## Letter from the Principal

Dear Friends and Benefactors of Dominican Academy,

Eric Hoffer, an American philosopher and winner of the Presidential Medal of Freedom, wrote, "The hardest arithmetic to master is that which enables us to count our blessings." (*Reflections on the Human Condition, Hopewell Publications, LLC, 2006*) This year we have lots of blessings to count which you will see in our Annual Report. The Annual Report serves several functions; to be financially transparent to our donors and others; to identify our wonderful donors, and most importantly, to thank them for their generosity. It gives me a chance each year to reflect on all the wonderful things that have happened during the year.

The girls at Dominican Academy provide the glue that binds us together. Our faculty and staff give their talent, creativity and patience to provide a solid foundation for the girls' college experiences. Your support enables our teachers to use digital resources to engage our students. It has allowed us to purchase a new language lab that will give them more practice learning Spanish, French or Mandarin. It supports our yearly retreats and service program, including our Junior Advocacy project which is unique to D.A., and enhances the leadership and spiritual experiences available to our girls.

Our parents sacrifice to send their daughters to this remarkable school.

Donations for scholarships provide opportunities for young women who could not afford to attend D.A. to join and enhance our community. Since our tuition does not cover the expenses to provide this exceptional program, your donations are absolutely critical.

I am most excited about our new Admissions brochure which describes the qualities of our girls. (Check it out on the website under Admissions). It encourages students to Be Smart, Be Active, Be Passionate, Be Cultural, Be Global, Be Adventurous, Be Wired, and most importantly, Be Prayerful. I am asking you to **Be Generous** and consider doubling your gift to D.A. this year. Only with your generosity and support can we continue our

tradition of preparing smart girls to become intelligent women.

This is my sixth and final year as the principal of Dominican Academy. It has been a challenging but truly rewarding experience. You have my sincere appreciation for helping us to grow Dominican Academy's academic, communal, spiritual and service programs into what they are today. You will continue to be in my prayers.

Peace and blessings,

*Sr. Barbara Kane, OP*

# Letter from the Board of Trustees Chair

Dear Alumnae and Friends,

In 1961, I became a student at Dominican Academy. Dressed in my serge blue uniform with matching cap, white gloves, and uniform “granny” shoes, I entered the side door that first day not knowing anyone and was scared to death. On day four at lunch, I joined a group of girls who would become my best friends and with whom I would share the next four years. In fact Lorraine Kane Rice and I have shared all of life’s blessings and sorrows these past fifty years, including the death of our best friend and her sister-in-law, Alice Rice Hutchinson. Knowing that I will soon be gathering with these former classmates, I have begun reminiscing about my years at Dominican Academy.

Taking part in many of the programs at D.A. with my classmates held special memories that friends who attended other high schools never had a chance to experience. Perhaps my favorite memory of Dominican Academy was the twenty minute post lunch recess in the auditorium where we listened to music, danced, talked and crammed for afternoon tests. It was so great to relax with and get to know my classmates while listening to OUR music. Sophomore year started with a change from the uniform hat

to a pillbox to honor the first Catholic First Lady. On October 10, 1962, the Vatican II Council was opened by Pope John XXIII and the discussions of doctrinal issues and Church practices would affect our religion classes for the next three years. Mass in English; responding aloud to the priest as a congregant; having the altar turned, and attending folk masses were all new changes.

Junior year brought civil rights marches and the anti-war movement. Yet, life at Dominican Academy had its bright spots. There was Sister Paschal teaching us the joy of a grammatically correct sentence and the arrival of the Beatles whose music would dominate our lunchtimes for the next two years. Senior year was a bittersweet time as we anticipated the changes that college would bring, but realized that we would never again have so intimate and supportive a school setting.

