EMPOWERING COMMUNITIES  
THROUGH EDUCATION

---

# About the Foundation

Established in 2016, the Sofia Luna Azzola Foundation is dedicated to supporting the local communities of Zanzibar, with a strong focus on early childhood education. Through meaningful initiatives and long-term engagement, the Foundation continues to create lasting impact by improving learning environments and opportunities for children.

# Our Journey & Key Projects

## 2017 – Library Renovation

The Foundation began its mission by renovating the library room at Kilindi Government Primary & Secondary School, creating a more engaging and accessible learning space for students.

## 2018 – Nursery Classroom Development

The nursery classroom at Kilindi School was fully renovated and equipped with teaching and learning materials in line with government standards.

In addition, the Foundation supported the initiative by funding teachers' salaries until 2020.

## 2019 – Swahib Al-Huda Nursery School, Kendwa

A milestone project, the Foundation constructed a fully equipped nursery school featuring:

- 5 classrooms
- Secure fenced compound
- Modern sanitation facilities
- Water and electricity connections

The Foundation continues to actively support the school by providing:

- Teaching and learning materials
- Daily meals for students
- Electricity and maintenance support
- Weekly cleaning and ongoing renovations

Community Engagement:

- Students are hosted weekly for breakfast at Gold Zanzibar Beach House & Spa
- Swimming lessons are organized for children
- Guests and staff visit the school twice weekly

# Our Journey & Key Projects

## 2022 – Thaqafa Nursery School, Jendweni

The Foundation undertook a major renovation project, including:

- Construction of 6 new classrooms
- 2 teachers' offices
- 4 standard toilets
- Installation of learning and teaching materials

## 2023 – Pongwe Primary & Secondary School

In collaboration with the local government, the Foundation completed a comprehensive renovation:

- 7 new standard toilets
- Full repainting of the school
- Repair of classroom floors
- Installation of a borewell for clean water access

# Our Mission Today

The Foundation remains committed to supporting the education and well-being of Zanzibar's local communities, ensuring children have access to safe, inspiring, and well-equipped learning environments.

# Looking Ahead: Youth Football Camp

The Foundation is currently working towards establishing a Youth Football Camp in Kendwa Village.

This initiative aims to:

- Promote mental well-being through sports
- Provide structured recreational activities for children
- Reduce informal football activities on beach shores, enhancing both community life and guest experiences
