OTOK KRK

HR Zlatni otok Krk smješten je u Kvarnerskom zaljevu i jedan je od najvećih otoka na Jadranu. Izvrсна cestovna prometna povezanost otoka s kopnom čini ga lako dostupnim u svako doba godine. Zračna luka Rijeka nalazi se na otoku i povezuje ga s glavnim europskim gradovima. Raznolika priroda, slikovite plaže i bogata kulturna baština čine Krk posebnim, a jednako interesantna je i gastronomska ponuda otoka s autohtonom bijelom sortom vina Žlahtinom, te sa specijalitetima domaće kuhinje poput šurlice s gulašem, ovčjim sirom i maslinovim uljem.

ISLAND OF KRK

EN The golden island of Krk is located in the Kvarner Bay and is one of the largest islands in the Adriatic. The island's excellent road connection with the mainland makes it easily accessible at any time of the year. Rijeka Airport is located on the island and connects it with major European cities. The varied nature, picturesque beaches and rich cultural heritage make Krk special, and the gastronomic offer of the island is equally interesting, with the autochthonous white wine Žlahtina, and local cuisine specialties such as šurlice with goulash, sheep's cheese and olive oil.

ŠILO

HR

Šilo je novije naselje na sjeveroistočnoj obali otoka Krka, a ime je dobilo po morskoj hridi koja štiti uvalu od vjetrova. Iz Šila se pruža pogled na Crikveničku rivijeru, a u neposrednoj blizini nalazi se mjesto Dobrinj, spilja Biserujka i uvala Soline s ljekovitim blatom. Ovo područje nudi mnogo uvala pogodnih za ronjenje, a najpopularnije je mjesto gdje je potopljen grčki brod Peltastis na dubini od 32 m. Obitelji s djecom ovdje mogu provesti opušteni obiteljski odmor, istraživati pješčane i šljunčane plaže, uzbuđljivo podmorje, i doživjeti malo primorsko mjesto Šilo.

EN

Šilo is a newer settlement on the north-eastern coast of the island of Krk, and it got its name from the sea cliff that protects the bay from the wind. From Šilo, you can see the beautiful Crikvenica Riviera, and in the immediate vicinity there is the small town of Dobrinj, the Biserujka cave and the bay of Soline with healing mud. This area offers many coves suitable for diving, the most popular being the Greek ship Peltastis sunken at a depth of 32 m. Families with children can spend a relaxed family vacation here, explore sandy and pebble beaches, exciting underwater life, and experience the small seaside town of Šilo.

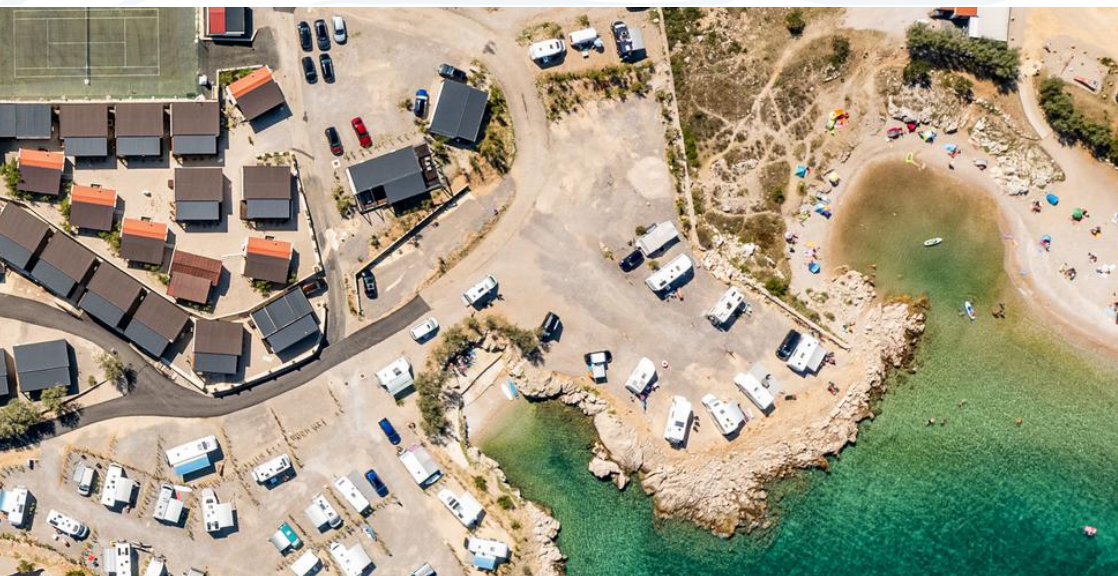

KAMP TIHA ŠILO - ODLIČAN IZBOR

HR Nedaleko od krčkog mosta, koji povezuje otok Krk s kopnom, na samo 20 km udaljenosti, smjestio se kamp Tiha. Njegove suncem obasjane uvale nude prekrasne plaže, a hladovina borova predah od ljetnih vrućina. Pravi zaljubljenici u prirodu naći će ovdje uređene parcele za dugi boravak, a prolaznici mogu zastati na dan-dva na parcelama opremljenim s priključcima na struju i vodu. Kamp Tiha nudi i smještaj u mobilnim kućicama, opremljenima klima uređajem, televizijom, kuhinjom sa svim kućanskim aparatima, natkrivenom terasom sa sjedećom garniturom i ležaljka. Beach bar Mare s dvije terase uz plažu omiljeno je okupljalište i nudi brze i jednostavne obroke, osvježavajuća pića i koktele, a restoran Portić u centru Šila svježu ribu i morske delicije u pravom primorskom ambijentu.

CAMP TIHA ŠILO - A GREAT CHOICE

EN Camp Tiha is located not far from the Krk bridge, which connects the island of Krk with the mainland, only 20 km away. Its sunlit bays offer beautiful beaches, and the shade of pine trees provides respite from the summer heat. True nature lovers will find plots arranged for a long stay, while passers-by can stop for a day or two on plots equipped with electricity and water connections. Camp Tiha also offers accommodation in mobile homes, equipped with air conditioning, television, kitchen with all household appliances, covered terrace with seating and deckchairs. Beach bar Mare with two terraces next to the beach is a favourite meeting place and offers quick and simple meals, refreshing drinks and cocktails, and the restaurant Portić in the center of Šilo offers fresh fish and seafood delicacies in a true coastal ambience.
