Missing players

This murder mystery is designed to be played by different numbers of players.

This means if you are playing with less than 12 people, it is important for all players to read through the Assigning Characters page to get familiar with the names of all characters that may appear in the murder mystery. Make sure to fill in the names of your guests next to the character they've been assigned as a helpful reminder!

Assigning Characters

Character Name and Description	Guest Assigned
<u>Ruby Sampson</u> - Ruby is a 17 year-old server working at the wedding. This is her first week on the job! She used to go to school with the Bride's daughter Ocean, who she absolutely idolised. Ocean was always way cooler than Ruby.	
<u>August Wilde</u> - August owns the beautiful 'August Grounds' where the wedding is taking place and is also the wedding coordinator. He is pretentious and over-the-top and prone to frivolous spending and being flamboyant. He loves to wear garish clothes to get himself noticed.	
<u>Vinnie Fowler</u> - Vinnie is Father of the Bride, Jennifer Love, father to Amy, and also grandfather to Ocean. He was once a key member of 'The Wesley Crew', an underground crime organisation. He has a pretty lousy relationship with his daughters and hasn't seen them for a while.	
<u>Ocean Love</u> - Ocean is the 17 year-old daughter of the Bride, Jennifer Love. She is a passionate environmental activist who believes the time to act is NOW. Just like her mum, Ocean is used to getting what she wants and often acts on impulse.	
<u>Nelly Woodville</u> - Nelly is Jasper and Stefan's aunt. She's loud, quirky and loves a bit of yoga. She became Jasper and Stefan's guardian along with her late husband Neddy, when their parents died thirty years ago. She is theatrical and is never seen without blue eyeshadow.	
<u>Stefan Blake</u> - Stefan is the Groom and Jasper's younger brother. He has spent a fortune on this wedding to keep his Bride happy! Despite being a successful businessman, he's always been in his older brother's shadow.	
<u>Tripp Zoom</u> - Tripp is the successful, smooth-talking wedding photographer. Although landscape and wildlife photography is his passion, wedding photography makes him plenty of money! A greedy workaholic, Tripp has no morals fleecing newlyweds for money.	
<u>Pete Peters</u> - Pete is the Groom's dopey, devoted best friend and groomsman. Pete is a personal trainer, currently training Jasper, the Groom's brother. He has a fondness for very tight shirts that show off his abs and can often be found doing 50 push-ups.	
<u>Shonnee Hatton</u> - Shonnee is the Bride's best friend and Maid of Honour and has a reputation for having one too many drinks and partying! She has an on/off relationship with the Groom's older brother, Jasper. Shonnee is the life and soul of any party and always dresses over-the-top.	
<u>Jennifer Love</u> - Jennifer is the dazzling Bride. She is marrying Stefan in what will be her third marriage. She is impulsive, materialistic and completely over-the-top with both wedding prep and what she will wear on her wedding day - the bigger the better!	
<u>Three Nipple Nick</u> - Nick is an oddball, and the bass guitarist in the wedding band. He is a deep thinker, socially awkward and has a tendency to break into song at inappropriate times. Nick talks and looks like the stereotypical band member - black jeans, shirt and braces!	
<u>Amy Love</u> - Amy the sister of the Bride and also a bridesmaid. She is confident, seductive and shallow. She's more interested in climbing the social ladder than being nice. She never leaves the house without her pink lipstick.	

Accusation tickets & House points

Print out as many pages of the accusation tickets as needed to make sure there are enough for each player. Before the party, cut them out and have them ready for when it's time to make your guesses!

These tickets will also be used to vote on the awards and tally each person's final House Points. You can print out the award certificates and House Point tokens now as well. Print off enough House Point pages to give each player 10 tokens in their envelopes.

House Points

Give 10 house tokens to each guest

During the game, players can gamble, blackmail, and bribe using these House Points (for example, a character may choose to only reveal a piece of information to someone who will give them some House Points). The player with the most House Points at the end of the game receives an additional prize.

This looks like the guest list. But something's odd. Do you recognise the names and is everyone on it? Who came uninvited?

