

Targus[®]

Carry. Protect. Connect.

Workplace Solutions
for Enterprise and SMBs

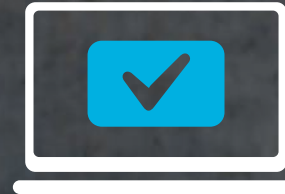

Targus is the leading global provider of accessories to carry, protect, and connect your tech

Your trusted advisor...

Award-Winning Innovation

Consistently delivering first-to-world solutions across tech-accessory categories.
Number of Patents: **126 patents / 82 patents pending**

Compatibility Promise

Our brand promise empowers a seamless life. Your tech-accessories will work with your devices today and your devices of tomorrow to give you peace of mind.

Brand Quality

With products sold in 100+ countries we are your global tech-accessory expert.
Distribution Points: **100 Countries**
Product Portfolio: **1000+**
Number of Bags Sold: **300M+**
Number of Accessories Sold: **100M+**

Global Alliances

We have a leading edge to support new technology with long term alliances with the world's largest OEMs including HP, Lenovo and Dell, plus partnerships with Samsung and Microsoft.

Market experts using Targus-owned, GfK and Context data

Offices worldwide

Products sold to **over 100 countries**

Laptop Bags 

Tablet Cases 

Connectivity

Connect without complexity and create productive workspaces

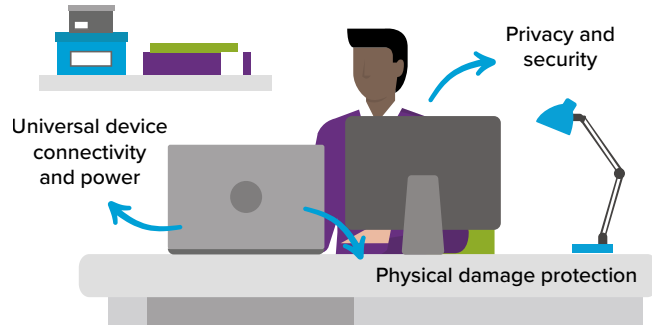

Over half of all companies (53%) use more than one type of operating system as standard, creating complexity for decision makers around tech compatibility.

95% of decision makers state it is important for their organizations to have tech accessories that work for all types of computer models.

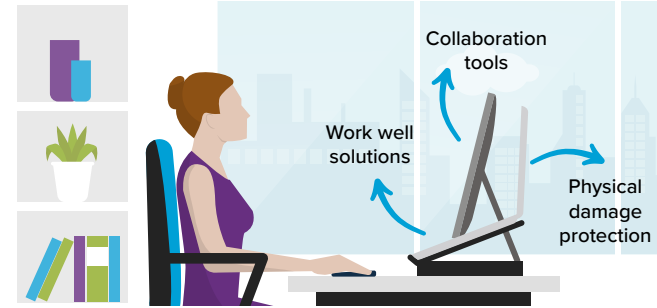

Work well anywhere

Flexible Workers

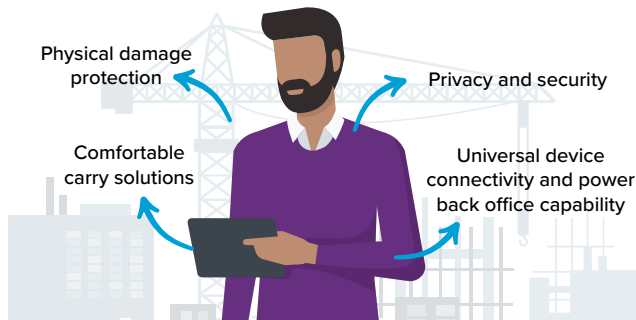

Those going to the office for only a few hours or days a week, most companies are adopting a hot-desking approach.

