"We recently had the pleasure of working with Dylan from Starry Homestead for our home renovation, and we couldn't be happier with the results.

From the very beginning, Dylan was accommodating to our requests and requirements, ensuring that our vision was realised while offering his own expert advice. He provided practical solutions that didn't compromise on aesthetics, resulting in a space that is both beautiful and functional. The carpentry workmanship is good, there is nothing much to complain about.

No project is without its challenges, and ours was no exception. However, Dylan was quick to rectify any issues that arose, demonstrating his commitment to delivering a perfect final product. Although we found it necessary to follow up occasionally to check on progress, Dylan's dedication and professionalism shone through.

Overall, we are thrilled with the transformation of our home and would highly recommend Dylan and Starry Homestead to anyone looking for a talented and responsive interior designer. We would not hesitate to engage their services again in the future." - Wita