In June 2014, my classmates from 1965 and I will attend at the graduation ceremonies for the Class of 2015 because one of the graduates is very special to me. In 2011, Sister Barbara asked if I would be willing to pay the tuition for the next four years for an especially talented girl who needed aid. I loved the idea of helping someone attend my school exactly fifty years after my own

experience. Since 2011, my student has achieved high grades while volunteering, participating on an athletic team, and working at a job on weekends. I look forward to hearing about her college plans. Dominican Academy was the right school for her and I am thrilled to help make that a reality. I encourage my fellow alumnae to make your giving to D.A. more meaningful and to consider helping with a girl’s tuition. If this is too great a commitment on your own, consider joining several alumnae to sponsor a girl. To discuss funding options, please contact Brother Jim Simon or Katie Hennessey in the Development Office.

No matter which project you choose to fund, please support this wonderful school. There have probably been countless times over the years when you were grateful for the education you received at DA. Let’s all continue to help another generation of girls experience Dominican Academy.

Thank you for your continued support and concern for our alma mater.

Sincerely,

Joan Morrow Rue, '65

## NATALIE FRANKOWSKI, '14

We thank alumnae and friends for the outpouring of love and support we received after the passing of Natalie Frankowski. We are particularly grateful to the Class of 2014 who were instrumental in the founding of the Natalie Frankowski, '14 Award. Thank you to all those college-aged alumnae who attended the Movie Night that took place in July in her honor. The women who attended and donated toward the event will be listed in the Dominican Academy Annual Report for the 2014-2015 fiscal year. Congratulations to Amanda Miller, '15 - the recipient of the Natalie Award for the 2014-2015 school year.

## SHEILA JOYCE, DIRECTOR OF DEVELOPMENT 2008 - 2014

Although not a D.A. girl herself Sheila was always a welcoming and wonderful presence for alums, friends, students and staff. Sheila was an integral part of the school and helped the Development Department reach great success. She grew the Spring Auction & Benefit from a small fundraiser hosted in the school to a major event with up to two hundred people in attendance each year. She expanded the alumnae relations program and welcomed a full house of people to reunions and rooftop receptions. Sheila not only was great with alums but also mentored the students and was involved in the Junior Advocacy Expos. We are grateful for the compassion and energy she put into all of her work. She is sorely missed.

## The Dominican Academy Alumnae Association

### *Alumnae Serving Alumnae*

The Alumnae Association's mission is to foster close relationships among alumnae and to encourage the participation of alumnae in ways that develop the growth and advancement of Dominican Academy. Alumnae work together to support the mission of the school. Every year, these alumnae help coordinate events such as the Rooftop Reconnection Reception in September, All Class Reunion in October, Young Alumnae Welcome Back in December, and Career Day in May.

Alumnae are invited to attend various events throughout the year and are encouraged to give back to Dominican Academy so that this new generation of students can benefit from a Dominican Academy education.

## Class Representative Program

The Class Representative encourages her classmates to keep in touch with each other and with the school in a variety of ways. Each representative helps locate alumnae, shares class notes to be published semi-annually in Veritas, and helps coordinate her class reunion. This includes coordinating a class gift to support the school's greatest needs. Class Representatives also inform alumnae of meetings and circulate the recorded minutes, which are posted on the web site under the Alumnae Tab. The Alumnae Association meets quarterly and the dates will be posted on the web site calendar. If you want to become a Class Representative, please let us know by emailing [alumassoc@dominicanacademy.org](mailto:alumassoc@dominicanacademy.org). The more reps a class has, the more connected you will be!

## Parent Giving

D.A. parents donate their gifts of time and talent to school-sponsored events such as Open House, Meet the Teachers Night, the annual Christmas Party, and the Spring Auction & Benefit. In addition to their invested interest in these events, the Parents' Association raised \$22,300 for Dominican Academy through events and the collection of dues.

Dominican Academy is grateful for the continued support of the Parents' Association. We encourage all parents to participate. Please see the calendar on the website for the dates of the monthly meetings held on Wednesday evenings and Thursday mornings.

