Chancellor's Award of Distinction

The Chancellor's Award of Distinction acknowledges the University of California, Irvine's most outstanding graduating seniors. Awarded by the UC Irvine Alumni Association, these students represent exceptional academic achievement, and a commitment to cutting-edge research, leadership and service to UCI. Selected by a committee of alumni, recipients can be identified by the blue and gold shoulder cord worn with their commencement regalia.

Message from the Chancellor

Dear Class of 2024:

Congratulations on reaching this very special milestone in your life. Today, as we celebrate the University of California, Irvine's 62nd commencement, enjoy the pride, nostalgia, and excitement of the moment. As you participate in these time-honored graduation rites, I encourage you to remember that you did not achieve this success alone or in a vacuum. Please take the time to thank the family, friends, and mentors who have supported and shepherded you through this journey.

All of us are extremely proud of your accomplishments and the contributions you have made to UCI and our community. I am even more excited, though, by what lies ahead for you, as you enter the world enabled, empowered, and inspired to succeed in whatever endeavors you choose to pursue.

Today, as you join the proud alumni of UCI, you become part of a family of graduates who are leaders, innovators, and teachers who make a difference in our global community. Please come back and visit us, update us with news on your careers, and stay in touch through the Alumni Association. Wherever the future leads you, you will always be remembered at UCI.

Fiat Lux,

Howard Gillman
Chancellor

Message from the Vice Chancellor, Student Affairs

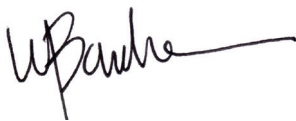

Dear Class of 2024 Graduates:

On behalf of the Division of Student Affairs, I would like to congratulate you and your family on this amazing accomplishment.

You are now a UCI graduate and now join the ranks of over 227,000 alumni from across the world. You should be proud of all that you have accomplished during your time at UCI. My sincere hope is that you have taken the past years to learn more about yourself, your community, and your academic major. College is truly a transformative time in one's life and I am sure you have taken everything you have learned during your collegiate time to transform not only yourself, but also the world.

As you close this chapter in your life, take some time and thank your family and friends for their support. Your graduation from UCI is a reflection of their love and support for you through this time. Make sure to take time and savor this moment. I hope that you will remember your college days fondly, and I hope you will tell the story of UCI and how your life was changed from being here. You are an Anteater for life and we could not be more proud to have you as one of our proud alumni.

Zot, Zot, Zot!

Willie L. Banks Jr., Ph.D.

Vice Chancellor, Student Affairs

Claire Trevor School of the Arts

Dear Graduating Artists of June 2024,

Congratulations! We are elated and immensely proud of your journey at the Claire Trevor School of the Arts and UCI. You graduate from the only named school of the arts within the University of California system, a testament to the high caliber of education and experience you have received. As dreamers and doers, you now launch into a bold future as creative leaders and esteemed ARTeater alumni.

This is a pivotal cultural moment that needs artists and creative leaders more than ever before. As artists, you understand the power of inspiration – its role in creating impactful work and moving others. Your artistry, in combination with your vision and voice, position you as catalysts for change. Throughout this year, we witnessed the stakes around the principles of free speech. As artists, you bring powerful tools for exploring and defending the values of open expression and civil discourse. Your work as artists exemplifies the transformative power of these values and highlights their importance in fostering the promise of democracy. The future is yours to shape.

Complex challenges require multifaceted teams of thinkers to inspire and innovate. Your artistry has the power to reshape perspectives and open pathways. As you step into this next chapter, know that your unique ability to collaborate and inspire will be invaluable across diverse fields.

As graduates of the Claire Trevor School of the Arts, you have learned that the process of creating is as significant as the work itself. You are citizen artists and impact partners. I, along with your professors and CTSA staff, are honored to have shared in your achievements and to have been inspired by the boldness and vision of your work. Your contributions have significantly enhanced the excellence of our school. We eagerly anticipate staying connected and witnessing your continued journey as you join our alumni family, inspiring future artists who will follow the paths you have forged.

Please keep in touch with the circle of friends and colleagues you have made here. Share your accomplishments and journeys with your professors and departments. Remember, more than half of the careers in your future will be ones you expand and invent! We are excited to see how you will build on your experiences, contributing your artistic talents to a broader range of fields, both within the creative economy and beyond.

Heartfelt congratulations and best wishes as you embark on your bright future!

