Efecto metalizado

Metallic effect - Effet métallique

Multisuperficies Multilak al agua

Multilak water-based multisurface
Multilak multi-surfaces hydro

Esmalte multi-soporte acrílico al agua de alta calidad.

Fácil de aplicar.

Por su adherencia y elasticidad, está indicado para proteger y decorar toda clase de superficies en exteriores o interiores como: puertas, ventanas, radiadores, cocinas, baños, rotulaciones, mobiliario, etc.

No amarillea.

Se obtienen acabados de gran finura y suavidad al tacto, gran dureza y resistencia a roces, rayados, jabones, manchas de licor, zumos, aceites, etc.

Multi-surface acrylic water-based enamel of high quality.

Easy application.

Due to its adhesion and elasticity, it is indicated to protect and decorate all kinds of indoor or outdoor surfaces such as: doors, windows, radiators, kitchens, bathrooms, signs, furniture, etc.

Non-yellowing resistance.

Very delicate and soft-to-touch finishes with great hardness and resistance to rubbing, scratches, soaps, liquor stains, juices, oils, etc.

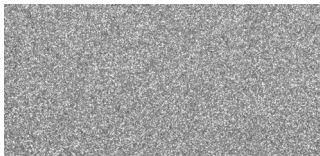

Laque multi-support acrylique à l'eau, de haute qualité.

Facile à appliquer.

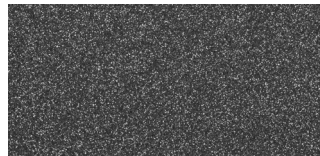

Grâce à son adhérence et à son élasticité, il est indiqué pour protéger et décorer toutes sortes de surfaces extérieures ou intérieures: portes, fenêtres, radiateurs, cuisines, salles de bains, enseignes, mobilier, etc.

Ne jaunit pas.

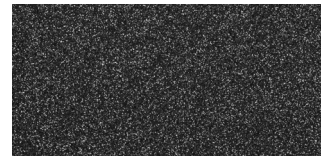

Les finitions obtenues sont d'une grande finesse et douce au toucher. Grande dureté et résistance au frottement, rayures, savons, taches de liqueur, jus, huiles, etc.

Oxifer

Oxifer
Oxifer

Esmalte metálico decorativo forja a base de resinas alquídicas modificadas y pigmentos de alta solidez.

Proporciona acabados duraderos adherentes, anticorrosivos y resistentes a la intemperie. Protege, decora y da un aspecto metálico similar al forjado en superficies interiores y exteriores, como barandillas, balcones, verjas, etc.

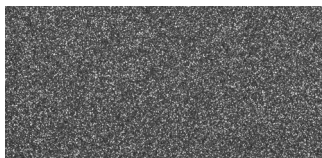

Decorative metallic enamel with forge finish based on modified alkyd resins and highstrength pigments.

Provides durable, adherent, anti-rust, and weather-resistant finishes. Protects, decorates, and provides a similar metallic appearance to forging on indoor and outdoor surfaces, such as handrails, balconies, fences, etc.

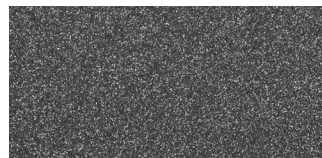

Laque métallique de décoration avec finition forge à base de résines alkydes modifiées et de pigments de grande solidité.

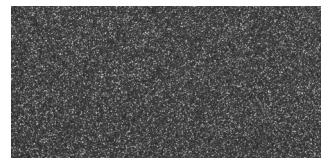

Permet des finitions durables, adhérentes, anticorrosion et résistantes aux intempéries. Protège, décore et donne une apparence métallique similaire au forgeage sur les surfaces intérieures et extérieures, comme les ambardes, balcons, grilles, etc.
