SHENZHEN ZHENGKANG TECHNOLOGY CO.,LTD

ShenZhen ZhengKang Technology Co.,Ltd was founded in 2013. We are a professionally managed company. We have 150 employees and an area of 2000 square meters factory in shenzhen city, guangdong province. Our company does research and development, manufacture and sales of medical devices, health technology products and technology innovation product serials: blood pressure monitors, fingertip pulse oximeter, infrared forehead thermometer, nebulizer and other medical instruments. We focused in manufacturing of high quality medical devices and home-care equipment with CE, FDA, RoHS, ISO13485 certification.

With strong Research & Development capabilities, manufacturing and talented personnel, our products have been distributed to over 80 countries and regions. More than 7 years OEM experience for Global-market improve our own production and design capacity greatly. Currently, our products are exported to Europe, North America, South America, Africa, Asia and the Middle East district etc. We strive to become a leading and professional supplier of medical products.

As a main supplier of health care products in China, JZIKI has built a loyal reputation on quality, innovation, and service to its customers all over the world. If you are interested in any of our product, please feel free to contact us.

- 2013.12 Shenzhen Zhengkang Technology Co., Ltd. was established
- 2014.01 Medical device manufacturer license
- 2014.01 Jziki trademark registration certificate
- 2014.07 The oximeter and sphygmomanometer won the CE certificate
- 2014.07 Won the ISO 9001:2008 certificate
- 2014.10 Wrist and arm sphygmomanometer medical registration certificate
- 2015.01 Won the ISO 13485: 2003 certificate
- 2015.05 The clinical thermometer series began mass production
- 2016.06 Atomizer series started mass production
- 2017.01 Hearing aid series began mass production
- 2018.11 Tooth cleaner production started
- 2019.07 R & D of neck massager
- 2019.11 Development and production of fetal doppler
- 2020.03 CE 0197 and 510K certificated

.....

Feature:

- * 99 sets of memory for two people
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Screen size: 5.8*6.9cm
- * Acrylic interface material

ZK-B868

Feature:

- * 99 sets of memory for two people
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Screen size: 5.5* 7.6 cm

ZK-B872

CE 0197

Voice broadcast (optional)

Automatic Pressuring

Voltage Power Detection

99 Sets of Storage(2 people)

Heart Rate Testing

Display Time and Date

Color Liquid Crystal Display(optional)

Color Liquid Crystal Display(optional)

Feature:

- * 99 sets of memory for two people
- * Cuff size: 22-32 cm
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Screen size: 3.5*4.4cm

ZK-B869

Feature:

- * 99 sets of memory for two people
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Screen size: 5.8* 5.7 cm

ZK-B876

Feature:

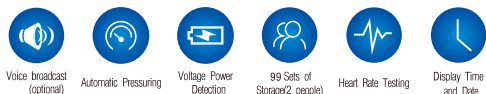

- * 99 sets of memory for two people
- * Cuff size: 22-32 cm
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Screen size: 5.0* 7.0 cm
- * With VOICE

ZK-B877

Feature:

- * Bluetooth connectivity
- * 3.7V built-in lithium power
- * 99 sets of memory for two people
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Switch for user 1 & 2
- * Auto average measuring results per 3 times

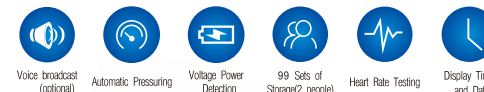

ZK-B876L

ZK-B878L

Feature:

- * Bluetooth connectivity
- * 3.7V built-in lithium power
- * 99 sets of memory for two people
- * Date & Time setting
- * Delete function
- * mmHg / kPa switchable
- * Switch for user 1 & 2
- * Auto average measuring results per 3 times

ZK-B879L

JZK-301

JZK-303

JZK-302

JZK-306

Feature:

- * Test the hemoglobin saturation & the pulse rate
- * 4 directions adjustable
- * Alarm setting
- * Low battery indicator
- * Auto switch off
- * Infrared measurement method

