Your Opportunity Connection

July 2026
Issue

Published Monthly By:

Mike Baker - PO Box 196 - Pittsburg KY 40755

Greetings, and Welcome to our latest issue.

I hope you are having a wonderful summer so far. It's time to enjoy the great outdoors and the hot weather! Maybe a trip to the beach, or perhaps you like the mountains better, it's all good to get away and relax for a while.

For those of us operation a home-based business, we can enjoy the summer while still maintaining a presence in mail order during the summer months. Business might be a little slower, but we must keep on mailing and advertising just to keep our name and our offers in front of the potential customers. The ads we place today will still pull orders months from now.

The USPS Forever stamp will increase from 78 cents to 82 cents on July 12, 2026, as part of a planned 4.8% average price increase across mailing services. The increase isn't something that will break us, but with so many frequent price increases by the USPS and the decline in service, it makes me wonder what's next on their agenda.

If you look at an offer for a supposedly new program and it looks familiar, it might be because someone decided to copy another program. Oh, the details might be different but the way it works is the same and sometimes the name of the program has been copied, and maybe even the graphics and artwork. I have noticed several dealers are using my ideas, similar or near same names for "their" programs, that are eerily close to those I have been running for years. They say "Imitation is the sincerest form of flattery" so I guess I should be flattered. I'd rather have a royalty check.

Be sure to check out the offers in this issue and get your ads in for next month's edition.

Until next time - **MIKE**

Why Keying Your Ad Matters

Keying your ad means adding a small identifying code to your advertisement so you can track exactly where each response comes from, and this simple step turns guesswork into real data by showing which adsheets, issues, or versions of your ad are actually producing results; with a key code, every order or inquiry tells you which placement pulled, allowing you to measure performance, compare different ads, drop the weak ones, and invest confidently in the ones that consistently deliver.

WORK FROM HOME...

Get paid \$2,500 weekly stapling booklets at home!!!

Do you need a genuine opportunity to make up to \$2,500.00 and more weekly? Now you can work from home and get paid up to \$2,500 weekly for stapling simple booklets in your spare time from home. And you will get paid for every booklet you staple **GUARANTEED!**

Try out my system "**Get Paid Stapling Booklets From Home**" and you will learn my secrets and get paid for every booklets you staple from home. This is a "chance of a lifetime" is truly head and shoulders above the rest. What other opportunity offers you the chance to get paid **\$2,500 weekly?** And don't forget...once you put my system in acting you will start getting paid for every booklet you staple from home.

As an Independent Homeworker, you will be doing something so simple as stapling booklets from home, this is really something a 10-year-old child can do. And you can do this in your spare time from your kitchen table and get paid \$2,500 for doing easy work from your home.

Best of all (*hold on to your hat!*) You'll received your payments before you mail the booklets! You will not mail the booklets and THEN get paid. You'll get your money **upfront!** And since you'll be working from home, we suggest that you select a table to use for stapling the booklets. Your kitchen table will be perfect for this kind of work when you're not using it for dinner, this is really easy money.

Each booklet to be stapled consists of 5 to 15 pages. From our experience you can probably staple an average of 50 booklets in two hours. **That is \$250.00 to \$750.00 for two-hour work.** However, although we'll ship you all the material in one shipment, you'll not be required to put together and staple all the booklets at one time. You'll just staple booklets as per requirements.

If you're required to staple 20 booklets today then you staple 20 booklets, if you are required to staple 50 booklets another day, then you staple 50 booklets and so on. Or you can staple as many booklets as you can and mail them as they're required, this is so simple to do.

Another reason that this system is great because it is **NOT** a job! This is an opportunity for you to be in charge! You will never have to answer to some loud nagging penny-pinching boss who treat you like he OWNS you. Instead, you will be able to "write your own ticket!" When people ask you, if you like your boss, you'll be able to look them right in the eye and say. **"IM THE BOSS!"**

There just isn't any better feeling than being able to tell people that you're the captain of your own ship. But let me warn you-your neighbors and friends might just "get a little jealous" when they see how well you're doing.

The amount of money that you'll make with this system is **incredible.** It

will give you a whole new life. Sadly, most people have to break their back on a regular basis just to get by.

