High School Academic Profile 2025-2026

Our Mission

At the American International School Vienna, we empower each student with the skills and character strengths necessary to be positively impactful global citizens who strive for personal growth and excellence in an ever-changing world.

Our Vision

A community of innovative learners realizing their chosen futures with courage, curiosity, and joy.

About Us

Established in 1959 as an independent, coeducational day school, AIS Vienna offers an American/international educational program from Pre-Kindergarten through Grade 12. Our students are the children of the diplomatic corps and other international organizations, as well as the business and Austrian communities. As an inclusive school, AIS Vienna offers all courses to every High School student. Students select their level of rigor in consultation with their counselor to align with post-secondary goals.

Our Values

Respect: We will be kind, considerate, inclusive, and thoughtful in our interactions with others and the environment.

Aspire: We will pursue our passions, imagine possibilities, and make them real.

Achieve: We will apply ourselves to the best of our ability with effort and ingenuity, and strive for personal growth.

Our Curriculum

The AIS Vienna High School offers an enriched international university-preparatory program. Instruction is in English, and support systems are available for students when needed with online elective classes being made available through the Global Online Academy. All Grade 9 and Grade 10 courses prepare students for the rigor of future International Baccalaureate courses. The International Baccalaureate (IB) Diploma may be earned in addition to, and with more requirements than, the US High School Diploma.

Transcript Information
GPA is based on a 4-point scale. All courses completed at AIS Vienna are calculated in the GPA except those graded on a Pass/Fail basis. IB/AP courses are awarded an additional 0.33 in the GPA. Language courses at the Intermediate B/C levels are also weighted. Some students are tutored for IB ab initio courses not taught at school. Those students are enrolled in a world language course during the school day for credit and an ab initio course not for credit outside of school.

GPA Distribution	
Quartile	GPA Range
1st	4.06-4.35
2nd	3.66-4.05
3rd	3.32-3.64
4th	2.51-3.20

Class Rank
Given the rigorous nature of the IB and AP classes the vast majority of students complete, combined with the transient nature of our community, AISV does not rank students.

University Application Limit
Students at AIS Vienna are permitted to submit a maximum of 10 applications (with systems such as UCAS and the UCs counting as one).

Global Online Academy
Global Online Academy is an accredited, nonprofit organization that provides online classes to high school students. The platform allows students to explore and pursue interests for elective credit beyond what is available on campus, and at a standard that supports college preparation.

Co-Curricular Activities
AIS Vienna offers an extensive program of intramural and interscholastic athletics, with competitions occurring both locally and with other international schools throughout Europe. Academic teams such as the Senior Math Team and MUN also travel internationally. In addition, community service clubs such as Habitat for Humanity and Romanian Children's Relief travel to expand perspective and better develop empathy.
