ALL SIRES IN THIS DIRECTORY ARE AVAILABLE EXCLUSIVELY THROUGH SELECT SIRES

www.showboxsires.com | PO Box 619, Enosburg Falls, VT 05450 | info@showboxsires.com | tim@abbottcows.com | duckettholsteins@gmail.com

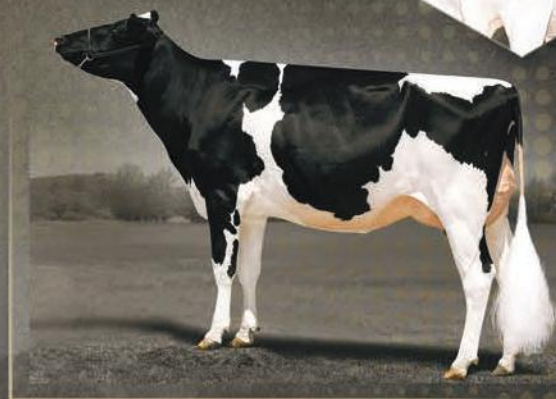

Showbox Sires® was introduced to the market by passionate Holstein breeders Mike and Julie Duckett and Tim and Sharyn Abbott in 2023. As a team, they have exhibited seven grand champion Holsteins at World Dairy Expo and bred and developed cattle that have claimed worldwide success. Today, the two couples operate many ventures. The Ducketts manage the daily operations at Duckett Holsteins, home of the Showbox females, bull mothers and globally recognized cows. They also own Genetic Futures, a large recipient operation. The Abbotts own Borderview Genetics, which focuses on high-type cattle and the Dairy Sales Alliance, a company that manages several top-end female sales each year.

The concept of Showbox Sires is simple: leverage modern tools to create sires that breed the elegantly styled cows that breeders admire while capturing elements of production and health. Sire stacks, cow family performance, genomic data, scores, production records and show winnings are all considered when selecting sires for our high-end offering. Marketing sires that include household cow names in their pedigree and combine phenotype with genotype is our goal. We value strength versus stature and strive to breed better cattle by focusing on creating cows that have it all: show ring and barn appeal, solid production, positive reproduction, udder health and longevity.

Our offering has grown in size and diversity over the past year. The lineup is being used in all corners of the world and customers are raving about the calves created with our early sires. We hope you will take the time to look through our directory and identify sires that meet your needs. More information is available on our website and unique listening opportunities are available through our podcast, Showbox Talk, where we interview the breeders of our high-class sires. We look forward to helping you meet your goals!

