OUR MISSION

The mission of the Golfers Against Cancer organization is to raise money for cancer research and honor friends and families battling all forms of cancer. Our 2025 Honoree is Abby Thomas. Abby is 14 years old and from Conroe, TX. She is currently battling an inoperable brain tumor. You can join the movement through donations, sponsorships, or participation in our tournament, gala, raffles and auctions, or volunteering at the event.

2024 TOURNAMENT AND GALA UPDATES

In 2024, we proudly honored Carson Hiemenz as our distinguished honoree for her remarkable strength and inspiring journey. In recognition of her impact, we awarded a \$100,000 grant in her name to Dr. Riaz with the Dana-Farber Institute. This grant supports pioneering research aimed at identifying DNA variants not typically associated with tumor oncogenesis in malignancies. The research seeks to uncover markers for earlier, more accessible diagnosis and to discover novel, targetable therapies, advancing innovative treatment options for patients and reinforcing our commitment to transformative cancer care.
