - Two images in color
  - One **appropriate** quote/saying with an author - if applicable
- One Signature of your name (this can be done on a blank sheet of paper and take a photo of it)

Please email Todd Enders or call 419-562-7828 ext. 114 for questions or additional information.

Below is an example of what the page layout will look like. Please keep in mind that pictures have to fit in these areas, so plan accordingly for the pictures that you choose. **The main image will be black and white. If a black and white photo is unavailable, please indicate which image you wish to be turned black and white.** The yearbook staff will do their best to ensure that all pictures are laid out in a pleasing fashion.

Pictures and questions can be emailed to [enders.todd@wynfordroyals.org](mailto:enders.todd@wynfordroyals.org) or call 419-562-7828 ext. 114 or contact Keke via email at [25rothky@wynfordroyals.org](mailto:25rothky@wynfordroyals.org) or Elle at [25cassel@wynfordroyals.org](mailto:25cassel@wynfordroyals.org). Thank you for working with the yearbook staff to turn in your pictures in a timely fashion. We appreciate your cooperation and are working diligently to create this year's senior section in the yearbook. Thanks again!

# Middle/High School Student Council

## HOMECOMING

Homecoming 2024, organized by the high school student council, was a memorable celebration held on October 4 during the football game and October 5 for the dance. The Homecoming Queen was Briana Westrick, and the King was Cooper Jury. The court included Seth Pope, Dawson Pelter, Marty Schuster, Anthony Evans, Drew Johnson, Addison Stuckey, Elle Cassaro, Keke Rothhaar, Mallorie Williams, and Kolbie Allgyre. This year's theme was "Glow Party".

Left to Right: Marty Schuster, Elle Cassaro, Drew Johnson, Addison Stuckey, Queen Briana Westrick, King Cooper Jury, Mallorie Williams, Dawson Pelter, Kolbie Allgyre, Anthony Evans, Keke Rothhaar, & Seth Pope

## FALL PARTY

The middle and high school student councils have been actively fostering student engagement and giving back to the community. On November 1, they hosted a festive Fall Party for the preschool students in the Monday-Wednesday-Friday class. The event featured fun activities like coloring stations, pumpkin bowling, a balloon party, and a game of "Pin the Eye on the Monster." To add to the excitement, they handed out chips and candy to trick-or-treaters. Additionally, the High School Student Council extended their efforts by providing treats to the kindergarten students, making the day special for even more students.

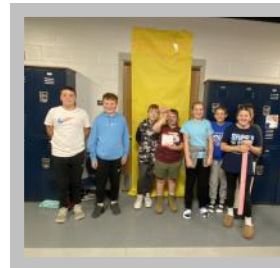

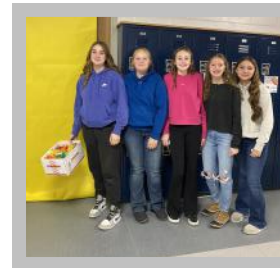

Middle School Student Council Members

## STEM/STEAM CHALLENGE

On November 9, the middle school student council celebrated National STEM/STEAM Challenge Day by hosting an Egg Drop Challenge for all Activity Period classes. Each participating class had two days to design and build a contraption capable of protecting an egg from breaking during a drop. Eight classes participated in the competition, with five successfully passing the eight-foot drop. When the height was increased to ten feet, four teams advanced to the final challenge. Classes led by Mrs. Schafer, Mrs. Schiefer, Mrs. Stuckey, and Miss Vercruysse competed in the ultimate test at 15, 20, and 25 feet. While Mrs. Schafer's class had the best overall design, last-minute modifications led to their disqualification from winning the overall title. Mrs. Stuckey's class earned third place, while Mrs. Schiefer's and Ms. Vercruysse's classes tied for first place.

## VETERANS DAY BREAKFAST

On November 11, the high school and middle school student councils assisted at the annual Veterans Day breakfast. High school members helped with serving food, cleaning up, and greeting veterans, while middle school members welcomed veterans by opening doors and providing a warm send-off as they departed.

High School Student Council

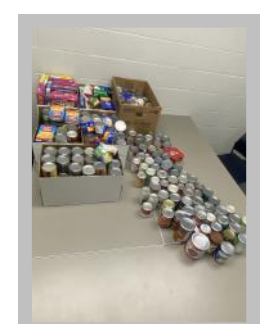

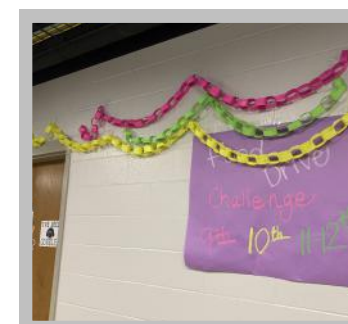

## NATIONAL KINDNESS DAY

On November 13, the middle school student council celebrated National Kindness Day by distributing water bottles and kindness challenge cards to students. Each student was encouraged to complete their challenge by the end of the week and contribute by either writing their name on a heart or sharing their act of kindness to add to a "Kindness Tree." To extend the spirit of kindness, eighth-grade student council members visited the elementary school, handing out challenge cards to younger students and inspiring them to join in.

