OUR STORY

I became licensed in Real Estate in 2006. The driving force was to own my own business. I was able to run my business my way. My own branding, marketing, budgeting, processes, systems, etc. Based on my past experiences in the auto and motorsports industry, I dove in head first. Little did I know what the future would bring in 2007.

Everything started crashing around me. Companies were closing their doors, employees laid off, homes going into foreclosure, commercial mortgages were impossible to get. Realtors were exiting the industry faster than they were joining. I had no idea what tomorrow would look like.

My choices were to quit or roll up my sleeves and work my way through it. I had a young family at home, and I was the major breadwinner. I knew no other way. I decided to embrace the chaos and work harder than any of my competing agents. I saw my business increase annually by 300-400%. I continued to leverage myself and I developed a team that consistently was one of the top performing Real Estate teams in the north metro. We closed annually 135-175 transactions for \$30-45M in volume. I led 12 agents and a staff of 6 utilizing the same principals that were founded and formulated many years earlier in the auto business. I think it was for these production levels that I was approached by Realty ONE Group (ROG).

In the fall of 2017, I was approached by ROG to see if I would be interested in purchasing my own brokerage. I never entertained the thought of owning my own brokerage but after careful consideration, I realized I was the size of a small brokerage with my team. ROG flew me to California to meet the founder, Kuba Jewgieniew and the leadership team at ROG.

ROG was everything I was looking for in a brokerage. They are built on the 6 C's: Care, Connect, Commission, Coolture, Community and Coaching. I applied in December 2017 and was awarded the franchise on 12/23/2017.

We officially opened our doors to our Andover office on May 4th, 2018. We started with a staff of 3 and 6 agents. Today we have 100+ agents at the Andover office and a staff of 9. In September, 2022 we opened our 2nd office in Alexandria, MN. My family and I spend most of our summer weekends in Alex so having an office there was convenient for our family on top of bringing our brand to a new market.

My Big Why is to help my agents and staff achieve their dreams. If we are successful doing this, then my dreams are realized along the way. The word I live by is Kaizen. It is Japanese for "Constant Improvement". My employees are probably tired of my daily drive for constant improvement but I feel this is the #ONE reason our company has grown to the level we have with the efficiency and productivity level we enjoy today.

NAR SETTLEMENT RESOURCES

At Realty ONE Group Choice, we provide comprehensive training to ensure our agents fully understand the NAR Settlement and its impact on real estate practices.

Agents MUST have a signed contract with a buyer before conducting any showings on a listing, ensuring compliance with the new regulations. Additionally, ANY mention of buyer broker compensation is now prohibited on the MLS.

For a detailed guide on these changes, please refer to the NAR Settlement workbook, which outlines compliance requirements, and visit the NAR Settlement page on ONE Hub for the latest updates, forms, and FAQs. Our training equips agents with the knowledge to navigate these updates effectively while continuing to provide top-tier service to clients.

LISTING GUIDELINES

Paul made a comprehensive guide to listing success at ROGC. This workbook brings together Paul's proven strategies, ROGC's best practices and scripts all in ONE place:

LISTINGS A-Z

SKYSLOPE

All listings and transactions must be uploaded to Skyslope within 10 business days of an executed contract. Skyslope can be accessed through your One Login.

For listings Skyslope support, contact Mercedes (listings@rogchoice.com). Note: If you use Listing Coordinating, your listings are uploaded to Skyslope for you.

SHOWINGTIME

SHOWINGTIME RESOURCES

ShowingTime Instructions must be entered after a Listing turns to Coming Soon or Active (if not previously CS). Refer to the listing's Showing Info Sheet for instructions.

Note: If you use Listing Coordinating, this is done for you unless you change the status over the weekend.

WITHHELD LISTINGS

PASSWORD: rogagent

Withheld Listings must be uploaded into MLS within 2 business days of listing contract date. MLS audits the uploaded Withhold from MLS to ensure the contract start and expiration dates match what was entered into MLS.

Withheld listings can **ONLY** be marketed within ROGC, no outside agents or companies. You can submit your Withheld on our ONE HUB.

ADD/EDIT VIDEO SUITE

ADD A VIDEO

You can now add a video to each of your listings, which will display as a Virtual Tour Link in Matrix. Additionally, you can upload one other URL for either a video or virtual tour.

