Hire work-ready employees by connecting with UACCB

Your business needs skilled employees. UACCB students are ready to start their careers. UACCB Business Connect links local employers with the college's students, instructors and programs—opening doors for students to secure meaningful careers while helping businesses strengthen their teams through training and collaboration.

Whether you're a small business owner, plant manager, HR leader, or public official, UACCB Business Connect offers a valuable platform for finding new talent and upskilling your existing workforce.

Membership costs nothing and is open to all local businesses. Together, we are building a stronger regional workforce.

Discover the Benefits

10% Tuition Savings

When your employees register to attend classes for degree programs, ask them to tell their Navigator that their employer is a member of UACCB Business Connect.

Find Work-Ready Employees

Visit **UACCB's Career Coach Employer Portal**, create an account and start posting your jobs. If you need help creating your account or logging in, contact Scott Phillips.

If you've posted a job to Career Coach and want referrals of work-ready students, vetted by our faculty, contact us.

Networking

Watch your email for invitations to our quarterly UACCB Business Connect luncheons.

Guide Workforce Training

If you are interested in representing your industry on one of our advisory boards, contact Scott Phillips.

Student & Staff Discount Program

Attract more customers and show your support for education by offering special discounts to UACCB students and staff. Participating in our optional **Student & Staff Discount Program** encourages our campus community to shop locally!