Home Workers

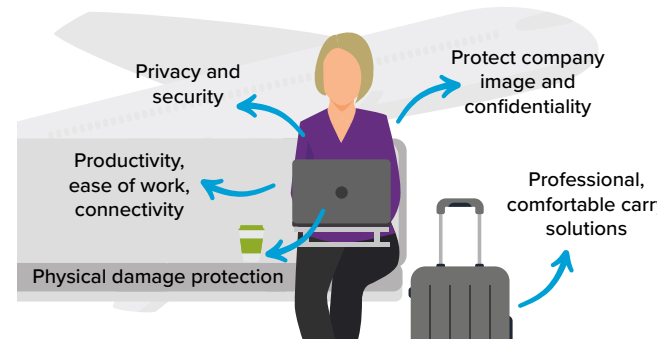

Facilitate remote work and deliver comfort, productivity and colleague collaboration as standard.

Non-deskbound

Technology is increasingly demanded in sectors such as emergency first-response, retail, manufacturing and construction.

Frequent Travelers

Staying comfortable, productive and professional whilst on the move is critical for the individual and reflects positively for the client.

SETTING UP YOUR WORKSPACE

Look **STRAIGHT AHEAD**: have your monitor at eye level or just below and an arm's length away. If using multiple monitors, angle them inwards to reduce neck rotation.

Give your **EYES** a break. Every 20 minutes, look 20 feet away for 20 seconds. 20-20-20.

ELBOWS and **FOREARMS** level with the desk surface, with shoulders down and relaxed. Adjust chair height or prop yourself up with additional cushions.

FEET planted on the floor. A footrest is ideal; alternatively, use a box.

Keyboard and mouse positioned close to the edge of the desk to avoid unnecessary stretching. Don't shrug **SHOULDERS** when typing and mousing; lower the work surface or adjust your chair height to avoid this.

Sit **BACK** taking full backrest support. Adjustable chairs are ideal. For more lumbar support, place a cushion or rolled up towel behind you.

Keep **THIGHS** parallel to the floor, knees slightly lower than the hips.

Regular **MOVEMENT** is key. Get up from your chair 2-3 times an hour for 30-60 seconds or 5-10 minutes every hour. Add dynamic stretches to daily routines as well as walking.

DELIVER THE RIGHT TOOLS FOR THE JOB

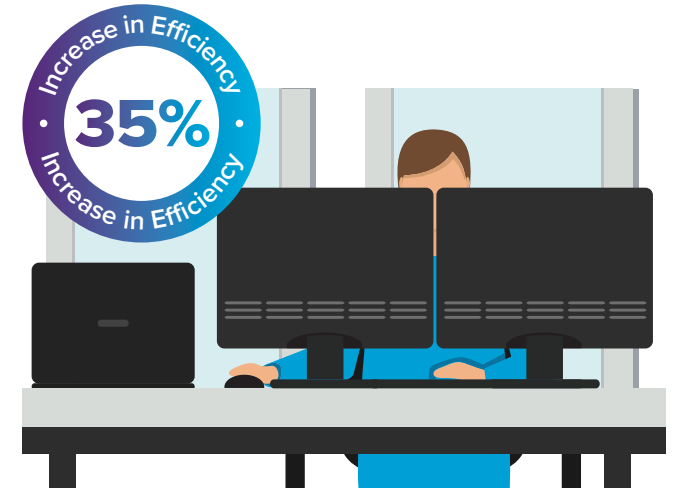

1 Screen Setup Laptop

- Meet health & safety guidance
- Elevate laptop screen to eye height, add a keyboard and mouse

2 Screen Setup Laptop + Screen

- Dock your device and increase efficiency by **30 hours per person per year**, with a ready to go workspace
- **25% increase in efficiency** by adding just 22 inches more viewing space

3+ Screen Setup Laptop + 2 Screens

- Add a third screen can **increase efficiency by another 10.5%** – that's a **35.5%** increase overall
- An **increase of 1.5-3 hours per day** in productive time

IMPROVE YOUR WORKSPACE AT HOME,
AT THE OFFICE, ON THE MOVE.

Docking Station VESA Mount

Creating a Clutter-Free Work Environment

Ideal for shrinking desktops and tight spaces, the Docking Station VESA Mount frees your desk from additional clutter. Easily attach the bracket to your VESA-compatible monitor or Ergo arms with the four included mounting screws. Two additional mounting screws are then screwed into the bottom of your compatible Targus dock, allowing it to effortlessly slide onto the mounting bracket in a vertical or horizontal position.

