I have held Miss Oregon in the highest regard from the day I met her as a Princess. I admired her grace, beauty & ability to hold a room's attention. As I grew, I began to admire her talent, and the discipline it took to develop one. Soon I was in awe of her academic success and the degrees she pursued. Competing at Miss Oregon then taught me the sheer bravery required to vie for her job. And as Miss Oregon 2022, I reinvented her dedication to service.

It is one thing to win Miss Oregon, but another thing entirely to live up to her name. With 75 years of great Miss Oregons before me, I knew this was no easy feat. But with that many sisters in my corner, I have become the titleholder I always dreamt of being.

Some of my proudest accomplishments this year are developing a relationship with the Chelsea Hicks Foundation, Sparrow Clubs USA & Children's Cancer Association. I have spent countless hours in the halls of Randall and Doernbecher Children's Hospitals laughing, crying and playing with seriously ill children. I don't know what their futures hold, but thanks to my legislative advocacy work as the Vice State Lead Ambassador for American Cancer Society, Cancer Action Network, I know the future of cancer care will continue to improve each day for the rest of their lives.

I also renewed our relationship with the USO, and connected with other like minded nonprofits that serve local veterans, such as K9Kalvary, American Legion, as well as the Oregon Department of Veteran Affairs. I have traversed the state meeting children of every socioeconomic status and background, teaching them that they too have the power to change the world with compassion and volunteerism. I am grateful for the opportunity to remind the people of Oregon, via countless appearances, that Miss Oregon is more relevant than ever, and she is only getting started.

But I would not have been able to achieve these things without my unmatched support system. To the Miss Oregon Board, you believed in me from day 1. Thank you for showing up for me in the best ways, giving the best hugs, and ordering gluten free hamburgers to my hotel room. There will never be enough words to convey my love for you, Blaine's phone calls and Kirsten's sparkly t-shirts! Beth, you especially have been my rock! Thank you for the many hours of drilling talent, brainstorming my brand, and perfecting my wardrobe. Most of all, thank you for loving me as a person.

To my sister queens, whether Miss Oregons, Miss America sisters, or local titleholders past and present. This is such a unique experience. The ability to rely on you for support in the hard times is what allows the great moments to shine so bright. Thank you, each of you, for being there for me. You make up the honorary point of the crown... the shining, glimmering stone of sisterhood!

To my family: This year brought more trials and tribulations than we could have ever imagined. You put me first everyday- whether that looked like current event flash cards with dad, mom always on the hunt for appearances, or Noah just being there to cheer in the audience. We did it! Top 10 at Miss America is an accomplishment that belongs to all of you, as much as it does to me.

To my successor: My greatest wish for you is to embrace the rollercoaster of being a titleholder. To grow through what you go through, and come out on the other side a better, brighter version of yourself. Whatever your dreams for your year are- chase them unapologetically, fearlessly and relentlessly. You will make countless friends, and probably even more mistakes. Take photos, and prepare for me to text you constantly about how proud I am of our newest sister. Above all, choose joy.

To Oregon, thank you for your unwavering support from each and every corner. I love you. I'm proud that my family's six generations of Oregonians continues with me. And with that, I suppose it is time to become a forever. Thank you, every one of you, for allowing me to be your Miss Oregon.

With love always,

Sophia

Your Forever Miss Oregon 2022

John Henry Newman (1964-2022)

We would like to take a moment to honor and remember a truly remarkable individual: John Newman, the chef and owner of Newman's at 988, who passed away last year. His untimely departure left a void in our hearts and in the community that can never be filled.

John was not only a passionate supporter of the Miss Oregon Scholarship Program but also a mentor and inspiration to aspiring chefs on the North Coast. Through his restaurant, he opened doors for young talents, nurturing their passion for the culinary arts and paving the way for successful careers in the industry.

During Miss Oregon Week, John showcased his love for the program in the most heartfelt way possible—by providing delicious meals that nourished not only our bodies but also our spirits. We miss the taste of his incredible food, but more than that, we miss the presence of a kind, generous soul who touched the lives of many.

As we continue the Miss Oregon journey, we carry with us the memory of John Newman and the legacy he left behind. His unwavering support and dedication to this program will forever be cherished. We extend our deepest sympathies to his wife Sandy, his family, this community and all who were fortunate to know him. John Newman will always hold a special place in our hearts.

This year's program is dedicated to John.