## FOOD DRIVE CHALLENGE

The middle and high school participated in a Food Drive Challenge for the Salvation Army from November 11-22. For each item donated, students had the opportunity to write what they were thankful for. Each grade was assigned a different color to track contributions and encourage friendly competition. The sixth grade led the middle school with over 180 items, while the ninth grade claimed victory for the high school. In total, the students collected an impressive 815 items, showcasing their generosity and community spirit.

# Middle School Moments

## From the desk of Mr. Brent Konkle, Principal Grades 6-8

Mr. Konkle

The Wynford Middle School enjoyed a fantastic first semester. Our academics have introduced twelve new quarter classes ranging from Spanish Culture to Business Explorations; in addition, our extracurricular numbers have continued to grow in our cultural arts and athletics. Our new middle school student council advisor Mrs. Fishpaw has been very active with our students with several spirit weeks and a canned food drive for the holidays that raised over 525 items for people in need. Our middle school introduced a new PBIS program “The Royal Way,” that rewards students two Wednesdays every month. Students that show “The Royal Way” traits of either Respect, Responsibility or Reciprocation have received tokens to cash in for our Wednesday afternoon snacks/treats. Our students finished December strong with Restart Readiness exams and excitement for winter break. Our Wynford Middle School staff is excited to see the second-semester opportunities for our students and school.

## New Hire

### AARON WEISENAUER

Mr. Weisenauer

Aaron Weisenauer is excited to be back "home." A 2008 graduate of Wynford, Aaron has spent the past five years working in Marion City Schools. During his first three years there, he worked in various school buildings and roles before settling at the middle school, where he taught math and science. While working in Marion, Aaron stayed connected to Wynford by coaching junior high girls' basketball. Most recently, he served as the Boys' Head Golf Coach at Bucyrus. Aaron's family is also deeply rooted in the community. His older brother Sean teaches first grade at Wynford Elementary. Aaron's wife Hayley works as an OTA at Elgin. Together, they have a one-year-old daughter, Willow, and his stepdaughter, Sophie McNutt, is currently a seventh grader at Wynford.

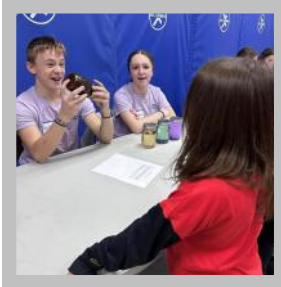

### JTI (JUNIOR TEEN INSTITUTE)

Marion-Crawford Prevention Programs (MCP) is an Ohio certified non-profit organization funded in part by the Crawford-Marion ADAMH Board. MCP is a primary prevention agency that provides prevention programming to Marion and Crawford counties. Our foremost target audience for programming is middle school and high school-aged youth.

JTI (Junior Teen Institute) is a group of students who were nominated as great leaders for the school and community. The program is designed for eighth-grade students. The students attended a weekend leadership conference to learn skills to become better drug-free leaders in their schools. The students then bring back the things they learned and provide preventative awareness about making positive choices to their peers as well as opportunities to have drug-free fun.

One of the most recent events included is a skit targeted for first and second-grade students, where the eighth-grade JTI members provide drug-free education and skits to teach the youth about the dangers of drug and alcohol use. This event is called Hands on Museum and is an annual event, supported and funded through the MCP. Wynford's JTI conducted its Hands-On Museum event on November 17, 2024.

### CLASSROOM GUIDANCE LESSONS GRADES 6-8

#### Healthy vs. Unhealthy Friendships

Students in grades six through eight all received two classroom lessons on Healthy and Unhealthy Friendships and Relationships. Part one focused on how to define what a good boundary is and how these boundaries help us stay in control of our own lives, create positive relationships, and create a sense of balance. In part two, the students learned how a person may use invalidation, blame, or distraction to minimize the problem within an unhealthy friendship or relationship. Lastly, we discussed how to handle someone who may be negatively affecting us in an appropriate manner.

Below are some of the key takeaways from each lesson that could help you open up a conversation with your son or daughter when these issues may arise.