- Attach to a VESA-compatible monitor or Ergo arms
- Mount your compatible Targus docking station horizontally or vertically
- Designed for monitors with 75 x 75mm or 100 x 100mm VESA standard
- Compatible with Targus docks: DOCK182, DOCK192, DOCK310, DOCK315, DOCK316, DOCK18102, DOCK430, DOCK570

Workspace insights

at your fingertips

Meet Targus MiraLogic®

Targus MiraLogic® is a **unique solution that caters for the security and operational needs** of IT decision-makers, managers, and the wider workforce.

The Workspace Intelligence System **combines enterprise-grade hardware with proprietary cloud software.** This gives technical and management teams full remote control and visibility over modular IT ecosystems that are located either in the office or remote.

Benefits

Remote Management and Monitoring (RMM) capabilities for devices, docks, and peripherals

Access to a rich pool of workplace insights at their fingertips, in order to make data driven decisions

Real-time operational visibility to help them reduce the running costs of company workspaces

Enhanced security and support capabilities, for greater employee flexibility

What does MiraLogic® do?

Workspace insights at your fingertips

- Understand and optimize power consumption with remote power monitoring and workspace control
- Maximise available space and reduce real estate costs with occupancy and scheduling insights
- Run an inventory of all displays and accessories connected site wide

Security and reliability

- Protects data via mission critical security (DoD) independently assessed by Praetorian Cybersecurity
- Eliminates dropped data and bottlenecks to meet enterprise, commercial and industrial performance requirements
- Guarantees true end-to-end security through separate encryption keys

Device management and user support

- Perform soft resets, power cycles and OTA firmware updates for devices and peripherals with RMM
- Create profiles for a standard workspace setup with automated and remote asset management
- Authenticate using on-premises credentials and access all resources in the cloud with Azure Active Directory and Web SSO

...and we're continually developing more.

MiraLogic™ Collection

Workspace Intelligence System

MiraLogic™ Universal Smart Dock

- Provides device management and control using MiraLogic Cloud Platform
- Remote firmware upgrade using MiraLogic Cloud Platform
- Remote Asset Management using MiraLogic Cloud Platform

DOCK810USZ

MiraLogic™ Smart Power Strip

- Energy consumption data for each slot to optimise energy consumption that contributes to a more sustainable planet
- Remotely turn on/off power to any connected devices

US - APS811USZ

MiraLogic™ Smart Sensor

- Workspace occupancy and scheduling using MiraLogic Platform
- Humidity and temperature sensor provides valuable data for safer and healthier workspaces

ACS810GLX

MiraLogic™ Smart Retrofit Adapter

- Allow non-smart dock management (power cycle/reset only) using MiraLogic platform
- Works as IoT gateway to facilitate connectivity of smart sensor and smart strip using MiraLogic platform

ACC81000GLX

MiraLogic[®] software and connectivity

Software

- AWS-hosted user interface and dashboards
- Compatible with all OS (Windows, Mac & Chrome) and browsers
- No 'Smart Dock' agent software installed on host devices
- Robust API capability for integration into third party platforms (Managed Software, ERP & SCCM) or similar for remote management packages

Connectivity

- Ethernet, Wi-Fi, and Bluetooth mesh networks deliver secure communications
- Peer-to-peer comms and multipath message relay ensure uninterrupted message delivery
- Enables thousands of devices to communicate with each other while proprietary Bluetooth mesh automatically optimizes data flow among all devices
- AES-CCM with 128-bit keys, ensures multi-level encryption and authentication

POWER CONSUMPTION VISUALIZATION HEATMAP

Powering a new way of life

3 in 5 people (61%) carry a charger for their laptop, phone, or tablet every day

Smart

Targus chargers provide super fast charging with up to 100W power for single device. Most modern smart devices have clever power management to control recharge speeds, which also aids battery longevity of the devices. These chargers leverage PPS (Programmable Power Supply) which dynamically meets power requirements of your device real-time, helping to maintain your device battery health.

Universal

Targus chargers integrate both USB-C and USB-A charging ports, which means you can charge practically anything from smart watches or headphones to smart devices to laptops.

