# WELCOME

## DEAN OF THE FACULTY OF PODIATRIC SURGERY

Welcome to this year's Faculty of Podiatric Surgery Conference in the great city of Liverpool.

Whether you are attending the Faculty's day today, or extending your stay to enjoy the next three days of the Conference, you are very welcome.

I hope that you have an educational, fun and fascinating time here.

The Faculty's conference offers podiatric surgeons a comprehensive clinical update. It's a chance for us to gather, as a profession, to hear the latest case studies, and it provides an unparalleled opportunity for all of us to listen and to learn from each other.

This year, we have a packed programme with sessions on the spectrum of MIS, the principles of foot and ankle surgery for neurological conditions, osteomyelitis and many more.

I want to thank this year's sponsors, Sovereign Medical, Biocomposites, and Bone Support. I also want to thank the sponsors of our dedicated conference app today, PolyNovo.

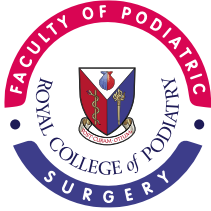

Thanks also go to the companies exhibiting today: celticSMR, deSoutter, Lavender Medical and Marquardi. Thank you for your support.

I want to thank the Chairs of this year's conference, Ewan Kannegieter and Helen Milnes. Thank you for designing an excellent programme and for all of your hard work to make today's event possible.

**Mr Kaser Nazir FRCPodS**  
**Dean of Faculty of Podiatric Surgery, UK**

# ABOUT

## FACULTY OF PODIATRIC SURGERY

The Faculty of Podiatric Surgery is a specialist division within the Royal College of Podiatry in the United Kingdom. The Faculty focuses specifically on the advancement of podiatric surgery, a specialised field within podiatry that involves surgical interventions for foot and ankle conditions.

Podiatric surgery is the surgical management of the bones, joints and soft tissues of the foot and associated structures. A podiatric surgeon is a highly skilled clinician who in addition to a first degree in podiatric medicine continues to study at Master's degree level in podiatric surgery. Podiatric surgeons work with vascular consultants, diabetologists, orthopaedic surgeons, interventional radiologists and other members of multidisciplinary teams to ensure each patient receives the highest quality care and the best clinical outcomes.

Becoming a podiatric surgeon begins by gaining experience working as a podiatrist alongside developing your interest in podiatric surgery by reading, networking and obtaining membership support by joining your local Royal College of Podiatry Regional Deanery group.

The Royal College of Podiatry is the premier podiatry organisation in the United Kingdom. It is a learned society, incorporated on 17 November 1945, and an independent trade union affiliated to the TUC. It provides a range of membership services to podiatrists throughout the United Kingdom and overseas, including education, professional practice guidance, employment support, and malpractice insurance (UK only).

It publishes a bi-monthly professional magazine, The Podiatrist, and holds a scientific conference each year. The College has a number of branches, all over the United Kingdom and overseas, which provide an opportunity to meet fellow podiatrists and discuss matters of mutual interest, and promote continuing professional development for members.

All the College's members in professional practice are registered with the Health and Care Professions Council (HCPC).

### Membership Renewal 2024

Renewing your membership with the Royal College of Podiatry means continuing to be part of a unique community of health professionals working to support foot and lower limb health. Our wide range of benefits have never been more utilised and valued by members.

