

VILLY KLEPPE

Want You

# PREFACE

**“Want You” isn’t just a song, it’s a confession carved in sound.**

**It’s the moment between longing and letting go, where words fall short but melody tells the truth.**

**Every note is raw, every lyric a heartbeat caught in the fire of wanting something real.**

*Villy Kleppe*

A woman with long blonde hair is sitting on a bed, holding a baby. The scene is dimly lit, with a lamp visible in the background. The woman is looking down at the baby with a gentle expression. The overall mood is intimate and tender.

**“I won’t be a rock star. I will be a  
legend.”**

**– Freddie Mercury**