#### Part 1 Recap:

- Healthy relationships are **balanced**. Both people are equal and benefit. Unhealthy relationships are imbalanced, with one person having more control.
- Healthy relationships have **boundaries**. These boundaries protect you and keep you in control of your life. Unhealthy relationships don't have boundaries and can make you feel powerless.
- Healthy relationships are **stable** and predictable. In unhealthy relationships, you never know what to expect from the other person.
- Healthy relationships are **accepting** and nonjudgmental. Unhealthy relationships make you feel insecure and like you have to change to win the other person's approval.
- If a relationship is very unhealthy, you might need to distance yourself from someone.

#### Part 2 Recap:

- Setting boundaries can help unhealthy relationships improve. You can set boundaries by explaining what you're okay with and what will happen if someone breaks that boundary.

## From the desk of Mrs. Tiffany Roush, School Counselor Grades 6-8

### 8<sup>TH</sup> GRADE PIONEER TOUR (OCTOBER 28, 2024)

The eighth-grade class had the opportunity to travel to Pioneer Career Center in November to tour 27 of the 33 programs. This tour allowed the students to visit each program for a few minutes to hear current Pioneer students present on what their trade was. The students were able to see many students in action doing masonry, industrial electrical work, processing beef jerky and packaging, home remodeling, and many, many more. As students get into high school, a second tour opportunity will be given where they can focus on three programs of their choice to help them decide if Pioneer is the right fit for them. If you had an eighth grader attend this tour, ask them the following questions to engage in conversation about their future:

1. What programs were the most interesting to you and why?
2. Did anything surprise you from the tour?
3. Are you interested in attending Pioneer?
4. If you do not want to attend Pioneer, what are some things that you would like to do after graduation?

# Middle School Moments

- If a friend isn't able to respect boundaries or accept responsibilities, you may need to distance yourself from them to protect your self-respect.
- When you set boundaries, unhelpful reactions like invalidation, distraction, and blame keep people from acknowledging, apologizing, and changing. This means an unhealthy relationship will stay unhealthy.
- Excusing someone's bad behavior hurts both of you. Setting an example of what healthy boundaries and self-respect look like will help both of you.
- Emotional distance can protect you from people you see often. To do this, limit the information you share with them to things that are light and impersonal. Avoid discussing emotional or personal things.

## OHIO MEANS JOBS

The eighth graders are scheduled for a three-day classroom lesson through Pioneer Career Center on Ohio Means Jobs in January 2025. Here are a few things your eighth-grade child will be doing during this three-day lesson:

Ohio Means Jobs is Ohio's free, online career counseling center that connects businesses to job seekers and provides career services. As a child under the age of 18, the students are guided to create a profile and take a career interest survey, which then produces an abundance of information for them in regard to career clusters, educational opportunities and research, and potential outlooks for each career. This three-day event is guided by one of the employers through Pioneer Career Center and is used throughout their high school career as a guiding system for their future.

## ROX PROGRAMMING

I will kick off our annual ROX group starting January 2025. ROX is a 20 week girls' group program that is perfect for any girl in grades 4-12

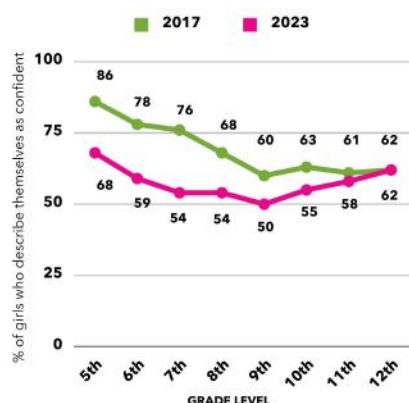

### What is ROX?

Rox is backed by research! ROX studies the unique experiences of girls, capturing the opinions, behaviors, and aspirations of over 17,000 girls across the country. ROX reaches girls at a critical time in their lives and development and provides them a safe place to learn about necessary skills they need to effectively negotiate challenges of their adolescent years. ROX works to address barriers and perceived limitations that impact girls while enhancing girls' confidence and competence by equipping them with the knowledge and skills necessary to live healthy, independent, and violence-free lives.

## 17,502 GIRLS SHARED THEIR THOUGHTS, BELIEFS, PERCEPTIONS AND EXPERIENCES IN THE 2023 GIRLS' INDEX™

### CONFIDENCE

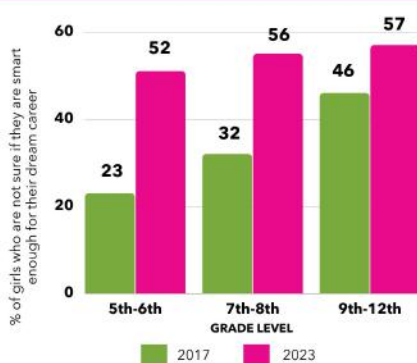

Girls' confidence declines substantially between 5th and 9th grade, with a slight rebound in high school. Since the publication of the 2017 Girls' Index, girls' confidence is lower for every age up to 12th grade, where it is unchanged.