○ ○ ○ ○ ○

We found a handwritten note and the fingerprints match that of Jasper's. It was found in the staff quarters corridor.

I know your plan.

○ ○ ○ ○ ○

The neighbours have passed over a recording from their security cameras. Looks like Jasper and a female wedding guest were having an intimate rendezvous in the wedding gardens at 3.45pm...

○ ○ ○ ○ ○
A bluebird brooch has
been found just a couple
of metres away from the
body, surely someone
knows something about
this item?
It's very unique...

The medical examination has finally come back. It's a bloody mess in the chest area but something else has been revealed...

Ruby Sampson

Relationships:

Ocean Love - Daughter of the Bride

You used to go to school together, but Ocean dropped out early to focus on her global environmental activism. You feel a kinship with her that neither of you have had a real father figure in your lives. You hang on her every word. You know how much she hated Jasper, but she couldn't have done this...right?

Jennifer Love - Bride

Jennifer is the coolest mom you've ever seen and she always looks immaculate. Ocean once told you she wished her mom would care more about real world issues rather than fashion and celeb gossip.

August Wilde - Venue Owner and your Boss

You've only known him a week. He's nice to you, but he's obviously worried about something and he's super stingy with food and drink portions.

Three Nipple Nick - Wedding Band Member

You met Three Nipple Nick for the first time this morning. He's pretty odd but as far as you know, he doesn't know too many people here today so he might be up for trading information. He's clearly got secrets of his own after all the random requests he made today. Those did sound a bit suspicious...

Peter Peters - Groomsman

Peter Peters is one of the best and hunkiest personal trainers in town. He's taught a couple of circuit training sessions at your school over the last couple of years too. Today you've watched him nip in and out of the venue to do a quick 10 push-ups here and there. Hilarious. He's looking at you a bit strangely today, but he's usually very friendly.

Ruby Sampson

Goals during the evening:

- Well, this is new. You better call your mom and tell her you'll be late home. It's time to put on your Miss Sherlock specs!
- Hmm...that discussion with Ocean in the bathroom could cause some trouble. Would Nelly be suspicious of you and Ocean? Perhaps it's best if you have a chat with her and confess what you know. She may have information to share.
- Three Nipple Nick is an oddball. See if he'll tell you why he needed that rope and bucket earlier.
- August might be suspicious of you because it's your first week on the job and there's never been an incident at the venue before. Try and avoid talking to him. Your links to Jasper will only lead to more suspicion.

August Wilde

Relationships:

Ruby Sampson - Wedding Staff

It's her first week at August Grounds and she's clearly not taken the job because of her passion for the wedding industry. Her mom called up begging you to take her daughter on because she's broke and the father left them years ago high and dry.

Three Nipple Nick - Wedding Band Member

You met Nick for the first this morning. He arrived very early for a musician and from what you've seen so far he's a bit of an oddball! Nevertheless, he must be a fine musician to play at this wedding so you've been trying to pitch your romance poems to him all day.

Jennifer Love - Bride

Ah, the beautiful bride. You couldn't believe your luck when she chose August Grounds for her wedding. After all she's a D-list celeb marrying into the wealthy Blake family. You got along like a house on fire when she came to visit the venue a few months ago, but you've not spoken to her much today.

Nelly Woodville - Groom's Aunt

Funnily enough you met Jasper and Stefan's aunt along with her husband three years ago at an amateur dramatics society. She was always friendly. Her husband's not here today to tell her to stop gossiping, so maybe she'll spill the beans on what she knows about the investigation.

Tripp Zoom - Wedding Photographer

Though you're not closely acquainted, you and Tripp are both in the wedding and events industry and move in the same social circles. He's a great salesman and milks his clients for every penny.

amazing[®]

August Wilde

Goals during the evening:

A murder? At August Grounds? What an absolute disaster. And if this investigator finds out your plans, you're gonna be in trouble. Even worse, he might think you're the killer! The sight of the pool of blood makes you vomit - that carpet cost a fortune.

