SOLUTIONS TO CARRY, PROTECT
& CONNECT YOUR TECHNOLOGY

Targus is the leading global provider of accessories to carry, protect, and connect your tech

Your trusted advisor...

Award-Winning Innovation

Consistently delivering first-to-world solutions across tech-accessory categories.
Number of Patents: **126 patents** / **82 patents pending**

Compatibility Promise

Our brand promise empowers a seamless life. Your tech-accessories will work with your devices today and your devices of tomorrow to give you peace of mind.

Brand Quality

With products sold in 100+ countries we are your global tech-accessory expert.
Distribution Points: **100 Countries**
Product Portfolio: **1000+**
Number of Bags Sold: **300M+**
Number of Accessories Sold: **100M+**

Global Alliances

We have a leading edge to support new technology with long term alliances with the world's largest OEMs including HP, Lenovo and Dell, plus partnerships with Samsung and Microsoft.

Connectivity

Connect without complexity and create productive workspaces

Over half of all companies (53%) **use more than one type of operating system** as standard, creating complexity for decision makers around tech compatibility.

95% of decision makers **state it is important** for their organizations to have **tech accessories that work for all types of computer models.**
Work well anywhere

Flexible Workers

Universal device connectivity and power

Privacy and security

Physical damage protection
Those going to the office for only a few hours or days a week, most companies are adopting a hot-desking approach.
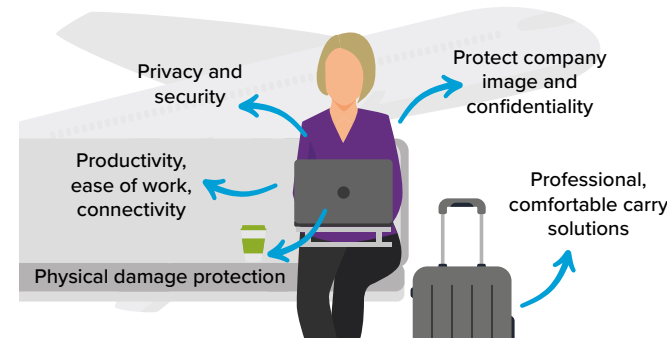

Home Workers

Collaboration tools

Work well solutions

Physical damage protection

Facilitate remote work and deliver comfort, productivity and colleague collaboration as standard.

Non-deskbound

Physical damage protection

Privacy and security

Comfortable carry solutions

Universal device connectivity and power back office capability

Technology is increasingly demanded in sectors such as emergency first-response, retail, manufacturing and construction.

Frequent Travelers

Privacy and security

Protect company image and confidentiality

Productivity, ease of work, connectivity

Professional, comfortable carry solutions

Physical damage protection

Staying comfortable, productive and professional whilst on the move is critical for the individual and reflects positively for the client.

CONNECT WITHOUT COMPLEXITY

SETTING UP YOUR WORKSPACE

Look **STRAIGHT AHEAD**: have your monitor at eye level or just below and an arm's length away. If using multiple monitors, angle them inwards to reduce neck rotation.

Give your **EYES** a break. Every 20 minutes, look 20 feet away for 20 seconds. 20-20-20.

ELBOWS and **FOREARMS** level with the desk surface, with shoulders down and relaxed. Adjust chair height or prop yourself up with additional cushions.

FEET planted on the floor. A footrest is ideal; alternatively, use a box.

Keyboard and mouse positioned close to the edge of the desk to avoid unnecessary stretching. Don't shrug **SHOULDERS** when typing and mousing; lower the work surface or adjust your chair height to avoid this.

Sit **BACK** taking full backrest support. Adjustable chairs are ideal. For more lumbar support, place a cushion or rolled up towel behind you.

Keep **THIGHS** parallel to the floor, knees slightly lower than the hips.

Regular **MOVEMENT** is key. Get up from your chair 2-3 times an hour for 30-60 seconds or 5-10 minutes every hour. Add dynamic stretches to daily routines as well as walking.
Space limitations and available accessories can impact your ability to work well. Whether you have a dedicated workspace or work at the kitchen table, here are some recommended solutions to make the space comfortable and productive.

