SIGNATURE LIGHTS

Transform your space with our Signature Lights, designed to enhance any setting with a touch of refined elegance. Ideal for creating an inviting ambiance wherever needed.

STELLAR

Description

The Stellar lamp combines sleek design with solar energy, featuring a metal base and roll-molded lamp holder. With three color temperatures—3000K warm, 4500K warm white, and 6500K white—and stepless dimming via a tap switch, it offers adaptable, eco-friendly lighting for any space.

LUXE

Description

The Luxe lamp embodies elegance with its premium metal base and sophisticated design. Offering three lighting modes—3000K warm, 4500K warm white, and 6500K white—plus stepless dimming, it effortlessly elevates any room with a touch of luxury.

STELLAR MATTE

Description

The Stellar lamp features a refined metal base and graceful holder, delivering versatile lighting with three color options: 3000K warm, 4500K warm white, and 6500K white. With stepless dimming and a tap switch, it adds a celestial glow to any space.

RADIANT SPREAD

Illuminate your space with the graceful glow of Radiant Spread, designed to cast a warm, inviting light across your floors
