**Lombok International Airport (LOP):** 25 Minutes

 **INDONESIA**

# WHY LOMBOK?

**2.8 MILLION**  
**ANNUAL VISITORS**

Lombok is projected to welcome 2.8 million visitors. This anticipated surge represents a pivotal moment as the island emerges as a compelling alternative destination to neighboring Bali.

**8 - 15%**  
**ANNUAL RENTAL YIELD**

Stronger rental yields are expected, reaching 8% to 10% annually in prime spots. Overall annual returns from rentals are projected to surge to 10% to 15%.

**15% - 20%**  
**PRICE APPRECIATION**

High demand for beachfront and hilltop areas, alongside major infrastructure projects, is predicted to drive up land prices by 15% to 20%.

# VALUE APPRECIATION

Your investment with Jumanji Tribe Villas is structured for steady value growth. We ensure your asset appreciates over time, so you can watch your investment increase in worth and secure your financial goals.

JUMANJI  
TRIBE-VILLAS

# LET YOUR PROPERTY MANAGE ITSELF

At Jumanji Tribe Villas, your investment is designed to be fully hands-off.

We work with professional property management partners who handle the day-to-day operations of your villa, including:

- **Guest management and check-ins**
- **Cleaning and maintenance coordination**
- **Pricing optimization and calendar management**
- **Listing management across platforms such as Airbnb, Booking, and Expedia**

This integrated management model ensures that your property is operated efficiently and consistently, regardless of where you are in the world.