1. **USB-C Universal DV4K Docking Station with 100W Power Delivery with Legacy Host Power Kit**
   DOCK192USZ

2. **17" Dual Fan Chill Mat**
   AWE55US

3. **65W USB-C Charger**

Docking Station VESA Mount

Creating a Clutter-Free Work Environment

Ideal for shrinking desktops and tight spaces, the Docking Station VESA Mount frees your desk from additional clutter. Easily attach the bracket to your VESA-compatible monitor or Ergo arms with the four included mounting screws. Two additional mounting screws are then screwed into the bottom of your compatible Targus dock, allowing it to effortlessly slide onto the mounting bracket in a vertical or horizontal position.
- Attach to a VESA-compatible monitor or Ergo arms
- Mount your compatible Targus docking station horizontally or vertically
- Designed for monitors with 75 x 75mm or 100 x 100mm VESA standard

- Compatible with Targus docks: DOCK182, DOCK192, DOCK310, DOCK315, DOCK430, DOCK460, DOCK570, DOCK710, DOCK750

● ACX003GLZ

Meet Targus MiraLogic®

Targus MiraLogic® is a **unique solution that caters for the security and operational needs** of IT decision-makers, managers, and the wider workforce.

The Workspace Intelligence System **combines enterprise-grade hardware with proprietary cloud software.** This gives technical and management teams full remote control and visibility over modular IT ecosystems that are located either in the office or remote.

Benefits

Remote Management and Monitoring (RMM) capabilities for devices, docks, and peripherals

Access to a rich pool of workplace insights at their fingertips, in order to make data driven decisions

Real-time operational visibility to help them reduce the running costs of company workspaces

Enhanced security and support capabilities, for greater employee flexibility

What does MiraLogic® do?

MiraLogic®
WORKSPACE INTELLIGENCE SYSTEM

Workspace insights at your fingertips

- Understand and optimize power consumption with remote power monitoring and workspace control

- Maximise available space and reduce real estate costs with occupancy and scheduling insights

- Run an inventory of all displays and accessories connected site wide

Security and reliability

- Protects data via mission critical security (DoD) independently assessed by Praetorian Cybersecurity

- Eliminates dropped data and bottlenecks to meet enterprise, commercial and industrial performance requirements

- Guarantees true end-to-end security through separate encryption keys

Device management and user support

- Perform soft resets, power cycles and OTA firmware updates for devices and peripherals with RMM

- Create profiles for a standard workspace setup with automated and remote asset management

- Authenticate using on-premises credentials and access all resources in the cloud with Azure Active Directory and Web SSO

...and we're continually developing more.

MiraLogic™ Collection

Workspace Intelligence System

MiraLogic™ Universal Smart Dock

- Provides device management and control using MiraLogic Cloud Platform
- Remote firmware upgrade using MiraLogic Cloud Platform
- Remote Asset Management using MiraLogic Cloud Platform

DOCK810USZ

MiraLogic™ Smart Sensor

- Workspace occupancy and scheduling using MiraLogic Platform
- Humidity and temperature sensor provides valuable data for safer and healthier workspaces

ACS810GLX

MiraLogic™ Smart Power Strip

- Energy consumption data for each slot to optimise energy consumption that contributes to a more sustainable planet
- Remotely turn on/off power to any connected devices

US – APS811USZ

MiraLogic™ Smart Retrofit Adapter

- Allow non-smart dock management (power cycle/reset only) using MiraLogic platform
- Works as iOT gateway to facilitate connectivity of smart sensor and smart strip using MiraLogic platform

ACC81000GLX

MiraLogic® software and connectivity

Targus
MiraLogic®
WORKSPACE INTELLIGENCE SYSTEM

Software

- AWS-hosted user interface and dashboards

- Compatible with all OS (Windows, Mac & Chrome) and browsers

- No 'Smart Dock' agent software installed on host devices

- Robust API capability for integration into third party platforms (Managed Software, ERP & SCCM) or similar for remote management packages