DAX-RED

HAVEITALL HEATWV DAX-RED-ET

Heatwave-Red x Ranger-Red x DOC

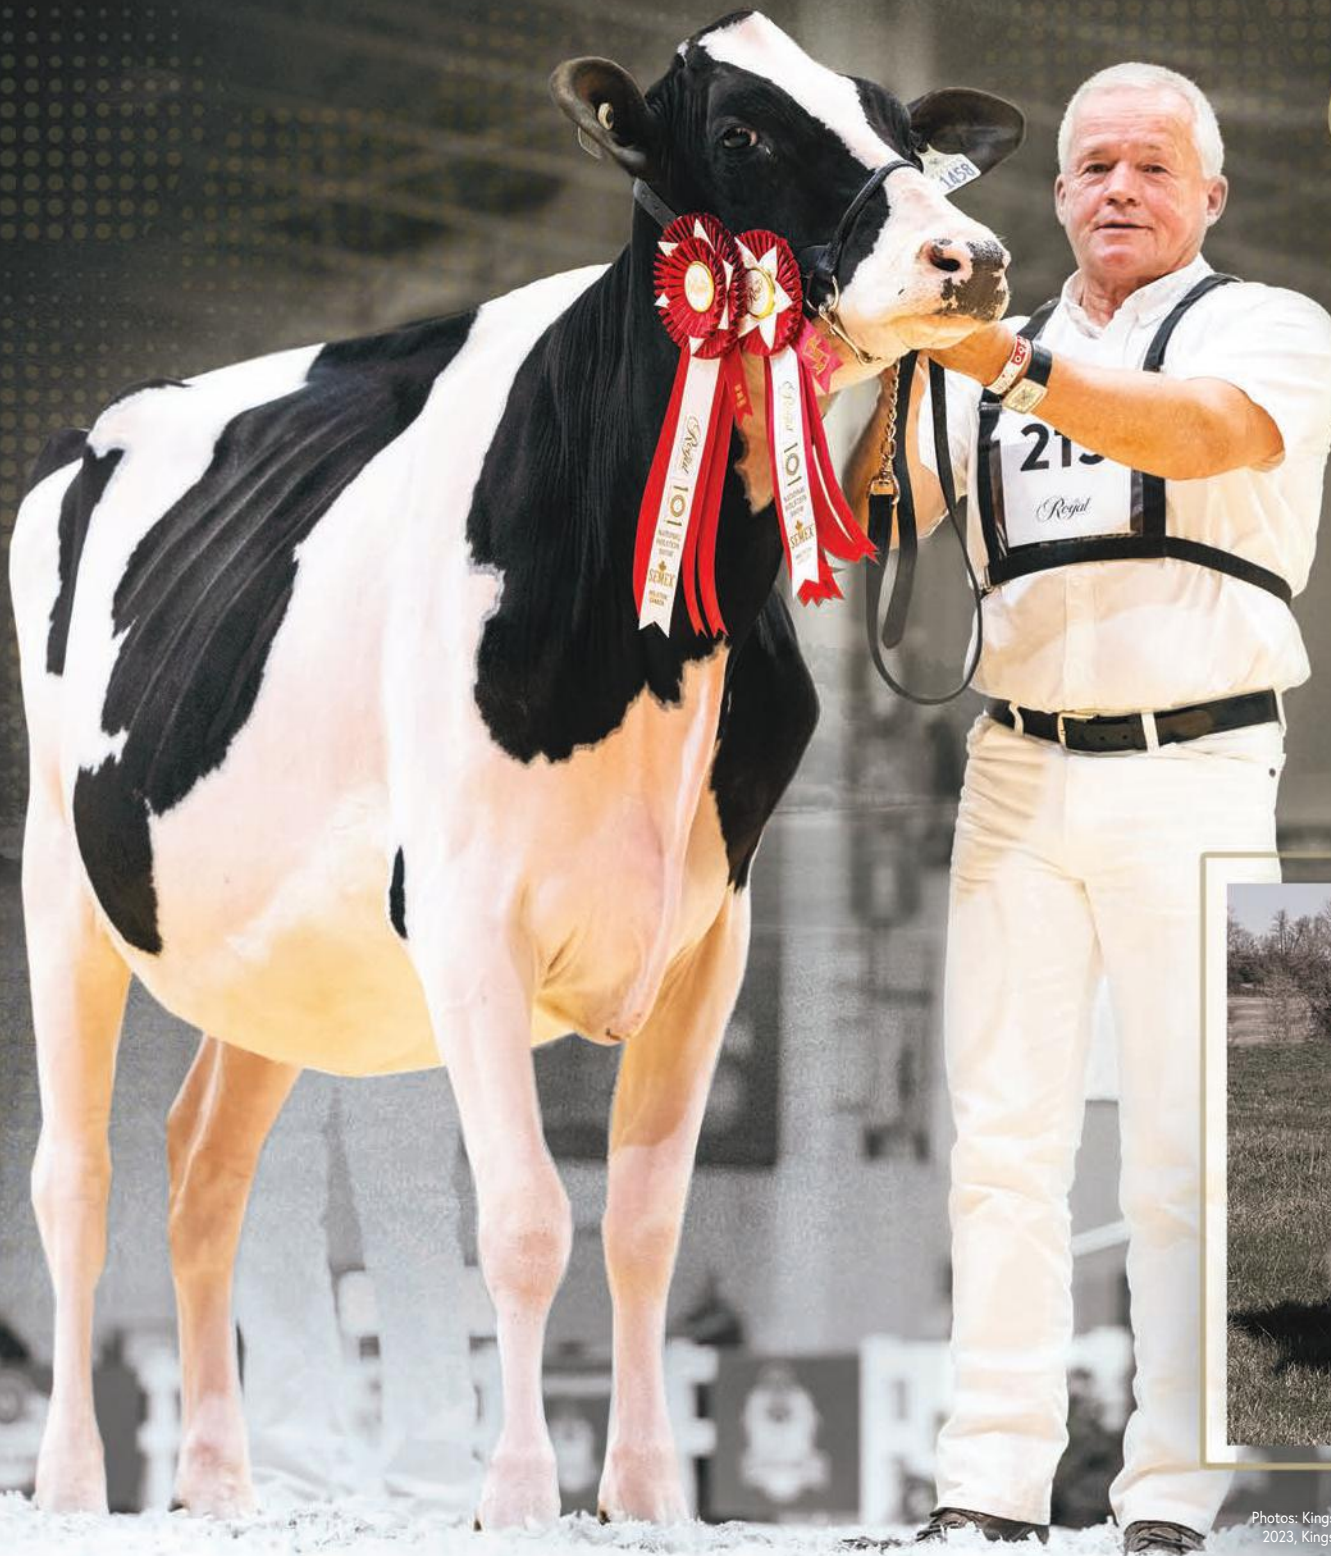

DAX-RED comes from one of Doc 8784's best daughters, Duckett Ranger 1133-ET (VG-89-EX-MS). 1133 is a beautiful young cow that offers a unique spin on the Have Not line as a Red Carrier. We mated her to the popular sire Heatwave-Red to create the first Red & White member of this impressive family line! DAX-RED will complement many of the current Red & White bloodlines and offers index, type and production. We are using him in the Showbox Sires program as a mating sire.

Use on daughters of: Rompen-Red, Warrior-Red, Acetylene-Red, Hulu-RC, Alpha-RC, Delta-Lambda and Alligator

L-R: S-S-I Doc Have Not 8784-ET (EX-96-EX-MS-DOM), grandam of DAX-RED, Herges photo; Duckett Ranger 1133-ET (VG-89-EX-MS), dam of DAX-RED, Herges photos right image reversed; DAX-RED, Thomas photo (reversed).

Caught a Vibe

The making of VENMO began when Kingsway Farms purchased his grandam, Ladyrose Caught Your Eye-ET (EX-95-EX-MS) at the Duckett Holsteins Summer Selections Sale in 2021. Caught Your Eye had already established herself as an elite bull mother creating two sons, including 7HO16104 EYE CANDY. The group flushed her to Alligator to create Kingsway Caught A Vibe (VG-87-VG-MS). She was quickly identified as a future brood cow for the Kingsway herd and the group's top heifer for the 2022 and 2023 show seasons. In 2023, Caught A Vibe claimed junior champion honors at World Dairy Expo. She was then