# CONFERENCE PROGRAMME

PROGRAMME	
08:00-08:15	<b>Registration</b>
08:15-08:20	<b>Chair's welcome</b> Miss Helen Milnes, Conference Co-Chair, Faculty of Podiatric Surgery Mr Ewan Kannegieter, Conference Co-Chair, Faculty of Podiatric Surgery
OPENING SESSION	
08:15-08:20	<b>Session: 1</b> <b>Chair:</b> Miss Helen Milnes, Conference Co-Chair, Faculty of Podiatric Surgery Mr Ewan Kannegieter, Conference Co-Chair, Faculty of Podiatric Surgery
08:20-08:35	<b>Opening address</b> Jane Pritchard, Chief Executive and General Secretary, Royal College of Podiatry
08:35-08:50	<b>Dean's address</b> Kaser Nazir, Dean, Faculty of Podiatric Surgery
08:50-09:10	<b>The principles of foot and ankle surgery for neurological conditions</b> Mr Rick Brown, President, BOFAS
09:10-10:20	<b>The spectrum of MIS</b>
09:10-09:25	<b>Hallux valgus correction via MICA</b> Mr Anthony Wilkinson, Consultant Podiatric Surgeon, Doncaster and Bassetlaw Teaching Hospitals NHSFT
09:25-09:40	<b>The at risk foot - MIS techniques</b> Prof Ros Miller, Consultant Orthopaedic Surgeon, NHS Lanarkshire Universities Hospitals
09:40-09:55	<b>The MIS - MDCO</b> Mr Ben Yates, Consultant Podiatric Surgeon, Great Western Hospitals NHSFT
09:55-10:10 Virtual	<b>Managing Charcot with MIS (Pre-recorded)</b> Dr Noman Siddiqui DPM, Director of Podiatric Surgery at the International Center for Limb Lengthening and Chief of Podiatry at Northwest Hospital
10:10-10:20	<b>Questions</b>
10:20-11:00	<b>MORNING BREAK AND INDUSTRY EXHIBITION</b>

# PROGRAMME (CONTINUED)

ABSTRACTS	
11:00-12:30	<b>Session: 2</b> <b>Chair:</b> Mr James Cowden, Podiatric Surgeon, Faculty of Podiatric Surgery
11:00-11:10	<b>First metatarso-cuneiform arthrodesis and early weight bearing post-operative regime. A systematic review of the literature</b> Mr Derek Protheroe, Specialist Registrar in Podiatric Surgery, Wye Valley NHS Trust
11:10-11:20	<b>Review of diabetic foot surgery in a joint vascular-podiatric surgery NHSE project</b> Mr Ewan Kannegieter, Conference Co-Chair, Faculty of Podiatric Surgery
11:20-11:30	<b>A limb threatening presentation of an infected diabetic foot ulceration with Group B streptococcus pathogen</b> Mrs Andrea Gledhill, Specialist Registrar in Podiatric Surgery, Great Western Hospitals NHSFT
11:30-11:40	<b>A single centre retrospective review on the use of local antibiotics on the surgical outcomes of diabetic foot osteomyelitis</b> Mr James Craven, Specialist Registrar in Podiatric Surgery, Great Western Hospitals NHSFT
11:40-11:50	<b>Short term results on Haglund's resection using double row suture anchor repair of the achilles tendon</b> Mr Harrison Travis, Trainee in Podiatric Surgery, Provide Health
11:50-12:00	<b>Anatomical plantar plate repair: a case series</b> Matt Mee, Podiatric Surgeon, Provide Health
12:00-12:10	<b>Intra-medullary implant for digital fusion</b> Miss Selina Begum, Specialty Registrar in Podiatric Surgery, Provide Health and Mid&South Essex NHSFT
12:10-12:20	<b>Eccrine poroma: a case report</b> Miss Rena Francis, Specialist Registrar in Podiatric Surgery. Derbyshire Community Health Services NHSFT
12:20-12:30	<b>First metatarso-phalangeal joint arthrodesis: outcomes of a 289 patient case series</b> Mr James Cowden, Podiatric Surgeon, Faculty of Podiatric Surgery, University Hospitals Birmingham NHSFT, Sheffield Teaching Hospitals NHSFT and University of Huddersfield
<b>12:30</b>	<b>LUNCH AND INDUSTRY EXHIBITION</b>
MINIMISING RISK	
13:30-15:10	<b>Session: 3</b> <b>Chair:</b> Mr Ewan Kannegieter, Conference Co-Chair, Faculty of Podiatric Surgery
13:30-14:00	<b>VTE - Who's at risk?</b> Mrs Lesley Posmyk, Specialist Registrar, North Tees and Hartlepool NHS Foundation Trust
14:00-14:20	<b>First Contact Podiatry and Podiatric Surgery. RCPod HEE workforce education and reform project: Is collaborative working the way forward?</b> Andrea Gledhill, Specialist Registrar, Great Western Hospitals NHSFT
14:20-14:40	<b>PASCOM-10 Report 2023</b> PASCOM-10 Working Party Mr Andrew Coutts, Podiatric Surgeon, Derbyshire Community

