**GOVERNOR'S NEWSLETTER**

**"We have the power and the magic to serve to change lives."**

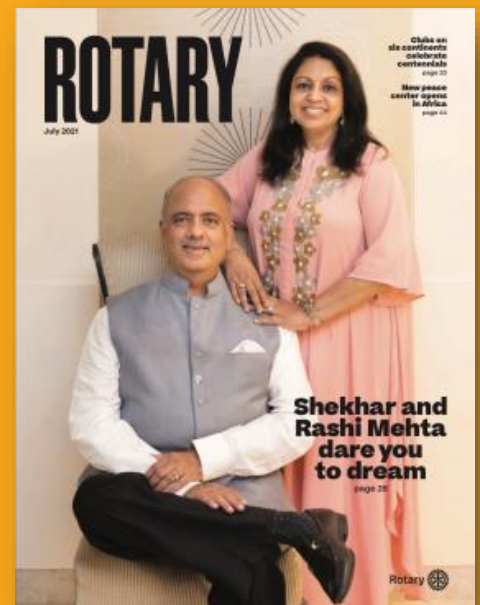

**-- Shekhar Mehta, RI President**

2021-22 Rotary President Shekhar Mehta from India unveiled his Presidential Theme and Logo at the virtual International Assembly on the 1 February 2021: **Serve To Change Lives**.

Rotary needs to increase its membership to be able to do more through service, prompting Mehta's challenge to increase membership from 1.2 million to 1.3 million by 1 July 2022 by asking every member to bring one person to join Rotary through the **Each One, Bring One** initiative.

Dear fellow Rotarians,

Welcome to another Rotary year, a year where we Serve to Change Lives. A new Presidential theme as all District Governors set out his or her goals and objectives. We are also known as the movers where we rock and bring our districts to different heights. Before I proceed, I would like to take this opportunity to thank the district training team once again for having successfully organized the PETS & DISTAS and all other trainings.

I know it was not easy as all sessions were held virtually and over a marathon duration of several weeks. Thank you to all the facilitators and speakers from far and near for your devotions to part your Rotary experiences and knowledge.

We were very fortunate to have that brief window that allowed us to organize the Presidents dinner and the Governors banquet on hybrid platform in most of the regions. It was well attended, and I was able to address the whole regions live.

A month has passed by. How is it like to be a District Governor in a situation of a continuous pandemic. I thought I was already able to visit clubs but sadly this was not the case. I have to make good of whatever the situation. With approval of the authorities, I have the privilege to experience physically what it is like to organize a food bank, giving away lunch pack to the homeless, planning of a family walk and tree planting. The rest of the month we had virtual meetings, District Governor's visits, Rotary clubs and Rotaractors installations and activities and engaging in numerous communication through WhatsApp and telephone chats with my team.

Despite the constraints of the pandemic, the month of July has been a meaningful month. So much going on in our district with many activities carried out by clubs all over the region. Rotarians and Rotaractors are caring citizens definitely living up to the expectations of Rotary. Many of these activities can be seen in postings made to our chat groups and Facebook as well as published in this newsletter.

Thank you, my dear Presidents, for inviting me to your handover or installation ceremonies. I am very touched by the warm welcome and fellowship accorded to me. The DG visits were exciting as it is one way for me to get to know you and your members better to inspire and encourage your club to move to greater heights. How I wish we are able to meet physically in all these events.

Thank you, my dear Rotarians, Rotaractors, spouses and friends of Rotary for your support. Let us make this a memorable Rotary journey together.

We will soon be launching our Buddy End Polio Now Awareness Campaign and I hope to see you taking part in this event.

Do continue to submit your Rotary stories to this newsletter and do always keep on the look out at our District Website for latest updates and forthcoming events.

Yours truly,

*Dolly Yeap*

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

“The foundation upon which Rotary is built is friendship; on no less firm foundation could it have stood.”

-- Paul Harris

# PRESIDENT'S MESSAGE

MY DEAR CHANGEMAKERS,

I wish each of you and your families a great Rotary New Year! Together, let us make it the best year of our lives, by making it a year to *grow more and do more*. Let this be a year of changemakers, and let us begin with our membership.

That is precisely why the Each One, Bring One initiative is so important. During this year, I urge you to dream of new ways in which Rotary can expand its reach into your community and therefore the world. If each member introduces one person to Rotary, our membership can increase to 1.3 million by July 2022. So, let's just do it!