flushed to Delta-Lambda to create VENMO, along with multiple full sisters who have followed her winning traditions, claiming third, seventh and eighth place finishes in the winter calf class at the 2024 Royal Winter Agricultural Fair, proving her impressive transmitting abilities.

VENMO

KINGSWAY VENMO-ET

Delta-Lambda x Alligator x Unix

VENMO was carefully crafted by the master breeders of Kingsway Farms and Velthuis Farms. His fantastic pedigree is paved by a long-standing maternal line of cows that have achieved success on international shavings. His dam, Kingsway Caught A Vibe, was junior champion at the International Holstein Show, 2023, and recently achieved a max score of Very Good (87) as a two-year-old. His grandam is the three-time All-American, Ladyrose Caught Your Eye-ET (EX-95-EX-MS). Extending further back in his pedigree are champions Stookey Elm Park Blackrose (EX-96-3E-EX-MS-GMD-DOM) and Rosedale Lexington-ET (EX-95-EX-MS). Pave your way to excellence with VENMO!

JINX

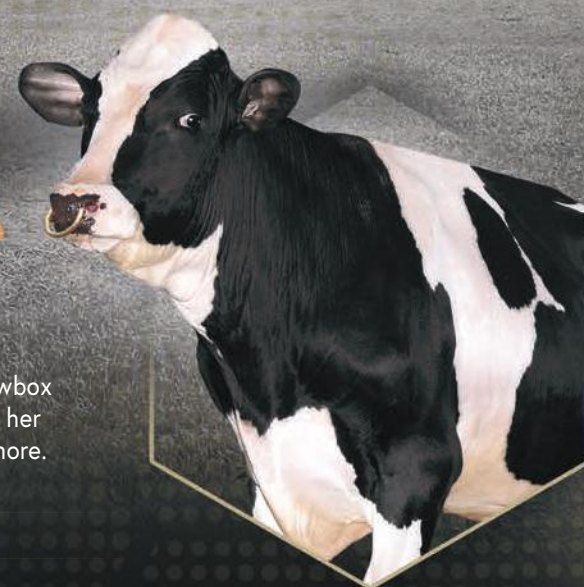

744HO17423

MR DUCKETT LAMBDA JINX-ET

Delta-Lambda x DOC x G W ATWOOD

*Jubie
16*

JINX's dam, Peace&Plenty Doc Jubie16-ET (EX-95-2E-EX-MS), is one of the most popular cows in the Showbox Sires show string and is transmitting very well. She will be in our pack at the 2025 fall shows, along with her exciting Sidekick sister, Peace&Plenty Sik Jubie36-ET (EX-94-EX-MS). JINX has milk, type, pedigree and more. He should sire winning calves that develop into great cows!