- That argument with Jasper was not ideal. Does anyone else know about your plan?
- Three Nipple Nick behaved very peculiarly today. What's he up to?
- You don't want to be wrongly accused of murder, but you also don't want people knowing about your insurance scam. You know Jennifer saw you and Jasper talking in the garden. This makes you nervous. Only give her information if she promises not to tell the others. Perhaps she could trade information in return?
- If the post it note is found you should deny you know anything unless people ask you strictly in private.
- Is it just a coincidence that a murder takes place during Ruby's first week on the job? What's she hiding?

amazing[®]

Stefan Blake

Relationships:

Jennifer Love – Your Bride

The love of your life. She's been acting strange the past few weeks. Originally you thought it was all because of an argument you had, but now you're not so sure...

Ocean Love – Daughter of the Bride

You've been working hard to establish a good relationship with Ocean, but your brother's business plans have got in the way. She's a very passionate teen activist.

Vinnie Fowler – Father of the Bride

Today was the first time you've ever laid eyes on Jennifer's father. You know Jennifer and Amy cut communication with him 15 years ago and he once was a prominent member in the criminal underworld. You're cautious around him. At first you thought it was a good thing that he showed up, but now you're not so sure.

Nelly Woodville – Your Aunt

Dear Aunt Nelly. Since your mom passed away, she's treated you almost like a son. She's been a bit distant since your uncle passed, but she's always on your side.

Peter Peters – Groomsman

Affectionately nicknamed the BFG, he's your best friend and someone you'd confide in. Although he's a bit of a dope, you trust him completely.

Shonnee Hatton – Maid of Honour

Shonnee works at your firm and introduced you to Jennifer. She's your new wife's best friend and your brother's long term on/off love interest. You like Shonnee, but you knew Jasper was never going to commit to her.

Amy Love – Sister of the Bride

Although she's your sister-in-law, you wouldn't trust Amy as far you could spit. She's always competing with Jennifer and she'd do anything to get to the top.

Three Nipple Nick – Wedding Band Member

There's no way Three Nipple Nick will help you solve this mystery, he hated Jasper's guts. You understand why. Jasper was awful to him. But he couldn't have done this....right?

Stefan Blake

Goals during the evening:

How has it all gone so wrong! If people find out you punched Jasper earlier, they're bound to start suspecting you...

- Speak to Jennifer straight away and tell her that you saw Amy with Jasper. Maybe Shonnee saw this? Or did Peter see it? Both would be very upset by this betrayal!
- Check in with your Aunt Nelly and see what she knows. She's always stuck by you through thick and thin. You can't imagine how she's feeling.
- Three Nipple would never have forgiven Jasper for the relentless bullying and name calling at school. Why did he say yes to performing here today? Did he have a plan?
- You know Jennifer's daughter, Ocean, isn't keen on Jasper. Especially now that Jasper got the planning permission to build his new business on a bird migration path. She's a keen environmentalist! What might she know?

Jennifer Love

Relationships:

Stefan Blake – Your Groom

Your new husband. You've got him wrapped around your little finger. You've been distant with him ever since the argument 5 weeks ago. You want to keep the affair a secret from him at all costs.

Nelly Woodville – Groom's Aunt

You've only met Nelly a handful of times. Stefan is very close to her though. His parents passed away when he and Jasper were young.

Vinnie Fowler – Your Father

This morning was the first time you'd spoken to Vinnie in 15 years. He was once part of the Wesley Crew gang and put you in danger a lot when you were young. This morning you got desperate and thought that maybe he could scare off Jasper somehow.

Ocean Love – Your Daughter

Ah, Ocean. Despite being so different in personality, you and your daughter have always looked out for each other during tricky times. You know she hates Jasper, but you can't remember why. Nevertheless you will protect her until the end.

August Wilde – Venue Owner and Wedding Coordinator

When you came to visit the venue during your research stages, August seemed so fun and breezy! After seeing him all flustered talking to Jasper you're convinced something's not right.

Shonnee Hatton – Maid of Honour

Your absolute best friend. Sadly she's been in love with Jasper for the last two years. As far as you know, she doesn't know anything about you and Jasper and she'd never suspect you of murder either.