Please note conference programme details may be subject to change, including but not limited to speaker, speaker time, content of session, virtual or in-person attendance.

# PROGRAMME (CONTINUED)

14:40-15:10	<b>Podiatric Surgery Research Network Update</b> Dr Jill Halstead-Rastrick, Clinical Lead for Research and the Podiatry service, Leeds Community Healthcare NHS Trust and Mrs Lesley Posmyk, Specialist Registrar, North Tees and Hartlepool NHS Foundation Trust
15:10-15:45	<b>BREAK AND INDUSTRY EXHIBITION</b>
<b>CONFERENCE DEBATES WITH LIVE VOTING</b>	
15:45-17:30	<b>Session: 4</b> <b>Chair:</b> Miss Helen Milnes, Conference Co-Chair, Faculty of Podiatric Surgery

# WORKSHOP & DEMO ZONE

The following demonstrations will be taking place at exhibitors' stands during the conference at the specified times.

**DEMONSTRATION TIMES: 5.30-6.30PM**

## **USE AND APPLICATION OF CERAMENT IN FOOT AND ANKLE SURGERY**

BONESUPPORT AB is a Scandinavian orthobiologics company that develops and markets CERAMENT®, an innovative range of radiopaque injectable osteoconductive and drug-eluting bioceramic products that have a proven ability to heal defects by remodelling to host bone in six to twelve months. We will discuss how to use in Foot and ankle and demonstrate the mixing of the product and answer questions from the floor.

**SPEAKERS:** Amy Neal – Sales Manager, Simon Morton – Sales Director

**DEMONSTRATION TIMES: 5.30-6.30PM**

## **HOW TO PREPARE STIMULAN RAPID CURE READY FOR USE**

Gemma will be demonstrating how to prepare STIMULAN Rapid Cure ready for use. The only calcium matrix approved for use in bone and soft tissue, suitable carrier for vancomycin, gentamicin and tobramycin.

**SPEAKERS:** Gemma Thomas, National Advocacy/North West Market Development Manager

**DEMONSTRATION TIMES: Morning break, lunch and afternoon break**

## **REGJOINT - SPACER/SCAFFOLD FOR MTP OA AND RA**

RegJoint is a tissue engineered solution using body's own healing mechanism to create a pseudo joint. The implant guides normal scar formation in joint cavity after a surgical operation, forming a flexible connective tissue.

## **PECAPLASTY - COME AND TRY THE PECAPLASTY MIS JIG**

The Pecaplasty System delivers reproducible outcomes in percutaneous bunion correction. The instrument helps navigate the challenges of the procedure by controlling translation and providing accurate placement of the K-wires. PECA® Implants are used to fasten and stabilize the correction during the healing process.

## **SMARTBONE FOR EVANS AND COTTON OSTEOTOMIES**

Video demonstration featuring a case by Kaser Nazir.

# CONFERENCE INFORMATION

## ACCESS

The ACC is fully accessible by wheelchair to all public areas by ramp or lift. If you have any access requirements, specifically in the auditorium, then do please let a member of the organising team know. Alternatively, you may ask any member of staff at the ACC. Admission to conference sessions Please ensure you are in your seat at least five minutes before the start of each session and that any phones or other electronic devices are turned to silent.

## ATTENDEE LIST

A downloadable list of participants (subject to the delegates' permission) is part of your digital delegate bag.

