Partner with Us to Strengthen Business and Child Care Together

My Faith Learning Center is partnering with local employers to create a sustainable solution that benefits both businesses and families. Through a state funded Business Partnership Grant, businesses can:

- Reserve guaranteed child care slots for their employees
- Contribute directly to child care tuition support
(additional discounts with the preferred employer plan)

This partnership aligns business needs with dependable, high-quality child care for working families. By joining us, your organization helps build a stronger workforce, supports employee well-being, and invests in the long-term growth of our community.

We invite your business to be part of this collaboration and help shape a model that works for employers, employees, and children alike. Each business partner will be encouraged to participate in the first year of the project to receive foundational support that will help them implement the needed plan for long-term employee support implementation through their fiscal and human resource infrastructure. Support from the state grant will be provided in tiers: 75% in the first year, 25% in the second year, and phased out entirely by the third year, at which point no state support will be provided. The grant will provide support and a “runway” for businesses to update HR policies, rework fiscal investments and support new and existing employees with their child care needs. Child care supports offer a meaningful benefit that reduces absenteeism and improves retention for any business that invests.

To partner and take advantage of this grant opportunity you will:

1. Sign a MOU between the child care program and business
2. CCRC will assist the business with creating a rollout or pilot run of the program
3. Data will be collected from both the child care program and partnering business
4. Quarterly meetings will be held with the child care staff, HR staff and if there are parent groups we will meet with them as well.

If you are interested in a discussion or to begin partnering today contact Jennifer Dodge at 440-242-0413 ext. *231 or email at jdodge@ccrcinc.com.

Thank you