Chardonnay

744HO17936

COBRA

DUCKETT ANAHITA COBRA-ET

Anahita x Sidekick x Goldwyn

We have always admired the Regancrest Durham Barbie (EX-92-EX-MS-GMD-DOM) maternal line and are excited to launch this family in our program through COBRA! He is one of the breed's highest conformation sires in Canada and offers an impressive linear profile. His Sidekick dam, Willswikk Sdk Chardonnay (EX-94-EX-MS), has been a staple of the Duckett show string. Show attendees stop by to admire her fantastic udder and stunning frame. Chardonnay completes nine generations of Excellent cows.

Use on daughters of: Delta-Lambda, A2P2-PP, Luster-P, Master and Avenger

L-R: Willswikk Sdk Chardonnay-ET (EX-94-EX-MS), dam of COBRA, honorable mention grand champion and first place five-year-old, Midwest Spring National, 2024, Herges photo; Regancrest-PR Barbie-ET (EX-92-EX-MS-GMD-DOM), fifth dam of COBRA, Herges photo; COBRA, Thomas photo (reversed).

Doc 8784

744HO16956

HENDRIX

DUCKETT TATOO HENDRIX-ET

TATOO x DOC x JEDI

HENDRIX is the result of using high-Type sire 7HO13839 TATOO on S-S-I Doc Have Not 8784-ET (EX-96-EX-MS-DOM). TATOO's style pairs well with Doc 8784's power and both sides of the pedigree deliver on udder quality. HENDRIX has two full sisters that will be high-scoring cows down the road.

Use on daughters of: Delta-Lambda, Master, Alligator, Unix and Sidekick

744HO17072

HERITAGE-P-RC

DUCKETT MAX HERITAGE-P-ET

Max-PP x DOC x JEDI

Breeder's are raving about their HERITAGE-P-RC calves. We intended for him to be an outcross option for Red bloodlines and create show ring type, and he is doing just that. His high milk yield and flawless linear pattern make him a great cross for many of today's Red cow families. We believe this sire can change the Red & White show business.

Use on daughters of: Unstopabull-Red, Rompen-Red, Rager-Red, Rubels-Red, Diamondback-RC, Showtime-RC, Hulu-RC and Alpha-RC; Add Red and Polled genes to Delta-Lambda and Alligator bloodlines

L-R: S-S-I Doc Have Not 8784-ET (EX-96-EX-MS-DOM), dam of HENDRIX and HERITAGE-P-RC, Fisher photo; T-B: HENDRIX and HERITAGE-P-RC, Thomas photos (reversed).

THE *Legacy*

OF S-S-I DOC HAVE NOT 8784-ET
(EX-96-EX-MS-DOM)

"Doc 8784" became a household name when she sold for a record-breaking \$1.925M in 2022. As an exemplary brood cow, her sons continue her legacy. Sired by bulls that complement and build upon Doc's strong genetic base, these sons will help you create cattle that succeed in the show ring and in the barn.

744HO17425

HELLION

HAVEITALL DROPBX HELLION-ET

Dropbox x DOC x JEDI

We have long admired Kings-Ransom Casp Daze-ET (EX-95-2E-EX-MS). She is one of the greatest uddered cows we have seen in recent years and recently scored Excellent (95). Proving her transmitting ability, daughters of her son Dropbox are calving in with great udders and display stylish frames. We wanted to cross Daze's genetics on Doc 8784 because the two cows complement each other perfectly. How many sires can you list that have Excellent (96) and (95) dams as their two closest dams? HELLION will meet your needs as an elite type sire with huge milk, high GTP[®] and a perfect linear profile.