Connectivity

- Ethernet, Wi-Fi, and Bluetooth mesh networks deliver secure communications

- Peer-to-peer comms and multipath message relay ensure uninterrupted message delivery

- Enables thousands of devices to communicate with each other while proprietary Bluetooth mesh automatically optimizes data flow among all devices

- AES-CCM with 128-bit keys, ensures multi-level encryption and authentication

POWER CONSUMPTION VISUALIZATION HEAT

Powering a new way of life

3 in 5 people (61%) carry a charger for their laptop, phone, or tablet every day

Targus PowerElite™ Wall Chargers are safer, cooler and more efficient compared to conventional chargers. By using Gallium Nitride (GaN) and the latest USB-C protocol, Targus is able to enable smart, reliable power delivery universally across all your devices and in 140 countries.

Smart
Targus PowerElite™ chargers provide super fast charging with up to 100W power for single device. Most modern smart devices have clever power management to control recharge speeds, which also aids battery longevity of the devices. These chargers leverage PPS (Programable Power Supply) which dynamically meets power requirements of your device real-time, helping to maintain your device battery health.

Universal
Targus PowerElite™ Chargers integrate both USB-C and USB-A charging ports, which means you can charge practically anything from smart watches or headphones to smart devices to laptops. In addition, travel friendly adapters are included so the charger is able to work in over 140 countries.

Reliable
Safety is synonymous with Targus power products for decades. Carefully designed circuitry ensures complete compliance with the strictest of certifications across the globe, keeping you and your devices safe. Utilizing latest USB-C PD (Power Delivery) and PPS (Programable Power Supply) charging protocol, our PowerElite™ Chargers can synchronise with your devices to alter power delivered real time, protecting against over-voltage, over-current and over heating.

Power

Keep your laptop and smart devices topped up with next generation AC power adapters

Quick Tip

We know that sometimes it is difficult to remember how much power or wattage the AC power adapter supplies to your laptop or smart device. Here's a rule of thumb:

- 5-20W – smartphones and tablets
- 45W – most 11.6 - 14 inch laptops
- 65W – most 14 - 15.6 inch laptops
- 90-100W – most 15.6+ inch laptops

Tech Accessories

Create clean, comfortable and productive workspaces

91% of decision makers believe **better tech and accessories enhance productivity**

90% of decision makers say better tech and accessories have a **positive impact on job satisfaction**

82% of workers say they would be **negatively impacted** if they didn't have tech accessories

Protection is in our DNA

A New Standard in Clean

Work well anywhere with accessories featuring integrated **DefenseGuard™ Antimicrobial Protection** for a cleaner workspace. Proven to protect bags, cases, keyboards and mice against germs, it won't wear off or wash off and will remain effective for the lifetime of the product.

Independent laboratory testing to standards including JIS Z 2801 and ISO 22196:2011 demonstrated a **99.9% reduction** of Staphylococcus Aureus (Staph Infection) and Escherichia Coli (E. coli).

BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard™ products to provide all-round protection, continuously neutralizing bacterial threats to provide a durable, cleaner surface.

*Antimicrobial product protection is limited to the case or device itself.

Conferencing Accessories

Make conferencing easy

Ideal for small and mid-sized meeting spaces, the Targus All-in-One 4K Video Conference System makes conferencing easy by ensuring clear video capture, crisp sound delivery and intelligent voice pick up, all wrapped within an ultra-compact frame. Featuring 4K ultra HD camera, stereo wide-band speakers, noise canceling 6 microphone array and plug and play compatibility, it's all you need for simple, easy to use conferencing.

All-in-One 4K Video Conference System

Properly Positioned

- Made to integrate in to nearly any room setup, the soundbar can be easily wall mounted (mounting bracket included), sit firmly on any surface thanks to its anti-slip rubber base, or can be seamlessly placed on a display. Once positioned, tilt the base or camera to score the perfect angle.

