

Praise from Our Clients

"I was fortunate to have found and hired John and Lori Ankarstran as my Realtors®. I was tasked with selling my sister's house in Georgia but I lived in Maryland. They were very professional, knowledgeable, communicative and hands on. They coordinated contractors to perform repairs to the home, provided guidance on the estate sale process, and kept me informed on every step of the listing and sales process through settlement. John and Lori went the extra mile to ensure my sister's best interest were first and foremost. I could write a book about how I absolutely could not have sold the home without them during a challenging real estate market and economy.

If you are looking for Realtors® that you can trust and depend on, who provide exceptional client services, who communicate well and often, and who are professional yet also personable, then hire John and Lori Ankarstran. They will not disappoint." Jean Moss