Amy Love – Your Sister

You and Amy changed your names from Fowler to Love when you cut ties with your father years ago. She'd never forgive you if she knew you reached out to him this morning. Sadly you're not close anymore. She's always in competition and she'd throw anyone under the bus if it made her famous.

Three Nipple Nick – Wedding Band Member

You saw Nick play at a festival and loved the band's vibe. You asked him there and then to play at your wedding! You know very little about him other than he's a talented oddball who breaks out into song during random points of conversation.

Jennifer Love

Goals during the evening:

How dare someone ruin your big day!

Having said this, Jasper's death isn't the end of the world...at least he will stop blackmailing you now, and you didn't even have to get your hands dirty! You clearly have a motive though, so you need to think carefully here. Who knows your secret? Will people think you're capable of this? Who is capable of this?

- Did your Dad go one step too far? Push for information here! Does he have more dirt on Jasper that you don't know about?
- Could Stefan have guessed anything between you and Jasper? Why did he look a little dishevelled when he came into the Sapphire Lounge? Try and find out if he knows about you and Jasper, but remember – if he doesn't know then you'd much rather keep it that way and save your new marriage! You must only confess to him if the pressure's on and the detective has revealed his last clue.
- What on earth was August's heated discussion with Jasper about?
- Protect Ocean to the very end. She's your daughter so if people start pointing fingers, you must protect her and steer the conversation away. You know deep inside that she's not capable of this, despite her hatred of Jasper. Others may not be so sure.

Vinnie Fowler

Relationships:

Jennifer Love – Bride and your Daughter

Your eldest daughter. Although you've been a terrible father over the years, you're now committed to protecting her. Stefan can't find out about Jennifer's affair with Jasper.

Amy Love – Your Youngest Daughter

Your youngest daughter is vain and stubborn and hasn't spoken to you in years. Growing up, the sisters were always competing against each other and you wouldn't put it past Amy to do something very silly for her own personal gain.

Ocean Love – Your Granddaughter

You've only met a handful of times but you're sure she thinks badly of you. She'd probably think you're capable of murder too!

Nelly Woodville – Groom's Aunt

A couple of years ago you tampered with her late husband's excavator, which ultimately led to his death. She has no idea of your involvement and you intend to keep it that way.

Shonnee Hatton – Maid of Honour

You don't know her very well but you know she's been best friends with Jennifer since childhood. She's usually annoyingly optimistic and upbeat. It was strange to see her sobbing earlier though. She won't talk to you because she's never liked you.

Vinnie Fowler

Goals during the evening:

Unlike most of these fools, you've got a lot of experience with police and violence. There's no denying it though...fingers will be pointing at you, especially as you weren't seen for a while whilst you were asleep outside. It's time to stay calm, do some probing and rat out the killer.

- Did anyone see you threaten Jasper earlier?
- People may know that you weren't actually invited today. Don't lie but think of a reason that puts you out of the spotlight. Maybe "your daughter last minute decided that she wanted your support on the day."
- Why was Shonnee a mess? You could ask her but you doubt she'll tell you – perhaps you could ask your younger daughter, Amy?
- Talk to Jennifer and see if she's hiding anything else. Could anyone else have vendettas against him other than Jennifer? Does Stefan know more than he should? Tread carefully here!

Ocean Love

Relationships:

Jennifer Love – Bride and your Mother

Although you have very little in common, at the end of the day you and your mom will always look out for each other. She's been acting a bit jittery lately and there was something very chilling about the way she spoke about Jasper this afternoon.

Stefan Blake – Groom

You like Stefan but let's admit, he's a bit of a drip. You know he's aware of how much you dislike Jasper's building plans. He's besotted with your mom though and clearly will do anything for her.

Vinnie Fowler – Your Estranged Grandad

You know very little about your grandad but your Aunt Amy always said the less you know the better. Supposedly he's got a pretty shady history.

Shonnee Hatton – Maid of Honour

Your mom's best friend who you usually get along with. Her relationship with Jasper has really gotten in the way recently. You just don't understand how she could like that man!

