Dear Honored Guests,

On behalf of the PRAHD Board of Directors and staff, we welcome you to our 34th Annual Roberto Clemente Gala. Tonight, we celebrate the Agency's outstanding achievements and honor individuals and organizations that embody the values at the core of PRAHD's mission. We hope all of you join us in congratulating our honorees, as the recognition they will be receiving tonight is well-deserved.

Our Annual Roberto Clemente Gala honors the legacy of Roberto Clemente, a true humanitarian, and celebrates the wonderful work PRAHD does each and every day. Clemente was quoted as once saying, "There's no difference between you and me. You need something, a glove, a place to live, you let me know." Over the course of 48 years, PRAHD has consistently provided exceptional and meaningful services to our community. As a human service agency, we operate with Clemente's mindset, you need something, you let me know. We touch thousands of lives every year, and our staff is often faced with difficult and challenging circumstances presented by individuals facing life altering obstacles. The pandemic exponentially increased the needs in our community and PRAHD rose to the occasion.

In fact, it is during the most challenging times that our staff shines the brightest. Channeling Roberto Clemente's humanitarian spirit - PRAHD immediately took action when the pandemic caused many families to not only suffer with the illness but also sustain losses of life and employment. We offered no contact grocery delivery, large scale food distributions, virtual learning pods, COVID-19 testing, emergency rental assistance, supermarket gift certificates, and COVID-19 vaccinations. Recognizing PRAHD's history of helping the community in times of crisis, and its efforts to mitigate some of the collateral damage caused by the pandemic, PRAHD secured funding and assistance from the Hispanic Federation, the Center for Hispanic Policy, Research and Development (CHPRD), the Office of Faith Based Initiatives, the City of Perth Amboy, Middlesex County, and private foundations earmarked specifically for COVID-related initiatives. This allowed PRAHD to not only continue providing its traditional services but also create new programs to meet the needs caused by the pandemic. As always - when presented with a unique challenge - our staff navigated through the storm providing kind, compassionate, and effective services without compromising the multitude of services provided daily through our eleven programs.

As both current and prospective supporters, it is important that you understand the impact your gifts make to the Agency. Throughout the evening, you will have the opportunity to see and learn about many of the activities, events and services provided by PRAHD for the community. Your support makes it possible for PRAHD to provide those services by contributing to the growth and strength of our programs. We truly appreciate your support and hope you know just how much it means that you could celebrate our accomplishments with us tonight.

We thank you all for your partnership with this wonderful organization that makes a real impact on each life it touches. We look forward to your continued support as we set our sights on next year which we know will be filled with continued success.

Thank you for coming to this year's gala!

Sincerely,

Dear Friends,

I would like to extend my warmest wishes to all those gathered today to celebrate the Roberto Clemente Gala hosted by the Puerto Rican Association for Human Development (PRAHD).

Since 1974, when PRAHD was created in Perth Amboy to serve the youth, this venerable organization has expanded its reach to assist individuals in need and has become an exemplary institution in the state. Today, PRAHD helps individuals with housing needs, food security, senior services and so much more. The organization also prides itself in having programs for the development of young women and children. As the highest-ranking Latino in the United States Congress, I sincerely value your dedication, persistence and efforts over the years. I am also grateful for all you have done for our state and I hope that you continue leaving a lasting legacy of human advancement and good will.

I would also like to recognize the special honorees tonight. Assemblywoman Lopez deserves recognition for her exemplary public service and for her leadership as Deputy Speaker and as a member of the New Jersey Legislative Latino Caucus. And Hispanic Federation deserves recognition as one of our nation's most distinguished Latino non-profits with a proven track record of accomplishments and service.

Congratulations and have a great celebration,

Sincerely,

Robert Menendez

EXTENSION OF REMARKS IN RECOGNITION OF THE 34TH ANNUAL ROBERTO CLEMENTE GALA HONOREES

HON. FRANK PALLONE, JR.

July 12, 2022

Madam Speaker, I rise today to congratulate Assemblywoman Yvonne Lopez and Hispanic Federation as they are honored by the Puerto Rican Association for Human Development (PRAHD) at its 34th Annual Roberto Clemente Gala on July 22, 2022. It is my privilege to recognize the outstanding efforts of PRAHD and this year's gala honorees.

Former Executive Director/CEO of PRAHD, the Honorable Yvonne Lopez represents the 19th Legislative District of New Jersey and currently serves as Deputy Speaker of the Assembly. She is also Chair of the Housing Committee, a member of the Transportation and Independent Authorities committee, Financial Institutions and Insurance committee, and Joint Committee on Housing Affordability, as well as a member of the NJ Legislative Latino Caucus and National Hispanic Caucus of State Legislators. She also served on the Complete Counts Commission and the New Jersey Puerto Rico Commission and previously worked in the private sector as Vice President/Community Affairs Manager for Wachovia Banks. In her capacity at PRAHD, Assemblywoman Lopez oversaw the operations and management of the organization while cultivating community and public relations. Assemblywoman Lopez truly embodies the spirit of the Roberto Clemente Award and I join with PRAHD in applauding her leadership and service to the community.

