# Welcome to

# THE GBS STADIUM

Next up we welcome Fakenham Town to the Doucy for another important fixture in what is always a keenly contested Norfolk-Suffolk encounter.

The rivalry between our two counties adds extra edge to games like this, but it's important to remember that rivalry should always be played out with respect – on the pitch and in the stands. Both clubs and both sets of supporters share a responsibility to ensure the occasion remains competitive, passionate, and enjoyable for everyone involved.

Fakenham are a club with a long and proud history, well supported and deeply rooted in their local community. The Ghosts have been part of the fabric of football in Norfolk for many years and continue to represent their town with pride. We look forward to welcoming their players, officials and supporters to Ipswich and trust they enjoy their visit.

From our point of view, recent performances have been fantastic. Results have reflected the hard work being put in by the squad, and there is a growing belief and momentum within the group. That confidence will be important as we look to build on our form and make home advantage count once again.

I'm really enjoying my journey with Ipswich Wanderers and it's been great to meet so many people around the club. Taking the time to learn our history, speak with supporters, and understand what this club means to so many people has been invaluable. Alongside Joe, I'm clear about the responsibility we have to move the club forward in the right way – developing our younger players, creating clear pathways, and doing so while maintaining the balance, standards and experience needed within the squad.

I'd also like to encourage everyone to get behind the return of a printed matchday programme. We're pleased to confirm that the programme will remain in place until at least the end of the season, and the support shown for it so far has been greatly appreciated.

One moment from last week that truly summed up what it means to play for Ipswich Wanderers was watching our skipper, Kris Rose collect the ball deep in his own area and maraud the length of the pitch, only to be denied by an excellent save from the Walsham goalkeeper. It was an absolute inspiration for the young players from our development squads who joined the first-team group last week – commitment, bravery and pride in the shirt. That's what it means to play for Wanderers, and long may it continue.

Please look out for our social media team around the ground today. Maisie has done wonders so far, and alongside the committee's efforts supported by Ellis off the pitch to attract new sponsorship and host music nights in the clubhouse, there's plenty happening beyond matchdays. Keep an eye on our social channels and the matchday programme for full details.

As always, my thanks go to our dedicated team of volunteers and staff who work tirelessly behind the scenes to bring these games to the Doucy. Your efforts do not go unnoticed.

Enjoy the game and come on the Wanderers..