Automatic shutdown

Voltage Power Detection

Heart Rate Testing

Accurate measurement

Automatic shutdown

Voltage Power Detection

Heart Rate Testing

Accurate measurement

Feature:

- * Test the hemoglobin saturation & the pulse rate
- * Low battery indicator
- * Auto switch off
- * Infrared measurement method

JZK-601

Feature:

- * Dual mode: body & object
- * 3 colors backlight
- * 32 sets memory for dual modes
- * Alarm function
- * °C / °F switchable
- * Test distance: 1-5 CM
- * Infrared measurement method

One Second Temperature Measuring

Human Body Object Measuring

Three colour Backlight Fever Alarm

32 Sets of Memory

JZK-602

JZK-606

Feature:

- * lithium battery
- * Automatic power off: 60±5 seconds
- * Measuring range: 34~42.9°C, or 94~109°F
- * Voltage: 3.7V
- * Best distance: 1-4 CM
- * Power consumption: 3mW
- * Accuracy: ±0.1 degree

JZK-610

Feature:

- * Dual mode: body (Forehead temperature /Ear temperature)& object
- * 3 colors backlight
- * 32 sets memory for dual modes
- * Alarm function
- * °C / °F switchable
- * Test distance: 1-5 CM
- * Infrared measurement method

Feature:

- * Abnormal automatic alarm: flashing + "Di Di" sound
- * Automatic measurement: measuring distance 1cm ~ 5cm
- * Screen: Digital display
- * Install method: nail hook, double -sided adhesive sticking, bracket fixing
- * Environment temperature: 10°C~40 °C (Recommended 15°C~35°C)
- * Response time: 1s
- * Power supply: DC 5V/1A(USB)
- * Weight: 203g
- * Dimensions: 108*128*156mm
- * Memory capacity:200 groups

One Second Temperature Measuring

Automatic induction measurement

Sound and light alarm

200 Sets of Memory

JZK-611

Feature:

- * Abnormal automatic alarm: flashing + "Di Di" sound
- * Automatic measurement: measuring distance 30cm
- * Screen: Digital display
- * Install method: nail hook, double -sided adhesive sticking, bracket fixing
- * Environment temperature: 10°C~40 °C (Recommended 15°C~35°C)
- * Response time: 2s
- * Power supply: DC 5V/1A(USB)
- * Weight: 260g
- * Dimensions: 108*61*156mm
- * Memory capacity:200 groups

One Second Temperature Measuring

Automatic induction measurement

Sound and light alarm

200 Sets of Memory

JZK-612

MH-709

Feature:

- *It can quickly eliminate the dryness of the skin and make the skin full of elasticity and suppleness.
- *Cold office or sultry car, water supply.
- *Use when your skin is irritated or sunburned.

Low noise

Small atomizing particles

Easily absorbed by the affected part

Glucose Meter

JZK-201

Feature:

- ★ 99 sets of storage
- ★ Voltage power detection
- ★ Heart rate testing

intelligent pressurize

99 sets of storage

Heart Rate Testing

ZK-Q1

Features

- * Mini size, easy to carry
- * Mute design
- * One button operation
- * Low power indication

Low noise

Small atomizing particles

Easily absorbed by the affected part

Ultrasonud Doppler fetal Heart Rate Monitor

JZK-T01

Feature:

- Find the position of the fetal heart to make the fetal sound clearer
- Take care of your baby's health conveniently, safely and quickly
- Listen to your baby's heartbeat with your family

More secure

High sensitivity

No radiation

Low power prompt

ZK-11

Feature:

- *Food grade alloy material cleaning teeth cleaning effect is obvious
- *Four gears adjustable, suitable for different needs
- *High frequency vibration, effective removal of dental calculi, etc.
- *LED high-light indication, teeth cleaning more convenient and fast
- *IPX6 waterproof

Fresh breath

Remove tooth stains

Avoid the production of calculus