**Miss America &
Miss America's Teen**
Chief Empowerment Officer

Back to the Future, with the New CEO

To the Miss America & Miss America's Teen family and friends,

My vision is to set the stage for the next chapter with the mission that has run through every facet of this brand for decades. A mission embedded within the very essence of our program, **"Empowering Women To Lead"** through scholarship, community service, personal style, and success, all symbolized by the 'four points' of the crown, set upon a foundation of sisterhood.

Miss America & Miss America's Teen programs have always been invested in creating a strong network of women who make a positive difference in the world. Our programs are foundational in helping to foster the next generation of strong, confident, and compassionate leaders.

Education is one of the most powerful tools we have for empowering young women. By providing opportunity, access, and financial support for quality education, we are helping to break down barriers and open new opportunities for young women to advance.

Community service is a key component of our programs. Encouraging young women to give back to their communities helps them to develop a sense of empathy, compassion, and social responsibility.

Personal style development helps young women to express their individuality, promoting self-confidence, self-expression, and self-esteem. Personal style is about creating a unique and individual expression of oneself that reflects who you are and how you want to be seen in the world.

Encouraging young women to pursue their dreams, set goals, and work hard to achieve them, instills resilience and determination that will serve them well throughout their lives. Measuring success through accomplishments provides a sense of satisfaction, recognition, and motivation to continue pursuing one's goals.

Overall, by **Empowering Women to Lead** we create a brighter, more equitable, and more compassionate future for all. I invite everyone to join me in stepping into the future, going back to the principles upon which this iconic program was built, Scholarship, Service, Style, and Success.

**Miss
America**

GRACE

Stanke

On December 15, 2022, **Grace Stanke**, representing her home state of Wisconsin, was crowned Miss America 2023, and awarded \$50,000 in scholarship. This was the third time Miss Wisconsin has been crowned Miss America in the history of the Organization.

During the competition, Stanke won the talent portion, performing a piece from "Vivaldi's Summer/Four Seasons - Storm" on her electric violin.

Stanke, who has earned a cumulative total \$68,000+ in scholarship assistance through her state and Miss America competitions, will travel the country using her national platform to continue advocating for "Clean Energy - Cleaner Future." Encouraging worldwide change for clean, zero-carbon emission energy sources, Stanke emphasizes the benefits of nuclear power and seeks to dispel the myths around nuclear energy while inspiring the next generation of female scientists, engineers, and mathematicians.

Stanke will graduate in May 2023 from the University of Wisconsin-Madison with a degree in nuclear engineering.

Lena Carey

Lena was crowned Miss Oregon's Teen on April 30, 2023 in North Bend Oregon at the Historic Liberty Theater.

Passionate about community service, Lena has dedicated herself to helping foster care teens through her initiative, Together We Rise. She also excels academically, holds leadership positions, and has been recognized for her outstanding contributions to her community.

As she embarks on her journey, Lena's bucket list includes exciting adventures and pursuing her nursing education. The Miss Oregon Scholarship Program proudly supports Lena as she represents the state and prepares for the national Miss America's Teen competition.

Miss Oregon's Outstanding Kids is a mentorship program, designed to benefit kids ages 5 to 12. The program allows them to be exposed to the magical, empowering world of Miss America and the Miss Oregon Scholarship Program before they are of competition age.

The goal of the Outstanding Kids program is to provide each participant with the opportunity to further develop life skills including advocating for a social cause, stage presence, poise and self-confidence. Each participant will be paired with a local titleholder.

MORGAN
Greco

Morgan Greco is a junior in high school where she is currently enrolled in her school's DECA and theater programs. She competed within the Miss America Teen program for three years before earning the title of Miss Washington's Teen, including participating in the Miss America Empower Academy camp. At Miss America Teen's National Competition in August 2022, Morgan astounded the judges with her operatic performance, receiving a talent award and a \$1,000 scholarship. She went on to win the title of Miss America's Teen 2023. With \$53,000 in scholarships from Miss America's Teen program, Morgan plans to pursue a degree in operatic performance as well as marketing. She is a huge Star Wars fan, a self-taught seamstress and loves Michael Jackson music. ★

HOW
MONEY
WORKS[®]

Knowing beans about money is worth a lot more than bragging rights. It could mean living your best life today, realizing the dreams you have for yourself and your family tomorrow - and helping others do the same.
