

## **CBCS Course offered under Communicative English**

### **Public Speaking as Story-Telling (30 hours, 2 credits)**

#### **Course Description**

The course will offer practical exercises in public speaking with a focus on story-telling. A short module in phonetics and speech-training will also be offered as part of the course. Scripting for such occasions will also be examined through practical exercises. Dramatised Reading, JAM, Extempore, Improv and Slam Poetry exercises will also be held.

#### **Assessment**

Students will be assessed on the basis of their performance in these speaking tasks. There will also be a formal written assessment to test their knowledge of concepts taught in Linguistics and Phonetics across the course.