**THE MORE TIME GIRLS SPEND USING SOCIAL MEDIA, THE LESS LIKELY THEY ARE TO DESCRIBE THEMSELVES AS CONFIDENT**

**52% OF 5th AND 6th GRADE GIRLS ARE NOT SURE IF THEY ARE SMART ENOUGH FOR THEIR DREAM CAREER, UP FROM 23% IN 2017**

**5th AND 6th GRADE GIRLS EXPERIENCED THE LARGEST DECLINE IN SELF-PERCEPTION & THE LARGEST INCREASE IN SADNESS AND DEPRESSION**

Reports of sadness and depression increased in every grade, but the rates of **DAILY** sadness or depression tripled for 5th and 6th graders (from 5% to 15%).

**79%**

of girls feel like they are going to "EXPLODE" because there is so much pressure on them

**76%**

of girls say that boys their age are **NOT RESPECTFUL** of girls

**55%**

of girls **LIKE** going to school

**46%**

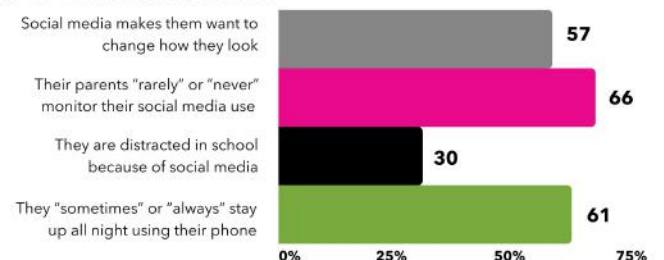

of 5th grade girls say they spend 6 OR MORE HOURS per day using social media

**39%**

of girls say they are **SAD OR DEPRESSED** 4+ days/week

## SOCIAL MEDIA

### % OF GIRLS WHO REPORT:

Nearly all girls who responded to the 2023 Girls' Index reported that they use social media, including 95% of 5th grade girls. Median reported social media use is between 4 and 6 hours per day. Additionally, 69% of high school girls and 54% of middle school girls reported that most students their age send sexually suggestive photos/videos to one another.

**1 in 2**

girls are afraid to be leaders because they don't want others to think they are

**BOSSY**

**66%**

of girls don't say what they are thinking or disagree with others because they want to

**BE LIKED**

## SUPPORT AT SCHOOL

**87%** OF 5th GRADE GIRLS LIKED GOING TO SCHOOL IN 2017

**68%** LIKE GOING TO SCHOOL IN 2023

**6x**

**AUTHENTICITY**  
Girls who feel they can "really be themselves" at school are 6 times more likely to like going to school

**65%**

**CARE**  
Girls who have adults at school who care about them are 65% more likely to enjoy going to school

**70%**

**BELONGING**  
Girls who feel like school is a place where they belong are 70% more likely to enjoy going to school

## What are some of the curriculum topics covered in ROX?

- Conflict & communication
- Healthy relationships with other girls
- Using your voice
- Courageous coping
- Changing the culture of body image and beauty
- Healthy relationships
- Self-defense

At the middle school level this school year, I will focus on a sixth-grade girls group. If your daughter is in sixth grade and has not already been a part of ROX and you would be interested in having her be involved in the group, please email me at [roush.tiffany@wynfordroyals.org](mailto:roush.tiffany@wynfordroyals.org).

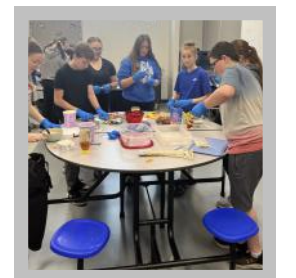

## Quarter Classes

Wynford was excited to host guest speakers from IB Tech in Mr. Mason's seventh and eighth-grade Career Exploration classes on October 11. The topics covered include manufacturing, technical skills, leadership, and problem-solving. Thank you, Pioneer Career and Technology Center for your partnership.

Mrs. Schiefer's seventh-grade Teen Skills class learned a variety of skills including organization, first aid, kitchen safety, and digital citizenship. On the cooking lab day, one group made brownies, another group made fruit kabobs and fruit dip, and a third group made a ranch snack mix.

# Middle School Moments

## Science

Seventh-grade students have explored their Life Science standards by building aquatic pods in Lab 222 and visiting the Royal Woods. They found spider eggs, lots of pawpaw trees, a pumpkin plant, beetles, a bird nest, and a host of other interesting biotic factors in the woods.

Earth Science has been the focus for sixth-grade students the first semester. Students examined and conducted property tests on different types of rocks.