# IPSWICH WANDERERS CLUB HISTORY

- 1980 ▶ The Club started as an under 14's boys team in 1980. Two yrs later they entered the lowest division of the Ipswich Sunday League.
- 1987 ▶ Joined the newly formed Eastern Counties Division One sponsored by Jewsons in 1987 as founder members.
- 1994 ▶ Home games were played at our present ground at Humber Doucy Lane, under the name of Loadwell Ipswich. Jimmy Barker became a very influential chairman and he negotiated a name change to Lancaster Ipswich FC before we eventually became Ipswich Wanderers. Jimmy died in November 1994 and his presence is sadly missed. Thankfully after all his work he saw the floodlights switched on in September 1994 in a match against Ipswich Town.
- ▶ Great ground improvements were made in the early years under the direction of Development Officer Roger Woshalo and ground Manager Tim Davey.
- 1996-97 ▶ A losing Suffolk Senior Cup appearance in 1996/97 lead to the following season becoming Champions of Division One, under the Chairmanship of Alan Haste, nine points clear of Maldon Town and losing only three league matches all season. Reaping the rewards of a successful youth policy which saw numerous trophies filling the clubhouse cabinet, a well organised side with a good balance between youth and experience saw us establish ourselves as a Premier Division side for a number of seasons until we suffered relegation on the last day of the 2002/3 season at Wisbech.
- 2005-06 ▶ The following season saw Jason Dozzell join the Club as Manager and after a midtable finish in his first campaign, the second season saw the Club sweep to the 1st Division title and with the assistance of Kevin Cunningham and Glynn Hague, the team finished 7th in the Premier Division in 2005/6, with the League's second best defence with home crowds on average exceeding 100.
- 2006-07 ▶ At the end of the 2005/6 Jason Dozzell and Chairman David Bugg left. Local businessman Ed Nicholls became Chairman and John Clarkson was appointed Manager having arrived with a reputation from the West Country. During the season he guided the club to the final of the Rudgeons League Cup, the 5th round of the FA Vase and a Suffolk Premier Cup Semi Final against Ipswich Town.
- 2007-08 ▶ At the end of the campaign John left the Club and with an exodus of players, the Club appointed ex player Louis Newman to the role. Louis built a young, inexperienced squad and after a poor start to the campaign which included some record defeats, was replaced by another former player Steve Buckle who was brought in to rebuild the squad and hopefully retain the Clubs' premier status. Unfortunately Steve was unable to prevent relegation and the only positive from the season was the Reserves capture of the Chell Trophy defeating Wroxham.
- 2011-12 ▶ Despite Steve's best efforts over the following few seasons the Club failed to build a promotion push throughout the campaigns and after a poor start to the 2011/12 season, Steve and Assistant Paul Grainger parted company with the Club. New chairman Terry Fenwick appointed Glenn Read and he brought in his own players and former Stowmarket Town boss Steve Jay as his assistant. He quickly revamped the squad and had the Club climbing the table before the end of the season.
- 2012-13 ▶ The 2012/3 season saw the Club just fail to clinch promotion to the Premier Division and lose on penalties in the semi final in the First Division Cup. The season did finish on a high as the Club clinched its first ever Suffolk Senior Cup trophy defeating local rivals Whitton United in the final. It was a remarkable victory coming from a goal down in normal time and then from 3-0 down in the penalty shoot out.
- 2013-14 ▶ 2013/14 saw promotion achieved with two long unbeaten runs ensuring a return to the Premier Division, we also lost a tight Senior Cup final against Whitton United and set a new club record with a 12-1 win over Downham Town.
- 2014-15 ▶ The 2014/15 was mixed as we adapted to Premier Division and finished 9th and enjoyed a good run in the FA Vase but off field the club lost one of its driving forces Roger Woshalo mid-season.
- 2015-16 ▶ In 2015-16 we defeated Canvey Island in the FA Cup and enjoy our best ever FA Vase run but with a heavy fixture backlog, relegation fears were only ended just before the season end. Glenn stepped down at the end of the season and for 2016-17 the Club appointed Shane Wardley as Player/Manager.
- 2017-18 ▶ Shane's first season saw us almost emulate our highest ever position, however, after a poor start to the 2017-18 season Shane resigned and following a disastrous spell under Mark Benterman, club legend Mark Goldfinch took over the side ably assisted by James Buckle and Daniel Thrower. Unfortunately, relegation could not be avoided and in 2018-19 we consolidated and lost in the Senior Cup Semi Final to Cornard.
- 2019-20 ▶ In 2019-20 with Stephen Boyle taking over as Chairman, we rebuilt and after a sticky spell in October we were closing in on the promotion pack and reached a Semi Final of the Suffolk Senior Cup before the season came to an abrupt end. With further additions on field and some good improvements off field under Stephen's leadership, we then looked to gain the vital promotion required for us to take the next steps forward with a good squad. The start to the next season was positive and a second Senior Cup trophy was clinched in the delayed final with a single strike from Connor Field clinching the trophy.
- 2021-22 ▶ After a couple of Covid-19 disrupted and curtailed seasons, for the 2021/22 season Wanderers went into action in the Thurlow Nunn First Division South. With what became a tight run affair and particular rivalry with Buckhurst Hill also aiming for the title, it went almost to the wire, Wanderers finally having the upper hand, and lifting the trophy with a goal 10 seconds from time in the final home game. With the final of the Suffolk Senior Cup to follow, we finished the season with 26 straight wins, and a well deserved double of league and cup was won!
- 2022-23 ▶ The following season started with four cup fixtures in the opening 7 games, and a haul of just 3 points from the first 5 league games meant Wanderers were already playing catch up when our league campaign really got going. A run of 6 wins in an 8 game unbeaten run helped to move us up the table before another rare defeat. More wins followed until in January, we visited top of the table Thetford, which ended in a 1-2 defeat. After this, Wanderers embarked on another 17-game winning run to the end of the season, including coming from behind to avenge the result against Thetford, going above them and ultimately become Thurlow Nunn Premier winners - back to back champions - and into Step 4 football for the first time in the club's history.
- 2023-24 ▶ The 2023/24 season, the first for the club in the Isthmian League North came with added pressure - both on and off the pitch. A poor start to the season on the pitch brought a change in September, with the departure of Mark Goldfinch & James Buckle. Glen Driver came in as manager, with the task of keeping the club clear of relegation. Off the pitch was a mammoth job with a huge amount of work needed to pass the ground grading requirements to stay at this level. The inspection in April brought a great deal of relief, and along with the efforts of Glen and his team on the pitch, meant the aims for the season were achieved.
- 2024-25 ▶ Last season will go down as a disappointment but with green shoots of recovery at the end. We began the season under Glen Driver's management but unfortunately results were not positive and Glen stepped down before Christmas and we welcomed Michael Brothers into the helm, performances picked up but the damage had been done before his appointment. Michael and his management team are rebuilding well and we look forward to seeing how this develops this season as we look for a quick return to step 4.

