AEROSOLS

4-IN-1 LUBRICANT AEROSOL

BA117-CASE

Penetrant, demoisurant, lubricant, and rust preventative!

This four-in-one penetrating lubricant eliminates moisture when sprayed on electric parts. Penetrating action frees up nuts and bolts due to rust or corrosion. Instantly stops squeaks and hinges on metal to metal contact areas. An excellent light all-purpose lubricant. Stops tools and dyes from rusting and makes assembly and disassembly of machinery easier.

CARBURETOR CLEANER

BA165-CASE

Made for engine carburetors!

A combination of powerful, concentrated solvents has been specifically formulated in this aerosol to remove dirt, gum and varnish deposits, which build up on moving parts and sealing surfaces of engine carburetors. Cleans and frees choke linkage, manifold heat controls and PCV valves. Use of this product will increase the life of pistons, rings and cylinder walls. Packaged as a handy aerosol for easy use.

CHAIN & CABLE LUBRICANT AEROSOL

BA116-CASE

Ideal for all types of exposed chains...gets into the hard-to-reach places!

Chain & Cable Lube is a premium-quality chain lube that penetrates rapidly and adheres to the application, forming a lubricating film that cannot be wiped away by extreme pressure or high speeds. This lubricant is formulated to penetrate wire rope and the pins and bushings within the chain. This lubricant prevents damage from friction as the chain or rope engages with equipment.

CONTACT CLEANER AEROSOL

BA166-CASE

3-way action, cleaning, restoring, and protecting of your electrical equipment!

A non-conductive and non-corrosive aerosol designed to effectively eliminate various contaminants such as grease, oil, and dust from electrical equipment in operation. Perfect for cleaning delicate or sensitive electronic devices without causing harm to plastics, paint, or wire insulation, unlike other chlorinated substances.

LOW VOC BRAKE PARTS CLEANER AEROSOL

BA203-CASE

Brake Parts Cleaner that meets VOC requirements in all 50 states!

This LOW VOC (10%) blend provides maximum performance as a brake parts cleaner without the use of ozone depleters or chlorinated solvents. An excellent product for use in auto repair, machine shops, and more! Fast drying and leaves no residue. Removes brake dust, grease, and grime by using a powerful non-chlorinated formula. This is a professional strength product with quick evaporation to make any job easier.

ORANGE SOLVENT AEROSOL

BA191-CASE

The most powerful aerosol asphalt and tar remover on the market today!

Orange Solvent Aerosol is an excellent organic, non-petroleum cleaner, degreaser, and deodorizer. It is completely biodegradable and environmentally friendly. Dissolves asphalt and tar on contact. No manual scrubbing required. Great citrus scent. Easy-to-use. Non-flammable and non-toxic! Great for mobile applications. High pressure spray out of can.

PENETRATING LUBRICANT AEROSOL

BA180-CASE

Solvent-based lubricant for heavy grease removal prior to lubrication!

Ensures quick and easy lubrication and re-lubrication of areas difficult to access and for spot application. This tried and tested specialty lubricant covers a huge variety of applications. Contains a unique solvent that penetrates surfaces to dissolve rust, scale, gum, grease, and corrosion. This product is extremely effective as a cleaning agent. It can be used to remove tar, adhesives, grease, and rust. It can be easily wiped away using a wipe, cloth, or light abrasive.

QUICK DRY DEGREASER AEROSOL

BA205-CASE

Removes all kinds of contaminants instantly and evaporates fast!

Quick Dry Degreaser Aerosol is an advanced formula that efficiently and thoroughly removes oil, grease, lubricants, dirt, tar, and sludge as well as other contaminants instantly.

SAFETY SOLVENT AEROSOL

BA183-CASE

Non-flammable, quick drying, no residue solvent!