Reliable

Safety is synonymous with Targus power products for decades. Carefully designed circuitry ensures complete compliance with the strictest of certifications across the globe, keeping you and your devices safe. Utilizing latest USB-C PD (Power Delivery) and PPS (Programmable Power Supply) charging protocol, our chargers can synchronise with your devices to alter power delivered real time, protecting against over-voltage, over-current and over heating.

Power – Wall Style

Keep your laptop and smart devices topped up with next generation AC power adapters

65W Multi-Port GaN Wall Charger

Quick Tip

We know that sometimes it is difficult to remember how much power or wattage the AC power adapter supplies to your laptop or smart device. Here's a rule of thumb:

- 5-20W – smartphones and tablets
- 45W – most 11.6 - 14 inch laptops
- 65W – most 14 - 15.6 inch laptops
- 90-100W – most 15.6+ inch laptops

*1 USB-C port serves as both an input and output port. **Configured to stay below 27,000 mAh FAA/TSA limit.

Tech Accessories

Create clean, comfortable and productive workspaces

91%

of decision makers believe **better tech and accessories enhance productivity**

of decision makers say better tech and accessories have a **positive impact on job satisfaction**

82%

of workers say they would be **negatively impacted** if they didn't have tech accessories

All in the Design

Enhancing tech accessories with antimicrobial and eco-friendly materials

DefenseGuard® Antimicrobial Protection

Setting a new benchmark for cleanliness in tech accessories. Many of our products now feature **DefenseGuard®**, an advanced antimicrobial additive designed to help neutralize bacteria and viruses or the growth of such microorganisms. This protection is built to last – it won't wash off or wear away – ensuring a cleaner surface for the life of the product.

*Antimicrobial protection is limited to the product itself. Testing of Targus antimicrobial materials includes the JIS Z 2801 and ISO 22196:2011 standards at independent laboratories, which has demonstrated 99.9% reduction of Staphylococcus aureus (Staph Infection) and Escherichia coli (E. coli).

Look for the **DefenseGuard®** logo on applicable products

EcoSmart®: Simply Sustainable

Our mission: Reduce e-waste without compromising quality. Since 2008, our EcoSmart® collection has incorporated materials made from recycled PET polyester, plastic bottles, and other GRS-certified post-consumer plastics – helping minimize environmental impact. Designed for durability, protection, and productivity, EcoSmart® is the smart choice for eco-conscious professionals on the move..

Work Without Worry

Privacy screens and security locks

Prevention is the best policy

Employee expectations and behaviors are changing, and businesses must prepare themselves to protect their security and privacy.

Stay compliant

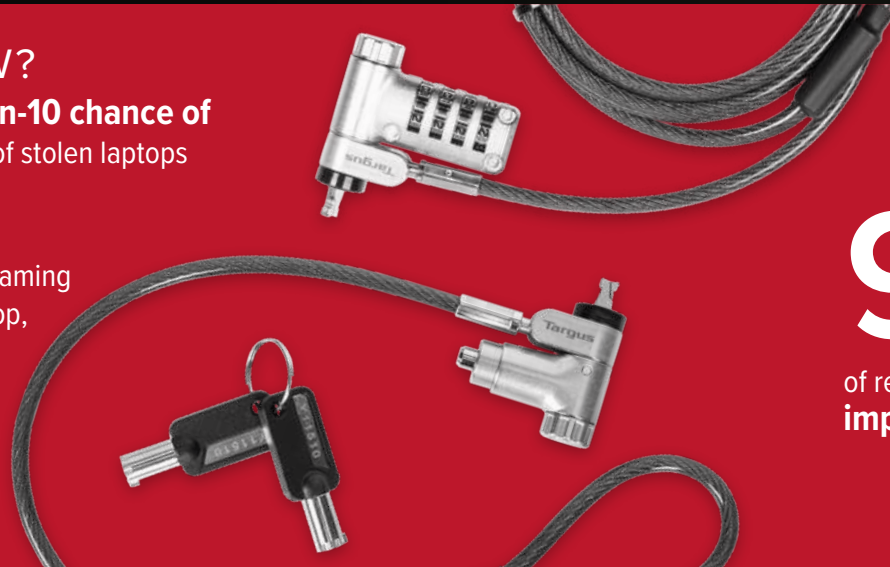

Whether you are responsible for data protection and privacy, Targus locks and privacy screens are very effective against visual hacking and device theft.