## VIEW FROM JOINT 1st TEAM BOSS

**We would like to extend a very warm welcome to all the players, officials, management and supporters of Fakenham Town to the GBS Stadium. We hope you enjoy your time with us this afternoon and wish you a safe journey home after the game.**

Reflecting on last weekend's fixture against Walsham, we were extremely pleased with how the boys started the game. They took on board the pre-match instructions and delivered a strong first-half performance. In particular, our striker Jamie Eaton-Collins was outstanding, completing a superb first-half hat-trick to send us into the break with a well-deserved 3-0 lead.

The second half, however, proved to be a different challenge. A slow start allowed Walsham back into the game, and their pressure was rewarded with a penalty on the hour mark, which they converted. Just five minutes later, Paulo received a second yellow card, meaning we had to see out the final 25 minutes with 10 men – something we unfortunately experienced the previous week as well.

Credit to the players, who showed tremendous work rate, character and discipline to manage the game effectively and secure another important three points.

It is also important to highlight the involvement of several Under-23 and Under-18 players, all of whom played a significant role in the victory. Their contribution is a real testament to the hard work of our youth and Under-23 management teams. Integrating these young players is a key part of the club's long-term vision and continued development.

This afternoon presents another tough test, one we are fully focused on and excited for.

Thank you for your continued support..

### TODAY'S VISITORS TO THE DOUCY

We welcome the players, management, officials and supporters of Fakenham Town FC.

### CLUB HISTORY

The club was established in 1884 and played their first match against Lynn Alexandria, winning 2-1.

They initially played at Hempton Green, with over 2,000 spectators in the ground to see a match against Holt in a match played on a Good Friday.

They moved to Star Meadow (now residential houses) in 1889, and then to Baron's Hall Lawn (houses again now) in 1907, a ground that was shared with the local cricket club.

Cover and seating for spectators was provided by 'The Shed', a stand behind the goal at the Town End.

In 1899-1900 they won the Norfolk Junior Cup, a feat repeated in 1905-06. In the early 1900s the club joined the Norwich & District League.

After World War I they did not rejoin the league until 1921-22 and in 1935 they moved up to the Norfolk & Suffolk League.

When the league merged with the East Anglian League to form the Anglian Combination in 1964, Fakenham were placed in the top division for the 1964-65 season, but were relegated at the end of the 1965-66 season then taking 5 seasons before returning to the top flight.

In 1970-71 they won the Norfolk Senior Cup for the first time.

They have subsequently gone on to win the trophy 7 times, the most recent being 1999 when they beat Swaffham Town

Floodlights were eventually installed in 1987 at Baron's Hall Lawn, and in 1988 Fakenham became a Founder members of Division One of the Eastern Counties League but when the club was promoted to the Premier Division in 1992 they were given three years to find a new ground or be relegated as the ground didn't meet the required standards.

In 1996 the club moved to a new ground on the edge of the town named Clipbush Park, which was officially opened with a match against Watford on 16 July 1997, attracting a crowd of over 1,100, although the first match there had been on 12 October 1996 when they defeated Tiptree United 4-0.

The ground includes a seated stand on one side of the pitch seating 250, a clubhouse on the other, and

covered standing behind both goals.

After finishing as Premier Division Runners-Up in 1998-99, the club went into decline, and was relegated back to Division One in 2003-04, finishing bottom of the table.

In 2005-06 they won the Division One Knock-Out Cup, but a slump in league form saw them finish bottom of Division One in 2008-09 and 2009-10.

After more lean years, the club were promoted back to the Premier Division in 2014 and times seemed to be on the up when the team reached the Senior Cup final in 2017 but lost 2-0 to Kings Lynn Town.

The see-saw continued with relegation at the end of the 2017-18 season to the newly formed Division One North.

The 2018/19 season saw the team start poorly but gradually improved throughout the season and finished a very creditable 6th place, having only lost one league match after Christmas.

At the time it was felt a better start would have seen a great chance for promotion, but it was not to be.

They also reached the Challenge Cup final, beating 3 Premier Division teams along the way, before losing to Long Melford 1-0 in the final.

