## Impact Wrench 3/4" (Pneumatic)

The Impact Wrench 3/4" SFI 1300 with impact system Pin Clutch is ideal for professional and industrial applications of tightening bolts up to M24 (1").

## Angle Grinder 7" – SFD 07 (Pneumatic)

The Angle Grinder 7" SFD 07 is indicated for heavy operations of grinding and finishing of large areas. This tool allows grinding, cutting and beveling metallic parts, cleaning beads and splashes of weld, besides preparing for sanding. With speed governor, it offers greater control and safety in operation.

## Air Compressors

Schulz air compressors are built with the latest technologies and specifications. For more than 50 years, Schulz has been producing solutions that drive the market to continuous technological advancements. As one of the largest manufacturers of air compressors in the world, Schulz has a highly skilled research and development department that is always striving for the latest innovations in compressed air technology.