This non-corrosive, non-conductive formula has a low toxicity making it ideal for use on motors, electronic devices, and delicate instruments. Clean, fast-drying, safety solvent aerosol is ideal for applications that require superior cleaning ability and an extra margin of safety. This colorless non-staining and non-corrosive formula may be used on delicate surfaces such as carpets and fabric may damage some surfaces test before using.

SILICONE RELEASE AGENT AEROSOL

BA184-CASE

An all-in-one clear lubricant, release agent, and non-sticking agent!

An all-in-one clear lubricant for exclusive use in construction and manufacturing of goods. This non-drying formula lubricates and protects. The silicone film will adhere to most surfaces like a magnet. Temperature range works from -58° F. to 600° F. Protects metal finishes from rust and corrosion. Provides slick surfaces for production areas. For use in industries such as automotive, general maintenance, furniture and upholstery, graphic arts, and light assembly.

SUPER SLIDE 45 AEROSOL

BA118-CASE

Exceptional, long-lasting lubrication and penetration!

A high-tech formulation of specific oils blended with micron-sized PTFE to provide exceptional, long-lasting lubrication and penetration. Significantly decreases friction and distributes a wear-resistant film that lubricates moving parts. The initial foaming action allows for dwell time so it can creep into tight spaces. Penetrates rapidly to loosen frozen parts due to rust, wear, or heavy grease build-up. The lubricating film guards surfaces from corrosion in extreme hot and cold temperatures. Use on any surfaces that glides, slides, rolls, twists, or moves. Passes ASTM D 1748 - Rust protection by metal preservatives in the humidity cabinet.

PARTS CLEANING

ALUMINUM SPRAYCAB

4027

Aluminum safe, powerful, concentrated formula!

Brody's Aluminum Spraycab is formulated for use in recirculating spray-wash cabinets. It consists of a special powdered blend of buffered alkalis, soil-suspending agents, low-foam detergents, and emulsifiers. Excellent low-foaming properties. Can be used on all metals including aluminum. This product does not cause flash rusting.

DEFOAMER

8006

Multi-purpose, concentrated foam control!

This product is a water soluble defoamer, offering immediate defoaming action and long term foam prevention. Works with super-speed to knock down typical foam caused by such elements as fats, detergents, oils, and wastes, regardless of temperature or locale. This product removes foam caused by agitation, high water temp, or bather load from spa and hot tub water without reducing the Chlorine or Bromine content.

DISHMACHINE DESCALER

9012 DISHMACHINE DESCALER PLUS 2859

Keep your commercial dishmachines free of scale!

This commercial strength formula removes hard water scale and mineral build-ups improving dish-machine equipment operation. This powerful and effective formula will save you time and effort. Our universal and multi-use formula is effective on any brand of ice machines, commercial dish-washers, coffee machines, steam tables, and for use with hand cleaning equipment. Non-foaming and safely cleans a wide variety of surfaces.

ELECTRICAL DEGREASER

4011

Heavy-duty, non-flammable solvent with exceptional cleaning power!

Our heavy-duty Electrical Degreaser is a high-performance cleaning solution specifically formulated to handle the most challenging grease, oil, dirt, and grime on electrical components, metal parts, machinery, and motors. Composed of a 50/50 blend of Perchloroethylene and Trichloroethylene, this industrial-grade product offers exceptional cleaning power for demanding applications. Engineered for precision and reliability, this degreaser penetrates deeply into surfaces, dissolving stubborn contaminants with ease. Its carefully balanced formula ensures quick and efficient cleaning while leaving no residue, making it ideal for both maintenance and repair tasks in industrial, automotive, and electrical environments.

HOT TANK CLEANER

4014

Removes rust, paint, grease, and carbon deposits from all ferrous metals!

Hot Tank Cleaner is recommended for removing rust, paint, grease, and carbon deposits from motors, bars, castings, conveyor hooks, pipe fittings, salvaged steel, radiators etc... Most effective when used in a hot tank and heated at 120° F. - 180° F. Formulated to work quickly, less time and manpower is needed to do the job. Contains special rust inhibitors to protect the metals after they have been cleaned. Product has a long-lasting effect, meaning you won't be replacing the chemical solution as often.