Sixth-grade scientists also brought in soil from around their houses and tested the different types of soil for permeability.

## DARE

This fall, sixth-grade students had the opportunity to learn valuable life lessons with Deputy Martin through the DARE program. They practiced effective communication, explored strategies to prevent bullying, learned ways to keep their bodies safe, and experienced firsthand how impairment goggles can affect vision and decision-making. The DARE program continues to be an invaluable resource in preparing students to make positive choices as they grow. We extend our gratitude to Deputy Martin for his dedication and to the Crawford County Sheriff's Office for their ongoing support and funding of this program.

## Cross County

Kaitlyn Messmer  
2nd Team All-N10  
Cross Country

Masdison Kiess and Kaitlyn Messmer both ran  
at the State Cross County Meet in October.

## Cheerleading

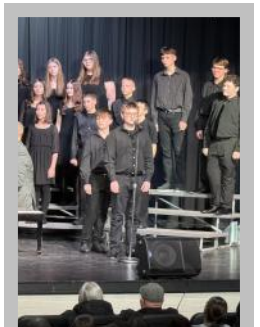

Wynford Middle School Cheerleaders have been busy learning stunts this year. Their determination and work ethic show how dedicated they are. Go Royals!

## Band & Choir

On December 3, the Wynford seventh and eighth-grade band held their concert, followed by the Wynford Middle School choirs on December 17. Featuring a variety of pieces, both events showcased the students' hard work and growing talents.

# Middle School Moments

## Middle School Athletics

The Wynford Middle School fall athletes were honored and presented with their fall awards during a school assembly on October 25.

7<sup>th</sup> Grade Fall Athletes

8<sup>th</sup> Grade Fall Athletes

# Elementary Elements

From the desk of Mrs. Amy Taylor-Sheldon,  
Wynford Elementary School Principal

Welcome to Winter from Wynford Elementary School!

Mrs. Amy  
Taylor-Sheldon

Thank you, Wynford community, for your public support of our schools, staff, and students this fall. We are so grateful for the families and friends, who both in word and deed, encourage our growth and advancement in every area of our development in the fifth grade and all the way down to preschool. As Wynford Elementary School looks forward to a great second semester in 2025, we celebrate with you our success from the fall of 2024.

With the changes in the science of reading, our teachers all learned and trained with an additional initiative to help all of our eager readers. Using a combination of tried-and-tested phonics and reading strategies with a greater emphasis on writing, vocabulary, and background knowledge, our teachers introduced a new English Language Arts series. The challenges were many for staff and students, but all persevered to open a whole new world to many of our elementary friends. Our kindergarteners discovered a fascination with the five senses and some familiar ideas on farm life. First grade ventured around the world to discover how international students learn the love of reading and had a visit from a biblioburro. In second grade, students researched more about weather and the seasons and headed across The Plains to discover more about settlers, Native Americans, and the buffalo. Along with their teachers, third graders dove into the depths of our oceans with sea life and science while fourth grade learned about what makes our physical and metaphorical hearts beat. Fifth grade is reading *Thunder Rolling in the Mountains* and *Westward Expansion*. All semester our students are also buckling down on their math skills to improve each time on our iReady testing as well.

Outside our core subjects, did you know that our specials teachers, physical education, art, and music, serve nearly six hundred students each week in our building? Each teacher crafts units for each appropriate age level and diversity based on the standards and artistic license. PE teachers Mrs. Groves and Mr. Powers challenge our older kids with hockey skills and younger students with breaking down throwing skills while competing to get the most “trash” aka yarn balls in the “trash can”. Then, they finish the semester with holiday bowling, “ice skating”, and the rock wall. Mr. Groth, Mrs. Spradlein, and Mr. Safford also share grade levels as students are exposed to instruments such as the recorder in third grade and band instruments in fifth grade. Students love when they get their turns on how to play something new. Our singers in all of the other grades performed for their programs as well at the second-grade tree lighting and fourth-grade Veterans’ Day video. Finally, Mr. Striker has opened a new world to elementary art with his love of clay projects that get glazed and fired in our oven. From individually styled clay mugs to tiki masks and clay monsters, students express their own perspectives on their artwork.

Also, in other extensions, our learning continues beyond the classroom. Fifth grade had an onsite adventure with Camp NUHOP as their staff led the top grade at Wynford Elementary School with team building and leadership activities. Our second graders sought to spread holiday cheer to many senior citizens through their gifts of song and joy through their annual caroling time in our Wynford community. Preschool combined prereadiness skills and creativity in hands-on themes in their classrooms.