Your days away from being able to say good-bye to the idea of "just getting by"! From now on, **it's going to be first class all the way!** You're going to be able to get the best no matter where you go! Isn't it about time you got treated like a king?

When you start stapling booklets from home, you're going to work a whole lot easier than you've ever worked before! That's right! **You'll be making WILD amounts of money by doing simple easy work!**

If you order my system "**Get paid stapling booklets from home**" you will receive complete simple instruction with everything you need to get started immediately getting paid \$2,5000 weekly from home.

MAIL YOUR ORDER TO:

Wayne Landry
3008 N. University Ave., #14

How Many 20's

Do You Want?

Maybe 5, 10, 20.....a hundred? How about a dozen or so every week? It's all possible.....if you really want it.

With this little program, you can work at your own pace, set your own goals, start small or go all in. It's up to you.

But I can assure you that everyone likes the idea of getting twenty dollar bills in their mail every day. And those people will eagerly pay the small amount required to achieve this accomplishment.

So, what's the catch? There is none. You simple pay a small fee of \$20 + 10 new, straight from the post office, first class stamps. In return, you receive all the following:

- A copy of this flyer with your name and address in the space below. This is your ticket to receiving all those 20's you want.
- Advertising coupons worth \$25 to help you promote this and other programs you might choose.
- A second program that brings you in \$5.00 bills like crazy.

Then what happens? You promote this program by mailing out copies of your flyer (like this one), or having someone print and mail copies for you. When people send you \$20 dollar bills and 10 stamps, **YOU KEEP ALL THE MONEY!** You send the customer information and the 10 stamps to the prime source who fills the order for your customers. You spend or bank all those 20's coming to you and life gets much better. But it all starts when you take the first step. Just send \$20 (cash only) plus 10 new first class "Forever" stamps and this ad to:

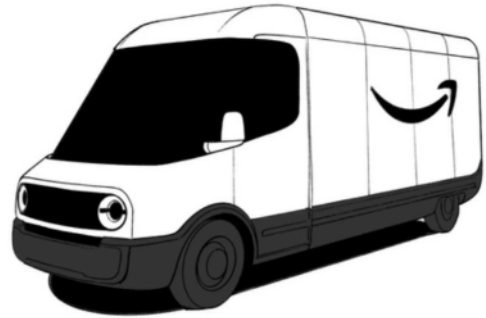

BAKER - PO Box 196 - Pittsburg KY 40755-0196

You will receive the above mentioned program and other items listed by first class mail. Note that this program is void where prohibited by law. No claim of earnings is made. Your success will depend upon your efforts to market your product. No refunds..

5,000 STAMPS A MONTH GUARANTEED!!!

The United States Government says there are many Mail Order operators that make \$40,000 a year. What they don't tell you is how much of that money went for postage. Stamps can eat up 50 percent of your profits. What if you could eliminate the cost of postage and keep all the money as your profit? Well now you can! The **"FRANKLIN STAMP GENERATOR"** makes this possible for you! You simply send your customer copies of what you receive in the Franklin Stamp Generator. That's all there is to it!

THE BEST IS YET TO COME . . .

THERE HAS NEVER BEEN ANYTHING LIKE THIS BEFORE because this is the easiest and most profitable stamp generator you will ever lay your eyes upon. Now, you have your very own side-line stamp business and work it along with whatever else you are doing with no additional investment in inventory, time or labor.

ALMOST EVERY 4TH CIRCULAR YOU MAIL WILL BRING BACK 50 FIRST CLASS STAMPS. OTHER MAILINGS GET ONLY 2% TO 3% SALES RESPONSE. WE GET BETTER THAN 25% RETURNS.

That is correct. This is the most powerful mailer there is. There has never been anything like this because of its incredible success. A test of your own will show that you will receive at least 25 customers for every 100 circulars that you send out! *Amazing but true.* Now you can *generate an abundance of stamps* day in and day out - all year long.