Amy Love – Your Aunt

In your opinion, Aunt Amy is vain and stupid. She looks very similar to your mom today but that's no accident. She's always trying to compete with her.

Ruby Sampson – Wedding Staff and Former School Friend

You know Ruby worships you and you enjoy the attention. She obviously reads all your tweets. She's pretty clingy but maybe that's because you're quite similar. Like you she's never really had a reliable father figure.

Ocean Love

Goals during the evening:

OMG. As if that just happened?! I mean...really, what just happened? Surely they won't think it's you, right? Wow, you've said a few dumb things today, you need to cover your tracks. Did anyone see you threaten Jasper earlier?

- Why did your mom sound so full on when she spoke to you after the speeches? Although you think your mom is silly she's still your mom and you'll stick together. Push for answers, maybe you could work as a team?
- Did you push Ruby over the edge? Talk to her about what happened, what does she know? Did the business plans impact anyone else?
- How much does Nelly Woodville know? She heard you in the bathroom, will she suspect you? What does she know about Jasper's new business project?
- If anyone accuses you, give a speech about morals and the importance of the justice system! Surely no one will think it's you knowing your ethics and passionate core values.

Tripp Zoom

Relationships:

August Wilde - Venue Owner and Wedding Coordinator

Though you're not closely acquainted, you and August are both in the wedding and events industry and move in the same social circles. He used to be a big shot in the business, but there is something a bit desperate about him these days.

Ruby Sampson - Wedding Staff

You met her for the first time this morning. Supposedly it's her first week on the job. Great timing, right?! Unless it's not a coincidence...

Jennifer Love - Bride

You couldn't believe it when the beauty in those risque photos you stole turned up on a reality TV show a couple of years later. You've never met her in person, but she's a D-list celebrity these days.

Three Nipple Nick - Wedding Band Member

You met him for the first time this morning. He's an odd character for sure. Why did he arrive so early? Usually the band rocks up 5 minutes after scheduled!

Tripp Zoom

Goals during the evening:

You're an outsider at this event and you know it! You were also out of sight from guests and staff when the body was found, so people may be suspicious of you. You best solve this murder quick!

- August is looking suspicious but he's one of your closest contacts here. You don't really want to turn on him, since he's your best bet at getting some information! What have you got on him? Could you corner him in private and get him to share his story?
- Why did Jasper want those pictures of Jennifer so badly? Was it to protect his new sister-in-law? The Jasper you knew couldn't give a monkey's about anyone, so that can't be it. If you find a quiet time to talk to Jennifer about the photos incident, she may have more to tell you. What can she tell you about the Blake family?

Peter Peters

Relationships:

Amy Love - Bridesmaid

You're under Amy's spell and there's nothing you can do about it. She's the most beautiful woman you've set eyes upon. She treats you like garbage and she has you follow her around like a puppy dog, but you're sure that's just the way she displays her affection.

Stefan Blake - Groom

Stefan's been your best friend for 15 years. Jasper's always belittled his younger brother, Stefan, but you've watched him stay calm and shrug off all ridicule. You know Stefan would protect you through thick and thin.

Jennifer Love - Bride

Jennifer introduced you to Amy a few months ago and you're not sure if it was the worst or best thing that's happened to you.

Vinnie Fowler - Father of the Bride

Today was the first time you laid eyes on Jennifer and Amy's estranged father, but Jasper's often mocked them for their family ties, naming them the gangland sisters.

Ruby Sampson - Wedding Staff

Ruby's a 17 year old in her last year of school. You've taught a couple of training classes at her school recently, but she's always pulled out a sick note and sat on the bench. Weird that she's working this event.

.

amazing®

Peter Peters

Goals during the evening:

You're in a state of shock and confusion! If only you could go for a 20 minute run to clear your head. Puzzle-solving is not your strong suit, but you're going to give it your best shot!