Warmest regards,

Tiffany Ana López, Ph.D.

Claire Trevor Dean of the Arts
Professor of Drama

About Claire Trevor

While millions knew Claire Trevor (1910-2000) as one of America's most distinguished actors, those closer to her knew her as a person deeply devoted to her family, as well as a passionate advocate for the arts and arts education. The Claire Trevor School of the Arts at the University of California, Irvine is proud to be entrusted with Claire Trevor's legacy and honors her spirit by embracing the values she believed in and practiced throughout her life.

School of Biological Sciences

Dear Class of 2024,

Congratulations on your graduation from UC Irvine and the School of Biological Sciences. You completed one of the most rigorous undergraduate programs on the campus, which is difficult enough on its own, but you managed this with the additional challenge of a global pandemic. The hard work and determination you exhibited to get to this moment will serve you well in your future endeavors.

Today, your accomplishments at UCI BioSci are being lauded with celebration of your Commencement. From tomorrow onward, as one of our thousands of alumni, remember what you have learned here about science and technology, and apply it well in your pursuit of shaping a healthier, more prosperous world. You will find that UCI has helped to prepare you for your future, whatever opportunities and challenges it holds.

As you embark on the next phase of your life, I encourage you to reflect proudly on your time here and on the personal lessons of perseverance. UCI BioSci is embedded in your DNA, so I urge you to stay connected with us as your life's journey continues. That way we can continue to support you, celebrate your successes and provide you with the opportunity to inspire the generations of students who will follow in your footsteps through our halls.

Best wishes,

Frank M. LaFerla, PhD

Dr. Lionel and Fay Ng Dean and
Distinguished Professor
UCI School of Biological Sciences

The Paul Merage School of Business

Dear Class of 2024,

Congratulations on reaching this significant milestone in your academic journey! On behalf of the faculty and staff at the UCI Paul Merage School of Business, I am thrilled to express our heartfelt admiration for your dedication, perseverance, and resilience throughout your studies.

As graduates of the Merage School, you are exceptionally prepared to make a significant impact on the business world and society at large. Your commitment to excellence, combined with your understanding of how technology is shaping the present and future of business, uniquely positions you for success. We are proud of your achievements and confident in your future accomplishments.

The Merage School continues to be a pioneer in integrating digital transformation into business education. Drawing on the research insights of our world-class faculty, we have evolved our curriculum to incorporate virtual reality (VR), artificial intelligence (AI) and several other emerging technologies so that our students are prepared to lead in a rapidly evolving global market. We have also infused opportunities for students to engage with local business leaders and experience first-hand the entrepreneurial spirit that has shaped the Southern California business community.

Your contributions have significantly enriched our community, and we are eager to see how you will continue to excel and innovate. As you transition from students to alumni, remember that the Merage network is a powerful, supportive community. We look forward to your continued engagement and are excited to witness your growth as leaders who drive change.

Congratulations once again on your graduation, and we wish you the best in all your future endeavors.

Zot! Zot! Zot!

Ian O. Williamson

Dean

UCI Paul Merage School of Business

School of Education

To the School of Education Class of 2024,

It is a privilege to congratulate you on your successful commencement from the School of Education and the University of California, Irvine. By completing a Doctor of Philosophy in Education, Masters of Arts in Teaching, Bachelor of Arts in Education Sciences or CalTeach program, you are prepared to make a difference in the lives of others, and to be a positive force in formal and informal education and in the world.

The knowledge and skills you have acquired in your program will always be fundamental to building and preserving an educated citizenry. Today, you take a giant step toward becoming our society's next generation of thought, industry and community leaders. We are so proud of your commitment to completing your degree.

The classroom and life experiences you have gained while at the UCI School of Education will be invaluable as you contribute to outstanding research, policy, curriculum, pedagogy, and advocacy. We are grateful for your commitment to improving education for all, and look forward to seeing the positive impact you all create in California, the nation, and especially in your respective communities.

In the years ahead, you will be well served to remember the lessons from your studies at UCI. You have learned to recognize the role of persistence, resistance and resilience in overcoming challenges in both educational processes and in life. You understand that education is a lifelong journey that does not end upon graduation, but rather must continue to be nourished and cultivated in your daily lives. Great educators are strong learners. I am confident that you will continue to grow, change, and learn to meet the challenges of tomorrow.

Congratulations to you and to the families of all our graduates, and best wishes for great success in your future endeavors.

