Activity Kit (2): These thematic kits quickly and conveniently provide materials for one-on-one or group activities. An activity suggestions sheet outlining ideas for several specific activities and discussion topics to use with the equipment is included. Activities are suggested for persons of all functioning levels. Some activities are interactive and others allow for passive participation.

- o **Patriotic Kit**
- o **Fishing Kit**

Busy Bottles, I-Spy : A fun way to play while also reminiscing. Use the fun of I-Spy as a fun way to search out, recognize, and identify objects within a designated theme. The mix of colorful rice and objects changes with each turn.

In addition to the fun of I-Spy, we include a list of objects in the bottle which can be marked off with the included dry erase marker.

Bottle can be shaken but we recommend rolling for unsteady hands, limited strength or motor skills. Have fun, and enjoy the fun individually or within a small group.

- o **4 Seasons**
- o **Winter Holiday Gold Collection**
- o **Patriotic & Military**
- o **1950's & 1960's**
- o **Autumn & Halloween**

Call To Mind Game: A unique, fully researched dementia board game. Combats boredom & agitation in people with dementia. Sparks conversation and connects with loved ones. Gives people with dementia voice.
