Intrigue's Triple Threat Program

The sky's the limit in our Triple Threat Program! TTP gives your artist the resources, confidence, and technique to become a true triple threat in the arts. This combination acting/vocal class will focus on the fundamental techniques and applications for acting and vocal skills. Your dancer will learn to develop characters, analyze scripts, and bring a story to life. They will also learn breath control, projection, and basic music theory. See your dancer thrive in creative confidence in our Triple Threat Program!

- *Dancers in this program will perform in a separate Triple Threat Showcase recital weekend.
- *Triple Threat program is available for dancers in our Shooting Stars, Rising/Teen Stars, and Pre-Professional Programs. Must be enrolled in our dance program to enroll in TTP.
