- How do you help coaches and other small business owners navigate the ever-changing landscape of technology and marketing?
- How do you help coaches and small business owners stay up-to-date with the latest tech trends and tools?
- Can you discuss how coaches can effectively use social media to grow their business and reach new clients?
- How important is having a website for coaches and small business owners in today's digital age?
- Can you talk about how coaches can effectively use video marketing to connect with their audience and build their brand?

MICHAEL POPE

THE COACH'S TECH GUY

Dr. Bekah Y. Dr. USA 2023 / Dentist

"Michael took the time to invest into our lives and teach these lessons. He is a great facilitator. He made sure each member could share their ideas and contribute to the topics. Michael embraced the group's diversity and really took the time to listen."

Dr. Mary S. / Leadership Coach

"Michael Pope is a great orator. This webinar was very insightful and informative. He allowed interactions with other participants and his presentation was very valuable."

Sue S. Nonprofit Leader/D & I Specialist

"Michael is the type of person who inspires excellence in everyone around him. Michael has that rare ability to connect and include people of all ages, cultures, abilities, and backgrounds no matter the activity."

Dawn M.

"I have attended numerous virtual trainings over the last year and Michael has always done an amazing job. He breaks everything down so it is easy to understand, especially when he is teaching something his attendees/students need to learn. He is also a dynamic speaker, virtually and in person!"

Arron L.

"Michael is generous, knowledgeable and has a strong capacity to evoke positive action in everyone that he meets. If you want to drive your organization, leaders or people with positive forward momentum Michael is the guy!"
