## **Baking for a Greener Tomorrow: Our Commitment to Sustainability**

Homestyle Bake achieved an Overall score of 90% - Beyond Best Practice for the 2022 APCO Annual Reporting period, indicating our highest performance level and significant progress on our sustainability journey. While proud of this achievement, we remain committed to seeking further improvements as we define our sustainable pathway towards meeting the National Packaging Targets.

As a family owned and operated business, this commitment is paramount and a source of great pride for us. To learn more about this and its implications for business, visit APCO.

## **Nourishing Communities: Our Bread Donation Initiative**

At Homestyle Bake, we're dedicated to supporting communities in need through our bread donations. We partner with organizations like Foodassist to distribute quality excess food. Not only reducing our waste, but greatly assisting people in need within your community!

## **Community Champions: Our Local Charity Sponsorship**

'Community Champions' is an initiative aimed at supporting non-profit and community groups in achieving their fundraising goals. Each year, we extend a helping hand to hundreds of organisations by donating products, empowering them to make a meaningful impact within their communities. By fostering partnerships and providing vital resources, we strive to strengthen the fabric of society and promote positive change on a local level throughout the Darling Downs and South East Queensland.