Frances Contreras, Ph.D.

Dean and Professor, School of Education University of California, Irvine

The Henry Samueli School of Engineering

Dear Samueli School of Engineering Class of 2024,

Congratulations on this important and impressive milestone! You have made it through to earn your degree from UCI's Samueli School of Engineering. We are very proud of you and have every confidence in your continued success because being an Anteater Engineer is to have the superpower to deal with complex situations, go after hard problems, and not shy away from the big questions we are facing together as a global society.

Your engineering class has not only had to cope with the rigors of the engineering program, but also manage unprecedented difficulties brought on by the pandemic. The completion of your engineering degree is a testament to your resilience and hard work. I have no doubt that your experience at UCI will provide you with the knowledge, skills and leadership that you will need to impact and benefit us all in countless ways.

As you move forward in your careers, I encourage you to do the following: maintain our values and dedication to excellence and lifelong learning, commit to truth and fairness, and remember to embrace diversity and individual differences. As the newest graduating class of the Samueli School, I hope you stay connected through our Engineering Alumni Society, as well as the UCI Alumni Association.

Congratulations on your well-deserved achievement. Be courageous, be strong, be awesome. And use your new superpower for good in the world!

Zot, Zot, Zot!

Magnus Egerstedt, Ph.D.

Stacey Nicholas Dean of Engineering
Samueli School of Engineering
University of California, Irvine

Susan and Henry Samueli College of Health Sciences

Congratulations, class of 2024!

You are our eighth graduating class from the Susan & Henry Samueli College of Health Sciences! You have the distinction of being part of unprecedented growth here at UC Irvine, among the first to occupy the new Susan & Henry Samueli College of Health Sciences building, the new Sue & Bill Gross School of Nursing and Health Sciences Hall, and the new home for the Susan Samueli Integrative Health Institute.

Our growth trajectory continues with the Falling Leaves Foundation Medical Innovation Building, one of the largest interdisciplinary research hubs on the West Coast. In addition, we are opening the new UCI Health - Irvine on the main university campus, which encompasses the Joe C. Wen & Family Center for Advanced Care, the Chao Family Comprehensive Cancer Center and Ambulatory Care building, and in 2025, an acute care hospital with 24/7 emergency services.

As you are undoubtedly aware, our mission at UCI Health Affairs is to break down disciplinary silos. Our very buildings are designed to foster collaboration across disciplines. As a 2024 graduate, go forth with this certainty: you graduate with the required education and skills to harness your passion, and the correct training — whether in medicine, nursing, pharmacy and pharmaceutical sciences, or public health — to work together to tackle some of the most intractable problems in the healthcare landscape.

Given that a worldwide pandemic shaped a good part of your educational journey, you also know better than most that life can present formidable challenges. Class of 2024, you have been tested and you have proven that you have the talent, competence and temperament to turn the most unexpected and challenging events into opportunities for growth.

Now, the gates are open! As you step forward, ask yourself what you want to improve in the world. Is your passion preventing public health emergencies? Fostering emotional support for patients or providers? Do you want to tackle health equity? Or develop new ways to prevent disease and support wellness? Approach the world with an open mind and what you want to achieve will happen — with patience, persistence and compassion. Of course, you will continue to grow and develop. Experience is one of the great advantages of aging.

We hope that as you grow and develop, you will visit often, and perhaps even choose to continue your own mission to discover, teach and heal here at UC Irvine.

Please know that we remain committed to helping you achieve your goals after you graduate. We measure our own success by your accomplishments and satisfaction in service. You will forever be a member of the Anteater family. Come back and share your experiences.

All the very best to you in this new and exciting phase of your life journey,

Steven A. N. Goldstein, MA, MD, PhD, FAAP

Vice Chancellor, Health Affairs

Sue & Bill Gross School of Nursing

Since the Renaissance, people have participated in ceremonies in which academic degrees are conferred. This year is no different, except that it is your year, your ceremony, and your degree.

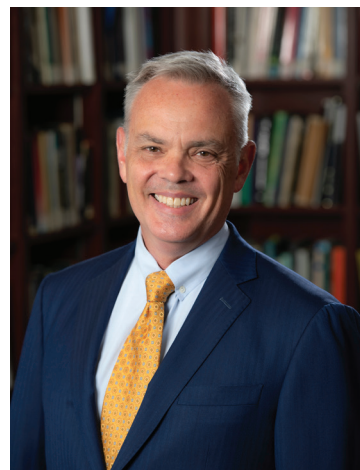

Commencement is when you begin a new life – as a bachelor, master, or doctor – with your fellow graduates. It is when, as a graduate of the UCI Sue & Bill Gross School of Nursing, you join the community of nurses in a new way to do new things with your vocation. A vocation is when you find joy in doing good things for others.