Use on daughters of: Delta-Lambda, Parfect, Renegade, Taos, Pazzle, and Lionel

744HO17702

IMAGE

HAVEITALL SIDEKCK IMAGE-ET

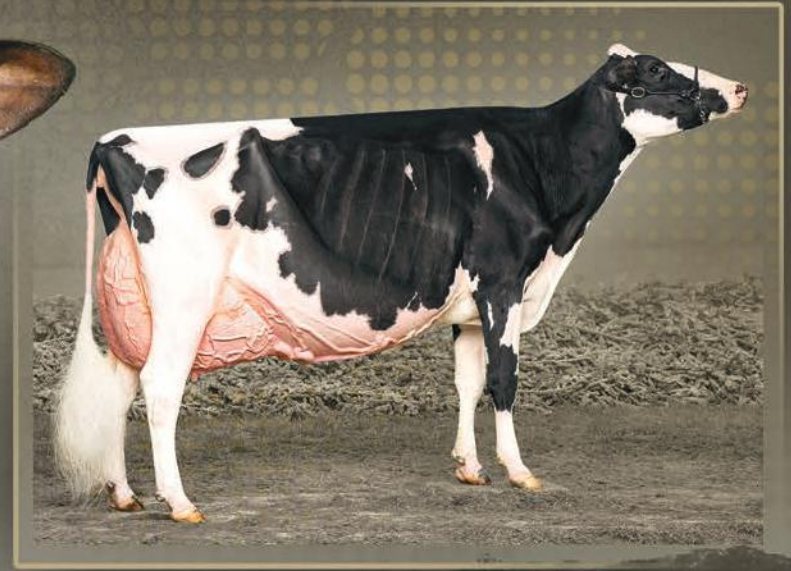

Sidekick x DOC x JEDI

One of our dream matings for Doc 8784 was Sidekick. We thought if we could pair his high type with her outstanding production we'd have a world class sire. Well, we did it! IMAGE is a unique son of Sidekick as he offers great production traits but still has the great type pattern you would expect from using him on an Excellent (96) cow. We named him IMAGE because he is the perfect reflection of his iconic sire and his globally recognized dam. He is being used on some of the world's best cows.

Use on daughters of: Alligator, Delta-Lambda, Master, Luster-P, Hancock, Hulu-RC and Dropbox

Footloose

744HO18071

FANWELL-RC

MR HULU FANWELL-ET

HULU-RC x Solomon x BRAXTON

Red & White breeders have persistently asked us to create a sire from the two-time world champion, Oakfield Solom Footloose-ET (EX-97-2E-EX-MS). Well, he's here! FANWELL-RC is a high-type 250HO16498 HULU-RC son from the queen of the Showbox program. He should combine the extreme style of HULU daughters with the incredible power of Footloose and the udder potential is fantastic. The cherry on top will be making them Red!

Use on daughters of: Altitude-Red, Unstopabull-Red, Rompen-Red and Acetylene-Red

L-R: Oakfield Solom Footloose-ET (EX-97-2E-EX-MS), dam of FANWELL-RC and FLASH, Herges and Fisher photos.

744HO17043

FLASH

MR TATOO FLASH-ET

TATOO x Solomon x BRAXTON

FLASH combines two of our favorite maternal lines: Vangoh Durham Treasure (EX-96-3E-EX-98-MS) and Oakfield Solom Footloose-ET (EX-97-2E-EX-98-MS). His max-scored full sister, Miss Tatoo Fern-ET (VG-89) was All-American and All-Canadian milking yearling in 2024, while other sisters won national spring shows. FLASH's calves follow his family's pattern; they are long, angular and sport loads of style.

Use on daughters of: Delta-Lambda, Sidekick, Unix, Master, Major, Avenger and Doc bloodlines

MIRACULOUS-RED

MAPLES MIRACULOUS-RED-ET

Alpha-RC x Unstopabull-Red x ARMANI-RC

As the first Red & White cow to win banners in the black and white show at World Dairy Expo and The Royal Winter Agricultural Fair in decades, Blondin Rd Unstopabull Maple-Red (EX-94-EX-MS) was one of the most talked about young cows of all time. While Maple passed away unexpectedly in 2022, we have a small number of offspring out of her that are exceptional. Her daughters were junior champion and reserve junior champion at the Mid-East Summer National Red & White Show, 2024, and several of her daughters have scored Very Good just fresh. Alpha-RC is one of the most popular sires in the business and is a great cross on Maple.

Use on daughters of: Warrior-Red, Altitude-Red, Diamondback-RC, Showtime-RC and Rompen-Red

ASHER-RED

HILROSE ALTUDE ASHER-RED-ET

Altitude-Red x ADVENT-RED x Rubens-RC

Use on daughters of: Warrior-Red, Unstopabull-Red, Showtime-RC, Rompen-Red and Acetylene-Red

Hilrose Advent Anna-Red-ET is the great Excellent (95-4E-GMD) cow that put Hilrose Holsteins on the map. Anna brings the term brood cow to life as the dam of dozens of All-American nominees, many of whom are full sisters to ASHER-RED. At an impressive 13 years of age when ASHER-RED was born, she continues to drive profitability in their herd with a lifetime record greater than 360,000 pounds of milk, 17,000 pounds of fat and 12,000 pounds of protein. She continues to create high-value embryos today. We are thrilled to offer a son from this iconic tenth generation Excellent cow.