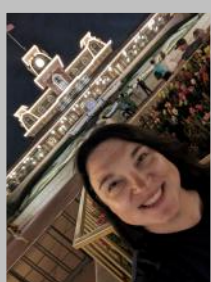

There is a lot going on here with the mini Royals. We look forward to meeting our goals and continuing to persevere in our learning from the winter break to be ready for a great 2025. Happy New Year from Wynford Elementary School!

## New Hire

### MELANIE SUTTER

Ms. Sutter

Melanie Sutter was excited to join the fifth-grade team at Wynford Elementary! She holds a bachelor’s degree in business administration and spent over 20 years working in banking, insurance, and human resources before transitioning to education. Melanie returned to school to earn her master’s degree in education and her teaching license for Pre-K through fifth

grade. She also holds K-12 Reading and K-12 Gifted Intervention Specialist Endorsements.

Now in her 11th year of teaching, Melanie brings a wealth of experience, ranging from inclusion to gifted classroom settings. She has taught grades K-5, with the majority of her career focused on fifth grade.

## Fire Safety

Each year the local fire departments set a day for Fire Safety Day for our students. On October 9, 2024, as a part of National Fire Prevention Week, members of several local fire departments visited Wynford Elementary. Topics such as stop, drop, and roll, fire safety, and family escape plans were explained, and students were invited outside to see fire trucks. We appreciate the support and thank Holmes Township VFD, Bucyrus Township VFD, Dallas Township VFD, Lykens Township VFD, Wyandot East Fire District, and Bucyrus City Fire Department for making this day possible.

## Cross Country

Wynford Elementary Cross Country Team competed in the middle school cross country state championships in October. They placed fourth overall!

Back Left to Right: Lily Scott, Noelle Love, Emma Nigh, & Bristol Westrick  
Front Left to Right: Evie Stahl, Mia Gonzales, Bri Ritzler, & Cecelia Mason

## High Five Friday

On Friday, October 18, the high school fall athletes greeted the elementary students as they entered the building! It was a great day to be a Royal!

# Elementary Elements

## Veterans Day

On Veterans Day, veterans and their families gathered for a meaningful ceremony in front of the elementary school. The ceremony began with the raising of the flag as “The Star-Spangled Banner” played. Guests were warmly welcomed, and students shared heartfelt reflections on the meaning of service, honoring the seven branches of the military. Mr. Buck performed “Echo Taps,” followed by a moment of silence. The second-grade class then sang a spirited rendition of “You’re a Grand Old Flag.” Thank you to everyone who participated in honoring our veterans and their sacrifices.

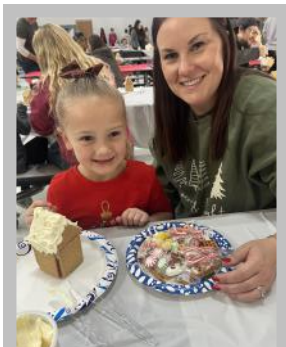

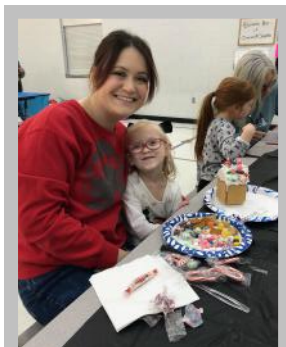

## Activities

### KINDERGARTEN

After a week filled with reading gingerbread stories and enjoying a variety of fun gingerbread-themed activities, our kindergarteners had a special treat on Friday, December 13. Each student invited one guest to join them in decorating a gingerbread house. With over 20 toppings to choose from, creativity was in full swing as the houses came to life. It was truly a sweet and memorable day to be a Royal!

Left to Right: Mrs. Teglovic, Mrs. Geiger, Mrs. Westbrook, Mrs. Stacklin, & Mrs. Bennett

### FIRST GRADE

The first-grade classes partnered with Crawford Reads 20 and local farmer and business owner, Jeff Schiefer, to bring a classroom book to life in September. "Waiting for the Biblioburro", by Monica Brown, illustrates the real life of a Columbian teacher who rides a burro with books for three hours to remote villages for children to learn and grow. Mr. Schiefer shared his donkey with the students to pose as the "donkey librarian", and the Crawford Reads 20 foundation donated 80 books so each student could "check out a book from the "Biblioburro".

During the month of December, the first-grade students had several special guest readers. A few of the readers are pictured below.

Joyce Klamfoth

Steve Mohr

Norma Schifer

Michele Light

Tessa Martin

Brent Konkle

Guest Reader Clairee the Jingle Bell Elf with First-Grade Students

### SECOND GRADE

The second-grade students brought holiday cheer to the community in December with their annual caroling to the friends of Wynford. Together with their teachers and classmates, they sang carols they had learned in music class with Mr. Groth.

