Ray White Marine Sunreef Yachts

Ultra-eco-friendly catamarans may soon be cruising the waters of Australia after one of the country's biggest yacht brokerages, Ray White Marine, agreed to distribute Polish-made Sunreef Yachts in the sunburnt country.

Ray White Marine Sales Director Brock Rodwell said he was very excited by the appointment, citing Sunreef Yachts' industry-leading technology and aesthetic appeal.

Leo Rodriguez

0415 776 633

leo@raywhitemarine.com

Sunreef recently celebrated its 20th anniversary at the prestigious Monaco Yacht Show in September where the partnership between the popular eco-friendly yacht builders and Ray White Marine was formed.

Ray White Marine said the two powerhouse brands are looking to produce strong sales in the Asia-Pacific region with many active leads already in the pipeline here in Australia.

Founder and CEO Francis Lapp started the company in the early 2000s after owning a catamaran charter company in his home country of France. Sunreef has quickly become the world's premiere eco-conscious luxury yacht manufacturer and built over 350 yachts in its 20 years of operation.

On expanding into the Asia-Pacific region, Lapp described Ray White Marine as a reliable and professional partner and noted that Australia offers a perfect cruising arena for Sunreef's catamarans.