744HO17076

ACETYLENE-RED

LUCK-E ACETYLENE-RED-ET

ROMPEN-RED x DOC x McGucci-RC

Heifers sired by ACETYLENE-RED have been the talk of the town due to their eye-catching style. You will see many at shows around the world this fall and his earliest daughters will begin calving in late 2025. While semen is in limited supply, we're excited to add sons of ACETYLENE-RED from some of our favorite maternal lines to the Showbox lineup in 2026!

Use on daughters of: Altitude-Red, Warrior-Red, Unstopabull-Red, Diamondback-RC, Showtime-RC, Avalanche-RC and Apple bloodlines

L-R: ACETYLENE-RED, Thomas photo; Luck-E Rompn Azawuta-Red-ET (EX-92-EX-MS), full sister to ACETYLENE-RED, Herges photo; Story-Brook Ace Razzle-Red, junior champion Red & White, junior champion Holstein and first place spring calf, Central PA Holstein Championship Show, 2025, Phillip McCormick, PA, Cowsmo photo.

744HO17421

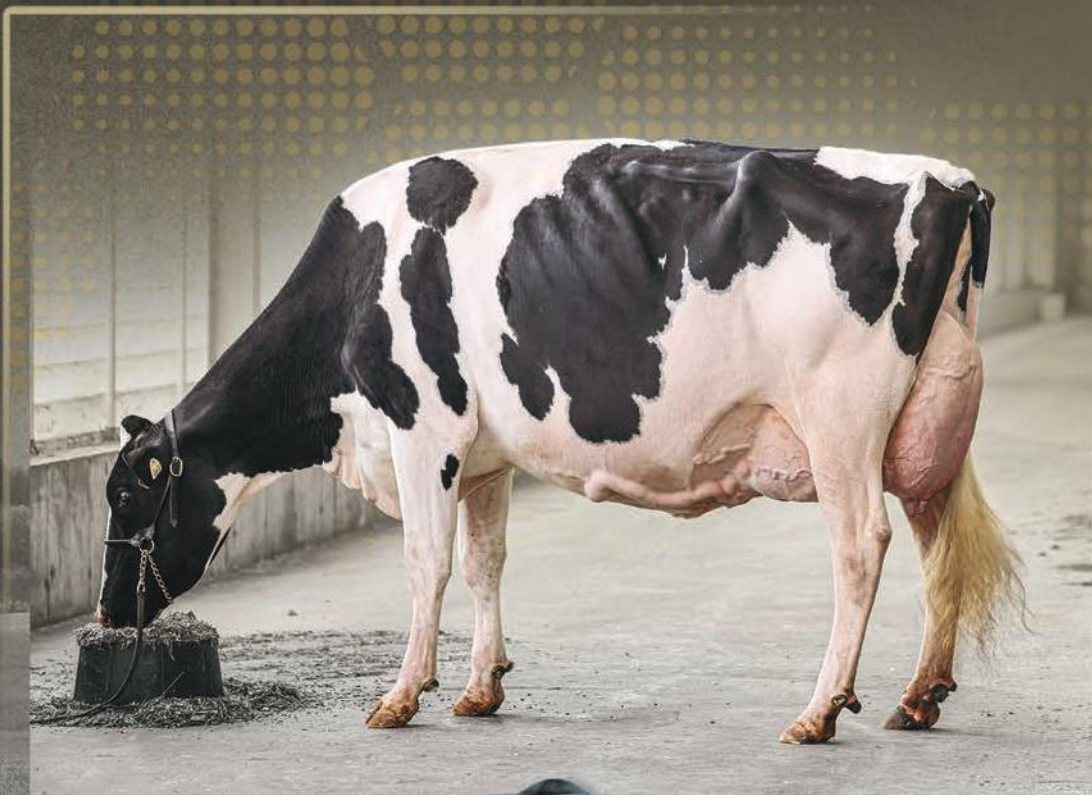

LACTEUR

COMESTAR LACTEUR-ET

Bullseye x TROPIC x Unix

We jumped at the chance to add a sire from the master breeders at Comestar to our program and we are thrilled to offer this early Bullseye son. LACTEUR's pedigree is filled with influential Canadian cows and traces back to the impressive matriarch Comestar Laurie Sheik (VG-88-EX-MS). His third dam, Comestar Lamadona Doorman (EX-94-2E-EX-MS), was the Canadian Cow of the Year in 2022. Once you add Unix and 250HO14605 TROPIC to the pedigree, you've created the ultimate wish list sire. His dam, Comestar Latasha Tropic (EX-93-EX-MS), is a dairyman's dream and has classification points ahead of her.