On display mount   Mounting bracket

Visual

- 4K 30p UHD Webcam (resolution up to 3840 x 2160 @ 30 fps) with high quality glass lens
- Bright f/2.2 lens combines with large 1 / 2.8 type low illumination SONY® CMOS sensor provides clear, crisp video even in meeting rooms with poor lighting
- Backlight Compensation ensures

participants faces are not blacked out when located near windows

- Ideal for equipping modern small – mid-sized meeting room with conferencing capability, thanks to 120 degrees field of view (horizontal) wide angle camera
- Fine tune framing with 5x digital zoom, 16° pan and 10° tilt function

Microphone

- Crisp audio pickup up to 6 m, thanks to 180° 6-mic array with Auto Gain Control, great for meeting rooms up to 8 people. Stay focused on the meeting with environmental noise suppression

Speaker

- Tuned for speech, dual 4 cm wide band 3 W speaker with 200 – 16 kHz frequency ensures quality sound delivery during conference calls

Convenience

- Remote Control (included) for easy camera and audio controls
- Convenient LED ring status light for camera/microphone when active or muted
- Multi-positional and wall-mountable with an anti-slip base for proper placement
- Wall mount bracket included with tool-less thumb screws
- Rear 3.5mm aux audio output port
- Easy USB plug and play functionality (2 m cable included) for Windows® and MacOS®. compatible with major conferencing software

Empowering Security Anywhere

Privacy screens and security locks

Prevention is the best policy

Employee expectations and behaviors are changing, and businesses must prepare themselves to protect their security and privacy.

Stay compliant

Whether you are responsible for data protection and privacy, Targus locks and privacy screens are very effective against visual hacking and device theft.

DID YOU KNOW?

A laptop computer has a **1-in-10 chance of being stolen*** and **98%** of stolen laptops are never recovered**.

Whether you are working, gaming or web-surfing on your laptop, don't forget locks are the simplest form of theft prevention.
95%

of respondents from a recent survey say **working privately is important to them*****.

Source: *Norton. **FBI. ***Ipsos and Steelcase

Lock Solutions

From keyed to combo, find the right security solution for you

Step 1: Pick between Keyed vs Combo

Targus DEFCON™ Cloud Portal

Each lock with its unique serial number and combination code can be registered to the Portal, offering simple, controlled access to combination codes. Combinations can be retrieved from anywhere in the world: perfect for the modern, dispersed business.

	Keyed	VS	Combination
Benefit	No codes to remember		No physical key required
Options:	Single lock/single key – a single key unlocks the individual lock		Resettable – have the freedom to choose and reset your 4-digit code
	Master Key – pack of 25 locks come with individual keys AND a master key that allows IT manager the ability to unlock all units		Serialized – unique 4-digit code is pre-set. Lost codes can be retrieved through secure portal

Step 2: Identify your lock slot type: T-Lock, Nano, or Wedge.
Don't know what you have – we have the **Ultimate Universal Lock** that works on all three.

The Ulimate Universal Lock

Introducing the DEFCON™ ASP9 Series

The **DEFCON™ ASP9 Series** removes the need to have different lock heads. The unique Targus patented design allows the user to simply adapt the lock to the right size to fit the device slot at a twist of a dial, offering truely universal compatibility.

Connects to nearly any device

Legacy T-Lock Slot

Wedge Shaped Lock Slot

Compact Nano Lock Slot
The ASP9 series is available in keyed or serialized combination format, fitting the needs of personal, SMB or enterprise users.

Engineered for peace of mind
Targus cable locks are all **tested to destruction** and can withstand at least 90Kg of direct pull force and 162Kg of shear force.

TENSION   SHEAR
The ASP9 Series Adaptive Lock Head
Simply insert the jaws into the device lock slot and rotate the dial opening up the jaws until the adaptive lock head is engaged.