THE AMAZING "FRANKLIN STAMP GENERATOR"

The cost of the **"FRANKLIN STAMP GENERATOR"** is only 50 First Class Stamps, but it is worth much, much more than that because of its tremendous success. Don't let the small cost fool you. This is an opportunity that you just can't afford to miss. Don't let it pass you by. You won't receive this offer again. This is what you have been waiting for - that is if you wish to **NEVER BUY ANOTHER STAMP AGAIN!**

GET THE STAMPS YOU NEED WITH THIS TAG-ALONG HOME BUSINESS BUILDER.

TRY THIS TEST. Send out 100 circulars a week for a month, that's 400 brochures. You should receive about 100 responses in a steady, never-ending stream. This should bring you 5,000 stamps a month if you only send out 100 flyers a week! The success of the **"FRANKLIN STAMP GENERATOR"** will knock your socks off when you are receiving a cornucopia of stamps every day! **5,000 a month "GUARANTEED"!!!**

SUPER CASH GENIE!

HE'S
GRANTED
YOUR WISH
FOR
"MORE MONEY"!

UPGRADE YOUR WAY TO BIGGER PROFITS!

Watch As Your \$100 Commissions Grow Exponentially!

Here is an "OPTIONAL" upgrade offer to **THE ALL CASH GENIE**, with **MORE AND BIGGER CASH PAYOUTS!** You have received this page either for your consideration to join THE ALL CASH GENIE and SUPER CASH GENIE, or because you are already a member of THE ALL CASH GENIE and wish to upgrade to EXTRA streams of income with \$100 CASH COMMISSIONS! It works the same as THE ALL CASH GENIE (a Reverse 1-up program) with 2 small exceptions. First, to participate in & upgrade to SUPER CASH GENIE, **one must already be a participant in THE ALL CASH GENIE**. Second, commissions and pass-ups go ONLY to those qualified to receive them. To qualify, first join THE ALL CASH GENIE program so that you can receive unlimited \$50.00 cash commissions. Then, simply pay a **one-time program cost of \$120.00 cash or money order to upgrade to SUPER CASH GENIE** and to be eligible for unlimited \$100 cash commissions. Let's simplify this a bit... Suppose you have upgraded to SUPER CASH GENIE (totally optional on your part). You're now qualified to receive \$100 payouts from those you personally sponsor and those who pass up to you (except the 2nd personal, which passes up to your sponsor OR THE NEXT QUALIFIED UPLINE who is a member of SUPER CASH GENIE). In other words, say you sponsor Sue. Sue joins THE ALL CASH GENIE but doesn't want to upgrade at this time. That is perfectly fine. Sue will receive \$50 cash commissions that she earns from her program sales. Now say Sue sponsors Joe, who not only joins THE ALL CASH GENIE, but also upgrades to SUPER CASH GENIE. Since Sue is not in SUPER CASH GENIE, she will NOT receive the \$100 commission, but it will pass up to YOU instead, because you are the first qualified upline above her to receive the commission. You will continue to receive all of your \$50 commissions from the ALL CASH GENIE, but can now receive additional streams of \$100 from SUPER CASH GENIE as well! That means more pay lines and more pass-ups, which means MORE MONEY! Rush a copy of this flyer with payment for the option you are choosing below to:

PROGRAM ADMINISTRATOR: DAVID BOWKER, 2318 CANDACE ST., PITTSBURGH, PA 15216

ADMIN: 412-689-1327 (IF QUESTIONS, CALL, TEXT or LEAVE MESSAGE)

☐ **OPTION 1:** Yes! I like THE ALL CASH GENIE program and wish to join! I am opting out of upgrading at this time, but understand that I may upgrade at any time in the future simply by paying the cost of the SUPER CASH GENIE program (\$120). Here is my payment of **\$60.00 (cash or money order only) + 10 FOREVER STAMPS** to join THE ALL CASH GENIE!

☐ **OPTION 2:** I am already in THE ALL CASH GENIE, but wish to upgrade to larger \$100 cash payouts with SUPER CASH GENIE! Here is my payment of just **\$120.00 (cash or money order only)** to join this exciting upgrade offer!

☐ **OPTION 3:** I am not in either program yet, but wish to join them **BOTH** for **MAXIMUM PROFIT** and **INCOME STREAMS!** Here is my **DISCOUNTED PRICE** to join both programs of **\$170.00 (cash or money order only)**! That's a fast and easy bundle savings of **\$10.00 and ten stamps** over the actual cost of joining each program separately!