LIQUID BRAKE PARTS CLEANER HEXANE

2633

Clean your break parts with the best!

Break Parts Cleaner (Hexane) is the strongest and most efficient brake parts cleaner on the market today! Low odor makes this brake parts cleaner easy and extremely effective to use. Not for sale in CA, UT, and CO.

LOW VOC BRAKE PARTS CLEANER LIQUID

2635

This product meets VOC requirements for all 50 states!

This LOW VOC (10%) blend provides maximum performance as a brake parts cleaner without the use of ozone depleters or chlorinated solvents. An excellent product for use in auto repair, machine shops, and more! Fast drying and leaves no residue.

PARTS WASHER SOLVENT

4022

Eliminate headaches and expenses associated with disposal!

A non-emulsifying solvent cleaner and degreaser specifically designed for use in automatic parts washers. Excellent cleaner for fuel pumps, carburetors, filters, master cylinders, valve covers, rocker arms, and all engine parts. Does not cause corrosion. Has a flash-point over 140°F and can be disposed of with waste oil or burned in an incinerator. Leaves a light protective film that protects against rusting and corrosion.

QUICK DRY DEGREASER LIQUID

2655

Quick-dry, fast-acting, no residue solvent!

An advanced formula that efficiently and thoroughly removes oil, grease, lubricants, dirt, tar, and sludge as well as other contaminants. Dries fast and leaves no residue. Contains no chlorinated solvents that could contaminate waste oil. Quick Dry Degreaser is non-corrosive to metals. It can also be used on de-energized circuit boards and electric motors, molds, and machinery parts.

PERSONAL CARE

ATTACK WALNUT HAND CLEANER

1056

The ultimate hand cleaner - unmatched in its excellence!

Attack Walnut Hand Cleaner is a non-solvent industrial-use hand soap. Designed to be used routinely for the toughest cleaning without drying out your hands. Multiple emollients and skin conditioners can actually moisturize and heal chapped skin with repeated use. An environmentally friendly product that does not contain petroleum distillates or dyes. Attack is an official USDA-certified bio-based product. The super-concentrated formula reduces use by up to 75% and contains natural walnut shell scrubbers that are less abrasive to the skin than typical pumice.

BLACK NITRILE GLOVES

GBLK

Ideal for hand protection, hiding stains, and are made with natural rubber!

Available in five sizes and have beaded cuffs and textured fingertips for enhanced grip ability. The black color is ideal for hiding grease, dirt, ink, and dyes. These gloves are also safe to be used with sensitive electronics and food handling. They meet the FDA 21 CFR Part 177 requirements for food safety and handling, and are also ESD tested and approved. The gloves are also latex-free, powder-free, and chlorinated.

BLUE PUMICE HAND CLEANER

1013

Tough on grease - Gentle on skin.

Brody's Number One Selling Industrial Hand Cleaner! Designed for the toughest cleaning without drying out your skin. Contains premium ingredients that help moisturize and eliminate chapped skin. Formulated to break down the toughest soils, fast and effectively while being gentle on the skin. Special conditioners leave hands soft and moisturized. Contains volcanic pumice for an extra deep clean.

BRODY'S HAND SCRUB CLEANER 2895

Easy-to-use, non-greasy hand cleaner that doesn't dry out your skin!

This easy-to-use, non-greasy hand cleaner is a favorite among the asphalt, oil field, automotive, hardware, and farm and agricultural industries. Contains small plastic scrubbing beads that dissolve with water. Features the same great formula as our waterless hand cleaner, with the addition of natural scrubbers for deep gentle cleaning of soiled hands. Your hands will get a true scrubbing action to penetrate deep and get even the heaviest of stains out of your hands. You can use this formula multiple times a day without leaving your hands raw.