DID YOU KNOW?

A laptop computer has a **1-in-10 chance of being stolen*** and **98%** of stolen laptops are never recovered**.

Whether you are working, gaming or web-surfing on your laptop, don't forget locks are the simplest form of theft prevention.

95%

of respondents from a recent survey say **working privately is important to them*****.

Source: *Norton. **FBI. ***Ipsos and Steelcase

Lock Solutions

From keyed to combo, find the right security solution for you

Step 1: Pick between Keyed vs Combo

Keyed

Benefit

No codes to remember

Options:

Single lock/single key – a single key unlocks the individual lock

Master Key – pack of 25 locks come with individual keys AND a master key that allows IT manager the ability to unlock all units

VS

Combination

No physical key required

Resettable – have the freedom to choose and reset your 4-digit code

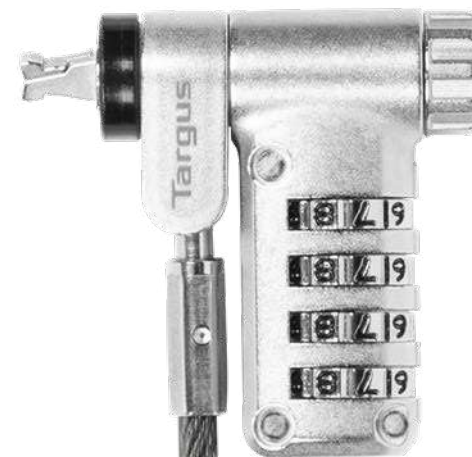

Serialized – unique 4-digit code is pre-set. Lost codes can be retrieved through secure portal

Hybrid – Convenience of Resettable with IT management of Serialized

Targus DEFCON™ Cloud Portal

Each lock with its unique serial number and combination code can be registered to the Portal, offering simple, controlled access to combination codes. Combinations can be retrieved from anywhere in the world: perfect for the modern, dispersed business.

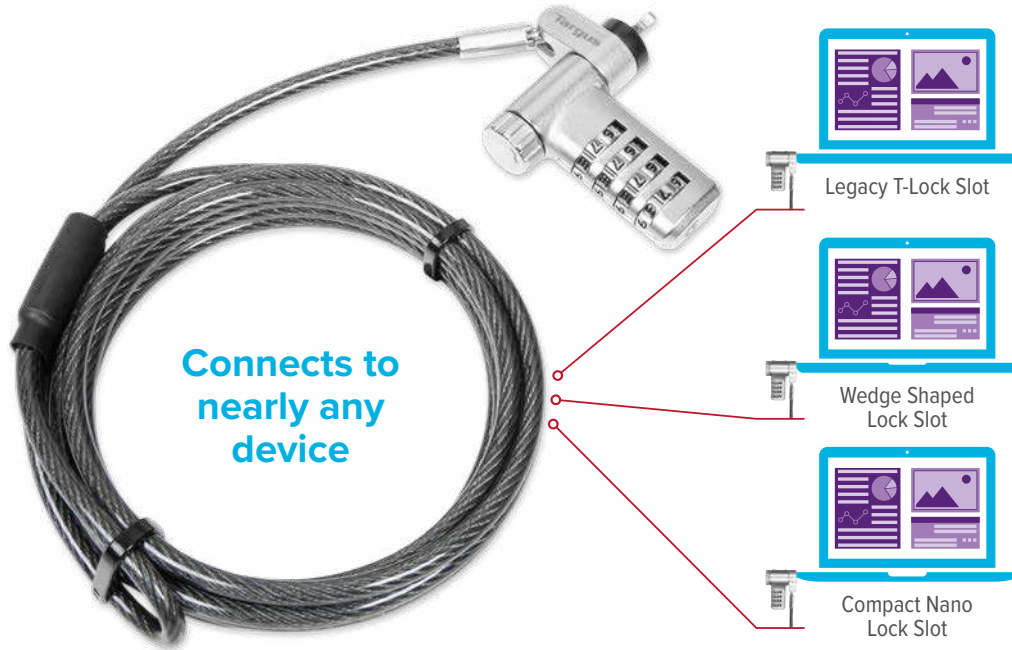

Step 2: Identify your lock slot type: T-Lock, Nano, or Wedge.