- Try and get to know Ruby a little better and find out what she's doing here. Does she have family relations to Jasper?
- Stefan is your closest friend, you saw him punch Jasper in a mad rage but there's no way he could commit murder... right? Chat with him and see what he knows about what happened with Jasper.
- Maybe this is your chance to show Amy what you're made of! Can you team up with her and share what you know?
- How and why does Jasper know so much about Jennifer's father? Do Vinnie and Jasper know each other somehow?

amazing®

Three Nipple Nick

Relationships:

Jennifer Love - Bride

She's a reality TV star turned D-list celebrity who often appears in trashy gossip magazines. When she approached you after your gig you knew she looked familiar. She clearly had no idea that you went to school with Stefan and Jasper.

Ruby Sampson - Wedding Staff

You only met Ruby for the first time this morning. She's about seventeen and she's grumpy. She doesn't have any ties to the family that you know of though, so she could be open to chatting with you more. She might be suspicious of you with all your random requests today anyway, so it's best you nip that in the bud early on!

August Wilde - Venue Owner and Wedding Coordinator

This guy is too extra to be sincere. You don't tend to trust people who are overly talkative and he's definitely on edge about something - has he taken cocaine? You're in the music biz so it wouldn't be the first time you've seen an addict.

Stefan Blake - Groom

Jasper's younger brother. There's no way you're getting information from him. You've not seen him in years, and after today you hope to never see him again. He's a bit of a wet lettuce compared to his brother, still, you'll be avoiding him at all costs.

Nelly Woodville - Aunt of the Groom

You've never spoken to Nelly, but you remember seeing her collecting Stefan and Jasper from school now and again. You also remember the day when the teacher announced that Stefan and Jasper will be off for a couple of weeks because their folks were in a fatal car crash.

Three Nipple Nick

Goals during the evening:

Well, someone hated Jasper even more than you it appears! Although you have done a few things today that may look a bit suss....

- You don't want to tell people about your prank. It's immature and foolish and people may start suspecting something more sinister. You don't want people accusing you either! If Ruby or August asks you may have to tell them, but avoid telling Jasper's brother about the plan at all costs!
- You don't want to tell everyone about the note you found as this might be key information. It was near August's office though. Maybe he knows something and you could trade information?
- It looks like Nelly is Stefan and Jasper's only relative. What does she know about Jasper? What relationship did Jasper and Stefan have these days?
- Have a chat with the bridesmaids separately. What's their relationship to Jasper? Do they know he's playing them both? Maybe you spark some gossip around this?

Amy Love

Relationships:

Jennifer Love – Bride and your Sister

When your older sister, Jennifer, applied to be a contestant on a reality TV show, it launched her into the small screen spotlight. Years on, she's a D-list celebrity and you still get jealous of her and see everything as a competition.

Stefan Blake – Groom

You know little about Stefan other than you think he's the weaker brother out of the two.

Vinnie Fowler – Your Father

You and Jennifer both grew up in a dodgy suburb with your mobster Dad. You took a pact years ago never to speak to him again.

Nelly Woodville – Groom's Aunt

You spoke to Nelly Woodville for the first time today. What a daft old bat! You feel bad about her husband dying. She told you about raising Stefan and Jasper when they were young. She also gave you an astrology reading which was fun!

Ocean Love – Your Niece

You're not very close to Jennifer's daughter and a part of you regrets that. With her passion for changing the world and her large Twitter following, it's clear she's going places. You'd like to work on that relationship. Perhaps paying her a few compliments about her recycled dress this evening will kick-start your relationship.

Peter Peters – Groomsman

Your wedding date! You really couldn't care less about him, but he clearly fancies you with those dopey puppy eyes.

Shonnee Hatton – Maid of Honour

Shonnee is Jennifer's best friend and although you've known her for what seems like forever, the only thing the pair of you have in common is Jasper!

Amy Love

Goals during the evening:

And to think just a few hours ago you rendezvoused with Jasper in the gardens! What a crazy day. You know Jasper's a bit of a rat so you're sure he's got a few enemies amongst the wedding group.