CITRUS PUMICE HAND CLEANER 1034

Designed for the toughest cleaning without drying out your skin!

This premium citrus, industrial hand soap is designed for the toughest cleaning without drying out your hands. Multiple emollients and conditioners actually moisturize chapped skin with repeated use. This super concentrated formula reduces use up to 75%. Contains premium volcanic pumice which is less abrasive to skin and superior skin emollients and conditioners that will not dry or crack your hands. Leaves no greasy residue and can be used in cold water. This naturally scented citrus hand cleaner leaves your skin feeling fresh and clean.

CLASSIC SKIN CREAM SCL100ML

A highly concentrated, perfume-free, skin care cream in a 100mL tube!

Deeply hydrates, restores natural skin resistance, and is ideal for sensitive skin, with a focus on sustainability as it contains 59% renewable or bio-based content and is USDA BioPreferred certified. Helps heal contact dermatitis. Excellent for use in cold climates. Protect your number one tool - your hands! Available in cases of 12.

FIRST DEFENSE HAND SOAP 1073

A perfect bulk refillable hand soap. Rinses clean and smells fresh!

Brody's First Defense Hand Soap creates a rich, creamy lather which removes all types of soils from the hands. Phosphate free and formulated with aloe vera, glycerin, lanolin, and an antibacterial agent to help fight germs. This product is ideal for people who wash their hands several times a day. Packaged in gallon containers that are ideal for refilling hand soap dispensers in your restrooms.

FIRST DEFENSE FOAMING HAND SOAP 1074

Rich, thick, creamy foam - tough on germs gentle on skin!

This refillable, foaming hand soap delivers premium cleaning. Made with quality ingredients that are less toxic and better for the environment. Produces a rich and luxurious foam that won't dry out your hands. Refill and reuse. Our refill gallons deliver exceptional value with 128 oz. of liquid foam soap designed to be used with Brody's Foaming Refillable Dispenser. This eliminates the need for single use bottles eliminating plastic waste.

WATERLESS HAND CLEANER 2896 **WATERLESS HAND CLEANER TUBES** 2896-T

There is no finer or higher quality product on the market today!

Our waterless hand cleaner is a unique blend designed to clean hands without harsh acids or alkalis. Brody's waterless hand cleaner works equally well with or without rinsing with water. You'll be amazed with how your hands look and feel after use. Clean, conditioned, and without the greasy feeling associated with most hand cleaners. Excellent for removing asphalt, tar, and sticky, tacky greases. 12 tubes to a case for use on the paving site.

FLOOR CLEANERS & DEGREASERS

AUTOMATIC SCRUBBER 2003**AUTOMATIC SCRUBBER CONCENTRATE 2003C****Heavy-duty, emulsifying action floor cleaner!**

This non-butyl, heavy-duty, cleaner has some special properties such as deep penetrating and emulsifying action to suspend debris and hold it in the solution to be rinsed away rather than redeposited on cleaned surfaces. The product provides film-free rinsing, even in hard water areas, with no chalky alkaline residues. This cleaner works well in hot, cold, or hard water, and will not produce scale which can clog application equipment. This product is also excellent for use as a general cleaner.

B.A.M.F. 5999**Brody's Absolute Miracle Formula for degreasing!**

This product is the strongest, most powerful all-purpose degreaser available on the market today. This powerful formulation was created for the toughest jobs you might encounter. Works quickly to remove stubborn grease and oil stains from all different types of surfaces. This professional strength degreaser is extremely effective and highly concentrated with an easy rinse, low foaming formula.

CITRUS DEGREASER 5008**Powerful citrus extract, advanced technology formulation!**

This multi-purpose citrus degreaser instantly emulsifies grease, oils, and fats without the use of harsh acids alkaline or petroleum solvents. This product contains an extremely strong natural citrus oil to deodorize and effectively clean even the toughest of soils. This trendsetting formula keeps pace with today's safety and environmental regulations. Concentrated formula - made to be diluted and water soluble.

