JANE
FRANKLIN HALL

Life at Jane Franklin Hall

Living at Jane is about more than having a bed: it's an experience that transforms young adults into the people that they strive to be and forges ties to a unique community that extends worldwide. It's an experience that they can attribute to their success in life and one they'll never forget.

We are proud of our strong history supporting students to develop their academic, social and professional achievements. Many remain connected to Jane and enrich experiences we offer our residents and Non-resident members throughout the year.

We aim to harness students' strengths, help them to grow into University life and make a positive contribution to the lives of others and the world around them.

Scholarships at Jane in 2023

In partnership with benefactors from around the world, Jane Franklin Hall provides tens of thousands of dollars annually to its residents in the form of scholarships.

Scholarships are crucial to achieving our purpose, allowing talent and motivation to be the guiding principles for entry into Jane and not personal circumstances or financial constraint.

Scholarships are awarded on specific criteria for each scholarship. For some scholarships, the amount of money awarded varies according to monetary interest rates and the generosity of particular donors.

Scholarships are paid as a remission of fees and students are encouraged to apply for as many scholarships as possible.

Scholarships open to students entering college in 2023

While applicants must have received sound academic results from year 11, the most important criteria for this scholarship are about demonstrating good character and the potential to contribute positively to the College community. As this is a prestigious award for the College, shortlisted applicants will be required to attend an interview at the College, preferably in person in Hobart.

How to apply: Download an application form online at www.jane.edu.au/fees-scholarships/scholarships/ and submit your application directly to the College at office@jane.edu.au or by mail to 6 Elboden Street, South Hobart 7004 by 9.00am Tuesday 27 September 2022. “

"The scholarships at Jane have allowed me to further and continue my involvement at Jane and university through financial stabilisation. Being a full-time student limits my availability to work so I am very grateful that Jane has these ways of supporting students which alleviates financial burden. Completing two degrees is a costly decision and being awarded a scholarship has allowed me to fervently follow my dreams. I highly recommend all students apply. "

How to apply

Apply for Jane Franklin Hall scholarships via application forms available online at

<https://jane.edu.au/fees-scholarships/scholarships/>

The following scholarships must be applied for through the University of Tasmania website at

<http://www.utas.edu.au/scholarships>:

- Hilary and Alan Wallace Scholarship in Medicine
- James Fenton Memorial Scholarship

University Scholarship applications open in late August.

Applications for the 2023 calendar year close on 31 October 2022, except for the Jane Community Scholarships will close at 9.00am on 27 September 2022.

Selection process

To be considered for a scholarship at Jane Franklin Hall, students must have applied for residency of Jane prior to 9.00am on the 23 November 2022. The exception to this is for applicants for the Jane Community Scholarships, who must have applied for residency before 9.00am on 27 September 2022.

The Jane Franklin Hall Scholarships Committee meets in late November and in the second week of January each year to determine scholarship recipients. Successful applicants are notified by email as soon as practicable after those meetings, although it is possible that some recipients may not be informed until the beginning of Semester 1 2023. The exception to this is for applicants for the Jane Community Scholarships who must attend an interview with the Scholarships Committee in late September 2022 with a view to successful recipients being offered scholarships in October 2022.

Selection of the successful recipients is undertaken by assessing all those who applied for scholarships. Students who do not apply cannot be considered even if their results were higher than those received by the scholarship winner.

Scholarships applicants are encouraged to apply for as many Jane and University scholarships as they are eligible for.

The Committee's decisions are final and no further correspondence will be entered into. Unfortunately, due to the tight timeframes we work on, unsuccessful applicants will not be contacted.

All scholarship recipients must be residents at Jane in 2023 or accepted into the Non-resident Membership program for 2023. Withdrawal from the College will mean forfeiture of the scholarship.

Unfortunately, due to the nature of funding for scholarships, deferrals of scholarships are not permitted.