## BADGES

In the interests of security, please make sure that your name badge

is always clearly visible. If you lose your badge, please ask the staff at the registration desk to enable you to reprint a replacement as soon as possible.

## CERTIFICATES OF ATTENDANCE

Certificates will be emailed to delegates within two weeks of the conference taking place.

The certificate will reflect the number of days attended and the number of learning hours awarded.

## CLOAKROOM

There is a cloakroom for general use on the ground floor of the ACC.

Additional space will be made available for luggage on Saturday.

## RCPod rewards

As a member, you can make fantastic savings on a diverse range of products and services, as well as regular special offers through RCPod rewards. The benefits are designed to support you both professionally and personally and include travel, leisure, business and insurance offers.

The cloakrooms are always attended by a member of ACC staff; please note, however, that items are left at your own risk.

## CONFERENCE PRESENTATIONS

Presentations from the conference will be available to download from [rcpod.org.uk/ps23](http://rcpod.org.uk/ps23) after the conference (subject to agreement by the speakers).

## EMERGENCIES

In the event of an emergency please contact a member of staff from Chamberlain Dunn or a member of the ACC security staff, who you will see throughout the building. In all other instances, please dial 999.

## EXHIBITION

The exhibition is an integral part of this conference and the support of all the organisations at the event is greatly appreciated. Please take your time to visit their stands. To see a full list of exhibitors at this year's conference, visit: [rcpod.org.uk/ps23](http://rcpod.org.uk/ps23)

## HEARING LOOP

Should you require this service, please visit the registration desk so that we can ensure it is in place for the sessions you are attending wherever possible.

Note that not all the rooms have this equipment.

## LUNCH

Delegates' lunch is provided and refreshments will be served in room 3A.

Water coolers are also located around the ACC.

## PHOTO AND VIDEO PRODUCTION

Please refrain from taking pictures of the presentations at any time.

There will be photography and/or video production taking place during the conference and the resulting images may be used for promotional purposes online and/or in printed materials.

Delegates who do not wish their images to be included in the material should contact the organisers by email at [comms@rcpod.org.uk](mailto:comms@rcpod.org.uk).

The College cannot be held responsible for your image appearing in photography or video taken by anyone attending the conference.

**HOURS OF LEARNING**

9 HOURS

9 HOURS CPD

5 DEMOS

# CONFERENCE INFORMATION

## PRAYER ROOM

If you require a quiet space to pray, we have allocated a room for your use. Please speak to the registration staff who will direct you.

## REFRESHMENTS

Complimentary refreshments will be served in the exhibition area during the refreshment breaks indicated on the programme. There are several catering points available so please use them all to avoid congestion.

## REGISTRATION DESK

If you have any enquiries, please make your way to the registration desk outside of Rooms 3A/B, where a member of the Chamberlain Dunn team will be at hand to answer any questions or deal with any concerns that you may have. Official opening times are 22 November 2023: 08:00.

## SECURITY

In the interests of security, security personnel will be in different areas of the ACC.

Should you wish to report anything please talk to one of the security staff or contact a member of the conference team at the registration desk.

## SPEAKER LISTINGS

To see who is speaking at this year's conference, a full list is available to view at [rcpod.org.uk/ps23](http://rcpod.org.uk/ps23). Download the conference app to also view speaker info and presentations.

## SOCIAL MEDIA

Delegates are strongly encouraged to Tweet ideas, debate and chat or to send comments at #FoPS2023 during the conference.

## WI-FI

The conference is offering delegates access to a free Wi-Fi service in the venue.

## LIVE VOTING

Live voting during the debates (session 4) will take place via the conference app. To vote go to the 'poll' tab in the session via the 'Event Agenda' or visit <https://pod23-81c61.apps.crowdcomms.com/pod23/live-polling/13646>.