100FOLD INCOME

Join The Most Powerful 2-LEVEL
Money-Making Program On The Market!

TAP INTO THE WORLD'S MOST POWERFUL MONEY-MAKING CONCEPT!

Dear friend, years ago I created a "very successful" Direct-Mail program that helped many people make a lot of money! I modified a unique comp-plan to simulate the **Power-of-Compounding**, and tap into this powerful concept! **And boy did it ever!** We literally had members receiving **25 to 50 "money-orders"** in a single day! Some receiving more! One member received over **306 money orders** in a three month period! **Now I've brought the "original" concept back to the marketplace!** It pays **Cash & Stamps!** If you can refer just **3 people**, you can start a "compounding-money-machine" of **\$40 Money Orders & 20 First-Class Stamps!** Believe me! **This Is A Powerful Cash-Generating Concept!** So get started today! **Get A FREE 100 Piece Mailing!** -- **You Don't Want To Miss Out On This One!**

Earn \$40 & 20 Stamps For Every Person!

Earn \$40 & 20 Stamps for "every" person & personal referral! All personal referrals will be attached to you (except the first two) FOREVER! **This is a very important feature!** So when they make money! **You make money!** They make \$100, \$500, \$1000! **You Make \$100, \$500, \$1000!** And so on! **This also applies to the people on your Compound Infinity Pay-Lines! - POWERFUL!!!**

Earn \$40 & 20 Stamps That Double To Infinity!

Earn \$40 & 20 Stamps from "every" person on your 2-Level Compound Infinity Pay-Line! You can have multiple pay-lines starting with your 3rd personal referral! **What's Possible?** If just "one" Pay-Line doubles with a "minimum" of just "two" people who did the same every month for 12 months. You would earn: **\$163,840 & 81,900 Stamps** for the year! What if 10, 50 or 100 Compounding Pay-Lines? **MEGA MONEY & STAMPS!**

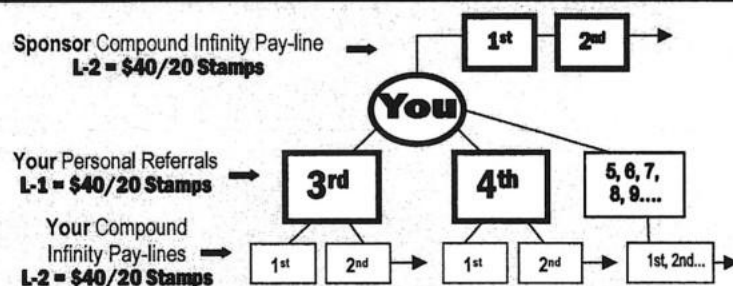

THE POWER OF COMPOUNDING - If you could double a penny every day for 36 days, you would have over **\$320,000,000!** That's 1/3 of a billion dollars! Just by doubling a penny! **That's the Power-of-Compounding!** The **100FOLD INCOME** opportunity uses a simple ingenious 2-Level "forced-width" pay-plan that simulates the power-of-compounding by doubling the first "two" of every first "two" members to infinity!

HOW DOES IT WORK? - We told the computer to place ALL the money on just Two-Levels! **\$40 & 20 stamps on Level-1 & \$40 & 20 stamps on Level-2.** Say you refer 4 people. (See pay-plan) The first 2 people (1st & 2nd) (not the money) are gifted to your sponsor's 2nd-Level Compound Infinity Pay-line. The 3rd & 4th person are placed on your 1st-Level. You and your sponsor would each earn: **\$160 & 80 Stamps.** All subsequent personally sponsored members (starting with your 3rd person) are placed on your 1st level. Now you'll receive the first "two" of each one of those member's first "two" people - **TO INFINITY! (These are your Compound Infinity members)** Also, **VERY IMPORTANT!!** Because you are always attached to these members! **YOU GET MONEY AND STAMPS EVERY TIME THEY MAKE A SALE!** So you make money anytime a sale is made from anywhere in your network of personally sponsored members, and your **Compound Infinity Pay-line** members! Over and over again! How many sales could happen in one day? **3, 5, 10, 50..???** Again, **You Don't Want To Miss Out On This One!** So don't wait! **Send your order in today!**

