

VILLA 318

2026 Collection

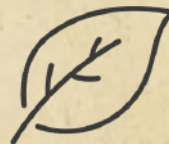

The Art of Slow Craft

Using techniques passed down through generations all our pieces are crafted by hand. With every step of the process our commitment to slow craft and sustainability help preserve communities of skilled artisans.

“She is a tree of life to those who take hold of her”

Proverbs 3:18

Our Female Artisans

Each of VILLA 318's ceramic pieces are lovingly handcrafted in Mexico by our all-female team of artisans.

We are committed to providing meaningful employment to these incredibly skilled artists, empowering them to share their craft with the world while supporting themselves and their families.

Every piece you bring home carries the care, tradition, and artistry of the hands that made it.