I trust that today you are experiencing this joy, as I am when I think of your achievement. Share it with your friends and family. They, after all, helped you to get here. And take it with you as you care for people in hospitals or homes, as you discover new knowledge or translate it into practice, as you change policy or educate the next generation of nurse leaders. Whatever you find yourself doing as a UCI nurse, you will do it as a member of the world's largest and most trusted profession. That, itself, is a joyous thought.

Take great pride in your accomplishment being celebrated today. This is your ceremony, and it marks not just your having earned the degree being conferred upon you but also your being part of the great big, wonderful community of nurses. Congratulations.

Mark Lazenby, R.N., Ph.D., FAAN
Founding Dean, Sue & Bill Gross School of Nursing

School of Pharmacy and Pharmaceutical Sciences

Congratulations to the UCI Pharmaceutical Sciences Class of 2024! Today is a celebration of all your academic achievements — it marks the beginning of a thrilling upcoming chapter in your life. You should be immensely proud of the dedication and hard work it has taken for you to arrive at this day.

By choosing to study pharmaceutical sciences, you have joined a community of medical professionals and scientific minds who are spearheading crucial improvements in our society's health and wellbeing. You will all go on from here to drive changes in health care, academia, research, and government, helping to advance therapeutics and medicine, apply innovation, and add healthy years to human lives.

The Pharmaceutical Sciences program in the UCI School of Pharmacy & Pharmaceutical Sciences has provided the tools you need to excel in your endeavors and initiate transformational developments that will propel us toward a brighter, healthier future. Whether you are pursuing further schooling or entering the workforce, we have no doubt that you will succeed.

As graduates of this program, you are part of an expansive network of UCI alumni who are representative of our school's mission to advance scientific discovery and optimize medication therapy in patients and patient populations. Welcome to the Anteaters in Pharmacy alumni family — please keep in touch!

Our faculty, staff, alumni, friends, and community are so proud of everything you have accomplished during your time in this program and are looking forward to seeing what you will do next. Congratulations Anteaters!

Jan Hirsch, Ph.D.
Founding Dean, School of Pharmacy and Pharmaceutical Sciences

Program in Public Health

Congratulations to the Class of 2024. On behalf of the entire faculty and staff, I extend my heartfelt congratulations to each of you on this momentous occasion of your commencement from the UC Irvine Program in Public Health. Today marks a significant milestone in your academic journey, and I am immensely proud of your achievements. For many of you, during the pandemic, there was a lot of time spent studying and staying at home before you came to us. Whether you realized it, you all were practicing effective public health measures and now you are all equipped with the knowledge and tools to be a public health practitioner. I commend you for your hard work and dedication, as well as your ability to thrive during the last several years. Since COVID-19, this graduation ceremony may be the first for you and your family and is a testament to how ever-changing our world is. As you step into society as public health practitioners know that you are part of a field that is ever-vigilant and will always be at the forefront to protect our communities.

As you stand on the threshold of a new chapter in your lives, I want to take a moment to acknowledge the dedication, perseverance, and passion that have brought you to this point. Your commitment to public health is commendable and deeply inspiring. Whether you are embarking on a career in research, policy, advocacy, or practice, your contributions will make a profound impact on the health and well-being of communities worldwide. You will lead with compassion, drive, and the desire to make a difference in the lives of those around you, which all lie at the heart of what we do in public health. Your work will help usher in a future that is more sustainable, equitable, and just.

I will not tell you the road will be easy – it seldom is. For every achievement, there are challenges and barriers to overcome. Embrace mistakes. They serve a purpose: to help you learn. When you secure that new job or hit that milestone in a project, know that you deserve it and have worked hard to get to that point.

Thank you for the dedication and compassion you showed through your work. Please know how needed your public health skills are today as you become advocates for this field amongst the ever-challenging anti-science movement. As you set out to improve the health and well-being of your own communities, be confident in the knowledge gained during your time at UCI and remember that the field of public health is made stronger by having you in it.

