# ABOUT OUR EVENT

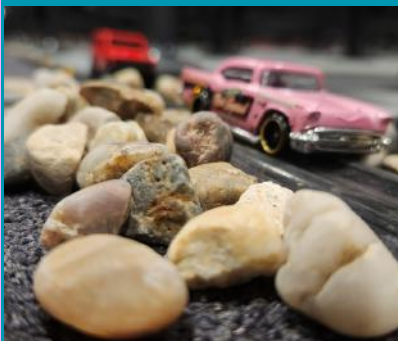

Introducing our **4 hour workshop** for students **4th grade and up!** This program will cover a variety of topics, including the exposure triangle, operating a **DSLR camera**, cellphone photography, composition techniques, black and white photography, entrepreneurship, toy posing, lighting, film-documentary making, and portfolio building. With a limit of 10 students, participants will receive hands-on experience and personalized attention. At the end of the program, students will receive a certificate of completion, film/documentary credits, and a seed of inspiration. The workshop fee is \$80, subject to a minimum of 5 participants for confirmation. Private workshops are also an option upon request. Feel free to reach out for more information.

# PLAY FILM

In this unique workshop, students will gain invaluable skills in storytelling, photography, and teamwork, equipping them to craft their own captivating narratives through toy photography.

With newfound knowledge and creativity, they'll emerge as budding filmmakers, ready to share their imaginative worlds with the world.