The club gained a ground sponsor at the beginning of the 2019/20 season with Clipbush Park becoming The Daly Group Stadium.

The 2019/20 season saw the club in contention for a top 4 finish and promotion when the season was brought to an early finish due to the Covid 19 pandemic.

In 2020/21 they were sitting top going into the New Year, and were undefeated when the season was once again halted, they also reached the Fourth Round in the F.A. Vase (the furthest the club had ever been) before losing on penalties to eventual finalists Binfield. It was then a nervous wait to see if the club would rightly be promoted back to the Premier Division and confirmation came mid-May that they would indeed be promoted.

2021/22 saw them finish a fantastic 6th place in their first season back in the Premier, they also reached the 4th Round of the F.A. Vase once again this time losing to eventual winners Newport Pagnell narrowly.

They also reached the semi-final of the Norfolk Senior Cup before losing to Step 4 Dereham Town 1-0.

2022/23 was a tough one with many players leaving for pastures new, however we managed to keep away

# visitors to *The Doucy* FAKENHAM TOWN

from the relegation places comfortably which allowed many of our younger players the opportunity to play at a higher level.

This proved the case with the team finishing in the top 10 last season and having another excellent FA Vase run before losing to the finalists again (something that has happened in the last 4 seasons) Great Wakering. During the summer Andy Cunningham stepped down as Manager after 7 seasons in charge due to work commitments and the club acted quickly to appoint Alex Walpole, who is well known around the club, having managed and also played for the club previously, Alex has kept all the same backroom staff and the club moved forward again with much optimism and sop it proved.

Last season was one of the best the club has ever had, finishing 2nd in the table losing out on the title by 2 goals, having won the last 12 league matches of the 2024/25 season, the last league game of the season at home to Dereham saw a 2-1 win in front of over 800 spectators.

They then lost 1-0 at home To Walsham Le Willows in the Play-off semi-final once again in front of a huge home crowd.

The club also had the Leagues leading goalscorer in the form of Jake Watts who notched 41 goals. They team will be looking to push on again and challenge for a promotion place this season.

However Alex stepped down in March as the season was finishing and Neil Jarvis along with Stephen Harvey

took the reigns and also over saw a 10 match winning run.

During the close season Andy Cunningham was reappointed to the Managers position with Neil and Stephen helping him once again for the 2025/26 season.

The club also has one of the best Youth set-ups in Norfolk and beyond, which incorporates over 30+ youth teams, including boys and girls, the future looks bright.

## PLAYER PROFILES:

### LUKE PEARSON

- Luke is an experienced GK, his shot stopping and control of his 18 yard box is second to none, and he adds vital leadership on and off the pitch, changing room would be quiet without him!!!

**JAYDEN WRIGHT** - Jayden is playing his fourth season at step five. A CB that loves the physical element of the game, but plays with a calmness above his years. Jayden continues to develop and will become a very accomplished CB and future leader.

**FINLAY PAGE** - Fin returns to the club after a season away. A future club captain, that has great positional awareness and his calmness allows him to make great decisions under pressure.

**CHARLIE MAYHEW** - Chaz is a CB that covers the ground well, and enjoys the physical part of the game. A player that plays for the badge every game. Will be looking for him to contribute more goals from corners this season.

**DYLAN COSLETT** - Dylan is a powerful & athletic player that can operate in a number of positions on the left hand side. He loves to get stuck in, but has the poise and ability to play. After a great first season at this level he will be looking to kick on again and continue to improve.

**LEWIS STURMAN** - Undoubtedly the best CM in the league, Sturmo has worked very hard in the off season to be prepared for this campaign. A true leader on the pitch, that has the ability to control games single-handedly.

**MITCHELL RASBERRY** - Mitch is a very versatile player that can play in a number of positions. A great technician that gives everything, every game. A player that goes under the radar, but his contribution week after week is so valuable.

**JOE HENMAN** - Joe is an exciting young talent that has performed at a great level during pre-season. He can play in a number of positions off the front or in midfield, and plays with real purpose. His technical ability is matched

by an unbelievable work ethic. One to watch as he continues his development.

**LEWIS BONNER** - A player with great ability and a fantastic left foot, that can cover a number of positions down the left hand side. Has matched his ability with a workrate/appetite that will see him thrive this season.

**ETHAN FLACK** - Ethan is a strong/athletic forward, that has an unbelievable work ethic. He has the ability to play anywhere across the front line, links play well and will score his share of goals this season. He has fitted in really well with the squad and already struck up a good understanding with Watsy.