Imagine the change we, as Rotary members, can make when there are so many more of us! More people to care for others, more people to *Serve to Change Lives*. Think of the impact we can have through *grow more, do more*. More members will enable us to embark on bigger and bolder service projects. And each of us can also continue to serve in our own personal ways, responding to needs in our communities.

The beauty of Rotary is that service means different things to different people around the world. One element, however, that we can incorporate into all of our service initiatives is *empowering girls*. Unfortunately, even in this day and age, girls and young women face disproportionate challenges all over the world. We have the power to lead the charge for gender equality. Empowering girls and young women to have greater access to education, better health care, more employment, and equality in all walks of life should be embedded in every Rotary project we launch. Girls are future leaders, so we

must ensure that we help them shape their future.

These are challenging times, and I compliment each of your efforts in grappling with COVID-19. No challenge is too big for Rotarians. The bigger the challenge, the more passionate the Rotarian. Look at what we can do when we take on a colossal challenge such as eradicating polio. Look at the millions of lives we improve by strengthening access to water, sanitation, and hygiene. Look at what we do every year to promote peace in places where it seems unimaginable. Our basic education and literacy programs have nation-building impact.

This year, let us challenge ourselves to do more such projects and programs that have national reach and impact. This year, let us *Serve to Change Lives*.

The biggest gift we are given  
Is the power to touch a life,

To change, to make a difference  
In the circle of life.

If we can reach out  
With our hand, heart, and soul,

The magic will start to happen  
As the wheel begins to roll.

Let's turn the wheel together  
So all humanity thrives,

We have the power and the magic  
To *Serve to Change Lives*.

President, Rotary International

Shekhar Mehta

## 社長文告

### 各位親愛的改變者：

**我** 祝福各位及家人有一個美好的扶輪新年！攜手同心，讓我們在這一年「更壯大，做更多 (grow more and do more)」，使其成為人生中最美好的一年。讓這一年成為改變者的年度，並且讓我們從社員工作做起。

這正是「一個帶一個 (Each One, Bring One)」提案十分重要的原因。在這一年中，我敦促各位想像有何新方法讓扶輪擴展至你的社區進而整個世界。如果每位社員都介紹一個人加入扶輪，我們的社員到 2022 年 7 月便可增加至 130 萬人。所以，我們就這麼做吧！

想像一下，我們扶輪成員增加這麼多人時可以促成什麼樣的改變！更多人去關懷他人，更多人以服務改善人生。想想我們透過「更壯大，做更多」可以產生什麼影響。更多社員將可讓我們展開規模更大且更大膽的服務計畫。而且我們每個人也可以繼續用自己個人的方式來服務，回應我們社區的需求。

扶輪的好處在於服務對各地不同的人都意味著不同的事物。然而，我們可以融入我們所有服務計畫的一項元素就是賦與能力給女孩。不幸的是，即使在今日這個時代，世界各地的女孩及年輕女性仍面臨不符比例的挑戰。我們有力量可以主導促成性別平等的行動。我們應該把讓女孩及年輕女性有更多機會取得教育、醫療、就業、各行各業的平等，融入我們所發起的每一項服務計

畫。女孩是未來的領袖，因此我們必須確保我們幫助她們打造她們的未來。

這是充滿挑戰的時代，我讚揚各位對抗新冠病毒疫情的每個行動。可是沒有挑戰是扶輪社員無法克服的。挑戰越大，扶輪社員便越熱情。看看我們對抗根除小兒麻痺這樣艱鉅的挑戰時所能做到的事。看看我們強化取得水、衛生設施，及個人衛生的管道所改善的數百萬人的生活。看看我們每年在和平看似難以想像的地方為促進和平所做的事。我們的基礎教育及識字計畫的影響力足以撼動全國。

這一年，讓我們挑戰自我去推動更多有全國範圍及影響力的計畫。這一年，讓我們以服務改善人生。

去改變，去發揮影響力，在生命的循環裡。

如果我們走出去，獻出我們的雙手、熱情，及靈魂，

魔法便會開始發生，而輪子便開始轉動。

讓我們一起滾動這個輪子，讓所有人茁壯，

我們有能力，有魔法以服務改善人生。