10 Things Frugal People Have Learned to Live Without

In a world saturated with advertising and consumerism, it's easy to get caught up in the pursuit of "more." However, for those embracing frugality, a different approach prevails. They've discovered that true happiness and financial well-being often stem from *less*, not more. By consciously choosing to forgo certain things, frugal individuals create space for what truly matters, build savings, and reduce stress. Here are 10 things that frugal people have learned to live without, and the benefits they reap as a result:

1. Brand Name Everything: The allure of designer labels and top brands can be powerful, but frugal individuals prioritize value and quality over status. They've learned that generic or off-brand alternatives often perform just as well, if not better, and at a fraction of the cost. Whether it's groceries, clothing, or household items, they see past the marketing hype and focus on functionality.

2. The Latest Gadgets: The tech world is constantly churning out new devices, each promising to be the best yet. Frugal people resist the urge to upgrade every year (or even every few years). They appreciate the functionality of their current devices and understand that the latest features often come at a hefty price. Waiting for older models to become more affordable is a common practice.

3. Daily Coffee Shop Visits: That daily latte or cappuccino might seem like a small indulgence, but it can quickly add up. Frugal folks often brew their coffee at home, opting for the convenience and cost-effectiveness of a personal brewing ritual. They reserve coffee shop treats for special occasions, not everyday necessities.

4. Lavish Vacations and Impulsive Travel: While they certainly enjoy a good getaway, frugal people prioritize smart and budget-friendly travel. They are adept at finding deals, traveling during off-peak seasons, staying in hostels or budget-friendly accommodations, and utilizing free activities. They value experiences, not luxury, and plan their vacations accordingly.

5. Unnecessary Subscriptions and Memberships: The world is full of tempting subscription services – streaming platforms, gym memberships, meal kits, and more. Frugal individuals ruthlessly evaluate the value they're receiving from each subscription. They don't hesitate to cancel those they don't regularly use or those they can easily replicate at home.

6. The Fear of Missing Out (FOMO): Keeping up with the Joneses can be a financial black hole. Frugal people are less concerned about keeping up with trends or societal pressures. They prioritize their own financial goals and are comfortable making choices that align with their own needs and values, not those of others.

7. Impulse Purchases: The thrill of spontaneous shopping can be intoxicating, but it often leads to clutter and wasted money. Frugal individuals rarely make impulse purchases. They carefully

consider each purchase, often waiting a day or two to ensure it's necessary and within their budget. They learn to differentiate between wants and needs.

8. Frequent Dining Out: While the occasional restaurant meal is enjoyable, frugal individuals understand the financial impact of eating out regularly. They master the art of cooking at home, often preparing meals in bulk and packing lunches. They appreciate the cost savings and health benefits of home-cooked meals.

9. Constant Upgrading of Home Décor: Frugal people are content with what they have. They resist the urge to constantly redecorate or purchase new furniture just to keep up with trends. They value functionality and longevity over fleeting aesthetics, often choosing to repair or repurpose existing items.

10. Keeping up with the Latest Fashion Trends: Fast fashion comes and goes quickly, encouraging constant consumption. Frugal individuals invest in a timeless, capsule wardrobe filled with quality pieces that can be mixed and matched. They prioritize durability and comfort over fleeting trends. They might shop secondhand or opt for classic styles that stay in fashion longer.

The Benefits of Living with Less:

Choosing to live without these items isn't about deprivation; it's about intentionality. Frugal people find that these choices lead to:

- **Reduced Debt:** Less spending translates to less debt and more financial freedom.
- **Increased Savings:** When money isn't spent on non-essentials, it can be allocated to savings and future goals.
- **Less Stress:** Financial stability reduces stress and worry about money.
- **More Time and Focus:** Less time spent shopping or managing belongings frees up time for activities they truly enjoy.
- **Greater Appreciation:** When you have less, you appreciate what you do have even more.

By consciously choosing to live without the unnecessary, frugal individuals create a more fulfilling and financially secure life. It's a testament to the power of intentional living and the freedom that comes with prioritizing experiences and values over material possessions.