**JAKE WATTS** - Little introduction needed for last season's league top scorer. Jake's hard work gets him into positions to do what he does best. Gives everything for the team, leads by example, and organises everything off the pitch! Expect him to stand up to the challenge of replicating last season's output, especially as he is now on free kicks.....

**TAN MALENGUKA** - Tan on his day can be unplayable. A young player that is still learning the game and has a great attitude to improve. He has pace and ability to beat anyone 1v1, and will be a real asset to the squad throughout the season.

**JOE KEELEY** - Joe is our most experienced player and as such leads by example in all that he does. He has the ability to play in a number of positions, and always brings a level of calmness to the team in the way he plays. Still one of the fittest players around and has the ability to win games for us.

**JACK ROBINSON** - Jack is a player that matches fantastic technical ability with pace, one of the best 1v1 at this level. He can unlock defences at will and has an eye for goal. After an injury plagued season last season he will be looking to contribute even more this season.

**FRASER FIELD** - Recently returned to the club from Mulbarton, strong in the air and very clam on the ball, will give the

team some valuable experience and we are delighted to have him back.

**JAMIE SMITH** - Jamie is a striker that adds real experience to our attacking line, and offers something different, that compliments the group. Has scored goals at all levels, we expect him to contribute in that department as well as proving to be a foil for those around him.

**WILSON CRUZ** - Signed in September from Harleston Town, great on the ball, and is quick, can play anywhere on the right. Will be a crowd's favourite and will be looking to establish himself in the first team, another player to watch.

**NATHANIEL JAMBA** - Signed from Stowmarket Town in early November, pacey, tricky winger, also has an eye for goal. Loves nothing better than to run at defenders.

**ALFIE DOY** - Recent signing, great prospect with good technical ability, can pick a pass and knowledge of the game for someone so young is excellent. Will prove a fan's favourite over time.

**VALTER ELIAS CACHICOTE DA ROCHA** - Recent addition signed from Lakenheath where he was the leading goalscorer. Strong and leads the line well, will prove a fans favourite with his attitude and working for his team mates.

**MATTY FRANKS** - Recently returned to the club after spells at Downham Town and Heacham, very experienced player who loves a tackle, leads by example, previously played a huge part in getting the club where it is today, and will be looking to push it on once again.

**TOM BAIRD** - Talented forward thinking player with experience at this level. Will add real quality to the team and provides excellent delivery from set pieces.

**MARLEY REYNOLDS** - A player that the club has admired for a long time and we are delighted to have him at the club now. Technically very good and physically competitive, he brings huge potential and we expect him to play a huge part in the clubs progression this season.

# meet the team @thedoucy

We thought it would be good to get to know a few of the players and people involved in the life of Ipswich Wanderers, let's find out a bit more about...

## MARCUS GARNHAM

Sponsored by Chenery Creative

**1: How long have you been at Wanderers, and what's your position?**

About a month and im a goalie.

**2: What's your favourite ground you've played at?**

Loved Yeovil that was quite special, played at Portman road a few times. But looking foward to making some new memories at The Doucy.

**3: Who is the best player you have played with and who is the best you have played against??**

Best player all round must be Gavin Johnson, just great with the young lads and always willing to give advice on and off the pitch. Against probably as a striker would be Leroy Lita in his later years at Step 3.

**4: Who's the loudest/biggest character in the changing room?**

Mads... guy wont shut up.

**5: Who's the most stylish, and who takes the longest in the dressing room?**

Owen by a mile is the most stylish.

**6: Favourite song to play on repeat?**

Leavemealone - Fred Again

**7: Away from Wanderers, who do you support, and why?**

Ipswich Town - just my local team.

**8: Which footballer, past or present, would you most compare yourself to or like to emulate??**

Loved Peter Schmeichel growing up. Just an animal on the pitch, with extremely high standards. I also like Jussi Jaaskalainen as he was so unorthodox when he used to play but made some incredible saves.

**9: What's your go-to meal deal?**

BLT, cheese and Onion crisps and a bottle of water.

**10: What do you deem as a successful season this year, and what ambitions beyond?**

I feel just keeping the positive run going and see where we end up. You never know what might happen in the final few weeks. Nexr year i would like to think playoffs if we can get off to a good start and carry on our momentum from this year.

**11: Finally, what is your perfect way of relaxing, away from the pitch?**

Chinese and Football on tele.

**Thanks for your time, Marcus, and all the best for the rest of the season.**
