BRASS WALL WOMAN PANT
REWPO5971
cod. col. 1937

BRASS WALL è il nuovo pantalone firmato Rock Experience che fonde il mondo outdoor con l'estetica urbana contemporanea. **Ispirato al design coreano e ai volumi delle arti marziali, presenta una gamba ampia con pieghe articolate sul ginocchio per garantire massima libertà di movimento e un look distintivo.** La chiusura in vita con cordino e l'elastico al fondo consentono di regolare la silhouette, creando un profilo più raccolto e definito alla caviglia. Realizzato in resistente tessuto ripstop strutturato, BRASS WALL nasce per intercettare una nuova generazione di utenti: giovani attenti allo stile, che vivono la montagna con un approccio lifestyle e condividono le loro esperienze tra rifugi, trail e social media.

La costruzione ergonomica e il fit generoso lo rendono estremamente funzionale anche in arrampicata, dove la libertà di movimento è essenziale. **Il design richiama volutamente lo spirito pionieristico dei primi climber della Yosemite Valley negli anni '70, che utilizzavano pantaloni da judo per scalare:** capi ampi, robusti e liberi da costrizioni, pensati per accompagnare il gesto.

*BRASS WALL is the new trousers by Rock Experience that fuses the outdoor world with contemporary urban aesthetics. **Inspired by Korean design and martial arts volumes, it features a wide leg with articulated pleats at the knee for maximum freedom of movement and a distinctive look.** The drawstring waist closure and elastic at the hem allow the silhouette to be adjusted, creating a more cropped and defined profile at the ankle. Made of durable structured ripstop fabric, BRASS WALL was created to intercept a new generation of users: style-conscious young people who live the mountains with a lifestyle approach and share their experiences between huts, trails and social media.*

*The ergonomic construction and generous fit make it extremely functional even when climbing, where freedom of movement is essential. **The design deliberately recalls the pioneering spirit of the first climbers in Yosemite Valley in the 1970s, who used judo trousers for climbing:** large, robust and free of constraints garments designed to accompany the gesture.*

BRASS WALL

Un capo che rompe gli schemi del classico pantalone outdoor, con l'ambizione di diventare un'icona trasversale tra performance e identità urbana.

A garment that breaks the mould of the classic outdoor trouser, with the ambition of becoming a transversal icon between performance and urban identity.