You won't believe this is - So read carefully

CLUB MILIONAIRE

JOIN – GET 10 PEOPLE SIT BACK – COLLECT – WE DO MOST OF THE MAILING FREE – GET FREE STAMPS – FREE BUYERS NAMES – FREE ADS

Each new member gets 1000 flyers mailed for them in position #1. When the next person joins he/she gets 1000 flyers mailed free also. With your name in position #2, you also get another 1000 flyers sent. The next person joins, and they get 1000 flyers mailed free. With your name in position #3 you get another 1000 mailed also. That's 4000 flyers mailed out free with your name in position 1+2+3+4. After that you can recycle again. Plus get #1 trade secret – How to print and mail to 1,000 pages for only 87¢. You'll learn what company does this. We have used them for 20 years.

IT'S NOT THE COST OF JOINING – BUT THE COST OF PROMOTING – THAT CAUSES MOST TO FAIL – THAT DOESN'T HAPPEN HERE.

For example, let's say you get a 1% response from your 1st 1000 flyers mailed. That's 10 people who join under you. You get 10 x \$100 Money Orders (\$1000.00). Then let's say they get a 1% response – you make \$10,000. Again, with a 1% response on your 3rd level you make an amazing \$110,000, speculative. 4th level – way over a million. Then quit your job and retire. Go on vacation.

THAT'S THE 1% POWER POTENTIAL – YOU MAKE \$1,111,000 AND YOU NEVER HAD TO BUY NAMES.

The monitor will call each member to make sure they've all been paid before we enroll you and begin your 1st 1000 piece mailings. To print and mail 1000 flyers to 1000 prospects only cost me 87¢. Learn how I do this, so you can use it.

The Powerful "Reverse 1-Up Compensation Plan"

(Explained in about 2 Minutes)

It's Simple, Straight Forward and Very Easy to Understand.
Plus, It is Extremely Profitable!

With a Reverse 1-Up, you get to keep the commission from your first sale. **EVERYONE** keeps the commission from their first sale! You pass up your second sale to your Sponsor. Then you keep every single **DIRECT SALE** you make after that forever, without limits!

That is the **ONLY** "Pass-Up" that you will ever make for each **DIRECT REFERRAL**. That is why it's called a "Reverse 1-Up" comp plan. They call it such because with a typical "1-Up" comp plan, you must pass up your very first sale, but in a "Reverse 1-Up", **YOU KEEP YOUR FIRST SALE!** That's pretty cool, right?

Here's what's also very cool... Everyone you personally refer that joins the program, also passes up THEIR second sale to YOU!

- And **THOSE PASS-UPS** also pass-up to you **THEIR** second sale!
- And then **THOSE PASS-UPS** also pass-up to you **THEIR** second sale!
- This is called a "receiving line" or a "freedom line", and it goes on to **INFINITY!** It's basically a pipeline of continuous, passive cash flow!

That pipeline of cash flow can generate an unlimited number of commissions to you
– **AND THAT'S ONLY ONE PIPELINE!!!**

There is **NO LIMIT** to how many **DIRECT REFERRALS** you can create. And **ALL OF THEM** will Pass-Up **THEIR** second sale to you! And **ALL OF THEIR PASS-UPS** will also Pass-Up **THEIR** second sale to you!

*Are you starting to see the enormous amount of unlimited passive cash flow that can be created from just **ONE** referral?*

Hopefully, you are now able to picture what kind of passive income you can create with this simple Reverse 1-Up plan if you personally refer 100 people to your frontline and every single one of them represents a potentially endless "Pipeline of Cash Flow"!

SUMMARY:

Now you understand how powerful the "Reverse 1-Up" compensation plan really is! So, with that being said, this program is the ultimate "**NO BRAINER**" because you can create **MULTIPLE PASSIVE CASH INCOME STREAMS**. So, what are you waiting for??

Join us TODAY, and let's all get wealthier together!

How to Be Your Own Private Investigator

PI's Tips and Techniques You Can Use

Private investigators (PIs) have long been portrayed as shadowy operatives wielding high-tech gadgets and “secret” techniques. In reality, most of their work hinges on disciplined observation, clever use of publicly available information, and strict adherence to the law. This report demystifies the most common investigative tools, explains how they can be replicated safely by anyone, and highlights the legal boundaries you must respect. By the end, you will understand how to conduct a **covert, ethical, and fully lawful** inquiry into matters such as a suspicious spouse, a potential fraud, or a missing person.