Remember, commencement is not just an end but also a beginning — a beginning filled with endless possibilities and boundless opportunities. As you embark on this new journey, may you continue to learn, grow, and lead with courage and conviction. We will always take pride in your achievements, both now and in the future. We hope you will continue to engage with UCI Public Health and share your achievements as you move forward in your careers and personal lives. I encourage you to stay involved and support our activities, scholarships, and programs as our newest members of the Anteater alumni community. The connection to UCI is one that will last a lifetime.

Once again, congratulations on your remarkable achievement. Wherever your path may lead you, know that you carry the legacy of our Program of Public Health with you, and we are confident that you will do us proud.

Congratulations, graduates of the Class of 2024!

A handwritten signature in black ink, appearing to read "Bernadette Boden-Albala", with a long, sweeping underline.

Bernadette Boden-Albala, Ph.D., M.P.H.

Founding Dean/Director for Program in Public Health

School of Humanities

On this happy occasion of your commencement, you are each concluding your study at UC Irvine and embarking on a new life as the proud holder of a University of California degree in a humanities field.

Let me be the first to congratulate you. You are a select group who worked tirelessly to be admitted to UCI, and to excel in your majors. You put in hard nights of reading and writing papers and studying for exams and meeting your requirements one by one. Your goal was not just to get a good grade on one assignment, or completing a course, or even meeting all the requirements of your major. It was always something that lies beyond the boundaries of the campus and its program: opening up the opportunities in your life that your UCI degree makes possible, and that at this moment of commencement you can't even yet fully foresee. These include the possibility to go on to more advanced study in graduate or professional school; to make your mark in government, media, or business; or to lead and serve in your community, at home or perhaps elsewhere in the world.

The humanities focus on the histories and cultures of the world, the images and stories we use to represent the human experience, and the theories and concepts that we use to make sense of our world. Human meaning-making is an ongoing and ever-evolving process, and the skills you have gained in understanding and contributing to it never go out of date or lose their relevance. Our world is changing at an extraordinary pace. We need humanities-trained leaders and thinkers like you to help us to make sense of it all, make conscious and ethical choices, and imagine new ways of living and working in a radically changed environment.

You will bring the skills you have learned here—to listen and read closely, to think critically and analytically, to interpret texts and images, and to write with clarity and power—to all the work you have ahead of you. We have prepared you not just for a job, but for a career of your own making, which may have many new turns and changes along the way.

But through the lenses of the humanities, we have also prepared you to appreciate better the beauty, complexity, and richness of the world, to experience it with depth and knowledge. That is not just an enhancement to your career or your earning power; it is the basis of a richer, more authentic, and more meaningful life.

I wish you every success in your future, and the deepest appreciation for what you have given us by your presence in the School of Humanities during your studies.

Congratulations and enjoy your *commencement*!

A handwritten signature in black ink, which appears to read "Tyrus Miller". The signature is fluid and cursive.

Tyrus Miller, Ph.D.

Dean, School of Humanities

Donald Bren School of Information and Computer Sciences

The world runs on technology: from artificial intelligence to big data, from digital media and learning to digital health, from cybersecurity to human-machine interaction. These technologies represent only a few of the cutting-edge areas that faculty, students and alumni from the Donald Bren School of Information and Computer Sciences (ICS) have been advancing, making the world a better, safer, accessible, and more inclusive place through the exploration of emerging information technologies, innovative and broad computing curricula, and interdisciplinary collaborations that address key societal needs.

As students of ICS, one of the first computing-focused schools in the nation and the only one on the West Coast, you have helped it grow into one of the largest, most enriching, and most diverse computing programs in the country. You have shown incredible creativity and entrepreneurial spirit during your time at UC Irvine, and you are now prepared to lead the way in creating a bright future for society.

As alumni of ICS, you will have many good reasons and excellent opportunities to remain connected with our School. Whether you are continuing your education or joining the workforce, remember that you are now part of a growing ICS alumni network with over 15,000 members who want to see you succeed. Please stay in touch so that we can celebrate your successes and help you connect with other accomplished ICS alums.