## Student Giving

Students give back to Dominican Academy even before they graduate! We feel strongly that our girls should in some way play a role in fundraising for their school, so each student is responsible for selling a minimum of \$300 worth of raffle tickets for the Spring Auction & Benefit. The student body raised \$56,956. \$1,575 of this was donated by the Class of 2013 as a gift to be used for In Via, the junior retreat.

# Scholarship Giving

*Dominican Academy is blessed by the generosity of its scholarship donors, the Board of Trustees and the Dominican Sisters of Peace who support the mission to educate and challenge young women. Without this support, many scholars would not be able to attend Dominican Academy.*

## Class of 1954 Scholarship

The Class of 1954 continues to honor their 50th Reunion Year with a gift that keeps on giving. The class has committed to a half scholarship for a young woman for her four years of study at Dominican Academy. We thank the following members of the Class of 1954 and the Kirwan Family Foundation for offering such a special gift to one special student.

## The Bill and Joan Morrow Rue, '65 Scholarship Fund

This generous scholarship not only provides tuition for the recipient's four years of study at Dominican Academy, but also fully supports the school by covering all the costs associated with that education. The gap between the tuition charged per student and the expenses the school incurs was approximately \$4,700 in 2013. We are grateful to Joan and Bill for their continued commitment to D.A.

## Class of 1970 Giving

The Class of 1970 initiated a scholarship fund in their name at their 35th reunion in the fall of 2005. Seven years later, the Class of 1970 continues to designate all gifts towards a partial scholarship for a student in need. We are very grateful for their generosity and hope they carry with them a deep satisfaction for their very meaningful gift.

This scholarship is given by an anonymous donor in memory of Megan Gloria O'Brien the late daughter of Ann Downey O'Brien, '76.

# Endowed Scholarships

## Endowed Scholarships at Dominican Academy

Endowed Scholarships provide vital support for Dominican Academy students. Scholarships may be endowed in the donor's name or in honor or memory of loved ones, and may be paid off over several years. Interest earned on the principal sum is used to provide the scholarship in perpetuity. Endowing a scholarship may include gifts from your employer to reach minimal donations needed:

- \$150,000 will provide a full scholarship in perpetuity
  - \$75,000 will provide a half scholarship in perpetuity
  - \$37,500 will provide a quarter scholarship in perpetuity

Individuals interested in providing an endowed scholarship are asked to contact Br. Jim Simon, C.O. in the Dominican Academy Development Office at (212) 744-0195 or email [jsimon@dominicanacademy.org](mailto:jsimon@dominicanacademy.org)

# 2014 Spring Auction & Benefit Giving

# The 1897 Legacy Circle

On March 28 2014, Dominican Academy hosted the annual Spring Auction & Benefit at the Yale Club. Some of the proceeds from this event help bridge the gap between the tuition charged and the actual expense associated with providing a D.A. education. Your support enables intellectually gifted girls to attend New York City's most academically rigorous and spiritually enriching Catholic girls' college preparatory high school. Susan Musho, '86 and Sister Joan Franks, O.P., '59 were honored for their time, commitment and positive influence they have provided D.A. over the years. The event raised close to \$110,000 in revenue, returning over \$90,000 to the school.

We are grateful to all who supported this event and look forward to seeing you this year on March 27th, 2015.

## Membership

Membership in The 1897 Legacy Circle is offered to all those who share this commitment, who endorse Dominican Academy's mission, and who affirm their commitment by means of a planned gift.

If you have formalized a gift to D.A. in your final arrangements or you wish to do so, please contact Br. Jim Simon, Director of Development, and join The Circle.

## Benefits of Belonging to The Circle:

- Satisfaction in knowing that your planned gift will

benefit many generations of Dominican Academy students.

- A personalized certificate – our way of honoring each member of this special group of supporters.
- Invitation to the annual Major Benefactor's Reception.
- Informative updates on activities at Dominican Academy, plus Dominican Academy's Annual Report.
- Recognition each year in the Annual Report to encourage others to follow this thoughtful example.
- Remembrance in our prayers and Masses.
