When we started our last Journey, we learned when we tearned that people were in trouble. They had been waiting a long time for the promised Messiah, the saviour, to come. And then it happened...Jesus Savious, and everything changed. Shepherds, was on. Anna, and the Wise Men were amazed Simeoling that God had finally sent the one who would that all people. But how did the people end up in such a mess? Why was their relationship with God broken? Why did God need to send Jesus to save the world? Did he really exist from the beginning-from the beginning of what? In this Journey, we are going to find out, because we are going back to the beginning-before the world even existed. We will find out how a perfect creation became broken and why a saviour was needed.

# TRIP 1: THE VERY BEGINNING

I wonder if the Time Capsule has a start date. Can it take us all the way back to the beginning?

Can you imagine nothingness? No sky, land, seas, trees, animals, and no world! That's what it was like in the beginning. Then, the creator God acted, and, as we will learn on this trip, it was all VERY GOOD. Let's go explore where it all started.

PRAY: What do you like about the world around you? Talk to God and thank him for these things.

Let's open the sketchbook and find out. It's all very dark. It doesn't seem like

there's much there!

And we're off! Today we're d wirling through sp LOCATION:

God's work of

creation is so amazing! There

are so many unique

and special things

here, and there is

so much we can

learn about him by

exploring them!

DAY 1 Today we are travelling way back in time, to before the world even began! It looks dark and empty, but I have a feeling that something is about to happen that will change all that.

Read Genesis 1:1-25

DAY 3

Read Genesis 1:6-10

The way that God does things tells us a lot about him. He's not only powerful but he likes things to be in order. Look at how he organised the world!

Read Genesis 1:1-5

DAY 2

Wow! How amazing is it that God made light out of nothing! Did you notice how he did it?

DAY 4

Read Genesis 1:11-19

We can really see God's creativity here. He's making plants and trees and filling the sky with lights!

DAY 5 Read Genesis 1:20-25

God made all the different kinds of incredible animals! Did you see what he said when he made something? He said, 'It's GOOD'!

Days 6&7

God made lots of amazing things, but he's not quite finished What do you think is still missing? We are going to find out on our next trip. It is time to think about this trip, write in your Landers Log, and talk to your Travel Guide.

The earth is looking very full. Let's go back home and think about what we discovered.

### **LANDERS LOG**

How many clouds are in the Garden of Eden?

What is the colour of the three large birds in the sky?

How many Roots can you find on the Poster?

**OURNEY 2** 

Day 3: Match the symbol to the verse.

Verses 4-5 Light and darkness

Dry ground and seas

Verses 9-10

Now create a symbol vourself based on one of the verses.

Day 4: Take a really close-up photo of something mentioned

EARTH-is it round?

We see a lot of pictures of Earth, and it looks round. It's not! The earth

flattens at the poles.

in verses 11-19. See if your family or a friend can guess what it is.

(For example, here is a close-up of Roots' acorn)

Day 5: Think of three words that describe what these verses tell us about God. Examples include amazing or powerful.

Write a prayer using your three words. You could start your prayer this way:

'God, you are...'

#### Day 6:

- God speaks and it happens! What does this tell us about what God is like?
- How do you feel knowing this about God?
- What do you think is "very good" about the world we live in?

Talk to God about your thoughts and what you discovered this week.

#### **Day 7:**

Talk to your Travel Guide or a Timelander friend about what you wrote in your Landers Log.

Don't forget to put your stamp in your passport.

# TRIP 2: **MADE IN** GOD'S IMAGE

It's time for our trip to the next page of the sketchbook. Is everyone ready?

Have you ever made something you were very proud of? Remember what that felt like? God created many amazing things, but one very important part of creation was missing. Something really special was still to come.

PRAY: Ask God to help you understand more about how he sees you and who he made you to be.

We're going back to that time at the beginning. I wonder what happens next!

HEAVENS & THE EARTH

And Here we go! DAY 1 On our last trip, we saw all the things that God created-sea, sky. plants, and animals, but he wasn't finished! He left the best for last and there was something great still to come! Read Genesis 1:26-2:3

# ADAM

It was so amazing to be there at the start, seeing the world when it was all fresh and new, and to see that I had been created by God!

# DAY 2

#### Read Genesis 1:26-27

Wow! People are the very special part of God's creation! What do you think it means that the humans were made in God's image?

## DAY 5

# Read Genesis 2:2-3

God worked hard to make his creation complete. After a job well done, he rested because he had done everything that he needed to!

## DAYS 6&7

People are very special to God. In our next trip we'll take a closer look at how he made them. It is time to think about this trip, write in your Landers Log, and talk to your Travel Guide.

### Read Genesis 1:28 DAY 3

People didn't just get a special identitythey got a special job too! They would take care of God's creation and rule over it. What a big responsibility!

# DAY 4 Read Genesis 1:29–2:1

God looked over his creation again, and look at what he said. Not only was his creation good, but this time he said it was

very good'!

There's so much for us to think about. It's time to go home!

PRAY: Talk to God about the things you have done wrong and tell him you're sorry.

Things are getting a little tense, but let's go and see what happens!

DAY 1 On our last trip, we saw that God cursed the serpent. On this trip, we will find out what God has to say to the man and woman and the consequences of their disobedience.

Read Genesis 3:16-20

### DAY 2 Read Genesis 3:16

The woman has the amazing ability to have babies. Through her relationship with the man, she will bring living human beings into the world. But because of her disobedience, it would now be painful!

# DAY 3

# Read Genesis 3:17

Disobedience also has consequences for the man. Instead of the land naturally bearing plants and fruit to eat, now the man would have to work hard to make them grow. This would be painful for the man.