Our comprehensive 6 page report delves into the “secret” techniques used by Private Investigators. Many of their methods can be copied and used by anyone. This report will guide you in doing just that.

You will be shown how to set up an investigation, how to find and use publicly available resources, and how to gather information. And most importantly, you will be shown how to do this legally.

This professionally prepared report is crammed with clear, concise information that you can use in everyday situations.

You will also be guided as to when you might need to hire a professionally licensed private investigator.

As a Special Bonus, you will also receive three sources of **Free** study courses and videos to further your learning about this exciting subject.

To obtain this informative report by first class mail, simply send \$6 cash + 3 first class stamps to the address below. Your report will be sent to you by First Class Mail.

Stick With It!

In this life, most people fail at most things, because they don't stick with it! People fail at diets, entrepreneurial plans, New Year's resolutions, relationships, and many other things, because they don't stick with it! Even in this exciting business of mail order, and making money from home... most people fail because they choose what looks like a great and worthwhile program, however, they don't stick with it! How many times have you received a flier from someone and then a month or two later, you receive another mailing from them with a *totally different* program? You perhaps remembered their name because you liked the sound of it, or they live in a city you always wanted to visit, or perhaps their town has a unique name, or maybe you recognize them as a "heavy hitter" in this business. Whatever the reason, you know they've sent you a different flier a month ago, or even a week ago. Why are they sending you a new flier? It is because they already gave up on the last program. They did not stick with it! We have always heard it said, since our childhood, "Quitters never win, and winners never quit!" The winners win because they stick with it! Whatever it is!

Here is a fabulous program, and if you do **stick with it**, you shall finally succeed at earning more cash in your mailbox than you ever dreamed possible! When you get your camera ready copy, don't burn up your computer printer and ink supply, and don't pay ten cents a copy. Go somewhere and get 1,000 or 2,000 or 5,000 copies made! Naturally, you cannot afford to mail that many *all at once*, but every week you can mail out 20 or 50 or 100. If you and everyone else would keep mailing until they've received 10 responses while they are in the bottom position, then look what happens:

You would have \$200 coming to you while in the bottom position, \$2,000 while you're fourth on the list, \$20,000 when you reach the third position, two hundred thousand when you are second on the list, and third grade math will help you figure out the top figure when you reach the first position! BUT, *this can only happen* if YOU stick with it and the other people you bring in also stick with it and so on! Aesop taught us that "slow and steady wins the race." The slow tortoise won the race because he knew to stick with it! We all know people who started a diet, and did not lose the weight they desired to lose, because they did not stick with it! So many things in life could be better for people, if only they would learn to stick with it! So, as successful as this program has already become, please only join if you'll plan to stick with it! We don't want quitters, we only want winners! Even if you've never won before with mail order or any other work from home opportunity, you can win with THIS if you **STICK WITH IT!**

To join: You simply make six copies of this flier, and you send a copy and a twenty dollar bill to each of the six folks listed. One is a *monitor* who keeps the program running smoothly. They also send you a camera ready copy of this flier with your name and address in the fifth position. Then you make a bunch of copies, and start mailing them out, and here's the big, important ingredient; **stick with it!** Many mail order programs are found to be flawed because they seem like nothing more than a chain letter or "money game." This is neither, because for your \$120 you will soon receive 120 names and addresses of "opportunity seekers" on peel and stick labels (the product- a mailing list!) and several of these participants will also send you other useful information about various ways to make money from the comfort of your home. Those opportunities will also work if you **stick with it!**

SAVE \$50
EACH WEEK

CHECKLIST

Saving money is a key component of financial security and prosperity. Having an emergency fund and preparing for retirement are important. Having some money to pass to your children or buy a new car can provide you with a sense of accomplishment. And wouldn't you love to be able to pay cash for a well-deserved vacation?

Luckily, all these things are possible with some savvy savings habits!

Follow this easy checklist and save at least \$50 each week...

