Where Imagination Takes Shape!

3DToyStore.com

WHY CHOOSE THE 3D TOY STORE?

MADE IN THE USA!

Pocket Pets and the entire 3D Toy Store line are made by a small family business in Indiana.

CHILD SAFETY

The 3D Toy Store only uses materials that are safe for children. The materials we use meet the EN-71-3 safety standard for toys, meaning that if this product is swallowed by a child, harmful metals will not leach into the child.

WHOLESALE ONLY!

Our competitors sell directly to the public on their websites, undercutting your price and taking away from your sales. We sell WHOLESALE ONLY, allowing you to set your own price.

SIZE MATTERS!

Not every 3D model is durable when made smaller, so The 3D Toy Store tests each model to optimize our minis for durability and quality. This means fewer returns and fewer issues for our retailers and a safer product for your customers.

QUALITY!

The 3D Toy Store prints our products at a higher detail than our competition. Higher detail takes longer to create, but the result is worth it. In 3D printing, higher detail not only means that your print will look better, it means that it will be more durable as well.

PRICE!

The 3D Toy Store products are priced at or better than our Chinese made competition.

SUSTAINABILITY!

The 3D Toy Store products are made from a corn-based derivative that is biodegradable in industrial compost.

90-DAY SALES GUARANTEE!

Let us or your sales rep know what products you would like to return, provide an image of the products, and we will issue you a credit towards your next order.
(Discontinued, modified, or custom items do not qualify.)

RETURN POLICY: The 3D Toy Store stands behind all of our products. Occasionally we miss something, damages occur during shipping, or you may be utilizing our 90-day guarantee. In any case, please send a picture of the damaged item or the items you would like to return to Melissa@The3DToyStore.com. You will receive guidance on how to proceed. Photos of damaged merchandise help us to determine issues in production or shipping errors and are mandatory for all credits.

FREE SHIPPING* on all orders over \$750. Free shipping will equate to a credit of 10% of your order applied towards shipping to one location. This will cover most customers' shipping costs. Any shipping above 10% of the order cost will be the responsibility of the buyer.