CONCRETE CLEANER CITRUS**1010C CONCRETE CLEANER CITRUS SUPER****1010SC****Naturally scented citrus concrete cleaning powder!**

Brody's Concrete Cleaner is a powdered alkaline multi-component powder designed to solve the toughest cleaning problems on concrete floors. The chemical action does the work and saves labor. Product is yellow in color and does not turn green when wetted on floor. Also available in a double-strength formula.

CONCRETE CLEANER PINE**1010 CONCRETE CLEANER PINE SUPER****1010S****The best powdered, industrial-strength concrete cleaner on the market!**

Brody's Concrete Cleaner Pine is a powdered alkaline multi-component powder designed to solve the toughest cleaning problems on concrete floors. The chemical action does the work and saves labor. Is yellow in color and turns green when wetted on floor. Rapidly penetrates, cuts, and lifts grease and grime from concrete floor surfaces. Easy to use and economical.

CONCRETE CLEANER WITH ENZYMES 1099**Powerful but safe to use on all concrete and epoxy floors!**

This product is a formulation of fast-acting detergents, grease cutters, wetting agents, and emulsifiers that are blended with the most advanced enzymes available on the market today. The grease cutters break down the grease and oil, and the bacteria digests the grease. Powerful but safe to use on all concrete and epoxy floors. Has a cherry fragrance to make your shop smell fresh.

DEGREASER WITH ENZYMES**2100 DEGREASER WITH ENZYMES PLUS****2100P****Contains bio-remediation enzymes that actually digest greases and oils!**

Degreaser with Enzymes is the strongest and most powerful degreaser manufactured by Brody Chemical. Features tough cleaning agents formulated to remove both baked-on and sticky/tacky greases. 100% biodegradable, water-soluble, and contains no hazardous ingredients. Contains a fresh-smelling cherry fragrance to help with odor control while you clean. This product contains the newest bio-remediation enzymes available on the market today.

DYNAMITE DEGREASER**1026 DYNAMITE DEGREASER CONCENTRATE 1026C****A great all-purpose degreaser that you can use on everything!**

This concentrated biodegradable degreaser is ideal for any type of heavy-duty industrial cleaning. Designed with an economical formulation to keep your costs down. Works in a variety of applications to remove grease, grime, road film, and soils. Highly concentrated and fights grease on contact. This product is available in multiple concentrations for your specific needs - including an ingredient-only, concentrated kit where our customers can add their own water on-site.

EASY GREEN**1200****Cleans, degreases, and deodorizes without harsh chemicals!**

Easy Green Multi-Purpose Degreaser is a safe alternative to toxic cleaners. This concentrated formula cleans, degreases, and deodorizes without the use of harsh chemicals. Non-abrasive, non-corrosive, and safe to use on almost all washable surfaces. 100% Biodegradable, non-flammable, and extremely cost-effective. Use on counters, sinks, floors, equipment, engines, vehicles & more.

FORMULA 60**6000****FORMULA 30****6001****Excellent grease fighter that can be used in a wide variety of applications!**

Formula 60 is a water-based, heavy-duty, all-purpose cleaner, and degreaser that can be used on a wide variety of surfaces. This all-in-one product is great for all your degreasing needs. Butyl-based, fast-acting, and extremely concentrated. This highly-dilutable formulation makes your end-use cost extremely affordable. One product that does it all! This product is available in multiple concentrations for your specific needs!

INDUSTRIAL DEGREASER**4016****INDUSTRIAL DEGREASER PLUS****4016P****Contains 3x more active ingredients than other leading brands!**

Industrial Degreaser is a highly concentrated and effective degreaser. Works quickly to remove stubborn grease and oil stains from all different types of surfaces. This professional strength degreaser is extremely versatile and can be used on shop floors, engines, greasy parts, and more. Easy rinse, low-foaming formula that can be diluted on-site to save space and money. This product is available in multiple concentrations for your specific needs!