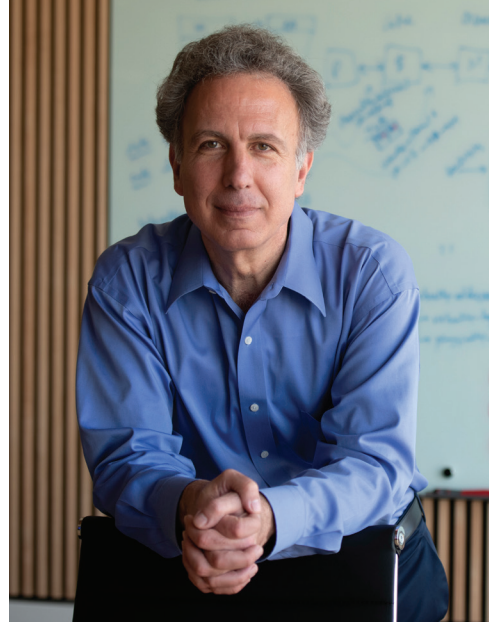

Congratulations to the Class of 2024! The ICS faculty and staff take great pride in your accomplishments and look forward to watching you continue to make a positive difference in the world.

Zot! Zot! Zot!

Marios Papaefthymiou, Ph.D.

Ted and Janice Smith Family Foundation Dean
Donald Bren School of Information and Computer Sciences

School of Law

Dear Graduates and Guests,

On behalf of our faculty, staff, alumni, and the entire UCI Law community, congratulations to the Class of 2024. This is an extraordinary class that has enriched the University of California, Irvine in so many ways.

Over the past three years, the members of the Class of 2024 have worked incredibly hard. They have proven themselves leaders in the classroom and in the community. They have served others, making a difference with vast amounts of pro bono work and community service. They have done much within the school too: they helped build organizations, invited speakers and planned events, represented the school in intramural and national competitions, worked in centers, clinics, institutes, and our programs, and helped recruit the students who came after them. Their creativity and passion have shaped this institution, continuing to build UCI Law as a welcoming, vibrant, collegial, and exceptional school. Our students, and this class, are one of the major reasons UCI Law is a special place.

Soon, the Class of 2024 will begin utilizing the skills and knowledge acquired over the last three years as they begin their legal careers. They will become among the nation's top advocates in whatever field or practice areas they choose. They will take all they have studied, discussed, and learned and carry those lessons with them in the years ahead. And, as they go on to do great things, our hope is they won't forget their days and the people here. I know we won't forget them.

As much as this class deserves wholehearted congratulations, they also deserve our thanks. To the Class of 2024, thank you for all you have done, and all you will do as alumni. The profession you have chosen has never been more important and the work you will do never more consequential. As you cross the stage to receive your degrees, know that the faculty, staff, and alumni of this great school all are cheering you on, and wishing you every success in the future that lies ahead. We are so proud of you, and we are eager to see all that you will accomplish.

Congratulations again,

Austen Parrish

Dean and Chancellor's Professor of Law
University of California, Irvine School of Law

School of Medicine

Congratulations to the Class of 2024! On behalf of the faculty and staff from the UC Irvine School of Medicine, we celebrate you for achieving this significant milestone in your life.

Each of your paths to this moment has been distinct, yet you were all united by a common desire to enhance the health and well-being of individuals and communities. This ambition has flourished with the continued support of family, friends, peers and mentors who encouraged and advised you through your academic journey. You can be assured that they are cheering on your accomplishments, along with everyone from the School of Medicine who had the privilege of interacting with you during your time here.

While graduation may mark the end of your time at the School of Medicine, it is just the beginning of a lifetime of professional learning and growth. Your education and training at UC Irvine were designed to ignite your curiosity and drive for innovation in healthcare and research. You are now poised to make significant contributions by embarking on a career dedicated to improving lives amplified by your quest for knowledge and discovery.

Those graduating today have already made an impact on the world, navigating the unprecedented challenges of a pandemic during your studies. This experience has underscored the vital importance of the medical field, highlighting your resilience and dedication in times of a global crisis. You have emerged as everyday heroes, embodying the spirit of community service and innovation that is at the heart of the School of Medicine. We eagerly anticipate the diverse and significant ways in which each of you will leave your mark on the world, forging paths full of impact and inspiration.

To our graduating MD class, you are preparing to embark on post-graduate training in 20 medical specialties. More than 70% of you will enter training programs in California, but more important is that many of you will work in underserved areas that so desperately need top-notch medical professionals. It is a privilege to have you join us as colleagues in the medical profession.

To our graduating Master of Science, PhD and MD/PhD students, your contributions to medicine and biomedical research are changing the future for people around the world. Your education will serve you well and we look forward to your continued contributions in academia, industry, medicine and health.