THIRD GRADE

On Monday, December 2, the third graders had the opportunity to stay after school for a service project! Owen Rivers, a third grader at Wynford Elementary, has a yearly mission to make and deliver fleece blankets to Nationwide Children's Hospital in honor of his brother who spent a lot of time there as a baby. After hearing this, a blanket-making activity was planned and implemented. Over forty third-grader students stayed to help with the project and twenty-six blankets were made and packaged for Owen's family to deliver before Christmas!

FOURTH GRADE

Students in Mrs. Coffman's ELA class who wrote letters to veterans for Veterans Day which were mailed to the Veterans home in Sandusky.

Project MORE: Mentoring Program

Front Row (Left to Right): Kolbie Allgyre, Heather Wappelhorst, Mikaila Morrison, Gracie Mason, & Kelsie Bogle  
Back Row (Left to Right): Cooper Jury, KJ Kotalik, & Isaiah Bender

Project MORE (Mentoring in Ohio for Reading Excellence) is an evidence-based mentoring intervention program that has demonstrated statistically significant reading results since 1999. The Wynford School District has implemented Project MORE since 2013. Project MORE is currently organized under the direction of Title I Reading Teachers Becky Prenger and Malorie Heinlen. We are fortunate to collaborate with both the high school and elementary school to provide students with meaningful mentoring opportunities. Currently, nine high school students are enrolled in the class and receiving credit for mentoring. The first-semester mentors were Gracie Mason, Kolbie Allgyre, Kelsie Bogle, Alyah Thompson, Heather Wappelhorst, Mikaila Morrison, Isaiah Bender, Cooper Jury, and KJ Kotalik. In the second semester, there will be some returning mentors along with new mentors joining the program. This semester three of the mentors participated in Project MORE as elementary students. It was very exciting to see these high school students return as mentors in the program due to the positive experiences they had in the program as elementary students.

Here is what the mentors had to say about Project MORE:

- Quote about mentoring - "A good leader inspires people to have confidence in the leader; a great leader inspires people to have confidence in themselves." Gracie Mason
- "Patience is key. Not all kids learn at the same pace and that's okay." Heather Wappelhorst

- Quote - “The best way to learn is to teach.” Isaiah Bender
- “A lesson I have learned was actively listening to the child and understanding what she is saying and how they are understanding things.” Kelsie Bogle
- Lesson: “Repeatedly doing the same material over and over again may be tedious but it excels the learning process dramatically.” KJ Kotalik
- “A lesson I learned from Project MORE is to be on time because there are little mentees counting on you to be there.” Makaila Morrison
- Kolbie Allgyre shared this quote: “Mentoring is a brain to pick, an ear to listen, and a push in the right direction” John C. Crosby
- “A lesson I learned is how to be patient even when I don't want to be.” Alyah Thompson

# Wynford Academic Boosters

## Wynford Academic Boosters

2024-25

**Officers**

President  
Secretary  
Treasurer

Kathleen Wren  
Brittany Shealy  
Nicole Pelter

**Representatives-at-Large**

Traci Coffman, Gary Moore,  
Karissa Kurek, and Karla Schiefer

**PURPOSE OF THE ORGANIZATION**

As stated in the constitution and by-laws, the purpose of the Wynford Academic Boosters shall be:

1. To act as a support group to the Wynford School system in recognizing and encouraging academic achievement.
2. To encourage communication among the school, the home and the community concerning the students' academic life.

**MEETINGS**

The Wynford Academic Boosters meet the second Monday of every month at 7:00 PM in the high school. Anyone interested in the work of this organization, as well as members, are invited to attend. Meetings will be the second Monday of each month (as needed) at 7:00 p.m. in the high school. Meetings are posted on the Wynford Academic Boosters Facebook page.

**PROJECTS**

- Scholarship Winners (2024):  
Malia Ervin  
Grace Everett  
Linnea Gerlach  
Emily Goldfuss  
Malakai Gramley  
Dekon Harper  
Natalie Johnson  
Elaina Kerner  
Cassandra Kurek  
James Rindfuss  
Avonlea Schoch  
Ruby Stone
- Sponsored the High School Honors Night and provided academic letters, pins, medals and plaques for qualified high school students.
- Sponsored the Middle School academic medallions.
- Provided awards for elementary honor students.
- Funded a student to Buckeye Girls State.
- One time ACT fee reimbursement to high school students.
- Supplied plaques for each member of the National Honor Society.
- Award funds to elementary, middle and high school buildings to use for academic incentives and awards.

Wynford Academic Boosters was organized during the 1985-1986 school year. The membership is made up of parents, faculty, staff, business and professional people, and relatives and friends of Wynford students. As our membership grows, we will be able to accomplish more by recognizing and encouraging academic growth among the students of the Wynford School system.