Partner of the Year Award recipient, Hispanic Federation, echoes the mission of PRAHD. Its advocacy efforts, programs, and public education initiatives support community organizations and strengthen individuals and families. Its work assists individuals to obtain health insurance, citizenship and civics education, job training, childhood literacy skills, college preparation, and more. In response to the COVID-19 pandemic, Hispanic Federation provided relief and recovery grants to local organizations and small businesses and held a national outreach campaign to educate Latinos on COVID-19 vaccines. Hispanic Federation continues to promote Latino interests and uplift the Hispanic community and its efforts are to be commended.

For nearly 50 years, PRAHD has provided outstanding support to our local communities. Its comprehensive services and programs promote self-sufficiency and community involvement. I applaud PRAHD for its dedication to improving the well-being of our communities and the evening's honorees for their commitment to service and action.

Madam Speaker, I sincerely hope my colleagues will join me in honoring Assemblywoman Yvonne Lopez and Hispanic Federation for their contributions to the community and congratulating them on this well-deserved recognition by PRAHD.

ROBERTO CLEMENTE

In the minds of many baseball fans, Roberto Clemente is the greatest player in baseball history. His tremendous philanthropic legacy pays testament to the kind of player and person he was. In his illustrious eighteen-year career, Roberto Clemente was the National League batting champion four times, was awarded the Gold Glove for outstanding fielding twelve times, appeared in twelve All-Star Games and in 1966 was voted the National League's Most Valuable Player (MVP.) He also became the eleventh player in baseball history to get 3,000 hits. After his tragic death, he became the first Latino player to be elected to Baseball's Hall to Fame.

Aside from his athletic prowess, Roberto Clemente was committed to serving and helping others. He swerved in the U.S. Marine Corps Reserve from 1958-1964. Roberto Clemente was also a magnanimous human-being with a strong interest in helping the less fortunate. The star rose to fame from humble beginnings; his first baseball was a branch for a bat and an old coffee sack to catch the tight knots of rags that was his first baseball.

Roberto never forgot his upbringing and as such engaged in charity work during most of the off-season. After hearing the news of a terrible earthquake in Managua, Nicaragua, Clemente went to work organizing emergency relief flights; however due to unforeseen circumstances, the packages were never received by those affected. Upon discovering that the relief flights were not reaching the intended victims, Roberto boarded a fourth flight hoping to secure a successful trip; however in a tragic accident, the plane crashed immediately after takeoff.

On Sunday, December 31, 1972, Roberto Clemente passed away leaving his wife and three children behind and a lifetime of baseball skill and philanthropic activities. To those that knew him, it came as no surprise that Roberto Clemente died trying to help others. Roberto Clemente will always be remembered as an exceptionally skilled player and an equally compassionate humanitarian.

ABOUT PRAHD

The Puerto Rican Association for Human Development, Inc. (PRAHD) was founded in Perth Amboy, New Jersey by a group of concerned community leaders/professionals who sought to provide supportive services to disadvantaged Perth Amboy youth. In May 1974, PRAHD was incorporated as a 501(c)(3) non-profit organization and began to operate state funded anti-delinquency programming within Perth Amboy.

After the success of PRAHD's youth services, the organization expanded into more comprehensive activities and re-dedicated its efforts towards ensuring the success and advancement of individuals in need. Forty-six years later, PRAHD has grown into a thriving comprehensive human services agency that serves thousands of New Jersey residents throughout Middlesex, Union and Hudson counties.

PRAHD's mission is to develop human potential and promote self-sufficiency through programs designed to improve the social, economic, health and educational status of the community in a culturally sensitive environment. Complimentary to PRAHD's mission, the organizational vision is to empower the individual to reach his/her highest potential and to participate meaningfully in his/her community. PRAHD is an active community provider and steward that constantly campaigns for the rights, dignity and betterment of impoverished individuals and communities.

PRAHD operates 12 programs across a wide spectrum of unmet human service needs, which target education, housing, benefits access, youth development, preventative health, respite home care, and senior services. All agency programs integrate a variety of methodologies to maximize positive results and ensure sustainable social impact. Furthermore, all activities are designed to afford clients the opportunity to become self-sufficient allowing for the achievement of their personal, educational and financial goals.

My grandmother has always been an inspiration to me since I was a child. I looked up to her in every way. In my eyes, she's a fashion icon, a boss, and a very smart woman. Throughout my life as a young adult, I have integrated these qualities into my life. Without her, I wouldn't be the woman I am today. I am so proud to be her granddaughter.

I'm so proud of my grandmother and her countless accomplishments over the years. She's loving, smart, witty. I admire her determination and will to succeed. She's not just my grandmother but is also my friend.

We congratulate PRAHD on the amazing work it does in the community and on its 34th Roberto Clemente Gala.

*We extend **congratulations** also to Assemblywoman Yvonne Lopez and the Hispanic Federation.*

May God bless you as you continue to show compassion to those who are the less fortunate and in need of support.