To all our students, the UC Irvine School of Medicine is dedicated to excellence in research, education, patient care and community service that advances individual and population health in Orange County and beyond. Each year, we applaud the achievements of over 150 MD, PhD, MD/PhD and MS program graduates, and we celebrate as over 250 residents and fellows complete rigorous programs. As you enter the ranks of your chosen profession, you become the public face of this school. Through your work, people will see the positive impact of our mission: Discover. Teach. Heal.

We extend our best wishes for every success as you continue your pursuit of knowledge in becoming innovative leaders. Once again, congratulations to the UC Irvine School of Medicine Class of 2024!

A handwritten signature in black ink, appearing to read 'M. Stamos'.

Michael J. Stamos, MD
Dean, School of Medicine

School of Physical Sciences

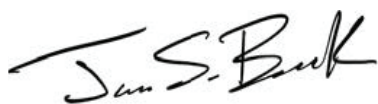

Congratulations on achieving your degree from the UCI School of Physical Sciences! This milestone may seem like a conclusion, but it truly marks the exciting onset of a new chapter in your life—a chapter that is all the more promising due to the diligent preparation you have undergone within our School's walls. Whether your path leads to further graduate or professional studies, or you're stepping directly into the workforce, UCI Physical Sciences has equipped you with a unique foundation for success.

Remarkably, over 40% of you have engaged in undergraduate research, and a significant number have secured places in graduate and professional programs. I also commend those who embraced the opportunity to join our mentorship program—an experience that will positively influence your lives well beyond your time at UCI. We encourage you to consider coming back as mentors to guide future generations of students, offering insights from what I anticipate will be illustrious careers.

As alumni of the Physical Sciences, your pursuits might range from delving into complex mathematical theories to making strides in alleviating human suffering. Whether your curiosity drives you towards understanding a solitary particle or unraveling the mysteries of the Universe and the future of Earth's climate, each path holds immense value. Across this broad spectrum of potential careers, the faculty and staff are behind you, wishing you success as you follow your passions and make impactful contributions to our world.

Once more, congratulations on completing this rigorous program. The demand for skilled mathematicians and scientists is greater than ever—embrace this opportunity to apply, share, and broaden your expertise and discoveries.

Keep active!
Bring enthusiasm to all your endeavors!
Keep in touch!

Professor James S. Bullock
Dean, School of Physical Sciences

School of Social Ecology

Dear Class of 2024:

Congratulations on completing your degree from the School of Social Ecology! Many of you missed a ceremony at your high school graduation, so we are especially excited to celebrate with you now.

We are proud of your accomplishments, especially during this historic time. You adapted to learning during the pandemic and successfully finished, all while also completing your many hours of field study. We commend you on your perseverance.

As we celebrate your achievements, we wish you success along the next path of your journey. You earned your degree from our school, a leader in interdisciplinary research, team science, and community-embedded scholarship. You have studied and researched alongside faculty members and fellow students who share a commitment to understanding human behavior and seek to make the world a better place. Our research, courses and field study opportunities are oriented at solving some of the most crucial social and environmental challenges of our time, including issues involving the coronavirus pandemic, mass incarceration, environmental sustainability, homelessness, poverty and mental health. With this stage of your education now completed, we encourage you to take what you have learned to become part of the solution.

Our school also emphasizes the importance of equity and justice. We have prepared you to think about how you can help advance a more equitable society. We will look to you with great hope as you apply that greater sense of purpose in your next endeavors.

No matter where you are headed next or what you will do, please know that we take pride in you and your accomplishments. As alumni of Social Ecology, we hope you will please remember to stay connected so we can continue to cheer on your successes.

Congratulations on your graduation and go out and make a difference!

Best wishes,

Jon B. Gould

Dean, School of Social Ecology

School of Social Sciences

Congratulations, UCI social sciences graduates! I'm so proud to welcome you as our newest members of the Social Sciences Alumni Network. With your graduation today, you are joining an elite group of more than 62,000 changemakers who can be found everywhere from the halls of justice in D.C. to capitals around the world engaged in work that's truly changing lives. Our alumni are making a difference through entrepreneurial endeavors from Northgate to Northern Africa, in courtrooms across the nation, boardrooms in some of the world's top companies, and classrooms around the globe training our next generation of leaders.

While each of your pathways to this degree has been unique, your shared experiences as an Anteater will stay with you long after leaving campus today. And no matter your story, you've all shown the true resiliency of the soc sci Anteater spirit.

