The background of the slide is a photograph of the Texas State Capitol building in Austin, Texas. The building is a grand, classical-style structure with a prominent central dome. The dome is topped with a lantern and surrounded by a series of arches. The building's facade is composed of light-colored stone or marble, with numerous windows and columns. The image is slightly faded to allow the text to be clearly visible.

 - A. What date was it assigned in a committee.
 - B. Go back to the Homepage and look under the House or Senate Committees. Find the committee and click on it to see who sits on that committee.
3. Call you Representative or Senator and tell them that a bill you are very interested in has been filed and in _____ Committee. You would like him/her to co-sponsor the bill and do whatever he/she can to support and advocate for the bill.
4. Sign up on TLO to get alerts when the bill's status has changed. Also sign up to receive alerts from STAT at www.texasgop.org, then go to #TXlege.
5. Keep track of the bills and call your legislators when the bill moves, **OR DOESN'T!** We need our Priority legislation through the House or Senate Committee by the middle of April to have a chance of getting through Calendars.

The founding fathers constituted a government that would put you at the top of the pecking order. That's not what we have today, and we aim to reclaim what's ours.

We the People. That phrase once inspired patriots to work together to win freedom. Let's do it again.

Join us. Select your Texas Senate and House Rep below and write them a polite but firm message to pass our Republican priorities.
