The School Shop stocks most of the recommended revision guides and other resources a student may need in each subject. Typically, prices are lower than if you purchased the same item from Amazon or another shop because we buy in bulk and some suppliers, such as CGP, charge less when the purchase is made by a school. There is no expectation for a family to purchase through the school shop. To purchase revision resources, scroll down the shop page towards the bottom – beyond the uniform!

https://app.parentpay.com/ParentPayShop/Uniform/Default.aspx?shopid=792

Students in receipt of Free School Meals will be provided with new or second-hand revision resources.

For further information, questions or queries, please contact your child's subject teacher and/or Head of Subject.