As you embark on your next chapter, your individual versions of "what's next," I challenge each of you to continue pursuing a future that makes the world a better place than you've found it. Be bold, always break the mold, and be boundaryless in your pursuit.

Congratulations, social sciences graduates of the class of 2024.

Zot, zot, zot!

Bill Maurer

Dean, School of Social Sciences
Professor, Department of Anthropology and School of Law
Director, Institute for Money, Technology and Financial Inclusion

Graduate Division

June Commencement ceremonies at UCI represent the culmination of years of hard work, dedication, and determination. They also represent the beginning of the next phase of your lives. Congratulations on reaching this remarkable milestone! Your hard work, perseverance, and dedication have brought you to this moment of celebration and achievement.

It is my honor and pleasure to congratulate you for earning degrees during the 2023-24 academic year, as well as those who are here to celebrate with you. No one can complete this journey without a great support system.

Commencement is a time to reflect, but it is also an opportunity to publicly recognize the transition from a student to a leader and innovator in today's ever-changing world. Your community is better for the critical thinking skills and knowledge you will put to work in a positive and impactful way. Your journey does not end here; it is only the beginning. Stay curious, adaptable, and committed to making a difference.

As of this moment you are now part of a proud family of UCI alumni. I hope you stay in touch and keep us informed of your accomplishments. Celebrate today and know that we look forward to celebrating your successes for years to come.

Once again, congratulations to the Class of 2024. Go forth with confidence and make the world a better place.

Gillian R. Hayes, Ph.D.

UCI Alumni Association

To the Class of 2024:

Congratulations — you did it! What an accomplishment. The early mornings, the late nights, the cramming, the long weekends... You did what it took, and you are now a graduate of UC Irvine. Let that soak in.

If I remember correctly, right about now, you're thinking, "what's next!?" And that's admirable — you're ambitious or you wouldn't be here. But like past presidents of the Alumni Association, I'll offer similar advice: Before you jump back into action, take a minute, and recognize this powerful and proud moment. This is your time. Your time to relish in the hard work, the dedication, and the accomplishment. You put your mind to it, applied yourself, and accomplished a major life milestone. Please, don't let this moment pass without serious reflection. You should be proud.

I remember my UCI graduation day. As a first gen graduate, I was proud of the moment, I recognized the importance of it, and looked forward to a bright future.

On this day as you celebrate your hard-earned accomplishment, I hope that you'll also take a moment to express gratitude to all who have journeyed by your side providing support and guidance — your family, friends, and faculty, of course. But also, your Anteater community. In fact, know that with each step forward, your fellow Anteaters go with you and that you will forever be a part of the bold and pioneering UCI alumni family!

As an alumnus you will always represent UCI, and I hope you do so with pride. I encourage you to stay connected, remain involved and strengthen your relationship with the university and Anteaters of all graduating classes past and future. Our online mentoring platform, The Anteater Network (antnet.uci.edu), is a wonderful way to do just that!

The UCI Alumni network has more than 250,000 members and accomplished individuals who are invested in your success and can help you increase your connection to our alma mater. As an active member of the Alumni Association, you will help continue a tradition that makes UCI and the alumni network itself stronger. Find out how you can leverage the benefits and services of being a member, including The Anteater Network, access to online research databases and UC libraries across the system, career services and networking events for young alumni.

Fifty-nine years ago, UCI was established with a vision to become a driving force for discovery and innovation serving our local, national, and global communities. You leave today helping to realize that vision.

I invite you to stay connected to your Anteater family no matter where you go in the world. Engage with our UCI Alumni at regional events, participate in our online community and be part of the more than 38 chapters and networks across the world. Keep in mind it's not only what you know that will drive your career forward, but also who you know ;)

As you take those next steps forward, know that there are many individuals who are in your corner cheering you on — your family, your friends, your professors, and your fellow alumni. You are now a college graduate (of one of the top universities in the nation, mind you) and we are so proud of you, Anteater!

Zot! Zot! Zot!

The UCI Mace

The Mace leads the Commencement procession and is carried by a member of the UCI Alumni Association Board of Directors.

The names of each UCI Chancellor are engraved on the top

Carved from California oak, the Mace is designed to resemble the nose of an anteater, UCI's mascot.

The UCI Alumni Association presented the UCI Mace to the campus on May 12, 2000.

UCI
