UGLY MARKET TRUTH

1kg Harsh Chemical Per Yr
Gets Into The Skin

10kg Harsh Chemical Gets
Washed Out Into Water

Whatever Lotion/oils You Apply, Gets Absorbed Into Skin, Body, & Blood Stream. The Continuous Accumulation Of Toxic Chemicals Into Body May Result Into Serious Health Hazards.(Hormonal Disorder, Reproductive Issues, Cancer, Endocrine Disruption Etc)

Unfortunately, 97% Of The Beauty Products Available
In The Current Market Have Toxic Chemicals

Why Choose Toxics, Go 100% Naturals

PRODUCT QUALITY

Certified 100% Natural by ECOCERT-COSMOS Natural, Europe

Certified 100% Safe by MADE SAFE, USA

Certified By AYUSH, Govt. of India

WHO standard for Manufacturing

CERTIFICATIONS

ECOCERT, The highest Global European Certification body that certifies the Natural content of the product as per COSMOS Natural Standard.

MADE SAFE, is a USA-based certification body that certifies the product/ingredients, if they are safe for the body and environment

HERBCIENCE is the first Indian brand to be certified 100% Natural & 100% Safe by ECOCERT, Cosmos Natural, Europe & MADE SAFE, USA

Need For These Certifications

Consumers Are Misled With The Terms Like Natural/ Organic/ Vegan/ Ayurvedic Etc., Because Of Which It Becomes Difficult for Consumer To Trust The Brand. To Bring In Transparency, There Is A Need For Certifications Which Are A Proof For The Genuineness Of The Products.

Also, In The Market, There Are Many Products That Are Loaded With Toxic Chemicals Which On A Long Term Use, May Leads To Serious Health Issues Like Cancer, Reproductive Issues, Hormonal Imbalances Etc.

AYUSH Regulatory Approval

AYUSH is the Highest Regulatory Authority by the Government Of India, Under The Drugs And Cosmetics Act Of 1940, Which Certifies Ayurvedic And Herbal Products In India. HERBCIENCE Is Certified By AYUSH, Government of India.