✓ KEEP YOUR CASH.

Each time you break a bill, stow away the leftover cash. Use a change jar and put all your leftover change in it each evening. Then, deposit your savings each week.

✓ TAKE ADVANTAGE OF AUTOMATIC DEPOSITS.

Set up weekly automatic deposits from your paycheck or checking account into your savings account. To get started with this habit, choose a small amount, such as \$20, that you'll never miss if you don't see it. Your savings will grow automatically!

✓ WALK OR BIKE TO WORK.

If you're only a short ride from work, you can save money on gas and car maintenance by simply riding a bike or walking.

✓ BUY GENERIC.

We all love the name brand cereals and cookies but switching to generic brands will save you a wealth of money in the long run.

✓ SAVE MORE AT THE STORE.

Plan your weekly menu around your grocery store's sales for each week.

✓ NEVER PAY FULL PRICE.

Buy items only when they're on sale or if you can get a discount. Buy in bulk and split the cost with friends.

✓ WORK OUT AT HOME.

By exercising at home instead of going to the gym, you can save at least \$10-20 a week on gym memberships.

✓ CUT THE CABLE.

With the high cost of cable TV, you could save \$15 per week (or more) by using a digital antenna, alternative sources of TV channels online, or with devices like those available from ROKU or Amazon.

✓ KICK THE HABIT.

Whether it's smoking, going for a drink after work, grabbing a cup of coffee in the morning, or getting fast-food for supper, cutting down on some weekly spending habits will leave your bank account in a happy place.

Which spending habits will you cut down on? List them here and make a weekly plan:

☐ *Example: Fast Food – pick up fast food only once.*

☐ _____

☐ _____

☐ _____

Use this checklist each week and watch your savings grow!

How To Beat the Summer Sales Slump In A Home Based Mail Order Business

Edited By: Mike Baker

For many home-based mail order businesses, the summer months can bring a noticeable dip in sales. As customers head off on vacations, shift their focus to outdoor activities, and generally spend less time browsing online or checking their mailboxes, the once steady stream of orders can slow to a trickle. However, rather than viewing summer as a season of unavoidable decline, it can be an opportune time to strategically reposition your business and even capitalize on unique seasonal demands.

Understanding why the slump occurs is the first step. People are often in a different mindset during summer. Their disposable income might be diverted to travel or leisure, and their attention spans are shorter. But this doesn't mean your business has to go into hibernation. With proactive planning, you can transform these slower months into a period of growth, preparation, and renewed customer engagement.

Here are actionable strategies to help your home-based mail order business thrive, not just survive, the summer sales slump:

- **Offer Summer-Specific Promotions and Bundles:** Offer limited-time discounts or free shipping for orders over a certain amount. A limited time sale can also create urgency.
- **Introduce Seasonal Products:** If applicable to your niche, consider temporary product lines that align with summer activities or moods.
- **Ramp Up Content Marketing:** While direct sales might dip, content consumption doesn't necessarily stop. Use this time to create valuable blog posts, social media content, or email newsletters that engage your audience without being overtly salesy. Share tips, tutorials, or behind-

the-scenes glimpses that relate to summer. This keeps your brand top-of-mind and builds loyalty.

•**Focus on Customer Nurturing and Engagement:** Summer can be an excellent time to reconnect with past customers. Send out a personalized email asking for feedback, run a fun summer-themed contest on social media, or offer an exclusive "thank you" discount to your most loyal patrons. Building relationships now pays dividends later.

•**Optimize Your Operations:** Use the reduced order volume to your advantage. Review your inventory, update product descriptions, improve your website's user experience, or even research new suppliers. This downtime is perfect for tackling administrative tasks that get neglected during peak seasons, ensuring you're ready for the autumn rush.

•**Plan and Prepare for Peak Seasons:** Don't wait until September to think about holiday sales. It's a good time to plan your advertising campaign for the busy season and the upcoming holiday season. Order inventory, design new marketing materials, and map out your promotional calendar well in advance.

By implementing these strategies, your home-based mail order business can not only mitigate the traditional summer slump but also lay a stronger foundation for future success. View summer not as a challenge, but as an opportunity to innovate, connect, and prepare.
