PARTNERING TO SAFEGUARD LONG-TERM CARE COMMUNITIES

Identify **key operational challenges** to enhance efficiency in your long term care facilities

Get ready for regulatory surveys and **enhance care outcomes**

Benefit from regular preventative calls and **rapid emergency service** to protect you from **costly downtime**

The chemical industry has played a pivotal roll in shaping healthcare, enhancing sanitation, and ensuring safety through cleaning and disinfecting.

We help healthcare systems that include skilled nursing facilities, hospitals, and medical clinics develop standardized healthcare cleaning solutions and processes that provide actionable insight and opportunities that help reduce the costs and inefficiencies of infections, helping to keep patients and staff clean and safe.

**BECOME A PREFERRED PARTNER FOR RESIDENTS AND EMPLOYEES
WHILE EFFECTIVELY MANAGING YOUR TOP AND BOTTOM LINES**

COMMERCIAL LAUNDRY

Our laundry solutions are tailored to meet your needs, providing hygienically clean linens and enhancing the health and safety of your patients.

DISHMACHINE RENTAL AND LEASE-TO-OWN

Our rental program offers a full range of products and 24/7 service and parts, all without any upfront investment or ongoing maintenance costs. Our lease-to-own program provides a low monthly cost and customer ownership at the end of term.

DISHMACHINE AND MANUAL WAREWASHING SOLUTIONS

Brody Chemical offers warewashing solutions, training, and support tailored to fit your unique long-term care operations. Save water and energy while maintaining impeccable cleanliness.

FACILITIES MAINTENANCE

Our comprehensive line of facilities maintenance solutions include everything you need to maintain the inside and the outside of your long-term care facility. Keep your residents safe with our exceptional line of snow ice melt products.

FLOOR CARE

Our comprehensive floor care solutions are designed to clean and safeguard various flooring types, from concrete to luxury vinyl tile, upholstery, hard surfaces, and more.

HOUSEKEEPING

Our products are designed to meet the highest standards of cleanliness and safety. We provide a comprehensive range of cleaning solutions that are specifically formulated to tackle the unique challenges of healthcare environments.

PERSONAL CARE

Brody Chemical provides a wide range of liquid hand soaps, sanitizers, and gloves. Our personal care program is designed to help you seamlessly implement effective practices throughout your long-term care or senior living community.

KITCHEN CLEANING AND SANITATION

Our comprehensive back-of-house program combines innovative products with our food safety expertise to help you maintain the highest level of cleanliness, protecting your residents, reputation, and operations.

RESTROOM CARE AND ODOR CONTROL

Our offerings include powerful disinfectants, effective deodorizers, and cleaning agents that tackle even the toughest restroom challenges. With our exceptional solutions, you can uphold the highest standards of hygiene.

SURFACE DISINFECTANTS AND CLEANERS

Effectively reduce the spread of infections while saving time and resources. Trust Brody Chemical to provide the sanitizing and disinfecting solutions that support the highest standards of care and cleanliness in your facility.

POOL AND SPA

Our specialized products and expertise help you manage and maintain clean, clear, and safe water in your recreational and therapy areas.

TIME-TESTED SOLUTIONS

Offering hospital-grade disinfectants, food-contact sanitizers, personal care solutions, and a variety of other cleaning products.

YOUR LOCAL OPERATIONAL PARTNER

A network of experts dedicated to driving compliance and optimal performance. Providing on-site, hands-on service, training, and product guidance.

PREDICTING YOUR CHALLENGES

Identifying emerging issues to enable proactive prioritization and risk reduction.