Use on daughters of: Hanans, A2P2-PP, Hancock, Hulu-RC, Parfect and Doc bloodlines

KINGME-P

CARTERS-CORNER KINGME-P-ET

Lustrous PP x Noble x Delta

We believe KINGME-P may be one of the most complete sires in our lineup due to his ability to combine high-interest traits and an outcross pedigree into one package. He's high type, offers elite sire fertility and production and is A2A2. We're excited to offer this easy-to-use sire in our lineup. Take a look at the cows in his pedigree. We're sure you'd love to milk a herd of cattle just like them!

Use on daughters of: Delta-Lambda, Doc and Avalanche-RC

HAZARD-PP is sired by one of our favorite mating sires, 7HO14160 LUSTER-P. We've admired him as an elite type transmitter and great pairing for many of today's popular type lines. When paired with the national show winner, Vogue Mirand Hanalei-P (EX-93-EX-MS), a stylish homozygous Polled sire was created. We're excited to offer HAZARD-PP as a unique A2A2 option for the breed.

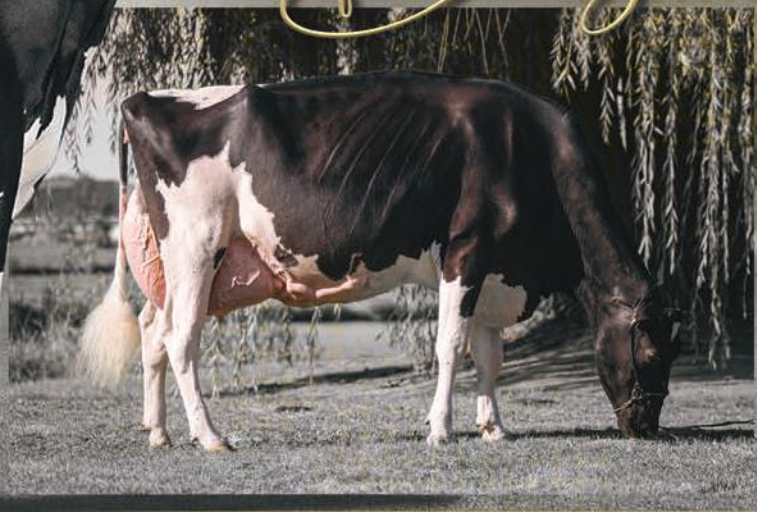

Use on daughters of: Delta-Lambda, Doc, Alligator, Pazzle and Parfect

DONATELO

744HO17933
KINGS-RANSOM DONATELO-ET
Alligator x CASPER x Delta

Daze

The "D" family at Kings-Ransom has bred tremendous cattle for the past three decades. The cows produced by this family thrive in modern environments and can compete at national shows. This family was the anchor to their recent senior best three All-American group. DONATELO's dam, Kings-Ransom Casp Daze-ET (EX-95-2E-EX-MS), is one of the best uddered cows you will see in your lifetime. We love the addition of Alligator to this family to build greater power and wide, correct rumps. We're excited to see what DONATELO will do for your herd and ours!

