ABOUT SEUSSICAL TYA VERSION

"Oh, the thinks you can think" when Dr. Seuss' best-loved characters collide and cavort in an unforgettable musical caper!

The Cat in the Hat tells the story of Horton, an elephant who discovers a speck of dust containing Whos, including Jojo, a Who child sent off to military school for thinking too many "thinks." Horton faces a double challenge – not only must he protect the Whos from a world of naysayers and dangers, but he must guard an abandoned egg, left to his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant.

ABOUT THE ZIEGFELD THEATER

The Ziegfeld Theater is about art, collaboration and acceptance. Our driving motto is "Professional Standard, Community Spirit" and it drives every aspect of our work. As an emerging performance venue and company, we are finding success catering to a broad audience. We work to enlist A-list local talent and produce professional quality entertainment, always keeping in mind that positive collaboration is essential. Joining these ideals is a guiding principle of improvisation: "Yes...And!" The "Yes" means that we accept theatrical, musical and visual arts that are furthering the community's knowledge and cultural experience. The "And" describes our dedication to enhancing the idea and furthering its impact.