- You want to keep your romp with Jasper in the gardens a secret for as long as possible. Shonnee will never forgive you if she finds out and by admitting to the act you're only going to place yourself closer to Jasper and the murder.
- Why on earth is your father, Vinnie Fowler here? Surely your sister wouldn't have invited him! You're sure he's capable of murder... but why Jasper?
- Poor Nelly! You bonded over a cocktail earlier so reach out to her again and see what she knows. First her husband and now Jasper! She'll be demanding answers, for sure.
- Peter's a personal trainer and built like a house and if he saw you with Jasper today he would have been heartbroken. Obviously you'd rather the affair be kept a secret from him so don't tell him anything unless he confronts you!

Nelly Woodville

Relationships:

Stefan Blake - Groom and your Nephew

You took Jasper and Stefan in when your husband's brother died and you became very fond of Stefan. He's your only family left now. You'd be devastated if he found out the truth. He'd never forgive you, even though you had a reason...

Jennifer Love - Bride

Ah, the beautiful Jennifer. You've only met a handful of times and you don't think there's much between her ears. You're protective of Stefan and so slightly suspicious and cautious of her intentions.

Ocean Love - Daughter of the Bride

What a passionate girl! You met her for the first time today. You can tell she's intelligent but reckless. It's best to ask her plenty of questions about her activism and career path to deflect from the investigation.

Three Nipple Nick - Wedding Band Member

You remember Three Nipple Nick vaguely from when the boys were just teens. He's very talented and in another world you'd ask him to visit your drama society for a guest music tutorial. He was an oddball at school and you're surprised to see him here today.

August Wilde - Venue Owner and Wedding Coordinator

August came to your amateur dramatics society for a term three or four years ago! You thought he could have made a wonderful actor with all his flair and enthusiasm, but he dropped out just before the Guys and Dolls casting.

Goals during the evening:

OK, you're a keen member at your local amateur dramatics society so perhaps your acting skills could help to wrangle your way out of this?! You can lie, but lying too much may be dangerous. You don't want the others catching you out! You know there's a few suspicious characters at this wedding, so it's time to get busy and do what you can to get out of the hot seat!

- Spread around as much information as possible. Lots of people have a motive, so find those out and hopefully it will deflect onto someone else.
- You don't want to frame an innocent teen, but Ocean Love clearly hated Jasper and could be a scapegoat. Test this theory out with others...not to her silly mother though. You know she'll protect her to the end.
- Be kind to Nick and try and find out who gave him that humiliating nickname of his!
- Who did Jasper intend on giving that note to and why? Surely whoever he gave it to will have a motive!

Relationships:

Jennifer Love - Bride

She's your best friend and you've known her since childhood. You've always been loyal to her, so you're heartbroken that she'd go behind your back with Jasper. As upset as you are at her, you know she couldn't be capable of murder.

Stefan Blake - Groom

You two get on just fine. He's a kind man and a bit of a pushover sometimes. You can't imagine him hurting anyone unless something truly awful pushed him to the brink.

Vinnie Fowler - Father of the Bride

You haven't seen Jennifer's father in years and you're shocked that he's here today. You were scared of him growing up. He wasn't very friendly to his daughter's friends. You know that Jennifer and Amy cut ties with him years ago.

Ocean Love - Daughter of the Bride

You get along with your best friend's daughter, Ocean but she's a keen environmentalist and Jasper's recent business plans have put a wedge between you recently.

Amy Love - Sister of the Bride

Ah, Jennifer's sister. You've known her for years but the two of you aren't close. She always flounces around with an air of supremacy.

Goals during the evening:

Words can't describe how you feel. The day has been an emotional rollercoaster and it's ended in turmoil. You will always love Jasper no matter what. You want to find out who did this and bring them to justice!

- Confront your best friend, Jennifer about the text you saw. Maybe she will spill the beans on what happened there and you can piece together the day's events. Avoid telling her about Amy and Jasper though. If you tell her this she may think you've got even more reason to push him off a cliff!
- Chat to Stefan and see what he knows. Why did he look distracted and disheveled earlier? Could he have known about Jasper and Jennifer? Be careful here...if he doesn't know about Jasper and Jennifer and you leak this to him, he'll know that you also have a motive!
- If people start pointing fingers at you and you get desperate, you could also throw Ocean's name into the mix. Obviously not to family members, though! After her tweets and wedding speech, everyone knows she hates his guts!