Use on daughters of: Delta-Lambda, Unix, Sidekick and sires from the "H" family

744HO17931

SLUGGER

KINGS-RANSOM HULU SLUGGER

HULU-RC x Delta-Lambda x Avalanche-RC

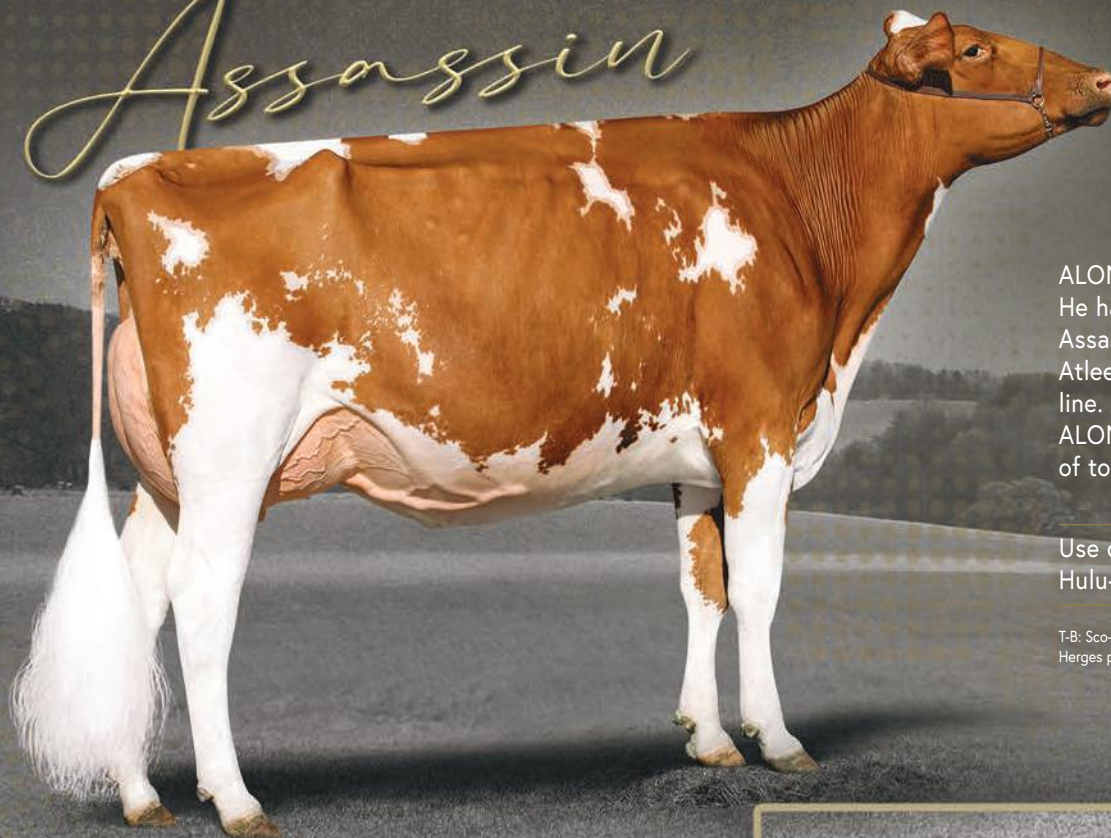

SLUGGER is one of the first bulls in A.I. that traces back to the great "S" family at Ferme Peticlerc in Quebec. Dozens of All-American and All-Canadian cows have come from this maternal line. SLUGGER is one of the only sires in the business to offer a pedigree with a dam, grandam and third dam all nominated All-American. This impressive sire offers show ring type and adds in positive milk and great daughter fertility traits.

Use on daughters of: Master, Avenger, Alligator, Dropbox and Sidekick

COMING SOON

Assassin

744HO18070

ALONZO-RED

MR HASTORIC ALONZO-RED-ET

Hastoric-Red x Dice-Red x Daniel

ALONZO-RED is an exciting outcross sire for the Red show world. He hails from the All-American Dice-Red daughter, Sco-Lo Dice Assassin-Red-ET (VG-89-EX-MS). Assassin is a member of the Atlee family, Aftershock and 7HO10506 G W ATWOOD's maternal line. As one of the most extreme type sires in the Red business, ALONZO-RED offers moderate stature and will pair well with many of today's popular show ring sires. He will be available in 2026.

Use on daughters of: Warrior-Red, Altitude-Red, Hulu-RC, Acetylene-Red and Apple bloodlines

REASON-RC

TRENT-WAY REASON-ET-RC

BLAKELY x PERFECT x SIMPLICITY-P-RC

We're thrilled to offer a unique son from one of the most talked about cows at Trent-Way Holsteins, Trent-Way Reesure-ET (EX-92-EX-MS). She is an excellent source for new blood within the Red & White breed as she is sired by 7HO15085 PERFECT. She was paired with 250HO16290 BLAKELY to create REASON-RC, an incredibly balanced sire that offers positive milk, huge fat, low somatic cell count and great daughter fertility. He is just what the Red business needs and will be available in 2026!

Use on daughters of: Unstopabull-Red, Altitude-Red, Warrior-Red, Alligator, Delta-Lambda, Hulu-RC and other "H" family sires