The Ulimate Universal Lock

DEFCON™ Ultimate Universal Keyed Cable Lock

- Unique, world's first adaptable lock head transform the lock to fit the lock slot at a twist of a dial, eliminates the need for interchangeable heads
- 360° rotating head for easy and versatile fitting

- Key locking mechanism. Supplied with 2 keys giving you the peace of mind of a back-up key
- Tough, cut-proof 2m (6.5ft) galvanised steel cable

● Fixed Single – ASP95GL Master Keyed (25pk) – ASP95MKGLX-25

DEFCON™ Ultimate Universal Combination Cable Lock

Need to lock more than 1 device?
Our ASP9XD series ultimate universal locks tethers provide an elegant solution that allows you to add as many lock heads to an existing cable lock as you need to.

- Unique, world's first adaptable lock head transform the lock to fit the lock slot at a twist of a dial, eliminates the need for interchangeable heads
- 360° rotating head for easy and versatile fitting

- Pre-set 4 wheel combination lock with a potential 10,000 possible settings to deter theft
- Tough, cut-proof 2m (6.5ft) galvanised steel cable

● Fixed Single – ASP96GLX-S Resettable – ASP96RGLX
Fixed Serialized (25pk) – ASP96GLX-25S
Serialized Dual Head Converter (25pk) – ASP96DGLX-25S

Single Function Locks

A range of keyed and combination single function locks dedicated to a single lock slot type

DEFCON™ Combination Cable Lock (T-lock)

● Resettable (1pk) – PA410U Serialized (1pk) – PA410S-1
Serialized (25pk) – PA410S-25

DEFCON™ Keyed Cable Lock (T-lock)

● Keyed (1pk) – ASP48USX
Master Keyed (25pk) – ASP48MKUSX-25

DEFCON™ Compact Combination Cable Lock (Nano)

● Seralized (1pk) – ASP71GLX-S
Serialized (25pk) – ASP71GLX-25S

Webcam Covers

Protect yourself from hacked webcams

Spy Guard Webcam Cover – 3 pack

- Easy to apply design provides visual security
- Slim size allows for most laptops to close without a gap
- Adhesive provides a secure fit on your laptop
- Sliding closure easily opens and closes to keep camera and device scratches at bay

Why choose an EcoSmart® bag?

Plastic bottles are reborn to make EcoSmart® cases. From the bag lining to the body and trim, the EcoSmart process protects the planet without compromising the brilliant features and ergonomic comfort you expect from Targus bags.

We take recycled plastic bottles > **Reform them into plastic pellets** > **Then convert the pellets into yarn** > **Which is woven into material** > **To produce our EcoSmart® bags**

83% of organizations believe their sustainability efforts impact their **employee retention** and **talent attraction**

Coastline Collection

Make waves with a bag that does more

Created from ocean-bound* plastic, we're not only safeguarding devices, but supporting coastal communities and helping keep our waterways clear

● TBT940GL

Made from **29** PET bottles

*Ocean-bound or prevented/diverted plastic is plastic waste recovered from within 50km an ocean coastline or major waterway that feeds into the ocean in a geographic region that lacks formal waste management. Except in the case of a sea, material collected from major waterways may be no further than 200km from the mouth or end point of that waterway.

Our finest choice with superior tech protection

A Traveler's Companion

The patented checkpoint-friendly design allows you to send your bag through TSA screenings without removing your laptop. Just unzip to lay the bag flat. Designed to meet airport standards the checkpoint-friendly feature allows the laptop to remain inside the case for a clear X-ray scan.

Drop Protection

A laptop compartment with the SafePort® Sling Protection System delivers industry-leading protection against accidental drops or damage.

YOUR LOGO HERE

CONVENIENT ORDER PROCESS

1 Contact your Targus representative for inquiries and to begin your order.

2 Provide your Targus representative with your desired logo in a vector file.

3 A digital simulation of the product with logo placement will be provided for your approval.

4 Upon approval of the digital simulation, a custom part number will be created by Targus and supplied to the desired reseller for quoting and order processing.

ONE PO, ONE SUPPLIER, ONE DELIVERY, ONE INVOICE. SIMPLE.

*Logo boxes indicate areas on product which are suitable for printing. Typically there must be at least a 6 cm gap between the logo and edge of the panel being printed on. Logos with small fonts or intricate details may need to have a background ensure sufficient surface area for bonding to material. Pricing is based on one logo per bag.