LIQUID CONCRETE FLOOR CLEANER**9200****Get the grease out of your concrete floors fast and effectively!**

Brody's Liquid Concrete Cleaner is a heavy-duty, industrial, alkaline cleaner specifically formulated to remove heavy oil, grease, and grime. Environmentally friendly with no chemical odors or fumes. This product easily cleans and brightens dirty concrete to a clean, bright, unsoiled finish. Say goodbye to stains and welcome a clean bright look. The millions of tiny bubbles that the product deploys cause the product to go beyond the top layer - eliminating the shadow. They will penetrate every pore of the concrete surface and lift everything up for an easy clean that is unmatched by any other concrete cleaner.

SUPER CONCENTRATED CITRUS DEGREASER**2874****Rapidly cleans heavy grease and grime buildup!**

This super-concentrated citrus degreaser represents the latest technology in heavy-duty degreasing formulas. You'll find this fast-acting formulation will quickly penetrate and emulsify tough, baked-on, and greasy soils. This product is popular because of its versatility and can be used on any surface where a heavy-duty degreaser is required. Formulated with a fresh citrus fragrance that helps to fight malodors and leaves your facility smelling fresh and clean.

SWEEP SORB**BE021****Absorb dirt and control dust while also enhancing floor conditions!**

A versatile and floor-friendly solution suitable for various surfaces, including concrete, hardwood, vinyl, rubber, and asphalt tile. It's safe for high-gloss, epoxy finishes. Smooth rough surfaces and facilitate easier future cleanings, all while being environmentally friendly with this 100% biodegradable composition.

TNT LIQUID**2845****TNT LIQUID CONCENTRATE****2845C****Safe on paint and glass and will leave polished aluminum surfaces with a nice shiny finish!**

TNT Liquid is a premium liquid cleaner that can be used as both a truck wash and a general degreaser. It contains synthetic, biodegradable detergents that rinse completely to eliminate streaking and residue. Available in multiple concentrations for your specific needs!

SOLVENTS & LUBRICANTS

HIGH-FLASH DEGREASER

4029

Non-flammable, non-conductive, and biodegradable!

This product is specifically formulated to meet or exceed today's most demanding tests for efficiency and safety. It is non-flammable, non-conductive, and biodegradable, while acting like a solvent to cut through grease. Perfect to use as a non-flammable parts cleaner when safety is a top priority. Dissolves heavy grease build-up instantly.

PENETRATING OIL

4023

A bulk liquid penetrating oil designed for use in Sure Shot Sprayers!

A bulk, liquid, penetrating oil that loosens rusted bolts and nuts in seconds to eliminate hard manual labor. Effective even when nuts are countersunk. It restores rusted and corroded surfaces and acts as a deterrent to future rusting. This product contains no acid and is effective and easy-to-use. Just spray affected area and the product starts penetrating in only 5 to 30 seconds.

WINDSHIELD WASH CONCENTRATE

1032

Save space with our concentrated solution! You can add your own water to save!

Our Windshield Wash Concentrate is designed to help you save space and money. This highly-concentrated formula can be diluted with water on site to save you up to 70% of the cost of a ready to use product. Safe-to-use on all automotive surfaces. No water added. This product contains methanol, blue dye, and surfactant only.

WINDSHIELD WASH RAWPACK

1032R

Wetting agents combined with blue dye!

This product was developed to save our customers money that would like to add their own blue dye and surfactant to either a drum of methanol for cold weather states or a drum of water for warm weather states. This extremely concentrated formula can also be used to add to ready to use windshield washer solvent if you would like the blue to be brighter in color. Warm weather locations across the country do not necessarily need to use methanol in their fleets to keep the product from freezing. This product is an excellent choice to cut your costs and save you money by adding the cleaner and dye to a drum of water.

GREASES

HEAVY DUTY RED GREASE