Don't know what you have – we have the **Ultimate Universal Lock** that works on all three.

The Ultimate Universal Lock

Introducing the DEFCON™ ASP9 Series

The **DEFCON™ ASP9 Series** removes the need to have different lock heads. The unique Targus patented design allows the user to simply adapt the lock to the right size to fit the device slot at a twist of a dial, offering truly universal compatibility.

PRIVACY AND SECURITY

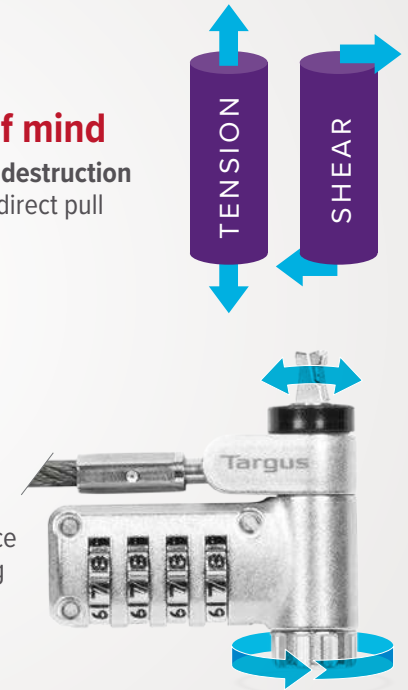

The ASP9 series is available in keyed or serialized combination format, fitting the needs of personal, SMB or enterprise users.

Engineered for peace of mind

Targus cable locks are all **tested to destruction** and can withstand at least 90Kg of direct pull force and 162Kg of shear force.

The ASP9 Series Adaptive Lock Head

Simply insert the jaws into the device lock slot and rotate the dial opening up the jaws until the adaptive lock head is engaged.

targus.com

The Ultimate Universal Lock

DEFCON™ Ultimate Universal Keyed Cable Lock

- Unique, world's first adaptable lock head transform the lock to fit the lock slot at a twist of a dial, eliminates the need for interchangeable heads
- 360° rotating head for easy and versatile fitting
- Key locking mechanism. Supplied with 2 keys giving you the peace of mind of a back-up key
- Tough, cut-proof 2m (6.5ft) galvanised steel cable

● Fixed Single – ASP95GL Master Keyed (25pk) – ASP95MKGLX-25

DEFCON™ Ultimate Universal Combination Cable Lock

Need to lock more than 1 device?

Our ASP9XD series ultimate universal locks tethers provide an elegant solution that allows you to add as many lock heads to an existing cable lock as you need to.

- Unique, world's first adaptable lock head transform the lock to fit the lock slot at a twist of a dial, eliminates the need for interchangeable heads
- 360° rotating head for easy and versatile fitting
- Pre-set 4 wheel combination lock with a potential 10,000 possible settings to deter theft
- Tough, cut-proof 2m (6.5ft) galvanised steel cable

● Fixed Single – ASP96GLX-S Resettable – ASP96RGLX
Fixed Serialized (25pk) – ASP96GLX-25S
Serialized Dual Head Converter (25pk) – ASP96DGLX-25S

Hybrid Locks

A single lock that offers BOTH a resettable and serialized combination

DEFCON™ Ultimate Universal Hybrid Resettable & Serialized Combination Lock

- Self-resettable 4-digit combination lock
- Serialized master code for IT management
- Universally compatible with most major lock slot formats – no interchangeable heads needed
- 360° rotating head for seamless port access
- Strong 6.5 ft./2 m galvanized and sleeved steel cable
- Access to secure, cloud-based portal for lost master codes retrieval

● Single – ASP106RGLXS 25 Pack – ASP106RGLX25S

Single Function Locks

A range of keyed and combination single function locks dedicated to a single lock slot type

DEFCON™ Combination Cable Lock (T-lock)

DEFCON™ Keyed Cable Lock (T-lock)

DEFCON™ Compact Combination Cable Lock (Nano)

● Resettable (1pk) – PA410U Serialized (1pk) – PA410S-1
Serialized (25pk) – PA410S-25

● Keyed (1pk) – ASP48USX

● Serialized (1pk) – ASP71GLX-S
Serialized (25pk) – ASP71GLX-25S

Webcam Covers

Protect yourself from hacked webcams

Spy Guard Webcam Cover – 3 pack

- Easy to apply design provides visual security
- Slim size allows for most laptops to close without a gap
- Adhesive provides a secure fit on your laptop
- Sliding closure easily opens and closes to keep camera and device scratches at bay

Why choose an EcoSmart[®] bag?