VIRTUAL TOURS

VIRTUAL TOUR TIPS

Virtual tours are a great way to supplement listings and showcase properties. To ensure your virtual tour meets the MLS Rules & Regulations, refer to the following checklist!

LISTING COMPLIANCE

NorthstarMLS has helpful resources, Q&A's and facts to guide you through using MLS and it's suite of tools.

NorthstarMLS Support can be reached at help@northstarmls.com or 651-251-3210.

TOP COMMON LISTING VIOLATIONS

1. **Accurate Data:** All information must be accurate and complete. Do not copy the previous listing as you do not know what is accurate or not.
2. **Submit a Withhold or upload a listing within 2 business days:** MLS audits the listing contract start and expiration dates on the Withheld form to make sure they match what was entered into MLS.
3. **No promotional information in Public Remarks, Open House Remarks, Supplements, Driving Directions or Virtual Tours:** These cannot include any marketing or promoting of an Agent, Brokerage or 3rd Party Services.
4. **Agent Remarks vs Public Remarks:** Agent remarks are for factual information and public remarks are only for descriptions of the property.
5. **NO display of Compensation anywhere on the MLS:** this includes Showingtime.
6. **Upload a photo within 2 business days:** Regardless of the status uploaded, cannot use previous MLS listing photos and no promotional marketing (such as a sign panel or logo) within a photo.
7. **Cannot block showings for over 24 hours:** If showings are not allowed for more than 24 hours, you must move the listing to TNAS.
8. **No showings in CS or TNAS:** MLS assess a \$1,000 fine to both parties if a showing is allowed during Coming Soon or Temporarily Not Available For Showing.
9. **Enter a status change on a listing within 2 business days of the change:** When there is a change in the property status (cancellation, pending, closed, price change, contingent offer accepted) change must be made in MLS within 2 business days.
10. **Make corrections within 48 hours:** MLS sends a Violation Notice Email if they find an error on your listing, you must make the correction within 48 hours to avoid an increased fine.

POLICIES & OFFICE PROTOCOLS

We help you stay current with your professional requirements, from continuing education and annual dues to code of ethics and compliance.

INDEPENDENT CONTRACTOR AGREEMENT

We provide an updated Independent Contractor Agreement (ICA) annually to ensure mutual protection for both you and the brokerage. View the most recent copy:

CONTINUING EDUCATION

Your Real Estate License renews every 2 years. Maintaining your real estate license requires 15 continuing education (CE) credits annually, including the mandatory Broker Required Module, with a completion deadline of June 15th each year. Our brokerage offers complimentary CE courses throughout the year to help you fulfill these requirements. You can easily track your CE progress and find information about your RE License on Pulse Portal.

CODE OF ETHICS

Every 3 years, Realtors are required to complete 2.5 hours of COE to continue membership with their association. The cycle's deadline is December 31, 2024 and the next cycle will end on December 31, 2027. You can check your status by logging into your Association (ex: MAAR, SPAAR, GAAR) account.

MLS QUARTER & ANNUAL DUES

Your MLS Dues are paid through your Association Account. Quarterly Dues can be set up for automatic payment and are paid on December (Q1), March (Q2), June (Q3) and September (Q4). Annual Dues must be paid manually by December 1st, each year to avoid a \$50 late fee and association termination.

ONE REFERRAL PARTNER
PROGRAM

TERMS

Want to take a break from Real Estate while still capitalizing on referrals? Our Brokerage offers agents the option to transfer their license into our Holding Company.

As a member of the ONE Referral Partners:

- You avoid MLS, Association, and Monthly Brokerage Fees
- You can still receive Referral Commissions from agents in our Brokerage
- You cannot actively list or sell Real Estate in the Holding Company. You cannot act as an Active Real Estate Agent.

The ONE Referral Partners program allows you to put your license on hold, save on dues/fees, and still get a cut of Referrals from an Agent who can take on your buyer/seller leads. It's a flexible way to take a break while continuing to generate income from your hard-earned sphere of influence.

When ready to reactivate your license, a \$30 transfer fee applies to move back into Active status. You will also be responsible for applicable Association Dues prorated at that time which includes a \$100 Reinstatement Fee if Inactive for longer than 60 days. You must also continue meeting CE requirements to keep license current.

Let us know if you're interested in the freedom and options offered through our ONE Referral Partners program. It keeps you connected even during time away from active Real Estate practice.
