# WHAT IS THE GICC?

## Vision

The Guelph Indigenous Community Councils vision is to improve the Indigenous community lives, to learn culture, grow our spirits & knowledge so our Indigenous community & children can thrive.

## Mission

We aim to bring together the Guelph Urban Indigenous Peoples through collaboration, consultation, communication, leadership and a unified voice in order to be heard, seen and present as an Indigenous community.

## GOALS

- Our goals are to protect the human rights, citizenship and wholistic well-being of the Guelph Indigenous community.
- Create & ensure a safe place for the Guelph Indigenous Community to meet, learn, collaborate and socialize.
- To ensure that the Truth & Reconciliation Calls to Action/UNDRIP are actively being implemented to improve the lives of the Guelph Indigenous Community.
- To create and establish respectful and meaningful communications that support inclusive Indigenous relationships with other organizations, businesses & allies.
- Establish communications & relationships with Guelph local resources for the Indigenous community.
- Advocate for cultural resources & resource people.
- To create and establish a land-based community learning space that will include Guelph Indigenous peoples, businesses & artists.

## FAQ'S & GENERAL INFORMATION

Check out our website to see our FAQ's (frequently asked questions) related to the GICC. The FAQ's address questions about how we view self identification, and our commitment to inclusivity.

We are all on a learning journey, and together we are stronger.

We use our original instructions and traditional teachings to guide the way we operate as a council, to build safe community connections and a sense of belonging.