Plastic bottles are reborn to make EcoSmart[®] cases. From the bag lining to the body and trim, the EcoSmart process protects the planet without compromising the brilliant features and ergonomic comfort you expect from Targus bags.

We take recycled plastic bottles

Reform them into plastic pellets

Then convert the pellets into yarn

Which is woven into material

To produce our EcoSmart[®] bags

83% of organizations believe their sustainability efforts impact their **employee retention** and **talent attraction**

Coastline Collection

Make waves with a bag that does more

Created from ocean-bound* plastic, we're not only safeguarding devices, but supporting coastal communities and helping keep our waterways clear

eco/smart
COASTLINE

*Ocean-bound or prevented/diverted plastic is plastic waste recovered from within 50km an ocean coastline or major waterway that feeds into the ocean in a geographic region that lacks formal waste management. Except in the case of a sea, material collected from major waterways may be no further than 200km from the mouth or end point of that waterway.

EcoSmart® Coastline Backpack For MacBook & Laptops from 15-16"

CONVENIENT ORDER PROCESS

- 1 Contact your Targus representative for inquiries and to begin your order.
- 2 Provide your Targus representative with your desired logo in a vector file.
- 3 A digital simulation of the product with logo placement will be provided for your approval.
- 4 Upon approval of the digital simulation, a custom part number will be created by Targus and supplied to the desired reseller for quoting and order processing.

ONE PO, ONE SUPPLIER, ONE DELIVERY, ONE INVOICE. SIMPLE.

*Logo boxes indicate areas on product which are suitable for printing. Typically there must be at least a 6 cm gap between the logo and edge of the panel being printed on. Logos with small fonts or intricate details may need to have a background ensure sufficient surface area for bonding to material. Pricing is based on one logo per bag.

PERFORMANCE & FEATURES

Protecting Your Technology...

**MILITARY
STANDARD**

US MIL-STD-810G*

Nearly every case features **Military Standard drop protection**

The MIL 810G 1.2m/4ft drop protection is a test standard set by the US Department of Defense and is generally accepted as the benchmark for ruggedized protection of mobile computers and equipment.

THE PATENTED 360-DEGREE ROTATING TABLET CASE

Patented rotating landscape/portrait view

Patented rotational viewing which allows users to easily rotate for landscape or portrait viewing angles, while the deep foam grooves provide angles for comfortable viewing and typing.

Patented multi-generation device compatibility

Multiple viewing positions

Precision openings

Audio-scoops

Kids Cases

Because little hands need big tablet protection

Sticky, slippery fingers are no match for the Targus Kid's Antimicrobial Case, with military-grade drop protection, this case is engineered for maximum durability wherever your little one totes their tablet. A convenient carry handle doubles as a stand, so children can grab and go or set it and stand it for their viewing preference.

TABLET CASES

Kid's Antimicrobial Case

For iPad Air 11" (M4 | M3 | M2), iPad 11" (A16), iPad 10.9" (Gen. 10), iPad Pro 11" (Gen. 4 | 3 | 2 | 1) & iPad Air 10.9" (Gen. 5 | 4)

- Passes military grade 6 ft/1.8m drop testing (MIL-STD-810G)
- Features Targus® DefenseGuard™, which creates a cleaner surface and works continuously to prevent the growth of microorganisms**
- Raised bezel around the screen provides maximum device protection
- Handle design doubles up as a stand for multiple viewing angles
- Precision-cut access to controls, ports, and camera lenses
- Made from non-toxic, child-friendly, impact-resistant EVA foam material
- Integrated holder for Apple Pencil® or stylus (Pencil sold separately by Apple®)