## CONFERENCE APP

To download the conference app please either scan the Qr code below or visit: <https://crowdcomms.com/pod23/>

## DOWNLOAD YOUR PODIATRIC SURGERY 2023 APP

# EXHIBITOR INFORMATION

## Sovereign Medical Group

### Stand 4

Sovereign medical are proud to be silver sponsors of FOPS. Our mission is clear, providing our customers with top quality

and innovative solutions that improve patient outcomes. With over 23 years experience in supplying Podiatric and Orthopaedic surgeons, we are one of the most experienced medical distributors in the UK.

## Biocomposites

### Stand 3

Biocomposites is an international medical device company that engineers, manufactures and markets world leading products

for use in infection management in bone and soft tissue. Based in Keele, UK, it has global operations across Europe, USA, Canada, China and India. Biocomposites is a world leader in the development of innovative calcium compounds for surgical use.

## Bonesupport

### Stand 8

BONESUPPORT™ sells CERAMENT, synthetic bone substitutes that promote and protect bone healing.

There are three CERAMENT products; CERAMENT BONE VOID FILLER, CERAMENT G with gentamicin and CERAMENT V with vancomycin. Our products are used when bone defects cannot heal by themselves.

## Polynovo

### Stand 7

NovoSorb BTM (Biodegradable Temporising Matrix) is a unique synthetic dermal scaffold that provides an effective

reconstructive option for a range of complex wounds.

Including full thickness wounds, pressure ulcers, venous and diabetic ulcers, surgical wounds, trauma wounds, burns, and reconstruction.

## CelticSMR Healthcare

### Stand 6

Celtic SMR are a rapidly growing distributor of diagnostic ultrasound, digital x-ray and therapeutic laser equipment.

## deSoutter Medical

### Stand 1

De Soutter Medical specialise in high performance powered orthopaedic tools.

The Osteodrive II is our most versatile system yet - with small bone surgery in mind, it now has a wider range of attachments and new ergonomic handle enhancing its flexibility and ease of use.

## Lavender Medical

### Stand 5

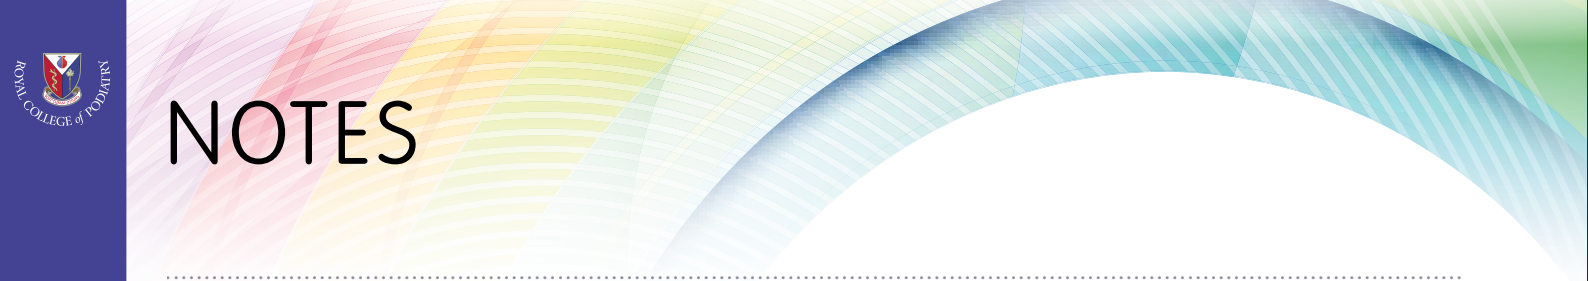

Lavender Medical specialise in supplying innovative products to the orthopaedic community with a particular emphasis on the foot and ankle market. Our company represents several leading research-focused manufacturers to bring the latest technology available to the UK. We have a long association with the UK Podiatric Surgery community.

## Marquardt

### Stand 2

Marquardt Medizintechnik is based in Paichingen, Germany. Founded in 1980 since then production has been consistently geared towards medical implants. Thus, Medical engineering solutions by Marquardt Medizintechnik offer the highest level of innovation, quality and service which is the decisive criteria for excellence in medical engineering.