# Wynford Athletic Boosters

The Wynford Athletic Boosters would like to congratulate all fall student-athletes on a great season. We wish good luck to all winter student-athletes as they are already midway through their season!

The vision of the Wynford Athletic Boosters is to support and encourage academic and athletic excellence in all Wynford athletes. Continued support from the community help to make this possible. We encourage and invite all parents, supporters, and community members to the monthly meetings. Involvement and participation is key to help the boosters be a successful organization for our students. Meetings are typically held on the first Monday of every month at 7:00 p.m. in the high school cafeteria. Updates can be found on our Facebook page, Wynford Athletic Boosters.

The boosters are proud to announce that the remainder of the home high school games that are played in the Dr. Michael A. Johnson Gymnasium will be available to view live for free on Hudl. The link is available on our Facebook page, or by using the website, <https://www.team1sports.com> and searching Ohio and Wynford High School. Go Royals!

Our annual Reverse Raffle will be held on August 23, 2025. Tickets are \$100, and you receive two meal tickets. More information will be mailed in March, and updates will be posted on the Facebook page. Please plan to attend our upcoming meetings, as this event, as well as many other topics will be discussed.

The officers of the Wynford Athletic Boosters are Clint Cooper (President), Mike Prenger (Vice President), Alisha Shade (Treasurer), and Melissa Pope (Secretary).

# Wynford Education Foundation

The Wynford Education Foundation (WEF) supports educational projects and programs in the Wynford district that go beyond the general fund. Contributions to the WEF are invested in an endowment fund, and the interest earned is used to provide grants for enriching classroom experiences. To date, the WEF has awarded over \$200,000 in grants to support learning opportunities for students. We are excited to announce and congratulate the recipients of the 2024 Grants:

- **Julie Rexroad**—Supplies for Science Labs and Storage Items
- **Rachel Stucky**—Storage Racks and Bins for Fabric and Sewing Supplies
- **Kelsie Frey**—Hydraulic Arm Robots, Roller Coaster Engineering Kits, Gravity Maze Puzzles
- **JoLyn Williams**—Drone Kits, Robotics Engineering Kit, Butterfly Robotics Kits, Makeblock Robot Kit, Electric Motor Kit
- **Megan Caulder**—Flexible Seating, Educational Games, Class Set (10) of *Ghost Boys*
- **Dhana Vercruysse**—5 Sets of Wired Headphones
- **Krista Richmond**—(History of Board Games) 2 Chess Sets, 1 Fire Tower Game & (ELA) Sets of Books - *The Invisible Thread* (20), *The Mighty* (15), *Tuesdays with Morrie* (35)
- **Cathy Schafer**—25 Sets of Wired Headphones
- **Christi Crall**—Math Manipulatives
- **Eden Spradlein**—Humidifier System for the Grand Piano
- **Angela Smith**—2 Shelves for the Middle School Library
- **Malorie Heinlen**—Flyleaf Publishing Reading Series 2 Foundational Skills Teacher's Guide
- **Carolyn Heacock**—Teacher Guides for Reading Books and Games
- **Traci Coffman, Sean Weisenauer, Tonya Kimmel, Tracy Frombaugh, Laura Rall**—Teacher Guides for Reading Curriculum
- **Amanda Veith**—Brainpop Jr. Online Learning Program
- **Lori Teglovic**—Learning Manipulatives and Storage Pouches
- **Kelly Haldeman**—GoGo Speech Online Program
- **Lydia Edler**—Easy Clean Craft Trays
- **Alicia Westbrook**—Easel
- **Dawn Schaaf**—Starfall Website for Math and Reading Skills
- **Katie Geiger**—Organizational Items for Centers and Busy Buckets
- **Rebecca Prenger**—Subscription to Reading A-Z/RAZ Plus
- **Melissa Pope**—Reading and Math Learning Games, Headphones, and Mice for the Classroom
- **Amy Safford**—Calm Down Boxes and Supplies for Self-Regulation
- **Charles Groth, Amber Groves, Michael Powers**—Mobile Charging Cart for Chromebooks
- **Susan Bryson**—Subscription to Bookbreak
- **Michael Striker**—Mosaic Wall Murals
- **Lesley Hayman**—Subscription for BrainPop Jr.

We are incredibly grateful for the continued support of the Wynford community. If you are interested in becoming a part of the WEF Board, please contact Crystal Jennings at [jennings.crystal@wynfordroyals.org](mailto:jennings.crystal@wynfordroyals.org). Your contributions make a significant impact! Support from the community—whether on Giving Tuesday through The Community Foundation for Crawford County or throughout the year—is greatly appreciated. Thank you for helping us enrich our students' educational experiences!
